Edgar Filing: SYNOPSYS INC - Form SC TO-C

Attached are Synopsys, Inc.'s Notice of Annual Meeting of Stockholders and Preliminary Proxy Statement for its Annual Meeting of Stockholders tentatively scheduled for May 11, 2005 and the related materials filed with the Securities and Exchange Commission in conjunction with the Notice of Annual Meeting of Stockholders and Preliminary Proxy Statement (the "Proxy Materials"). The Proxy Materials contain a proposal submitted for the approval of Synopsys' stockholders authorizing a program that will permit Synopsys' eligible employees to exchange options issued under Synopsys' 1992 Stock Option Plan and 1998 Nonstatutory Stock Option Plan with an exercise price equal to or greater than \$25.00 per share (the "Eligible Options"), for a lesser number of options (the "New Options") to be granted, at the earliest, by the end of June 2005. The Option Exchange Program is open to all of Synopsys' eligible employees and the employees of Synopsys' participating subsidiaries. Members of Synopsys' Board and Synopsys' executive officers will not be eligible to participate. The New Options will have an exercise price per share equal to the closing price of Synopsys' common stock as reported on the Nasdaq National Market on the date the New Options are granted. The ratio of exchanged options to New Options will vary from 1.6 to 2.8.

The Proxy Materials do not constitute an offer to holders of options to purchase Synopsys' common stock to exchange their options. In the event Synopsys' stockholders approve the Option Exchange Program, the Option Exchange Program may be commenced at such time as determined in the discretion of Synopsys' Board of Directors, which may choose not to implement the Option Exchange Program.

At the time the Option Exchange Program has commenced, Synopsys will provide option holders who are eligible to participate in the exchange with written materials explaining the precise terms and timing of the Option Exchange Program. Persons who are eligible to participate in the Option Exchange Program should read these written materials carefully when they become available because they will contain important information about the Option Exchange Program. Synopsys will also file these written materials with the Securities and Exchange Commission as part of a tender offer statement upon the commencement of the Option Exchange Program. Synopsys stockholders and option holders will be able to obtain these written materials and other documents filed by Synopsys with the Securities and Exchange Commission free of charge from the Securities and Exchange Commission's website at www.sec.gov.
