Item 1.01 Entry into a Material Definitive Agreement.

On April 22, 2008, CVD Equipment Corporation (the "Registrant") entered into a three year Modified and Restated Revolving Credit Agreement (the "Loan Agreement") with Capital One, N.A., successor by merger to North Fork Bank (the "Bank") pursuant to which the Bank has agreed to make revolving loans (the "Loan") to the Registrant of up to \$5 million dollars. The Loan Agreement amends and supersedes the Registrant's previous \$2 million dollar revolving credit facility with the Bank. The Loan is evidenced by a consolidated and restated revolving line of credit note (the "Revolving Credit Note"), the obligations of which are secured by a first priority lien and security interest in all personal property owned by the Registrant, all of the Registrant's monies, deposits or other sums held by the Bank on deposit and \$500,000 dollars of the proceeds of a life insurance policy which is owned by the Registrant and issued on the life of the Registrant's Chief Executive Officer, Leonard A. Rosenbaum.

The Loan will bear interest on the unpaid principal balance thereof from time to time outstanding at a rate per annum to be elected by the Registrant, which shall be equal to either (1) the Effective LIBOR Rate plus 2.00% or (2) the Bank's Prime Rate minus .25%.

The obligation of the Registrant to pay the amounts outstanding under the Loan Agreement may be accelerated upon the occurrence of an "Event of Default" as defined in the Loan Agreement.

The foregoing description of the Loan Agreement and the Revolving Credit Note described above is only a summary and is not intended to be complete description of all of the terms thereof. You are encouraged to read the documents in their entirety. A copy of the same is attached as an exhibit to this Current Report on Form 8-K and the text is hereby incorporated by reference. Certain capitalized terms used herein but not defined shall have the meaning ascribed to them in the Loan Agreement.
