**Item 14. Indemnification of Directors and Officers**

Section 145 of the Delaware General Corporation Law permits a corporation to include in its charter documents, and in agreements between the corporation and its directors and officers, provisions expanding the scope of indemnification beyond that specifically provided by the current law.

The Certificate of Incorporation and Bylaws of the registrant provide that the registrant shall indemnify our directors and officers, and may indemnify its employees and agents, to the fullest extent permitted by Delaware law.

Section 102(b)(7) of the Delaware General Corporation Law permits corporations to eliminate or limit the personal liability of their directors by adding to the certificate of incorporation a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director for (a) any breach of any director's duty of loyalty to the corporation or its stockholders, (b) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) payment of dividends or repurchases or redemptions of stock other than from lawfully available funds, or (d) any transaction from which the director derived an improper personal benefit.

Article VI of the registrant's Certificate of Incorporation provides that:

"[n]o director of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director; provided, however, that the foregoing shall not eliminate or limit the liability of a director (a) for any breach of the director's duty of loyalty to the Corporation or its stockholders; (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law; (c) under Section 174 of the General Corporation Law of the State of Delaware; or (d) for any transaction from which the director derived an improper personal benefit. If the General Corporation Law of the State of Delaware shall be amended to permit further elimination or limitation of the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the General Corporation Law of the State of Delaware as so amended. Any repeal or modification of this Article VI by the stockholders of the Corporation shall not adversely affect any right or protection

of a director of the Corporation existing at the time of, or increase the liability of any director of the Corporation with respect to any acts or omission occurring prior to, such repeal or modification."

In addition, the registrant intends to enter into indemnification agreements with each of its directors and executive officers. These indemnification agreements will provide for the indemnification of directors and executive officers of the registrant to the fullest extent permitted by Delaware law, whether or not expressly provided for in our Bylaws, and set forth the process by which claims for indemnification are considered.

Reference is also made to Section 8 of the Underwriting Agreement contained in Exhibit 1.1 hereto, indemnifying officers and directors against certain liabilities.

#### **Item 15. Recent Sales of Unregistered Securities**

Except as set forth below, in the three years preceding the filing of this registration statement, the registrant has not issued any securities that were not registered under the Securities Act.

In May 2004, upon the incorporation of the registrant, the registrant issued 1,000 shares of Class A common stock to W. Kent Taylor in exchange for \$1,000.

In May 2004, the registrant issued 150,000 shares of Class A common stock and 2,217,000 shares of Class B common stock to Mr. Taylor in connection with the merger of WKT Restaurant Corp. into the registrant. The registrant cancelled Mr. Taylor's initial 1,000 shares of Class A common stock upon the consummation of this merger.

In September 2004, the registrant declared share dividends totalling 28,125 shares of Class A common stock and 415,688 shares of Class B common stock.

In October 2004, in connection with its corporate re-organization and initial public offering:

the registrant issued an aggregate of 24,268,737 shares of Class A common stock in exchange for all the outstanding equity interests of Texas Roadhouse Holdings LLC, Texas Roadhouse Management Corp., 31 majority-owned or controlled Texas Roadhouse restaurants and one franchise restaurant; and

all outstanding options issued by Texas Roadhouse Management Corp. converted into options to acquire shares of Class A common stock of the registrant.

The foregoing sales of securities were made in reliance upon the exemption from the registration provisions of the Securities Act provided for by Section 4(2) thereof for transactions not involving a public offering or with respect to the stock dividends, on the basis that no "sale" of securities occurred for purposes of the Act. All of the foregoing securities are deemed restricted securities for the purposes of the Securities Act.

None.

**Item 17. Undertakings**

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions referenced in Item 14 of this registration statement or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
