Item 8.01                      Other Events

AGL Resources Inc. (the “Company”) is recasting certain prior period information with respect to the Company’s Annual Report on Form 10-K for the year ended December 31, 2013 (the “2013 Form 10-K”) to conform with segment reporting changes made in connection with the sale of its Tropical Shipping and Seven Seas businesses. The Company concluded that this divestiture qualified for discontinued operations treatment of this business during the second quarter of 2014. Accordingly, the operations and cash flows of this business were eliminated from the Company’s ongoing operations and the assets and liabilities of this business were classified as held for sale, as reported in the Company’s Quarterly Report on Form 10-Q for the quarter ended June 30, 2014. Additionally, the operations and cash flows of Triton Container Investments, LLC, which were not included as part of the sale, as well as the corporate overhead allocations of the cargo shipping segment, were recorded within our non-operating segment, “other.” The recast information to reflect these segment reporting changes to certain items in the Company’s 2013 Form 10-K is presented in Exhibits 99.1, 99.2, 99.3 and 99.4 to this Form 8-K.

The information included in this item and related exhibits are presented for informational purposes in connection with the reporting changes described above and do not represent an amendment or restatement of previously issued financial statements. This information does not modify or update the disclosures in the 2013 Form 10-K in any way, nor do they reflect any subsequent information or events, other than as described above. The information should be read in conjunction with the 2013 Form 10-K and any documents filed by the Company with the SEC subsequent to the 2013 Form 10-K, including our Quarterly Report on Form 10-Q for the quarter ended March 31, 2014, filed with the SEC on April 29, 2014, and our Quarterly Report on Form 10-Q for the quarter ended June 30, 2014, filed with the SEC on July 30, 2014.
