1

Stockholders entitled to vote

You are entitled to vote your common stock if our records show that you held your shares as of the close of business on the record date, September 8, 2003. Each stockholder is entitled to one vote for each share of common stock held on that date. On September 8, 2003, there were 36,974,915 shares of common stock outstanding and entitled to vote. A list of stockholders entitled to vote on matters at the annual meeting will be available at Buckeye's headquarters beginning on or about October 4, 2003.

Voting by proxy

You may choose one of the following ways to vote:

Vote by Internet: You can choose to vote your shares at any time using the internet site listed on your proxy card. This site will give you the opportunity to make your selections and confirm that your instructions have been followed. We have designed our internet voting procedures to authenticate your identity by use of a unique control number found on the enclosed proxy card. To take advantage of the convenience of voting on the internet, you must subscribe to one of the various commercial services that offers access to the world wide web. Costs normally associated with electronic access, such as usage and telephone charges, will be borne by you. Buckeye does not charge any separate fees for access to its internet site. If you vote via the internet, you do not need to return your proxy card.

Vote by Telephone: You can also vote by telephone at any time by calling the toll-free number (for residents of the U.S.) listed on your proxy card. To vote, enter the control number listed on your proxy card and follow the simple recorded instructions. If you vote by telephone, you do not need to return your proxy card.

Vote by Mail: If you choose to vote by mail, simply mark your proxy card, and then date, sign and return it to us, before the annual meeting, in the postage-paid envelope provided. We will then vote your shares as you direct.

Edgar Filing: BUCKEYE TECHNOLOGIES INC - Form DEF 14A

Shareholders who hold their shares beneficially in street name through a nominee (such as a broker) may be able to vote by telephone or the internet as well as by mail. You should follow the instructions you receive from your nominee to vote these shares.

For the election of directors, you may vote for (1) both of the nominees, (2) neither of the nominees, or (3) one of the nominees but not the other. For each other item of business, you may vote "For" or "Against" or you may "Abstain" from voting.

If you return your signed proxy card but do not specify how you want to vote your shares, we will vote them

- . "For" the election of both of our nominees for director; and
- . "For" the ratification of Ernst & Young LLP as our independent auditors.

If any matters other than those set forth above are properly brought before the annual meeting, the individuals named in your proxy card may vote your shares in accordance with their best judgment.

2

Changing or revoking a proxy

You can change or revoke your proxy at any time before it is voted at the annual meeting by:

- (1) submitting another proxy in writing, by telephone or by the internet as of a more recent date than that of the proxy first given;
- (2) attending the annual meeting and voting in person; or
- (3) sending written notice of revocation to our corporate secretary, Sheila Jordan Cunningham.

Votes required

If a quorum is present at the annual meeting,

- . the director nominees will be elected by a plurality of the votes cast in person or by proxy at the meeting; and
- . the approval of independent auditors and all other matters submitted to the stockholders will require the affirmative vote of a majority of the shares of common stock present or represented by proxy at the meeting.

Quorum

A majority of the outstanding shares, present or represented by proxy, constitutes a quorum. A quorum is necessary to conduct business at the annual meeting. Under Delaware law, stockholders who abstain from voting on a proposal are treated as present and entitled to vote at the annual meeting and therefore have the effect of a vote against the proposal. If shares of common stock are held in the name of a broker, the failure of the broker to vote the shares is treated as if the beneficial owner of such shares failed to vote such shares.

Edgar Filing: BUCKEYE TECHNOLOGIES INC - Form DEF 14A

The cost of soliciting proxies

We will pay the cost of preparing, printing and mailing material in connection with this solicitation of proxies. In addition to solicitation by mail, regular employees of Buckeye and paid solicitors may make solicitations personally and by telephone or otherwise. We will, upon request, reimburse brokerage firms, banks and others for their reasonable out-of-pocket expenses in forwarding proxy material to beneficial owners of stock or otherwise in connection with this solicitation of proxies.

Stockholder proposals for the 2004 annual meeting of stockholders

In accordance with Buckeye's bylaws, stockholders' proposals intended to be presented at the 2004 annual meeting of stockholders must be received in writing by the Secretary of Buckeye not fewer than 60 days nor more than 90 days prior to the 2004 annual meeting (which is expected to be held in November 2004), in the form set forth in the bylaws, for inclusion in the proxy statement and form of proxy relating to that meeting.

The Proposals

Proposal 1 -- Election of Directors

The Board of Directors is divided into three classes, with each class elected for a three-year term. The Board has nominated the following two persons to serve as Class II Directors: Red Cavaney and David B. Ferraro. We do not anticipate that either of these nominees will be unavailable for election but, if such a situation arises, the proxy will be voted in accordance with the best judgment of the named proxies unless you have directed otherwise. The election of a director requires the affirmative vote of a plurality of shares present or represented by proxy at the meeting. The remaining members of the Board listed below will continue as members of the Board until their respective terms expire, as indicated below.

Information about the two individuals nominated as directors and the remaining members of the Board is provided below. Shares of common stock represented by proxy cards returned to us will be voted for the nominees listed below unless you specify otherwise.

Information about the Board of Directors

Role of the Board

Pursuant to Delaware law, our business, property and affairs are managed under the direction of our Board of Directors. The Board has responsibility for establishing broad corporate policies and for the overall performance and direction of Buckeye Technologies Inc., but is not involved in day-to-day operations. Members of the Board keep informed of our business by participating in Board and committee meetings, by reviewing reports sent to them regularly, and through discussions with our executive officers.

Mr. Robert E. Cannon has been appointed by the Board to serve as Presiding Director to chair meetings of the Board's executive sessions of non-management directors. Issues of concern may be addressed to Mr. Cannon in written correspondence directed to him at our corporate headquarters at 1001 Tillman Street, P.O. Box 80407, Memphis, Tennessee 38108-0407.

Board structure

We currently have seven directors. Our Board is divided into three groups, Class I Directors, Class II Directors, and Class III Directors. Each class of directors is elected to serve a three-year term. This means that the Class II directors who are elected at the 2003 meeting will serve until the 2006 annual meeting of stockholders unless they resign or are removed.

2003 Board meetings

Buckeye's Board of Directors met five times (exclusive of committee meetings) during fiscal 2003, and no directors, other than Henry F. Frigon, attended less than 75% of the meetings held by the Board and by committees of which they were members.

Board committees

The Board of Directors has an Audit Committee and a Compensation Committee. A Governance and Nominating Committee will be established as required in the future.

The Audit Committee consists of Messrs. Henry F. Frigon (Chairman), Red Cavaney and Samuel M. Menco, all of whom are independent, non-employee directors of Buckeye. The Audit Committee met seven times during fiscal year 2003. The Audit Committee has the authority and responsibility:

Edgar Filing: BUCKEYE TECHNOLOGIES INC - Form DEF 14A

- . with approval of the stockholders, to hire one or more independent public accountants to audit our books, records and financial statements and to review our systems of accounting (including our systems of internal control);
- . to discuss with the independent accountants the results of the annual audit and quarterly reviews;
- . to conduct periodic independent reviews of the systems of accounting (including systems of internal control);

6

- . to make reports periodically to the Board with respect to its findings; and
- . to undertake other activities described more fully in the section called "Report of the Audit Committee of the Board of Directors."

The Compensation Committee consists of Messrs. Samuel M. Menco (Chairman), George W. Bryan and Red Cavaney, all of whom are non-employee directors of Buckeye. The Compensation Committee met once during fiscal year 2003. The Compensation Committee is responsible for establishing and administering Buckeye's executive compensation plan and developing policies and guidelines for administering the plan.

Director compensation

Directors who are employees of Buckeye are not entitled to receive any fees for serving as directors. However, non-employee directors receive directors' fees in the amount of \$40,000 per annum payable quarterly, in cash or an equivalent amount of Buckeye's common stock, with the option provided to each director to defer receipt of his fees and receive in lieu thereof, upon the expiration of his tenure as a member of the Board, a cash payment equal to the number of shares of common stock which could have been purchased on the open market at the time of the deferral multiplied by the fair market value of the common stock at the time of expiration of the director's tenure.

Additionally, pursuant to Buckeye's Amended and Restated Formula Plan for Non-Employee Directors, on November 7, 2002, Messrs. Bryan, Cavaney, Frigon, Menco each were granted an option to acquire 10,000 shares of common stock at the prevailing market price at the time of the grant. Each of these directors will be granted an additional option for 10,000 shares on the date of each annual meeting of stockholders at which he is reelected to the Board or continues his service on the Board. Under the Formula Plan, each option that is issued on the date of an annual meeting of stockholders becomes fully exercisable on the first anniversary of its issuance or the next regularly scheduled annual meeting of stockholders, whichever occurs first. Each option issued on a date other than the date of an annual meeting of stockholders becomes fully exercisable on the first anniversary of its issuance. Future non-employee directors newly elected or appointed to the Board will also be entitled to receive options under the Formula Plan. Mr. Menco has contractually agreed to assign to Madison Dearborn Partners, L.P., an entity for which Mr. Menco's employer serves as general partner, all rights to director's fees and options to which he may be entitled as a director of Buckeye. All directors are reimbursed for out-of-pocket expenses related to their services as directors.

Edgar Filing: BUCKEYE TECHNOLOGIES INC - Form DEF 14A

Proposal 2 -- Ratification of Appointment of Independent Auditors

The Board of Directors has selected Ernst & Young LLP, independent accountants, to audit our financial statements for fiscal year 2004. We are presenting this proposal to the stockholders for ratification at the annual meeting. A representative of Ernst & Young LLP is expected to be present at the meeting, will have the opportunity to make a statement, and is expected to be available to respond to appropriate questions.

Ratification of the selection of Ernst & Young LLP as Buckeye's independent auditors requires the affirmative vote of the holders of a majority of the shares of common stock represented at the annual meeting.

The Board of Directors recommends a vote "FOR" the ratification of the appointment of Ernst & Young LLP as Buckeye's independent auditors for fiscal year 2004.

7

Report of the Audit Committee of the Board Of Directors

The Audit Committee consists of three directors, Messrs. Henry F. Frigon (Chairman), Red Cavaney and Samuel M. Menco. Each member meets the independence and qualification standards required by the New York Stock Exchange. The Audit Committee operates in accordance with its written charter, which was adopted by the Board on April 18, 2000. During the fiscal year ended June 30, 2003, the Audit Committee met seven times.

The Audit Committee monitors and reviews the performance of the independent auditors and the quality and integrity of Buckeye's internal accounting, auditing and financial reporting practices.

The Audit Committee has obtained from the independent auditors, Ernst & Young LLP, a formal written statement describing all relationships between the auditors and Buckeye that might bear on the auditors' independence. This statement conforms to Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The Audit Committee also has discussed with the auditors any relationships that may impact their objectivity and independence, and it has considered Buckeye's payment of fees to the auditors, and the Audit Committee is satisfied that the auditors are independent of Buckeye.

The Audit Committee has discussed with management Buckeye's audited financial statements for the year ended June 30, 2003. The Audit Committee also has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended ("Communication with Audit Committees") and, with and without management present, discussed and reviewed the results of the independent auditors' examination of Buckeye's financial statements. The Audit Committee also has discussed with the independent auditors its evaluation of Buckeye's internal controls and the overall quality of Buckeye's financial reporting.

Based upon the results of the inquiries and actions discussed above, in reliance upon management and Ernst & Young LLP, and subject to the limitations of its role, the Audit Committee recommended to the Board that Buckeye's audited

Edgar Filing: BUCKEYE TECHNOLOGIES INC - Form DEF 14A

financial statements be included in its Annual Report on Form 10-K for the year ended June 30, 2003, for filing with the SEC. The Audit Committee has also recommended the reappointment, subject to stockholder approval, of the independent auditors, Ernst & Young LLP.

- (1) Pursuant to Buckeye's Restricted Stock Plan, restricted shares of stock were awarded for the executive officers during fiscal years 2003, 2002 and 2001 in the following amounts:

Mr. Cannon, 8,923 shares, 0 shares, and 4,823 shares, respectively;
 Mr. Ferraro, 6,143 shares, 0 shares, and 3,361 shares, respectively;
 Mr. Ellis, 2,345 shares, 0 shares, and 1,372 shares, respectively;

 Mr. Horne, 1,695 shares, 0 shares, and 973 shares, respectively; and
 Mr. Matula, 1,387 shares, 0 shares, and 717 shares, respectively.

The prices per share of \$5.99 for fiscal year 2003 and \$12.33 for fiscal year 2001 were based on the average closing price of the common stock on the New York Stock Exchange for the 20 business days prior to the date of grant. Although the shares may be voted by the recipient, the shares may not be sold, pledged or otherwise transferred before the recipient's approved retirement from Buckeye, and if the recipient should violate the restrictions or otherwise leave Buckeye before an approved retirement date, the shares are subject to forfeiture.

The aggregate value of all restricted stock holdings at the end of fiscal year 2003 was:

Mr. Cannon -- \$204,510
 Mr. Ferraro -- \$145,370
 Mr. Ellis -- \$59,357
 Mr. Crowe -- \$13,008
 Mr. Horne -- \$25,724
 Mr. Matula -- \$19,394

If dividends are paid to holders of common stock, holders of restricted stock similarly will be eligible to receive dividends.

- (2) No options were granted in fiscal year 2003. A portion of the options granted to Mr. Crowe in 2002 were granted pursuant to the 1995 Management Stock Option Plan at an exercise price of \$7.60 per share. Mr. Crowe was granted options in fiscal year 2001 pursuant to the 1995 Stock Option Plan at an exercise price of \$15.06. None of the other executive officers received options during fiscal year 2001. All outstanding options vest periodically over a period of five years, except that optionees who were over the age of 57 at the time of the option grant have shorter vesting periods. Options that have vested may be exercised within a period of ten years from the date the options were granted or such shorter periods as are defined in the subscription agreements executed between Buckeye and the optionees.
- (3) Amounts consist of accruals under the Buckeye Retirement Plan (the

Edgar Filing: BUCKEYE TECHNOLOGIES INC - Form DEF 14A

"Retirement Plan") which is a defined contribution retirement plan covering substantially all U.S. employees. Buckeye contributes 1% of the employee's gross compensation plus 1/2% for each year of service up to a maximum of 11% of the employee's gross compensation under the Retirement Plan. Additionally, the Retirement Plan provides for contributions by Buckeye of shares of common stock equal to an additional 4% of the employee's gross compensation during years when Buckeye has been financially successful based on a predetermined financial threshold approved by the Board. The additional 4% contribution will not be made to the Retirement Plan for fiscal year 2003 because the threshold was not reached. Mr. Crowe also received taxable relocation expenses in fiscal year 2003.

- (4) Mr. Cannon resigned from his position as Chairman and Chief Executive Officer effective April 1, 2003 and retired from Buckeye effective June 30, 2003. He remains on the Board of Directors and serves as Presiding Director.

 Compensation Committee Interlocks and Insider Participation

The Compensation Committee of the Board is composed of Messrs. Samuel M. Mencoff (Chairman), George W. Bryan and Red Cavaney, all of whom are independent directors. No director who also serves as an executive officer participated in deliberations regarding his own compensation. For fiscal year 2004, Messrs. Mencoff, Bryan and Cavaney will continue to serve as the Compensation Committee.

 Report of the Compensation Committee on Executive Compensation

The Compensation Committee of the Board of Directors is comprised of three non-employee directors who are independent as defined under the listing standards of the New York Stock Exchange. The Committee is responsible for

Edgar Filing: BUCKEYE TECHNOLOGIES INC - Form DEF 14A

establishing and administering Buckeye's executive compensation programs, as well as determining the salaries, compensation and benefits of the Chief Executive Officer and the Chief Operating Officer. From time to time, the Compensation Committee has engaged the consulting firm of William M. Mercer, Inc., Atlanta, Georgia, to conduct appropriate surveys of executive compensation plans and to compile data for comparable companies for committee comparison and review.

This report of the Compensation Committee describes the components of Buckeye's executive officer compensation programs and describes the basis upon which compensation is awarded to the executive officers of Buckeye.

This Compensation Committee report shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that Buckeye specifically incorporates this information by reference, and shall not otherwise be deemed filed under these Acts.

Compensation Philosophy and Structure

Total compensation levels are designed to attract, retain and reward executives who contribute to Buckeye's long-term success. Compensation for Buckeye executives is comprised of three principal components: salary and benefits, annual at risk compensation, and long-term, equity-based incentive compensation. The Compensation Committee believes that executive compensation should be materially influenced by Buckeye's financial performance and, as such, the Committee has approved an executive compensation program that places a significant portion of executive compensation "at risk" dependent upon the company's and each individual's performance against clearly established criteria.

Buckeye seeks to provide salary and benefit levels that are comparable to those of companies that perform similarly. Salary targets are established for various officer positions based on surveys of relevant industries conducted by an outside compensation consultant. Utilizing these targets, individual salaries are established to reflect the officer's performance in meeting the company's objectives.

15

Buckeye has a broad-based profit sharing plan for company employees, and under this plan, bonuses of up to 15% of base salary are achievable depending upon Buckeye's business performance measured against specific annual financial targets. Additionally, Buckeye has an At Risk Compensation ("ARC") for officers and certain other employees. ARC participants are eligible to receive payments based on Buckeye's business performance and the individual's role in contributing to the success of Buckeye. Because of Buckeye's poor financial performance in fiscal year 2003, Buckeye paid no bonuses under either the broad-based profit sharing plan or under the ARC program.

In addition, from time-to-time, Buckeye makes long-term incentive awards to officers and certain other employees of (1) incentive and non-qualified stock options from stock option plans previously approved by the stockholders and (2) restricted stock from treasury shares of common stock set aside by Buckeye pursuant to the Restricted Stock Plan approved by the Board of Directors. The purpose of these awards is to focus the recipient's attention on the long-term performance of the business and to strengthen the alignment of stockholder and employee interests in share price appreciation. Restricted stock has been issued to certain Buckeye officers under the Restricted Stock Plan, at the fair market value of the common stock based on the average closing price on

Edgar Filing: BUCKEYE TECHNOLOGIES INC - Form DEF 14A

the New York Stock Exchange for the 20 business days prior to the date of grant, as a supplemental retirement benefit to partially offset the loss of benefits under Buckeye's defined contribution plans resulting from the cap on wages required by applicable rules and regulations.

Chief Executive Officer and Chief Operating Officer

Policies with respect to the compensation of the Chief Executive Officer and the Chief Operating Officer are essentially the same as those for other officers, except that their compensation, including the criteria used for determining their ARC, is directly established by the Compensation Committee. The salary and bonus compensation of the Chief Executive Officer and the Chief Operating Officer for fiscal year 2003 reflect Buckeye's overall performance during the period. Neither the Chief Executive Officer nor the Chief Operating Officer received an ARC award for fiscal year 2003.

The Compensation Committee believes that the compensation levels of Buckeye's executive officers are competitive and reasonably comparable with the compensation and benefits paid to executive officers of companies that generate similar financial results.

Section 16(a) Beneficial Ownership Reporting Compliance

Edgar Filing: BUCKEYE TECHNOLOGIES INC - Form DEF 14A

The federal securities laws require Buckeye's directors and executive officers, and persons who beneficially own more than 10% of a registered class of Buckeye's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of any securities of Buckeye. To Buckeye's knowledge, based solely on review of the copies of such reports furnished to Buckeye and representations by certain reporting persons, all of Buckeye's officers, directors and greater than 10% beneficial owners made all filings required in a timely manner except that, due to an inadvertent administrative error, each of Messrs. Bryan, Cavaney, Frigon and Menco failed to file timely a statement on Form 4 to report Buckeye's grant of options to them on November 7, 2002. These transactions were reported on Forms 5 dated August 13, 2003.
