The annual meeting of stockholders of Pioneer Natural Resources Company (the “Company”) was held on May 17, 2012 in Irving, Texas (the “2012 Annual Meeting”). A description of the plan and the amendment are set forth in the Company’s definitive proxy statement for the 2012 Annual Meeting filed with the Securities and Exchange Commission on April 5, 2012 (the “Proxy Statement”) under the heading, “Item Three - Approval of Amendment to the Company’s Amended and Restated Employee Stock Purchase Plan,” and is incorporated in this report by reference. Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Certificate of Incorporation

At the 2012 Annual Meeting, the stockholders of the Company approved amendments to the Company’s Amended and Restated Certificate of Incorporation (the “Restated Certificate”), as described in the Proxy Statement. These amendments provide for the phased elimination over three years of the Company’s classified Board of Directors, as well as certain conforming amendments. The Company filed an amendment to the Restated Certificate with the Secretary of State of the State of Delaware on May 18, 2012, which became effective upon filing, and which provides as follows:

- At the 2012 Annual Meeting, the Class III directors whose terms expired at that meeting were elected to hold office for a three-year term expiring at the 2015 Annual Meeting;
- At the 2013 Annual Meeting, nominees for the seats of the Class I directors whose terms expire at the 2013 Annual Meeting will be elected to hold office for a term expiring at the 2014 Annual Meeting;
- At the 2014 Annual Meeting, nominees for the seats of the Class I and Class II directors whose terms expire at the 2014 Annual Meeting will be elected to hold office for a term expiring at the 2015 Annual Meeting; and
- At and after the 2015 Annual Meeting, all nominees will be elected to hold office for one-year terms expiring at the next Annual Meeting and the Board of Directors will no longer be classified.

In addition, pursuant to this action, the amendment to the Restated Certificate makes certain ancillary changes to reflect the declassification of the Company’s Board as of the 2015 Annual Meeting. This summary is qualified in its entirety by reference to the amendment to the Restated Certificate filed as Exhibit 3.1 to this report and incorporated by reference herein.

Bylaws

On May 17, 2012, the Board of Directors of the Company approved the amendment and restatement of the Bylaws of the Company. The amended and restated Bylaws:

- make conforming changes to reflect the declassification of the Company’s Board;

- make updating and clarifying changes to the provisions setting forth the means by which a stockholder of the Company may propose nominees for election to the Board of Directors or submit other business for an annual meeting of the Company's stockholders, except for proposals submitted under Rule 14a-8 under the Securities Exchange Act of 1934 (which provides

its own procedural requirements), and clarifies that if the stockholder (or a qualified representative) does not appear at the meeting, the nominee or proposal will not be considered;

- expand the scope of information a stockholder must provide when nominating a person for election as a director or submitting other business for a meeting of stockholders, including disclosure of (i) all direct and indirect interests in Company securities (including swaps, hedges and other derivative instruments and arrangements), (ii) any arrangement pursuant to which such stockholder has a right to vote any shares of the Company, (iii) a representation as to whether the stockholder intends to conduct a proxy solicitation in support of its nomination or proposal and (iv) in the case of a director nomination, such information as may be required by the Company to determine the independence and qualifications of such proposed nominee;
- define the procedures and timing that a stockholder must follow to nominate a director for election at a special meeting, if the Board were to call a special meeting for that purpose;
- allow for the bifurcation of record dates for determining stockholders entitled to notice of and stockholders entitled to vote at stockholder meetings in accordance with Delaware law;
- clarify that the Board of Directors may adopt rules for, and grant the chairman of the meeting explicit authority with respect to, the conduct of stockholders meetings, including the establishment of an agenda and rules as to who may attend and for maintaining order, and provide the chairman of a meeting of stockholders or holders of a majority in voting power entitled to vote and present at the meeting with the express right to adjourn the meeting, whether or not there is a quorum; and
- make a number of other changes to update and modernize the Bylaws, including updating the provisions relating to the titles and duties of the Company’s officers, allowing for the Board to authorize stockholder meetings to be held solely by remote communication, the attendance at stockholder meetings by remote communication and the waiver of notice of stockholder meetings by electronic transmission, and certain other revisions to conform particular provisions to the Delaware General Corporation Law.

This summary is qualified in its entirety by reference to the Third Amended and Restated Bylaws of the Company filed as Exhibit 3.2 to this report and incorporated by reference herein.
