ITEM 5. OTHER EVENTS.

On April 21, 2003, CNL Hospitality Properties, L.P. ("CNL LP") purchased from Hersha Hospitality Limited Partnership ("HHLP"), the operating partnership of Hersha Hospitality Trust ("HT"), \$10 million of convertible preferred units of limited partnership interest in HHLP ("Series A Preferred Units"). CNL LP agreed to purchase up to an additional \$15 million of Series A Preferred Units during the next 12 months. At the same time, HHLP and CNL LP agreed to form a joint venture investment partnership to acquire hotel real estate assets utilizing up to an additional \$40 million of joint venture funding from CNL LP. Additional investments by CNL LP in HHLP or the joint venture are subject to the satisfaction of conditions described in the definitive documents relating to the transaction, copies of which are filed as exhibits to this Form 8-K.

SUMMARY OF THE PRIVATE PLACEMENT

The Securities Purchase Agreement pursuant to which CNL LP purchased the initial Series A Preferred Units provides that \$5 million of additional Series A

Preferred Units will be issued to CNL LP on the 30th day after the initial closing, and that up to an additional \$10 million of units may be issued to CNL LP at various times over the next 12 months as determined by the parties, subject to the satisfaction of conditions to closing set forth in the Securities Purchase Agreement.

The Series A Preferred Units will rank senior to all existing units of partnership interest in HHLP and have a liquidation preference of \$100 per unit plus accrued and unpaid distributions. Distributions on the Series A Preferred Units accrue at a rate of 10.5% per annum of the original issue price. The Series A Preferred Units are redeemable at the option of HT at a redemption price equal to the original issue price, plus all accrued but unpaid distributions, plus a premium starting at 10.5% of the original issue price and declining to zero on a straight line basis at the tenth anniversary of the original issuance.

The Series A Convertible Preferred Units are exchangeable at any time, at the option of the holder, for Series A Preferred Shares of Beneficial Interest in HT on a one for one basis, or for Common Partnership Units of HHLP or Class A Common Shares of Beneficial Interest in HT at an exchange price of \$6.7555 per share, which is the volume weighted average closing price of HT's Class A Common Shares on the American Stock Exchange for the twenty days immediately preceding the initial closing. Any Series A Preferred Shares issued upon exchange of the Series A Preferred Units will have terms substantially similar to the Series A Preferred Units and will be convertible into Class A Common Shares at a conversion price \$6.7555 per share.

In connection with the issuance of the Series A Preferred Units, HT has granted CNL LP a limited waiver from the share ownership limit in HT's Amended and Restated Declaration of Trust, allowing CNL LP to own 100% of the outstanding Series A Preferred Shares and up to 60% of the outstanding Class A Common Shares on a fully diluted basis, subject to CNL LP's compliance with certain representations and warranties. In addition, HT and CNL LP have entered into a Standstill Agreement pursuant to which CNL LP has agreed, among other things, not to acquire any additional securities of HT, participate in any solicitation of proxies, call shareholder meetings, or seek representation on the HT Board of Trustees. The Standstill Agreement further provides that CNL LP will be

entitled to vote only the HT securities it owns which represent 40% or less of the total outstanding voting securities of HT at the time of such vote or consent. Any additional voting securities owned by CNL LP will be voted pro rata according to the votes of the shareholders unaffiliated with CNL LP. The Standstill Agreement expires on its sixth anniversary, or earlier if, among other things, HHLP or HT fail to pay the required distributions or dividends on the Series A Preferred Units or Series A Preferred Shares, or HT fails to maintain its status as a REIT.

Upon the occurrence of certain events, CNL LP will be entitled to elect one of the members of HT's Board of Trustees, and upon HHLP's or HT's failure to pay the distributions and dividends on the Series A Preferred Units and Series A Preferred Shares, CNL LP would be entitled to elect up to 40% of the members of the HT Board of Trustees. The holders of the Series A Preferred Units and Series A Preferred Shares will also have rights to approve certain significant transactions by HT.

HT has also entered into a registration rights agreement pursuant to which it may be required to register with the Securities and Exchange Commission the Series A Preferred Shares and Class A Common Shares owned by CNL LP and its affiliates.
