PROXY STATEMENT

FOR 2002 ANNUAL MEETING OF STOCKHOLDERS

INFORMATION CONCERNING SOLICITATION AND VOTING

GENERAL

The enclosed Proxy is solicited on behalf of the board of directors (the Board) of Liquid Audio, Inc., a Delaware corporation (the Company or Liquid Audio), for use at our Annual Meeting of Stockholders to be held on Monday, July 1, 2002 at 10:00 a.m., or at any adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. Our Annual Meeting will be held at Hotel Sofitel, 223 Twin Dolphin Drive, Redwood City California 94065. The telephone number at that location is (650) 598-9000.

These proxy solicitation materials and the Annual Report on Form 10-K for the year ended December 31, 2001, including financial statements, were first mailed on or about May 28, 2002 to all stockholders entitled to vote at the Annual Meeting.

WE SHALL PROVIDE WITHOUT CHARGE TO EACH STOCKHOLDER SOLICITED BY THESE PROXY SOLICITATION MATERIALS A COPY OF THE ANNUAL REPORT ON FORM 10-K TOGETHER WITH THE FINANCIAL STATEMENTS AND FINANCIAL STATEMENT SCHEDULES REQUIRED TO BE FILED WITH THE ANNUAL REPORT UPON REQUEST OF THE STOCKHOLDER MADE IN WRITING TO LIQUID AUDIO, INC., 800 CHESAPEAKE DRIVE, REDWOOD CITY, CALIFORNIA 94063, ATTN: SECRETARY.

RECORD DATE; OUTSTANDING SHARES

Stockholders of record at the close of business on May 20, 2002 are entitled to notice of and to vote at the Annual Meeting. We have one series of voting shares outstanding, designated common stock, \$0.001 par value. As of May 6, 2002, 22,745,624 shares of our common stock were issued and outstanding. Each holder of shares of common stock is entitled to vote one (1) vote on each proposal presented in this Proxy Statement for each share of stock held. The closing price of our common stock on May 6, 2002, as reported by Nasdaq, was \$2.45 per share.

REVOCABILITY OF PROXIES

Any Proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to us or our transfer agent a written notice of revocation or a duly executed Proxy bearing a later date or by attending the Annual Meeting and voting in person.

VOTING AND SOLICITATION

The cost of soliciting proxies will be borne by us. We may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of our directors, officers and regular employees, without additional compensation, personally or by telephone, telegram, telefax or otherwise.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Stockholders are entitled to present proposals for actions at a forthcoming meeting if they comply with the requirements of the proxy rules established by the Securities and Exchange Commission. Proposals of our stockholders that are intended to be presented by such stockholders at our next Annual Meeting of Stockholders to be held in 2003 must be received by us no later than January 15, 2003 in order that they may be considered for possible inclusion in the proxy statement and form of proxy relating to that meeting.

Our Bylaws establish an advance notice procedure for proposals to be brought by stockholders before an annual meeting. For nominations or other business to be properly brought before an annual meeting by a stockholder, such stockholder must provide timely notice as provided above, and the notice must contain specified information concerning the matters to be brought before such meeting and concerning the stockholder proposing such matters. A copy of the full text of the Bylaw provision discussed above may be obtained by writing to our Secretary. All notices of proposals by stockholders, whether or not included in our proxy materials, should be sent to Liquid Audio, Inc., 800 Chesapeake Drive, Redwood City, California 94063.

The attached proxy card grants the proxy holders discretionary authority to vote on any matter raised at the Annual Meeting. If a stockholder intends to submit a proposal at our 2003 Annual Meeting of stockholders that is not eligible for inclusion in the proxy statement relating to that meeting, the stockholder must give notice to us in accordance with the requirements set forth in the Securities Exchange Act of 1934, as amended, no later than January 15, 2003. If a stockholder does not comply with the foregoing notice provision, the proxy holders will be allowed to use their discretionary voting authority when and if the proposal is raised at our 2003 Annual Meeting of stockholders.

QUORUM; ABSTENTIONS; BROKER NON-VOTES

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspector of Elections (the Inspector) who will be an employee of our transfer agent. The Inspector will also determine whether or not a quorum is present. In general, Delaware law provides that a quorum consists of a majority of shares entitled to vote as of May 20, 2002 and present or represented by proxy at the meeting.

When Proxies are properly dated, executed and returned, the shares represented by such Proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, the shares will be voted for (i) the election of the nominees for directors set forth herein; (ii) the ratification of PricewaterhouseCoopers LLP as our independent accountants for the fiscal year ending December 31, 2002; and (iii) to transact such other business as may properly come before the meeting or any adjournment thereof.

The Inspector will treat shares that are voted FOR, AGAINST or ABSTAIN on a matter as being present at the meeting for purposes of establishing a quorum and as shares entitled to vote, or votes cast, at our Annual Meeting with respect to such matter. While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, we believe that abstentions should be counted for purposes of determining both: (i) the presence or absence of a quorum for the transaction of business; and (ii) the total number of votes cast with respect to a matter (other than the election of directors). In the absence of controlling precedent to the contrary, we intend to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote against the proposal. Because directors are elected by a plurality vote, abstentions in the election of directors have no impact once a quorum exists. In a 1988 Delaware case, *Berlin v. Emerald Partners*, the Delaware Supreme Court held that, while broker non-votes may be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of votes cast with respect to the particular proposal on which the broker has expressly not voted. Broker non-votes with respect to proposals set forth in this Proxy Statement will therefore be counted only for purposes of determining the presence or absence of a quorum and will not be considered votes

cast. Accordingly, broker non-votes will not affect the determination as to whether the requisite majority of votes cast has been obtained with respect to a particular matter.

FISCAL YEAR END

Our fiscal year ends on December 31. Our last fiscal year ended on December 31, 2001.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own more than 10% of a registered class of the our equity securities, to file certain reports regarding ownership of, and transactions in, our securities with the Securities and Exchange Commission (SEC) and with Nasdaq. Such officers, directors and 10% shareholders are also required by SEC rules to furnish us with copies of all Section 16(a) forms that they file.

Based solely on our review of copies of Forms 3, 4, 5 and amendments thereto furnished to us pursuant to Rule 16(a)-(e) with respect to the last fiscal year and any written representations referred to in Item 405(b)(2)(i) of Regulation S-K stating that no Forms 5 were applicable to our officers, directors and 10% shareholders were complied with, we believe that all reports required to be filed under Section 16(a) have been filed on a timely basis by the foregoing persons for our 2001 fiscal year, except as follows: a late filing of a Form 3 by Stephen V. Imbler, resulting in his initial holdings not being timely reported; a late filing of a Form 3 by Raymond A. PROPOSAL ONE
ELECTION OF DIRECTORS

GENERAL

We have a classified board of directors of five members divided into three classes with overlapping three-year terms. Each director serves in office until his or her respective successor is duly elected and qualified or until his or her earlier death or resignation. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of an equal number of directors.

NOMINEES FOR CLASS III DIRECTOR

Two Class III directors are to be elected at the Annual Meeting for a three-year term ending in 2005. Our board of directors has nominated *Gerald W. Kearby* and *Raymond A. Doig* for re-election as Class III directors. The proxy holders may not vote the proxies for a greater number of persons than the number of nominees named. Unless otherwise instructed, the persons named in the enclosed Proxy will vote proxies received by them for the re-election of Mr. Kearby and Mr. Doig. We expect that both Mr. Kearby and Mr. Doig will accept such nomination; however, in the event that either nominee or both are unable to or decline to serve as a director at the time of the Annual Meeting, proxies will be voted for a substitute nominee designated by our present board of directors. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all Proxies received by them in such a manner as will assure the election of as many of the nominees listed below as possible, and, in such event, the specific nominees to be voted for will be determined by the proxy holders. The term of office of each person elected as a director will continue until such director's term expires in 2005 or until such director's successor has been elected and qualified.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT ACCOUNTANTS

Our board of directors has selected PricewaterhouseCoopers LLP as our independent accountants to audit our financial statements for our fiscal year ending December 31, 2002. PricewaterhouseCoopers LLP has audited our financial statements since 1996. Our board of directors recommends that stockholders vote for ratification of such appointment. In the event of a negative vote on ratification, our board of directors will reconsider its selection. A representative of PricewaterhouseCoopers LLP is expected to be available at our Annual Meeting with the opportunity to make a statement if such representative desires to do so, and is expected to be available to respond to appropriate questions. The following is a summary of fees billed to us by PricewaterhouseCoopers LLP during fiscal 2001:

Audit Fees

Aggregate fees for professional services rendered by PricewaterhouseCoopers LLP (PricewaterhouseCoopers) in connection with its audit of our consolidated financial statements as of and for the year ended December 31, 2001 and its limited reviews of our unaudited condensed consolidated interim financial statements were \$245,527, of which an aggregate amount of \$30,000 has been billed through December 31, 2001.

Financial Information Systems Design and Implementation Fees

During the year ended December 31, 2001, PricewaterhouseCoopers rendered no professional services to us in connection with the design and implementation of financial information systems.

All Other Fees

In addition to the fees described above, aggregate fees of \$170,312 were billed by PricewaterhouseCoopers during the year ended December 31, 2001, primarily for the following professional services:

Audit-related services	\$	120,000
Income tax compliance and related tax services	\$	50,312

The Audit Committee has determined that the rendering of non-audit services by PricewaterhouseCoopers LLP was compatible with maintaining their independence.

REQUIRED VOTE

Stockholder ratification of the selection of PricewaterhouseCoopers LLP as our independent public accountants is not required by our By-Laws or other applicable legal requirement. However, the board of directors is submitting the selection of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the audit committee and the board of directors will reconsider whether or not to retain that firm. Even if the selection is ratified, the board of directors at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in our and our stockholders' best interests. The affirmative vote of the holders of a majority of the shares represented and entitled to vote at the meeting will be required to ratify the selection of PricewaterhouseCoopers LLP as our independent public accountants for the fiscal year ending December 31, 2002. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP
AS OUR INDEPENDENT ACCOUNTANTS FOR THE 2002 FISCAL YEAR.**

Change of Control Arrangements

The compensation committee of our board of directors has approved a plan that provides that in the event of a change of control of Liquid Audio, the stock options of each our executive officers will immediately vest the greater of one year or 25% of all of their outstanding or unvested stock options. Executive officers qualifying under this plan include Gerald W. Kearby and Robert G. Flynn; the executive officers listed under DIRECTORS AND EXECUTIVE OFFICERS OF THE REGISTRANT, and, H. Thomas Blanco (Vice President of Human Resources), Matthew Smith (Vice President of Product Marketing) and Kay Marsh (Vice President of Information Technology). Under a separate employment agreement, the stock options of Michael R. Bolcerek will vest an additional 12.5% in the event of his termination as a result of a change of control of Liquid Audio. For purposes of this plan, a change of control is defined as an event at which either (1) we enter into an agreement to dispose of all or substantially all of our assets; or (2) our stockholders dispose of 50% or more of our outstanding common stock.

CERTAIN TRANSACTIONS

Since our inception in January 1996, we have never been a party to any transaction or series of similar transactions in which the amount involved exceeded or will exceed \$60,000 and in which any director, executive officer or holder of more than 5% of our common stock had or will have an interest, other than as described under Security Ownership of Certain Beneficial Owners and Management and the transactions described below.

Mr. Kearby, Mr. Wiser and Mr. Flynn each contributed a nominal amount of capital for our initial capitalization.

Investor	Shares of Series A Preferred Stock	Shares of Series B Preferred Stock	Shares of Series C Preferred Stock

In the past, we have granted options to our executive officers and directors. We intend to grant options to our officers and directors in the future. See PROPOSAL ONE Director Compensation and EXECUTIVE COMPENSATION Option Grants in Last Fiscal Year.

We have entered into indemnification agreements with our officers and directors containing provisions which may require us, among other things, to indemnify our officers and directors against certain liabilities that may arise by reason of their status or service as officers or directors (other than liabilities arising from willful misconduct of a culpable nature) and to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified. We also intend to execute such agreements with our future directors and executive officers.

All of our securities referenced above were purchased or sold at prices equal to the fair market value of such securities, as determined by our board of directors, on the date of issuance.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The compensation committee of the board of directors establishes the general compensation policies of the Company as well as the compensation plans and specific compensation levels for executive officers. It also administers the Company's employee stock benefit plan for executive officers. The compensation committee is currently composed of independent, non-employee directors who, except as disclosed under Compensation Committee Interlocks and Insider Participation, have no interlocking relationships as defined by the Securities and Exchange Commission.

The compensation committee believes that the compensation of the executive officers, including that of the Chief Executive Officer (each, an Executive Officer and collectively, the Executive Officers), should be influenced by the Company's performance. The compensation committee establishes the salaries and bonuses of all of the Executive Officers by considering: (i) the Company's financial performance for the past year; (ii) the achievement of certain objectives related to the particular Executive Officer's area of responsibility; (iii) the salaries and bonuses of Executive Officers in similar positions of comparably-sized companies; and (iv) the relationship between revenue and Executive Officer compensation.

In 2001, the compensation committee reviewed management's recommendations and a third party report on Executive Officer compensation that concluded that the Company was at risk due to discrepancies between the compensation paid to some of its management team and the market rate of compensation paid to similarly-situated executives. Based on that report and a review of the Company's recent performance, the compensation committee approved minimum increases to the base and incentive bonus compensation of many of the Company's Executive Officers. These increases were made effective as of June 1, 2001. The committee believes that, with these increases in place, the Company's Executive Officer salaries and bonuses in 2001 were comparable in the industry for similarly-sized businesses.

In addition to salary and bonus, the compensation committee, from time to time, grants options to Executive Officers. The compensation committee views option grants as an important component of its long-term, performance-based compensation philosophy. Since the value of an option bears a direct relationship to the Company's stock price, the compensation committee believes that options motivate Executive Officers to manage the Company in a manner that will also benefit stockholders. As such, options are granted at the current market price. One of the principal factors considered in granting options to an Executive Officer is the Executive Officer's ability to influence the Company's long-term growth and profitability.

In approving the Chief Executive Officer's salary and stock option grants, the compensation committee generally followed the policies set forth above. Mr. Kearby's base annual salary of \$238,423 and a cash bonus of \$52,000 for fiscal year 2001, reflects his position, duties and responsibilities.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The audit committee of the Company's board of directors consists of three non-employee directors, Mr. Imbler, Ms. Winblad and Mr. Doig, each of whom has been determined to be independent under the National Association of Securities Dealers' Listing Standards. The audit committee is a standing committee of the board of directors and operates under a written charter adopted by the board of directors. Among its other functions, the audit committee recommends to the board of directors, subject to stockholder ratification, the selection of independent accountants.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted accounting principles in the United States and to issue a report thereon. The audit committee's responsibility is to monitor and oversee these processes.

During fiscal 2001, at each of its meetings, the audit committee met with the senior members of the Company's financial management team and the independent accountants. The audit committee's agenda is established by the audit committee and senior members of the Company's financial management team. The audit committee has reviewed with management and the independent accountants the audited consolidated financial statements in the Annual Report, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements. Management represented to the audit committee that the consolidated financial statements were prepared in accordance with generally accepted accounting principles. The audit committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees."

The independent accountants also provided to the audit committee the written disclosure required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The audit committee discussed with the independent accountants that firm's independence and considered whether the non-audit services provided by the independent accountants are compatible with maintaining its independence.

Based on the audit committee's discussion with management and the independent accountants, and the audit committee's review of the representation of management and the report of the independent accountants to the audit committee, the audit committee recommended that the board of directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2001 filed with the Securities and Exchange Commission.

PROXY STATEMENT SUPPLEMENT

INTRODUCTION

This Proxy Statement Supplement is being furnished in connection with the solicitation of proxies by the Board of Directors (the Board) of Liquid Audio, Inc. (Liquid Audio) to be voted at the Annual Meeting of Stockholders of Liquid Audio to be held on July 1, 2002, and at any and all adjournments or postponements thereof (the Annual Meeting). The Board has fixed the close of business on May 20, 2002 as the record date for determining the stockholders entitled to notice of, and to vote at, the Annual Meeting. Liquid Audio's proxy statement (the Proxy Statement), this Proxy Statement Supplement and the accompanying GREEN proxy card are first being mailed to stockholders on or about June , 2002.

At the Annual Meeting, stockholders will consider and vote upon the election of two Class III directors to hold office for three years. The Board has nominated Gerald W. Kearby and Raymond A. Doig (together, the Liquid Nominees) to serve as Class III directors.

As you may know, musicmaker.com, Inc., a Delaware corporation, Jewelcor Management, Inc., a Nevada corporation, Barington Companies Equity Partners, L.P., a Delaware limited partnership, Ramius Securities, LLC, a Delaware limited liability company, and Domrose Sons Partnership, a New York partnership (collectively, the musicmaker group), have commenced a proxy solicitation to take control of Liquid Audio's Board by:

electing the musicmaker group's nominees as Class III directors;

amending Liquid Audio's By-laws to expand the Board and authorize only stockholders to fill the newly created directorships; and

electing the four nominees of the musicmaker group to fill these new board positions.

The musicmaker nominees for Liquid Audio's Board (the musicmaker nominees) have indicated their intention to discontinue Liquid Audio's present operations and to distribute excess cash to the stockholders (the musicmaker proposals).

WHY YOU SHOULD VOTE FOR THE LIQUID AUDIO NOMINEES

The Board has unanimously concluded that the musicmaker proposals are not in the best interests of Liquid Audio and its stockholders. Accordingly, the Board unanimously recommends a vote FOR the Liquid Nominees. Set forth below are the principal reasons to vote FOR the Liquid Nominees.

Liquid Audio's current slate of directors, Raymond A. Doig and Gerald W. Kearby, should be re-elected to the company's board of directors. Their collective experience in the entertainment and technology

industries makes them best suited to realize the strategic and financial worth of the company's assets in order to maximize long-term shareholder value. Mr. Doig offers a wealth of experience in the entertainment field having served as president of 20th Century Fox and on the board of directors of many well-established companies such as Coca-Cola Bottling of the Midwest and Act III Theaters. Mr. Kearby has an intimate understanding of Liquid Audio's technology and operations having served as chairman of the board, CEO and president since the company's inception in 1996. Mr. Doig and Mr. Kearby have been active in providing corporate guidance and are the best candidates to represent Liquid Audio's shareholders.

Under the current board of directors, Liquid Audio has created and implemented a concrete plan to effectively reduce operating expenses and enhance shareholder value. Liquid Audio has aggressively reduced its operating expenses from \$13.4 million in the first quarter of 2001 to \$5.3 million in the first quarter of 2002, and reduced the net loss per share from \$0.50 per share in the first quarter of 2001 to \$0.22 per share in the first quarter of 2002. This was well in advance of the general market downturn and represents management's strong desire to conserve its cash in preparation of a longer-term growth horizon for digital entertainment. Liquid Audio signed key distribution deals with four out of the five major record labels, including Universal, the largest record company in the world. In addition, Liquid Audio teamed with EMI to launch the industry's first full-ownership, digital music subscription service. These recent developments are signs of momentum that offer some evidence of the long-term viability of the digital music industry.

GIVEN THESE REASONS, YOUR BOARD STRONGLY RECOMMENDS THAT YOU SUPPORT THE LIQUID NOMINEES, WHO THE BOARD BELIEVES ARE HIGHLY QUALIFIED, BY VOTING FOR THE LIQUID NOMINEES.

YOUR BOARD URGES YOU TO REJECT THE MUSICMAKER NOMINEES AND TO REJECT THE PROPOSED BY-LAW AMENDMENTS.

EVEN IF YOU HAVE PREVIOUSLY SIGNED A PROXY CARD SENT TO YOU BY THE MUSICMAKER GROUP, YOU CAN REVOKE THAT EARLIER PROXY BY SIGNING, DATING AND MAILING THE ENCLOSED GREEN PROXY CARD IN THE ENVELOPE PROVIDED. ONLY THE LATEST DATED PROXY WILL BE COUNTED.

Your vote is important, regardless of how many shares you own. Please sign and date the accompanying GREEN proxy card and mail it in the enclosed self-addressed envelope as promptly as possible, whether or not you expect to attend the meeting.

Whether or not you have previously signed a white proxy card sent by the musicmaker group, your Board urges you to show your support for the Board by signing, dating and promptly mailing the enclosed GREEN proxy card. By signing, dating and returning the GREEN proxy card, you will revoke any earlier dated white proxy card solicited by the musicmaker group which you may have signed. Your Board urges you NOT to return any white proxy card sent to you by the musicmaker group. THE BEST WAY TO SUPPORT THE LIQUID NOMINEES AND THE BOARD'S DETERMINATIONS IS TO VOTE FOR THE LIQUID NOMINEES ON THE GREEN PROXY CARD.

IF YOUR SHARES ARE HELD IN THE NAME OF A BROKER, ONLY YOUR BROKER CAN EXECUTE A PROXY AND VOTE YOUR SHARES AND ONLY AFTER RECEIVING YOUR SPECIFIC INSTRUCTIONS. PLEASE SIGN, DATE AND PROMPTLY MAIL THE GREEN PROXY CARD IN THE ENVELOPE PROVIDED BY YOUR BROKER. REMEMBER, YOUR SHARES CANNOT BE VOTED UNLESS YOU RETURN A SIGNED AND EXECUTED PROXY CARD TO YOUR BROKER.

A proxy given pursuant to this solicitation may be revoked by the person giving the proxy at any time prior to its exercise (i) by delivering written notice of revocation to the Secretary of Liquid Audio, (ii) by executing a

subsequent proxy relating to the same shares which is delivered to the Secretary or (iii) by attending the Annual Meeting and voting in person (although attendance at the meeting in itself will not constitute revocation of a proxy).

VOTING PROCEDURES

Whether or not you plan to attend the meeting, you are urged to vote by submitting the GREEN proxy card. Duly executed and unrevoked proxies received by Liquid Audio prior to the Annual Meeting will be voted in accordance with the stockholder's specifications marked on that proxy card. If no specifications are marked thereon, the GREEN proxies distributed by the Board will be voted FOR the election of the Liquid Nominees.

Any stockholder giving a proxy may revoke it at any time prior to voting at the Annual Meeting by filing with the Secretary of Liquid Audio a duly executed revocation, by submitting a later-dated proxy with respect to the same shares or by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of your proxy).

A stockholder may, with respect to the election of directors, (i) vote for the election of both director nominees proposed by the Board, (ii) withhold authority to vote for both such director nominees or (iii) withhold authority to vote for any of the Liquid Nominees by so indicating in the appropriate space on the proxy. Stockholders who have received the musicmaker group's proxy statement or who attend the Annual Meeting will also have each of the foregoing options in respect of the musicmaker nominees. Liquid Audio's By-laws provide that at each meeting of stockholders at which a quorum is present, directors shall be elected by a plurality of votes cast by stockholders holding shares entitled to vote in the election at a meeting. The two nominees receiving the highest vote totals will be elected as directors of Liquid Audio.

Consequently, votes that are withheld in the election of directors and broker non-votes will not be taken into account for purposes of determining the outcome of the election. The only way to vote by proxy FOR the Liquid Nominees is to complete and return the GREEN proxy card. In that event, the Board urges you not to sign or return any white proxy card sent to you by the musicmaker group. Withholding authority to vote for the musicmaker nominees on the white musicmaker group proxy card is not the same as voting FOR the Liquid Nominees.

With respect to the musicmaker group's proposals to amend Liquid Audio's By-laws, a stockholder may vote for or against such matters or abstain from voting. Pursuant to the Company's By-laws, each By-law proposal will be approved if the votes cast favoring a proposal exceeds a 66 and 2/3% majority of the shares outstanding as of the Record Date. An abstention or broker non-vote on either By-law proposal will be treated as a vote against such By-law proposal. Accordingly, if you are opposed to either or both of the By-law proposals, you should not SIGN OR return ANY white proxy card sent to you by the musicmaker group.

No dissenters' rights apply to any matter to be acted upon at this meeting.
