**ABOUT THIS PROSPECTUS**

When this prospectus uses the words "SCANA," "we," "us," and "our," they refer to SCANA Corporation, unless otherwise expressly stated or the context otherwise requires.

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission (the "SEC"), utilizing a "shelf" registration process. Under this shelf registration process, we may, from time to time, sell shares of our common stock pursuant to the Plan. All shares of our common stock sold under the Plan will be sold under that registration statement.

This prospectus provides you with a general description of the Plan. The registration statement we filed with the SEC includes exhibits that provide more detail on descriptions of the matters discussed in this prospectus. Please carefully read this prospectus, together with the registration statement, the exhibits thereto and the additional information regarding us, our business and the risks we face in our business and operations before making an investment decision.

You should rely only on the information contained in or incorporated by reference in this prospectus. We have not authorized any other person to provide you with different or inconsistent information. If anyone provides you with different or inconsistent information, you should not rely on it. We are not making an offer to sell these securities in any jurisdiction where such offer or sale is not permitted. The information contained in this prospectus and the documents incorporated by reference herein is accurate only as of the dates such information is or was presented, regardless of the time of delivery of this prospectus or of any sale of our

common stock. Our business, financial condition, results of operations and prospects may have changed since those dates.

We are not offering the common stock pursuant to the Plan in any state where the offer is not permitted.

We utilize the services of a registered broker-dealer as necessary to effect securities transactions under the Plan.

**PLAN FEATURES FREQUENTLY ASKED QUESTIONS**

The Plan offers a convenient and economical way to buy, hold and sell shares of SCANA common stock. Below are some frequently asked questions and answers about the Plan:

- (1) **Who is eligible to participate in the Plan?** Any United States resident may purchase shares through the Plan. Residents of some states will receive our information from a registered broker-dealer.
- (2) **What is the minimum initial investment for the purchase of shares by a person who is not currently a SCANA stockholder?** \$250
- (3) **What are our minimum and maximum cash investments?** Our minimum cash investment is \$25 per investment and our maximum is \$100,000 in the aggregate per calendar year. A charge (currently \$25) will be made against your Plan account for each check and bank draft that is returned by the bank for any reason. See "Miscellaneous Plan Charges."
- (4) **How is the price of purchased shares determined?** For shares purchased on the open market for an investment date, the price of your shares will be the weighted average

Table of Contents

purchase price of all shares purchased for the Plan that investment day. This will include brokerage commissions, any related service charges and taxes. For shares purchased directly from SCANA, we average the high and low sales prices of SCANA common stock on the trading date prior to an investment date, as reported on The New York Stock Exchange Composite Tape and published in The Wall Street Journal or, if not so reported, based on market quotations as we deem appropriate. For shares purchased on the open market, a commission is charged. The current commission charge is \$0.06 per share, although such commission charge may be changed at any time. There is no commission charge if shares are purchased directly from SCANA. See "Miscellaneous Plan Charges."

- (5) **What is the source of stock purchased through the Plan?** At SCANA's discretion, stock for the Plan will be purchased on the open market or directly from SCANA.
- (6) **How often are shares purchased by the Plan?** The Plan invests in shares twice a month usually on the 1st and 15<sup>th</sup> (or, if such days are not business days, the next business days). All cash received at least two business days prior to an investment date and all reinvested dividends are sent to the Plan's custodian (currently Merrill Lynch) on the investment date. The Plan has no control over the date on which the custodian purchases shares on the open market. When shares are purchased directly from SCANA, the custodian purchases the shares on the date the funds are received by the custodian. We have schedules for the cash due dates and we will send one to you upon request.
- (7) **Is there a commission for selling shares through the Plan?** Yes, a brokerage commission (currently \$0.06 per share) is charged for selling shares through the Plan. See "Miscellaneous Plan Charges."
- (8) **When are statements sent?** We will send you a statement every time you have activity in your account such as a purchase, withdrawal or sale. Also, even if you have no activity in your account we always send an annual statement in January of each year. You should keep your statements. You will need them for tax purposes. Duplicate statements may be ordered. There is a minimum charge (currently \$15) for a duplicate statement, which covers the first hour of research; if more research time is required there will be a charge (currently \$10) for each additional hour. See "Miscellaneous Plan Charges."
- (9) **Will SCANA send gift certificates?** Absolutely. When you purchase shares for another person (or transfer shares from your own account to another person) and want us to send a gift certificate, let us know. Please send any Christmas gift requests before December 1.
- (10) **Can you transfer shares from one account to another?** Of course. We will send the required form upon request. However, we will not transfer shares until they have been held in your Plan account for at least two weeks.
- (11) **Will SCANA issue a stock certificate for shares in my Plan account?** Yes. We will be happy to issue a stock certificate. Please notify us in writing when you want one. We do not issue certificates for partial shares. There is a charge (currently \$10 or two

Table of Contents

percent of the current market value, whichever is greater) to replace a lost or stolen stock certificate. See "Miscellaneous Plan Charges." No stock certificate will be issued for shares held in your account for less than two weeks. We recommend that you keep your stock certificates in a safe deposit box. SCANA will not charge for a stock certificate that is lost in the mail on its way to you, if the nonreceipt claim is made within a year of the issuance date.

- (12) **If shares are held in "street name" by a stockbroker, can they participate in the Plan?** No. You must ask your stockbroker to have the shares issued to you in a stock certificate if you want the shares to participate in the Plan.
- (13) **Are reinvested dividends taxable income?** Yes. Even reinvested dividends are taxable income. We will send you a 1099-DIV form or forms indicating your dividend income for the year.
- (14) **Can you receive dividends in cash for shares held in a Plan account?** You must reinvest at least 10% of the dividends that you receive on each share held in a Plan account, but the remainder of the dividends may be paid to you in cash. Just let us know how you want your dividends handled, and we will follow your instructions. We have a form which can be used for this purpose, which we will mail to you upon request.

**WHO PAYS THE PLAN'S COSTS**

We pay all of the administrative costs of the Plan. You will pay a brokerage commission and other costs when the Plan shares are purchased by the custodian on the open market. When the Plan buys the common stock directly from SCANA, you pay no brokerage commission. You will pay a brokerage commission if the Plan sells your common stock for you.

**HOW TO ENROLL IN THE PLAN**

If you are already a holder of SCANA common stock we will enroll your shares in the SCANA Investor Plus Plan when we receive your completed and signed authorization form (which we will send to you upon request).

If you are already a stockholder you may:

- (1) reinvest all or part (not less than 10%) of the dividends paid on your SCANA common stock in additional shares of SCANA common stock;
- (2) make additional investments of SCANA common stock up to \$100,000 per calendar year (the minimum investment we can accept is \$25 and we can draft your bank account on a monthly basis if you want to make regular investments);
- (3) send us your stock certificates for safekeeping in the Plan;
- (4) receive dividends on Plan shares by check or electronic deposit (we have a form for electronic deposit; let us know if you need it); and
- (5) purchase shares of SCANA common stock for family members or others and have gift certificates sent to recipients.

If you are not currently a holder of SCANA common stock, we will establish your account (which will include all of the above features) when you send us an initial investment of at least \$250 along with a completed enrollment form. Please notify us if you would like an enrollment form sent to you.

## Edgar Filing: SCANA CORP - Form POSASR

**You may receive enrollment information from a broker-dealer rather than directly from SCANA.** Some state securities laws require that a registered broker-dealer send information to their residents; therefore, a registered broker-dealer will forward the prospectus and enrollment form to residents of those states.

Table of Contents

**Below is some important information about dividend record dates and dividend payment dates that will affect reinvestment of your dividends.** SCANA's Board of Directors sets dividend record dates and payment dates on a quarterly basis; however, the following approximate dates have generally applied in the past:

<b>Record Date</b>	<b>Payment Date</b>
around December 10	around January 1
around March 10	around April 1
around June 10	around July 1
around September 10	around October 1

If your account is enrolled for reinvestment of dividends before a record date, your dividends can be reinvested on the next dividend payment date. For instance, if you enroll prior to December 10, your January 1 dividend can be reinvested. We will confirm receipt of your enrollment form.

**What about "street name" accounts?** If your SCANA common stock is held by a stockbroker in "street name," you must have the stockbroker have the stock issued to you in your own name if you want the shares to participate in the Plan.

We will gladly send you an enrollment form if you are not already a stockholder or an authorization form if you are currently a stockholder. If you would like to have either sent to you, call us at (800) 763-5891.

**CASH INVESTMENTS**

Minimum Investment	\$25 per investment date
Maximum Investment	\$100,000 in aggregate per calendar year

You may purchase additional shares of SCANA common stock with cash investments.

Once you are enrolled in the Plan, you may send investments to SCANA of at least \$25 per investment and not more than \$100,000 in the aggregate per calendar year. All checks are subject to collection by SCANA and must be in United States dollars. A charge (currently \$25) will be made against your Plan account for each check or bank draft that is returned or declined by the bank for any reason. See "Miscellaneous Plan Charges."

Your investment may be made by check, money order or bank draft (automatic monthly debit of your bank account). Please contact us if you are interested in the bank draft option. The minimum investment of \$25 also applies to your bank draft.

You will not be paid interest on your cash investments that are received prior to the purchase of shares; therefore, you should send your investments to be received as close to the investment due date as possible. **The investment due date is two full business days prior to the investment date.**

If your check or other investment is returned because of insufficient funds or any other reason, we will sell the shares purchased for you and enough additional shares to cover the applied charge (currently \$25). See "Miscellaneous Plan Charges." The sale will be reported to the Internal Revenue Service, as required. You may have a tax liability as a result of the sale.

SCANA will refund your investment upon request if the request is received at least three business days prior to the investment date.

If you purchase shares through the Plan and fail to specify whether or not you want the dividends paid in cash or reinvested, we will reinvest the dividends earned by these shares.

Table of Contents

**DATES WHEN SHARES ARE PURCHASED**

Investment Dates: Around the 1st and 15th of every month

We send cash to the custodian twice monthly, usually on the 1st and 15th. Of course, all these dates are subject to adjustment for weekends and holidays. **We must have all funds in hand at least two FULL business days prior to the investment date.** If you would like to have a list of the investment due dates and investment dates, let us know, and we will send it to you. We process bank drafts on the 25th of the month, and all bank draft investments are sent to the custodian on the first of the month. The Plan has no control over the dates on which the custodian purchases shares on the open market. When shares are purchased directly from SCANA, the custodian purchases the shares on the date the funds are received by the custodian.

**TWO-WEEK HOLDING PERIOD**

Shares purchased through the Plan may not be sold or issued in certificate form until the shares have been held in your Plan account for two weeks.

**SUMMARY OF IMPORTANT DATES**

*Dividend Record Date:* If you own stock on a record date, you will receive the next dividend payment.

*Dividend Payment Date:* Date the dividend is paid.

*Investment Dates:* Twice a month, usually on the 1st and 15<sup>th</sup>.

*Investment Due Date:* Two full business days prior to the investment date.

*Sale Dates:* We sell shares at least once every week.

**PRICE OF PURCHASED SHARES**

The price of shares purchased on the open market for any investment date will be the weighted average of the purchase prices, including a brokerage commission, any related service charges and applicable taxes, for all shares purchased for the Plan for that investment date.

The price of shares purchased directly from SCANA will be the average of the high and low sales prices of our common stock on the trading day just prior to the purchase date.

As you know, the price of common stock fluctuates daily, and we have no control over this. **You must bear the market risk associated with fluctuations in the price of common stock.**

We allocate shares to three decimal places, so be aware that there will usually be a partial share in your Plan account. This practice allows full investment of your dividends and cash investments.

**PLAN STATEMENTS**

We mail statements as follows:

- (1) after each quarterly dividend is paid;
- (2)

Edgar Filing: SCANA CORP - Form POSASR

after investments on the 1st and 15th of the month for those who send in cash investments;

(3) after any other account activity such as a sale or withdrawal of shares; and

(4) in January of each year.

The statements show the date of each purchase, the amount invested, the share price paid and the number of shares purchased with

Table of Contents

each investment, as well as the accumulated total shares held in your Plan account. The statements also show any withdrawals or sales.

You should keep your statements for tax purposes. Statements give you the original cost of the shares. You will need this cost basis to determine gain or loss if you sell your shares. Duplicate statements may be ordered. There is a minimum charge (currently \$15) for a duplicate statement. This charge covers the first hour of research. If more time is required there will be a charge (currently \$10) for each additional hour. See "Miscellaneous Plan Charges."

Your certificated shares (shares represented by actual stock certificates) will show on your statements reflecting dividend reinvestments and on statements sent to you when you make optional cash investments. The certificated shares will NOT show on statements issued at other times.

You may detach the bottom portion of any statement and use it to send instructions to us. Our address is on the left side of the statement. Be sure to sign any instructions sent to us.

We will mail to you a 1099-DIV form or forms by January 31 of each year reporting the SCANA dividends received by you during the prior year. In addition, if you sell shares through the Plan, we will send you a 1099-B reporting the sales proceeds. All 1099-DIV and 1099-B forms will be filed with the IRS. You will need these forms for your income tax records.

**HOW TO DEPOSIT SHARES INTO THE PLAN**

You may deposit your certificated shares of SCANA common stock into the Plan by completing a Share Deposit Form and, if you are not a Plan participant, an Enrollment Form, or if

you are a Plan participant, a Change Form, and delivering your certificates and the Share Deposit Form along with the Enrollment Form or the Change Form to SCANA. Deposited shares will be credited to your Plan account. Dividends paid on shares of common stock deposited into your Plan account will be reinvested in common stock unless you notify us otherwise on the Enrollment Form or the Change Form, as applicable. We recommend that you use certified mail and insure the certificates against loss.

**HOW TO OBTAIN SHARE CERTIFICATES**

You may obtain a stock certificate for any or all of the whole shares held in your Plan account at any time without charge, except that no stock certificates will be issued representing shares held in your Plan account for less than two weeks. We do not issue certificates for partial shares.

Withdrawal of shares from a Plan account requires notification in writing signed by all account owners. You may use the bottom of any statement for this purpose, write a letter, or request a withdrawal form.

If you request withdrawal of all your shares between a dividend record date and the payment date, there will be a delay until after payment of the dividend before the shares can be sent to you.

There is a charge (currently \$10 or two percent of the current market value, whichever is greater) to replace a lost or stolen stock certificate. See "Miscellaneous Plan Charges." We recommend that you keep your stock certificates in a safe deposit box. SCANA will not charge for a stock certificate that is lost in the mail on its way to you, if the nonreceipt claim is made within a year of the issuance date.

Table of Contents

**SALE OF SHARES**

We will sell your Plan shares for you if you notify us in writing; however, no shares may be sold until they have been held in your Plan account for at least two weeks. We do not take telephone requests to sell shares, and we require signatures of all owners to sell shares.

If you want us to sell your certificated shares, you must send the stock certificates to us with instructions to sell signed by all owners of the stock. We also have a form which instructs us to sell certificated shares. Let us know if you need one. Please mail stock certificates by certified or registered mail for safety.

We sell shares once a week. If you want specific details about when sales are being processed during any given week, call us at (800) 763-5891.

We sell shares on the open market at prevailing market prices. The price you will receive for your shares is the weighted average sales price of all shares sold by the custodian on the day of sale minus any brokerage commission. We will mail the proceeds of your sale to you by first class mail. Sales are reported at year-end to both you and the Internal Revenue Service.

The custodian has total authority over when shares are sold. This timing cannot be influenced by SCANA or the participant, and you must bear the market risk associated with fluctuations in the price of common stock. If you want to negotiate the price at which your shares are to be sold, it will be necessary for you to request a stock certificate and engage the services of a stockbroker to handle the sale for you. We will sell partial shares only if you sell all your shares.

If you request the sale of all your shares between a dividend record date and the dividend payment date, the sale will be delayed until after payment of the dividend. (For example, if we receive your request on September 15 to sell all your shares, the sale will not be processed until after October 1.)

We will replace an uncashed check once at no charge. Replacements thereafter will cost \$10 each and will be sent only following our receipt of the replacement charge. See "Miscellaneous Plan Charges."

**TRANSFER OF SHARES**

We will transfer shares for you at no cost. You may:

- (1) transfer shares to an existing Plan account; or
- (2) establish a new Plan account; or
- (3) have a stock certificate issued in another person's name.

At the time of your request, please provide the name, address and social security number of the person receiving the shares. We will not transfer partial shares unless you are transferring all of the shares in your Plan account to another Plan account, and we will not transfer shares unless they have been held in your Plan account for at least two weeks.

All transfers require the MEDALLION guaranteed signatures of all account owners. Most banks and stockbrokers can MEDALLION guarantee your signature. Our transfer forms have complete instructions. Call us at (800) 763-5891 for a transfer form.

We will send a gift certificate for shares transferred to a new (or existing) Plan account if you request it.

Table of Contents

**CHANGING YOUR ENROLLMENT STATUS OR TERMINATING PARTICIPATION**

You can change your enrollment status at any time. You may decide to stop reinvesting all your dividends and reinvest only part (not less than 10%) of them, or you may decide you would rather remove shares from the Plan in order to have all the dividends on them paid to you. You must notify us in writing if you want to change your enrollment status, and all owners must sign each request. We have a form you may use to make a change in your enrollment status. We will send it to you upon request.

Any request for change of status received between a dividend record date and the dividend payment date will be delayed until after payment of the dividend.

You may terminate your participation in the Plan at any time by notifying us in writing. We can send you a certificate for all whole shares in your Plan account and a check representing the sale of the partial share, or we can sell all the shares for you. This, too, requires notification in writing signed by all owners. You can use the bottom of your statement for this notification or write us a letter, or we can send you a form for this purpose.

If you decide to terminate your participation in the Plan between the dividend record date and the dividend payment date, there will be a delay until after the dividend is paid and the resulting shares are posted to your account. Also, no termination will be processed until after all shares in your Plan account have been held in the account for at least two weeks.

SCANA may terminate your participation in the Plan at any time upon prior notice to you.

**DEATH OF A PLAN PARTICIPANT**

Upon receipt of notification of your death, we will close your Plan account as soon as practicable consistent with the last paragraph of the foregoing section and send a stock certificate evidencing the shares in your Plan account plus a check representing the sale of the partial share to your address of record. We also will send complete, easy-to-understand instructions so that the legal representative of your estate, or the joint owner of your shares, may transfer the shares to a new registration.

**CERTAIN TAX CONSEQUENCES OF PLAN PARTICIPATION**

Dividends paid by SCANA Corporation are considered taxable income whether paid in cash or reinvested. Any dividends paid to you in cash or reinvested for you will be reported at year end to you and the Internal Revenue Service.

The sale of any shares from your Plan account will be reported to you and the Internal Revenue Service. You can develop the cost basis of your shares from your statements.

Since each stockholder's financial situation is different, you should consult your individual tax advisor concerning any tax questions you may have about Plan participation.

**STOCK SPLITS, STOCK DIVIDENDS AND RIGHTS OFFERINGS**

Any stock dividends or split shares distributed by SCANA on your Plan shares will be added to your account. Dividends earned by these shares will be reinvested unless you notify us to the contrary. If SCANA should determine to offer securities through a rights offering, you will

Table of Contents

receive rights based upon the total number of whole shares in your account.

**VOTING RIGHTS**

You have the right to exercise all voting rights for the whole shares credited to your Plan account. You may vote in person or by proxy. Your proxy card will show the number of shares you own including both your Plan shares and any certificated or book-entry shares registered in the exact same name and social security number. If you decide to vote in person, please notify the corporate secretary before the meeting begins.

If no instructions are received on your signed and dated proxy card, all your shares will be voted in accordance with recommendations of SCANA's management. If you do not return the proxy card or don't sign it, your shares will not be voted.

**LIABILITY LIMITATION**

Neither SCANA nor the Plan's custodian will be liable for any act (or omission to act) done in good faith. This applies without limitation to the prices at which your shares are purchased or sold, when purchases or sales are made and the fluctuations in market price.

You are cautioned that this prospectus does not represent a change in SCANA's dividend policy or a guarantee of future dividends. Dividends depend upon SCANA's earnings, financial requirements, governmental regulations and other factors.

You must recognize that neither SCANA nor the custodian can assure you of a profit or protect you against a loss on shares of common stock purchased or sold through the Plan.

**CHANGES TO THE PLAN**

*Regulated Utilities*

SCANA operates its regulated utility businesses in North Carolina and South Carolina through wholly-owned subsidiaries. These regulated businesses continue to be the foundation of SCANA's operations and are conducted in an environment supported by growing service territories and favorable regulatory treatment. SCANA is allowed, subject to state commission approval during annual fuel and purchased gas cost hearings, full pass-through to retail customers of its electric fuel and natural gas costs. This approval has historically been granted. There are also weather normalization clauses in effect for our electric and natural gas customers in South Carolina. In North Carolina, Public Service Company of North Carolina, Incorporated ("PSNC Energy") utilizes a customer usage tracker ("CUT"), a rate decoupling mechanism that breaks the link between revenues and the amount of natural gas sold, which allows PSNC Energy to periodically adjust its base rates for residential and commercial customers based on average per customer consumption. These measures mitigate our commodity price risk and customer usage fluctuations and allow us to focus our efforts on serving our customers. The following is a discussion of SCANA's principal regulated utility subsidiaries.

*South Carolina Electric & Gas Company ("SCE&G").* SCE&G is a public utility engaged in the generation, transmission, distribution and sale of electricity and the purchase, sale and transportation, primarily at retail, of natural gas in South Carolina.

SCE&G provides all of its electric generation capacity through its own facilities and through the purchase of all of the electric generation of Williams Station, which is owned by South Carolina Generating Company, Inc., a wholly owned subsidiary of SCANA.

SCE&G also operates and has a two-thirds interest in V. C. Summer Nuclear Station in South Carolina.

*PSNC Energy.* PSNC Energy is a public utility engaged primarily in purchasing, selling, transporting and distributing natural gas to residential, commercial and industrial customers in North Carolina.

PSNC Energy is regulated by the North Carolina Utilities Commission ("NCUC"). PSNC Energy's rates are established using a benchmark cost of gas approved by the NCUC, which may be modified periodically to reflect changes in the market price of natural gas and, through operation of the CUT, PSNC Energy's base rates for residential and commercial customers are also adjusted based on average per customer consumption. The NCUC reviews PSNC Energy's gas purchasing practices each year.

*Carolina Gas Transmission Corporation ("CGT").* CGT operates as an open access, transportation-only interstate pipeline company and is regulated by the Federal Energy Regulatory Commission.

CGT transports natural gas in southeastern Georgia and in South Carolina and has interconnections with Southern Natural Gas Company ("Southern Natural") at Port Wentworth, Georgia and with Southern LNG, Inc. at Elba Island, near Savannah, Georgia. CGT also has interconnections with Southern Natural in Aiken County, South Carolina, and with Transcontinental Gas Pipeline Corporation in Cherokee and Spartanburg counties, South Carolina. CGT's customers include SCE&G

(which uses natural gas for electricity generation and for gas distribution to retail customers), SCANA Energy Marketing, Inc. (which markets natural gas to industrial and sale for resale customers, primarily in the Southeast), other natural gas utilities, municipalities and county gas authorities, and industrial customers.

*Principal Nonregulated Business*

*SCANA Energy Marketing, Inc. ("SEMI").* SEMI markets natural gas primarily in the southeastern United States, and provides energy-related risk management services to producers and customers. A division of SEMI, SCANA Energy, markets natural gas in Georgia's deregulated natural gas market. SCANA Energy faces significant competition in the Georgia natural gas market.

**RISK FACTORS**

Investing in our common stock involves risks. In deciding whether to invest in our securities, you should carefully consider those risk factors included in Item 1A, "Risk Factors," of our most recent annual report filed with the SEC on Form 10-K, as supplemented by our most recent quarterly report filed with the SEC on Form 10-Q, each of which is incorporated herein by reference, together with all of the other information presented in this prospectus and the documents we have incorporated by reference. Each of those factors could materially adversely affect our

operations, financial results and the market price of our securities.

**USE OF PROCEEDS**

If shares of common stock are purchased directly from SCANA, the net proceeds will be used for financing capital improvements and general corporate purposes.

**INDEMNIFICATION OF DIRECTORS AND OFFICERS**

The South Carolina Business Corporation Act of 1988 permits indemnification of our directors and officers in a variety of circumstances. Under Sections 33-8-510, 33-8-550 and 33-8-560 of the South Carolina Business Corporation Act of 1988, a South Carolina corporation is authorized generally to indemnify its directors and officers in civil or criminal actions if they acted in good faith and reasonably believed their conduct to be in the best interests of the corporation and, in the case of criminal actions, had no reasonable cause to believe that the conduct was unlawful. In addition, we carry insurance on behalf of directors, officers, employees or agents. Our restated articles of incorporation provide that no director shall be liable to us or our shareholders for monetary damages for breach of his or her fiduciary duty as a director occurring after April 26, 1989, except for (i) any breach of the director's duty of loyalty to us or our shareholders, (ii) acts or omissions not in good faith or which involve gross negligence, intentional misconduct or a knowing violation of law, (iii) certain unlawful distributions or (iv) any transaction from which the director derived an improper personal benefit.

We have entered into an indemnification agreement with each of our directors and certain of our officers. The indemnification agreements

Table of Contents

generally provide that we will indemnify each of the covered directors and officers for claims arising in such person's capacity as a director, officer, employee or other agent of us or our subsidiaries, provided that, among other things, such director and/or officer acted in good faith and with a view to our best interests and, with respect to any criminal proceeding, had no reasonable grounds for believing that his or her conduct was unlawful. The indemnification agreements also provide for payment for or reimbursement of reasonable expenses incurred by an indemnitee who is a party to a proceeding in advance of final disposition of the proceeding under certain circumstances.

The foregoing indemnification provisions may cover liabilities under the Securities Act of 1933, as amended (the "Securities Act"). Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.
