Investing in our common stock involves a high degree of risk. See the risks set forth under "*Risk Factors*" beginning on page 3 of this prospectus, and the risks set forth under "*Risk Factors*" in our most recent Annual Report on Form 10-K and in any subsequent Quarterly Reports on Form 10-Q.

ABOUT THIS PROSPECTUS

This prospectus is a part of a registration statement on Form S-3 that we filed with the Securities and Exchange Commission, or SEC or Commission, using a "shelf" registration process. changes in liquidity in the market for real estate securities, the re-pricing of credit risk in the capital markets, inaccurate ratings of securities by rating agencies, rating agency downgrades of securities, and increases in the supply of real estate securities available-for-sale;

changes in the values of securities we own and the impact of adjustments reflecting those changes on our statements of comprehensive income and balance sheets, including our stockholders' equity;

our ability to generate the amount of cash flow we expect from our target assets;

our ability to successfully diversify our business into new asset classes and manage the new risks they may expose us to;

our ability to manage various operational risks associated with our business;

our ability to maintain appropriate internal controls over financial reporting;

our ability to establish, adjust and maintain appropriate hedges for the risks in our portfolio;

our ability to maintain our REIT qualification for U.S. federal income tax purposes; and

limitations imposed on our business due to our REIT status and our status as exempt from registration under the Investment Company Act of 1940, or the 1940 Act.

You are cautioned not to place undue reliance on forward-looking statements, which speak only as of the date of this prospectus. The forward-looking statements are based on our beliefs, assumptions and expectations of our future performance, taking into account all information currently available to us. These beliefs, assumptions and expectations can change as a result of many possible events or factors, not

all of which are known to us. These factors are described under "*Risk Factors*" in our most recent Annual Report on Form 10-K and in any subsequent Quarterly Reports on Form 10-Q, which documents are incorporated by reference in this prospectus. If a change occurs, our business, financial condition, liquidity and results of operations may vary materially from those expressed in our forward-looking statements. Any forward-looking statement speaks only as of the date on which it is made. New risks and uncertainties arise over time, and it is not possible for us to predict those events or how they may affect us. Except as required by law, we are not obligated to, and do not intend to, update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. PROSPECTUS SUMMARY

This summary highlights selected information about us. It may not contain all the information that may be important to you in deciding whether to invest in our common stock. You should read this entire prospectus, together with the information incorporated by reference, including the risk factors, financial data and related notes, before making an investment decision.

Our Company

We are a Maryland corporation focused on investing in, financing and managing residential mortgage-backed securities, or RMBS, residential mortgage loans, mortgage servicing rights and other financial assets, which we collectively refer to as our target assets. We operate as a real estate investment trust, or REIT, as defined under the Internal Revenue Code of 1986, as amended, or the Code.

We are externally managed and advised by PRCM Advisers LLC, or PRCM Advisers, which is a wholly owned subsidiary of Pine River Capital Management L.P., or Pine River, a global multi-strategy asset management firm providing comprehensive portfolio management, transparency and liquidity to institutional and high net worth investors.

Our objective is to provide attractive risk-adjusted returns to our stockholders over the long term, primarily through dividends and secondarily through capital appreciation. We selectively acquire and manage an investment portfolio of our target assets, which is constructed to generate attractive returns through market cycles. We focus on security selection and implement a relative value investment approach across various sectors within the residential mortgage market. Our target assets include the following:

Agency RMBS (including inverse interest-only Agency securities classified as Agency Derivatives for purposes of U.S. GAAP), which means RMBS whose principal and interest payments are guaranteed by the Government National Mortgage Association (Ginnie Mae), the Federal National Mortgage Association (Fannie Mae), or the Federal Home Loan Mortgage Corporation (Freddie Mac);

Non-Agency RMBS, which means RMBS that are not issued or guaranteed by Ginnie Mae, Fannie Mae or Freddie Mac;

Mortgage servicing rights, prime nonconforming residential mortgage loans, and credit sensitive mortgage loans; and

Other financial assets comprising approximately 5% to 10% of the portfolio.

We believe our hybrid Agency and non-Agency RMBS investment model allows management to focus on security selection and implement a relative value investment approach across various sectors within the residential mortgage market, which factors in the opportunities in the marketplace, cost of financing and cost of hedging interest rate, prepayment, credit and other portfolio risks. As a result, RMBS asset allocation reflects management's opportunistic approach to investing in the marketplace.

We recognize that investing in our target assets is competitive and that we compete with other investment vehicles for attractive investment opportunities. We rely on our management team and Pine River, who have developed strong relationships with a diverse group of financial intermediaries, to identify investment opportunities. In addition, we have benefited and expect to continue to benefit from Pine River's analytical and portfolio management expertise and infrastructure. We believe that our significant focus on the RMBS area, the extensive RMBS expertise of our investment team, our strong analytics and our disciplined relative value investment approach give us a competitive advantage versus our peers.

Table of Contents

We have elected to be treated as a REIT for U.S. federal income tax purposes. To qualify as a REIT we are required to meet certain investment and operating tests and annual distribution requirements. We will not generally be subject to U.S. federal income taxes on our taxable income to the extent that we annually distribute all of our net taxable income to stockholders, do not participate in prohibited transactions and maintain our intended qualification as a REIT. However, certain activities that we may perform may cause us to earn income that will not be qualifying income for REIT purposes. We have designated certain of our subsidiaries as taxable REIT subsidiaries, or TRSs, as defined in the Code, to engage in such activities, and we may form additional TRSs in the future. We also operate our business in a manner that will permit us to maintain our exemption from registration under the 1940 Act.

Our headquarters are located at 601 Carlson Parkway, Suite 1400, Minnetonka, Minnesota 55305 and our telephone number is (612) 629-2500. We maintain a website at www.twoharborsinvestment.com. The information found on our website is not incorporated into this prospectus.

RISK FACTORS

Investing in our common stock involves a number of risks. Before making an investment decision, you should carefully read and consider the information set forth under "*Risk Factors*" in our most recent Annual Report on Form 10-K and any subsequent Quarterly Reports on Form 10-Q (which descriptions are incorporated by reference herein), together with the other information contained or incorporated by reference in this prospectus or in any prospectus supplement hereto before making a decision to invest in our securities. See "*Where You Can Find More Information*," below. We believe such risk factors, individually or in the aggregate, could cause our actual results to differ significantly from anticipated or historical results. In addition to understanding the key risks incorporated herein by reference, investors should understand that it is not possible to predict or identify all risk factors, and consequently, such risk factors are not a complete discussion of all potential risks or uncertainties.

DIVIDEND REINVESTMENT AND SHARE PURCHASE PLAN

The Plan provides holders of record of our common stock an opportunity to automatically reinvest all or a portion of their cash distributions received on common stock in additional shares of our common stock as well as to make optional cash payments to purchase shares of our common stock. Persons who are not already stockholders may also purchase our common stock under the Plan through optional cash payments.

The Plan will be administered by Computershare Trust Company, N.A., or the Administrator, or any successor bank or trust company that we may from time to time designate. Certain of the administrative support to the Administrator may be performed by its designated affiliates.

The Administrator will buy, at our option, newly issued common stock directly from us or common stock in the open market or in negotiated transactions with third parties. Our common stock purchased directly from us under the Plan may be priced at a discount from market prices at the time of the investment (determined in accordance with the Plan) ranging from 0% to 3% in connection with optional cash purchases in excess of \$10,000 per month. We refer to the date on which the Administrator purchases whole and fractional shares from your cash dividend or initial and subsequent additional cash purchases as being the Investment Date. Any discount established by us for any Investment Date may be adjusted or suspended for any subsequent Investment Date. Please see "*Description of the Plan*" below.

DESCRIPTION OF THE PLAN

The Plan offers a variety of convenient, low-cost services to make it easier for you to invest in our common stock. The Plan, which is described in this section, has various features and you can choose the Plan features that meet your investment needs. The Plan is designed for long-term investors who wish to invest and build their share ownership over time. The Plan offers a convenient and economical means to own shares. Unlike an individual stock brokerage account, the timing of purchases and sales is subject to the provisions of the Plan, as discussed below. In addition, the Plan will provide us with a means of raising additional capital for general corporate purposes through the sale of common stock under the Plan.

You can participate in the Plan if you are a registered holder of our common stock. If you do not own our common stock, you can become a participant by making your initial purchase directly through the Plan. The Plan offers you the opportunity to reinvest dividends and provides an alternative to traditional methods of buying, holding and selling our common stock. The Administrator administers the Plan, and certain administrative support will be provided by its designated affiliate.

Table of Contents

Key Features of the Plan

Anyone can participate

If you currently own our common stock registered in your name you may participate in the Plan. If you do not own any of our common stock, you can participate in the Plan by making your initial investment in our common stock through the Plan with an initial investment of at least \$250 and not more than \$10,000. If you wish to make an optional cash purchase in excess of \$10,000 (or other maximum amount established by us), you must submit a request for our prior written approval, or a Request for Waiver, and a copy of our written approval must accompany any such optional cash purchase. Alternatively, you may authorize the automatic monthly investment feature and initiate your investment with only \$50 and a commitment for at least five sequential purchases. We may change these minimum and maximum amounts at any time in our sole discretion.

Automatic dividend reinvestment

You can reinvest your dividends in additional shares of our common stock. Your dividends will be used to buy additional shares of our common stock at the prevailing market price on the dividend reinvestment date (determined by taking the unsolicited weighted average price, rounded to four decimal places, of our common stock as reported on the NYSE).

Optional cash purchases up to \$10,000

You can buy shares of our common stock if you are a participant in the Plan. You can make monthly investments of as little as \$50 (or \$250 in the case of your initial investment), or as much as \$10,000, and you can pay either by check or have your payment automatically deducted from your bank account. We may change these minimum and maximum amounts at any time in our sole discretion or we may suspend the right to make optional cash purchases for any monthly period or periods.

Optional cash purchases in excess of \$10,000

Optional cash purchases in excess of \$10,000 per month may be made pursuant to a written request and are not subject to a predetermined maximum limit on the amount of the investment. The discount, if any, on optional cash purchases in excess of \$10,000 per month made pursuant to such requests will range from 0% to 3% and will be established at our discretion, along with any other terms, after a review of current market conditions, the level of participation and our current and projected capital needs.

Questions and Answers Describing Terms and Conditions of the Plan

1. Can I participate in the Plan?

If you already own our common stock and the shares are registered in your name, you may participate immediately. If your shares are held for you in a brokerage account, you may make arrangements with your stockbroker to have some or all of the shares of our common stock registered directly in your name. Please note that participation will only apply to the number of shares registered in your name. If you do not currently own any of our common stock, you can participate by making an initial investment in our common stock through the Plan. Please see Question 8 for details regarding an initial investment. If you live outside the United States, you should first determine if there are any laws or governmental regulations that would prohibit your participation in the Plan. We reserve the right to terminate participation of any stockholder if we deem it advisable under any foreign laws or regulations.

2. How do I get started?

Enrollment is available on-line through the Investor Centre at www.computershare.com/investor. Alternatively, you can get started in the Plan by completing an enrollment form along with the items required and mailing them to the Administrator. Your participation will begin promptly after your authorization is received. Once you have enrolled, your participation continues automatically, until you notify us otherwise.

3. How do I reinvest dividends?

You can choose to reinvest all or a portion of the cash dividends paid on shares of our common stock you own in additional shares of our common stock. To be effective with respect to a particular dividend, notice of your election must be received on or before the first business day prior to the record date for that dividend. A record date for a dividend normally precedes the payment of the dividend by approximately four weeks. You may change your election at any time by notifying the Administrator. To be effective with respect to a particular dividend, any such change must be received by the Administrator on or before the business day preceding the record date for that dividend. If you elect to reinvest your dividends, you must choose one of the following options:

Full dividend reinvestment. You may purchase additional shares of our common stock by reinvesting all of your cash dividends.

Partial dividend reinvestment. You may purchase additional shares of our common stock by reinvesting some of your dividends. If you select this option, a portion of your cash dividends will be paid to you in cash, and the remaining portion of your dividends will be automatically reinvested to purchase additional shares of our common stock. If you choose partial reinvestment, you must specify on the enrollment form the number of whole shares on which you wish to continue to receive cash dividends by check or to have directly deposited into your designated bank account. The remaining dividends will be automatically reinvested.

Table of Contents

4. When are dividends reinvested?

If you have chosen the dividend reinvestment feature and notice of such change has been received by the Administrator on or before the first business day preceding the record date for that dividend, the Administrator will generally invest dividends in additional shares of our common stock purchased on the open market or directly from us on the dividend payment date. If the dividend payment date falls on a day that is not an NYSE trading day, then the Investment Date will be the next trading day. If the Administrator acquires shares from parties other than us through open market transactions, such purchases will occur during a period beginning on the dividend payment date, and continue on any succeeding trading days necessary to complete the order. In the unlikely event that, due to unusual market conditions, the Administrator is unable to invest the funds within 30 days, the Administrator will remit the funds to you by check. No interest will be paid on funds held by the Administrator pending investment.

5. What is the source of shares to be purchased under the Plan?

All dividends reinvested through the Plan and all optional cash purchases will be used to purchase, in our sole discretion, either newly-issued shares directly from us or shares on the open market or a combination thereof. Shares purchased directly from us will consist of authorized but unissued shares of common stock.

6. At what price will shares be purchased?

The price of shares for dividend reinvestment and optional cash purchases of less than \$10,000 will be determined as follows:

If the shares are purchased in the open market, the purchase price will be the average price per share of shares purchased.

If the shares are purchased from us, the purchase price will be the volume weighted average price, rounded to four decimal places, of our common stock as reported on the NYSE on the date the shares are purchased.

The purchase price for optional cash purchases in excess of \$10,000 per month is discussed in response to Question 10.

7. When will shares be purchased under the Plan?

The Investment Date is the date or dates on which the Administrator purchases shares of our common stock for the Plan, as described below.

Dividend Reinvestments. If the Administrator acquires shares directly from us, it will combine the dividend funds of all Plan participants whose dividends are automatically reinvested and will generally invest such dividend funds on the dividend payment date. If the dividend payment date falls on a day that is not an NYSE trading day, then the Investment Date will be the next trading day. If the Administrator acquires shares from parties other than us through open market transactions, such purchases will occur during a period beginning on the dividend payment date, and continue on any succeeding trading days necessary to complete the order. To be effective with respect to a particular dividend, notice of your election must be received on or before the first business day prior to the record date for that dividend. A record date for a dividend normally precedes the payment of the dividend by approximately four weeks.

Initial and Optional Cash Purchases up to \$10,000. If the Administrator acquires shares directly from us, then the Investment Date for optional cash purchases up to \$10,000 will be on the twenty-fifth calendar day of each month, or the next trading day if the twenty-fifth day is not a trading day. If the

Administrator acquires shares from third parties other than us through open market transactions, it will attempt to buy our common stock in the open market through a registered broker-dealer. Such purchases will begin on the twenty-fifth calendar day of each month, or the next trading day if the twenty-fifth day is not a trading day, and will be completed no later than 35 days following such date, except where completion at a later date is necessary or advisable under any applicable federal or state securities laws or regulations.

For automatic monthly purchases, the amounts you have authorized will be withdrawn from your bank account on the twenty-third day of each month, or on the next succeeding business day if the twenty-third falls on a weekend or a holiday.

In the unlikely event that, due to unusual market conditions, the Administrator is unable to invest the funds within 35 days, the Administrator will return the funds to you by check. No interest will be paid on funds held by the Administrator pending investment.

To be effective with respect to a particular Investment Date, initial investments and optional cash purchases must be received by the Administrator prior to the applicable Investment Date.

Initial and Optional Cash Purchases in Excess of \$10,000. The Investment Dates for optional cash purchases in excess of \$10,000 per month are discussed in response to Question 10.

8. How do I make an initial investment?

If you do not own our common stock in a Plan account, you can make an initial cash purchase for as little as \$250, but your initial cash purchase cannot exceed \$10,000 unless we approve a Request for Waiver. Your initial cash purchase can be made:

Via on-line enrollment by:

Authorizing one deduction (minimum of \$250) from your bank account;

Authorizing a minimum of five monthly automatic deductions of at least \$50 each from your bank account; or

Using the Enrollment Form and:

Making one payment (minimum of \$250) by check payable to Two Harbors Investment Corp./Computershare; or

Authorizing a minimum of five monthly automatic deductions of at least \$50 each from your bank account.

We may change these minimum and maximum amounts at any time in our sole discretion or we may suspend the right to make optional cash payment or payments for any monthly period. In addition, in certain instances, we may permit optional cash purchases in excess of the maximum amount established by us.

All Plan accounts that we believe to be under common control or management or to have common ultimate beneficial ownership may be aggregated for purposes of determining compliance with the maximum purchase requirement limit. Unless we have determined that reinvestment of dividends and optional cash purchases for each such account would be consistent with the purposes of the Plan, we will have the right to aggregate all such accounts and to return, without interest, within 30 days of receipt, any amounts in excess of the investment limitations applicable to a single account received in respect of all such accounts.

9. How do I make optional cash purchases of less than \$10,000?

If you already own our common stock and are enrolled in the Plan and want to make additional purchases, you can authorize an individual automatic deduction from your bank account online through the Investor Centre or send a check to the Administrator for each purchase. If you choose to submit a check, please be sure to include the contribution form from your Plan statement and mail it to the address specified on the statement. Or, if you wish to make regular monthly purchases, you may authorize automatic monthly deductions from your bank account. This feature enables you to make ongoing investments in an amount that is comfortable for you, without having to write a check. Additional cash purchases are subject to a minimum purchase requirement of \$50 per investment and a maximum of \$10,000.

10. How do I make optional cash purchases in excess of \$10,000?

You may ascertain whether we are accepting requests to make optional cash purchases in excess of \$10,000 in any given month, and certain other important information, by telephoning the Administrator at 1-201-680-4052 or via email at Paul.Lidondici@computershare.com. You should generally contact the Administrator on the first business day of the month to determine whether we are accepting such requests.

Request for Waiver. If you wish to make an optional cash purchase in excess of \$10,000 (or other maximum amount established by us), you must submit a request for our prior written approval, or a Request for Waiver, and a copy of such written approval must accompany any such optional cash purchase. We have sole discretion to grant any approval for optional cash purchases in excess of the allowable maximum amount. Unless you have complied with these procedures, any amount you submit for investment over \$10,000 will be returned to you without interest.

If we grant your request to purchase shares pursuant to a Request for Waiver, an equal proportion of your optional cash purchase will be invested on each trading day, or Investment Date, during a span of one to fourteen days during which trading of our common stock is reported on the NYSE, or Pricing Period.

You may make a Request for Waiver by contacting the Administrator at 1-201-680-4052 or via email at Paul.Lidondici@computershare.com. Completed Request for Waiver forms should be submitted to the Administrator no later than two business days prior to the applicable Pricing Period.

The Administrator will notify you as to whether your Request for Waiver has been granted or denied, either in whole or in part, within one business day of the receipt of your request. If your Request for Waiver is granted in part, the Administrator will advise you of the maximum amount that will be accepted from you in connection with your purchase. If your request is approved, the Administrator must receive the funds for your purchase prior to or on the applicable date specified by the Administrator for the relevant Pricing Period (which typically will be one business day prior to the applicable Pricing Period). If you do not receive a response from the Administrator in connection with your Request for Waiver, you should assume that we have denied your request.

We may alter, amend, supplement or waive, in our sole discretion, the time periods and/or other parameters relating to optional cash purchases in excess of \$10,000 made by one or more participants in the Plan or new investors, at any time and from time to time, prior to the granting of any Request for Waiver. For more information regarding a particular Pricing Period (including applicable Pricing Period start dates), please contact the Administrator at 1-201-680-4052 or via email at Paul.Lidondici@computershare.com.

Purchase Price of Shares for Optional Cash Purchases in Excess of \$10,000. Shares purchased pursuant to an approved Request for Waiver will be purchased directly from us as described herein. If we grant your request to purchase shares pursuant to a Request for Waiver, an equal proportion of

Table of Contents

your optional cash purchase will be invested on each Investment Date during the applicable Pricing Period, subject to the qualifications listed below. The purchase price for shares acquired on a particular Investment Date will be equal to 100% (subject to change as provided below) of the unsolicited volume weighted average price, rounded to four decimal places, of our common stock as reported by the NYSE only, obtained from Bloomberg, LP for the trading hours from 9:30 a.m. to 4:00 p.m., Eastern time, for that Investment Date (including the last trade on the NYSE even if reported after 4:00 p.m.). With respect to optional cash purchases in excess of \$10,000, we will not set an Investment Date to be the same date as a dividend payment date.

The Administrator will apply all optional cash purchases made pursuant to a Request for Waiver for which good funds are received on or before the first business day before the Pricing Period to the purchase of shares of our common stock on each Investment Date of the applicable Pricing Period.

Threshold Price. We may establish for a Pricing Period a minimum price, or Threshold Price, applicable to optional cash purchases made pursuant to a Request for Waiver. At least three business days prior to the first day of the applicable Pricing Period, we will determine whether to establish a Threshold Price, and if the Threshold Price is established, its amount, and will so notify the Administrator. This determination will be made by us in our discretion after a review of current market conditions, the level of participation in the Plan, and current and projected capital needs.

If established for any Pricing Period, the Threshold Price will be stated as a dollar amount that the unsolicited volume weighted average price, rounded to four decimal places, of our common stock as reported on the NYSE, obtained from Bloomberg, LP for the trading hours from 9:30 a.m. to 4:00 p.m., Eastern time, for each trading day of such Pricing Period (not adjusted for discounts, if any) must equal or exceed. Except as provided below, we will exclude from the Pricing Period any trading day that the unsolicited volume weighted average price is less than the Threshold Price. We also will exclude from the Pricing Period and from the determination of the purchase price any day in which no trades of common stock are made on the NYSE. For example, if the Threshold Price is not met for two of the trading days in a 10 day Pricing Period, then we will return 20% of the funds you submitted in connection with your Request for Waiver unless we have activated the pricing period extension feature for the Pricing Period which is described below.

Pricing Period Extension Feature. We may elect to activate for any particular Pricing Period the pricing period extension feature which will provide that the initial Pricing Period will be extended by the number of days that the Threshold Price is not satisfied, or on which there are no trades of our common stock reported by the NYSE, subject to a maximum of five trading days. If we elect to activate the pricing period extension feature and the Threshold Price is satisfied for any additional day that has been added to the initial Pricing Period, that day will be included as one of the trading days for the Pricing Period in lieu of the day on which the Threshold Price was not met or trades of our common stock were not reported. For example, if the determined Pricing Period is 10 days, and the Threshold Price is not satisfied for three out of those 10 days in the initial Pricing Period, and we had previously announced at the time of the Request for Waiver acceptance that the pricing period extension feature was activated, then the Pricing Period will automatically be extended, and if the Threshold Price is satisfied on the next three trading days (or a subset thereof), then those three days (or a subset thereof) will become Investment Days in lieu of the three days on which the Threshold Price was not met. As a result, because there were 10 trading days during the initial and extended Pricing Period on which the Threshold Price was satisfied, all of the optional cash purchase will be invested.

Return of Unsubscribed Funds. We will return a portion of each optional cash purchase in excess of \$10,000 for each trading day of a Pricing Period or extended Pricing Period, if applicable, for which the Threshold Price is not met or for each day in which no trades of common stock are reported on the NYSE, referred to as the Unsubscribed Funds. Any Unsubscribed Funds will be returned within five business days after the last day of the Pricing Period, or if applicable, the extended Pricing Period,

Table of Contents

without interest. The amount returned will be based on the number of days during which the Threshold Price was not met with compared to the number of days in the Pricing Period or extended Pricing Period. For example, the returned amount in a 10 day Pricing Period will equal one-tenth ($1/10$) of the total amount of such optional cash purchase (not just the amount exceeding \$10,000) for each trading day that the Threshold Price is not met or for each trading day in which sales are not reported.

The establishment of the Threshold Price and the possible return of a portion of the investment applies only to optional cash purchases in excess of \$10,000. Setting a Threshold Price for a Pricing Period will not affect the setting of a Threshold Price for any other Pricing Period. We may waive our right to set a Threshold Price for any particular Pricing Period. Neither we nor the Administrator is required to give you notice of the Threshold Price for any Pricing Period. You may contact the Administrator at 1-201-680-4052 or via email at Paul.Lidondici@computershare.com to find out if a threshold price has been fixed or waived for any given pricing period.

Waiver Discount. At least one business day prior to the first day of the applicable Pricing Period, the same time the Threshold Price is determined, we may establish discounts from the market price, or Waiver Discounts, applicable to optional cash purchases made pursuant to a Request for Waiver. These Waiver Discounts may be between 0% and 3% of the purchase price, and may vary for each Pricing Period and for each purchaser. However, no Waiver Discounts will be available for common stock purchased in the open market or in privately negotiated transactions.

The Waiver Discounts will be established at our sole discretion after a review of current market conditions, the level of participation in the Plan, the attractiveness of obtaining such additional funds through the sale of common stock as compared to other sources of funds and current and projected capital needs. You may obtain the Waiver Discounts applicable to the next Pricing Period by contacting the Administrator at 1-201-680-4052 or via email at Paul.Lidondici@computershare.com.

Setting Waiver Discounts for a particular Pricing Period shall not affect the setting of Waiver Discounts for any subsequent Pricing Period. The Waiver Discounts will apply only to optional cash purchases of more than \$10,000 (or other applicable maximum monthly amount). The Waiver Discounts will apply to the entire optional cash purchase and not just the portion of the optional cash purchase that exceeds \$10,000.

Settlement. Newly issued shares purchased pursuant to a Request for Waiver will be posted to your account within three business days following the end of the applicable Pricing Period. Alternatively, we may elect to activate the continuous settlement feature, pursuant to which shares will be posted to your account within three business days of each separate Investment Date beginning on the first Investment Date in the relevant Pricing Period and ending on the final Investment Date in the relevant Pricing Period, with an equal amount being invested on each day, subject to the qualifications set forth above. Anytime we propose to grant Requests for Waiver for one or more investments, we may elect to activate the continuous settlement feature for such investments by announcing in the bid-waiver form that we will be doing so. Under the continuous settlement feature, we would have a separate settlement of each Investment Dates' purchases, each based on the volume-weighted average price for the trading day (as described above) relating to each of the Investment Dates during the Pricing Period.

11. Will I receive certificates for shares purchased?

No, because the Plan provides for share safekeeping. For your convenience, the Administrator will maintain shares purchased under the Plan in your name in uncertificated form. You may, however, request a stock certificate from the Administrator at any time, free of charge.

Table of Contents

12. What is safekeeping?

Shares of our common stock that you buy under the Plan will be maintained in your Plan account in uncertificated form for safekeeping. Safekeeping protects your shares against loss, theft or accidental destruction and also provides a convenient way for you to keep track of your shares. Only shares held in safekeeping may be sold through the Plan.

If you own our common stock in certificate form, you may deposit your certificates for those shares with the Administrator, free of charge. Certificates should be delivered to the Administrator at Computershare, 211 Quality Circle, Suite 210, College Station, TX 77845 by USPS registered insured mail, a national courier service or other receipted delivery service.

13. Can I get stock certificates if I want them?

Yes. If you should ever want a stock certificate for all or a portion of the whole shares of our common stock in your Plan account, the Administrator will send one to you, upon your written request, within two days of the receipt of your instructions.

14. How can I transfer or give gifts of shares?

You may transfer or give gifts of our common stock to anyone you choose by contacting the Administrator.

15. How do I sell shares?

You may request that the Administrator sell your shares as described below. The market price of our shares of common stock may decline between the time you request to sell shares and the actual time of sale.

Market Order

A market order is a request to sell shares of our common stock promptly at the current market price. Market order sales are only available at www.computershare.com/investor, through Investor Centre, or by calling the Administrator directly at 1-800-851-9677. Market order sale requests received at www.computershare.com/investor, through Investor Centre, or by telephone will be placed promptly upon receipt during market hours (normally 9:30 a.m. to 4:00 p.m. Eastern Standard Time). Any orders received outside of market hours will be submitted to the Administrator's broker on the next day the market is open. Sales proceeds will equal the market price of the sale obtained by the Administrator's broker, net of taxes and fees. The Administrator will use commercially reasonable efforts to honor requests by participants to cancel market orders placed outside of market hours. Depending on the number of shares being sold and current trading volume in the shares, a market order may only be partially filled or not filled at all on the trading day in which it is placed, in which case the order, or remainder of the order, as applicable, will be cancelled at the end of such day. To determine if your shares were sold, you should check your account online at www.computershare.com/investor or call the Administrator directly at 1-800-851-9677. If your market order sale was not filled and you still want the shares to be sold, you will need to re-enter the sale request. The price shall be the market price of the sale obtained by the Administrator's broker, less a service fee of \$25.00 and a processing fee of \$0.12 per share sold.

Batch Order

A batch order is an accumulation of all sale requests for shares of our common stock submitted together as collective request. Batch orders are submitted on each market day, assuming there are sale requests to be processed. Sale instructions for batch orders received by the Administrator will be

Table of Contents

processed no later than five business days after the date on which the order is received (except where deferral is required under applicable federal or state laws or regulations), assuming the applicable market is open for trading and sufficient market liquidity exists. All sale requests received in writing will be submitted as batch order sales, unless such requests specify otherwise. Batch order sales may only be requested in writing. In every case of a batch order sale, the price shall be the weighted average sale price obtained by the Administrator's broker, less a service fee of \$15.00 and a processing fee of \$0.12 per share sold.

Day Limit Order

A day limit order is an order to sell shares of our common stock when and if they reach a specific trading price on a specific day. The order is automatically cancelled if the price is not met by the end of that day (or, for orders placed after-market hours, the next day the market is open). Depending on the number of shares of our common stock being sold and the current trading volume in the shares, such an order may only be partially filled, in which case the remainder of the order will be cancelled. The order may be cancelled by the applicable stock exchange, by the Administrator at its sole discretion or, if the Administrator's broker has not filled the order, at your request made online at www.computershare.com/investor or by calling the Administrator directly at 1-800-851-9677. A service fee of \$25.00 and a processing fee of \$0.12 per share sold will be deducted from the sale proceeds.

Good-Til-Cancelled ("GTC") Limit Order

A GTC limit order is an order to sell shares of our common stock when and if the shares reach a specific trading price at any time while the order remains open (generally up to 30 days). Depending on the number of shares being sold and current trading volume in the shares, sales may be executed in multiple transactions and over more than one day. If an order remains open for more than one day during which the market is open, a separate fee will be charged for each such day. The order (or any unexecuted portion thereof) is automatically cancelled if the trading price is not met by the end of the order period. The order may be cancelled by the applicable stock exchange, by the Administrator at its sole discretion or, if the Administrator's broker has not filled the order, at your request made online at www.computershare.com/investor or by calling the Administrator directly at 1-800-851-9677. A service fee of \$25.00 and a processing fee of \$0.12 per share sold will be deducted from the sale proceeds.

General

All per share fees described in "How do I sell shares?" include any brokerage commissions the Administrator is required to pay. All sales requests processed over the telephone by a customer service representative entail an additional fee of \$15.00. Fees are deducted from the proceeds derived from the sale. The Administrator may, under certain circumstances, require a transaction request to be submitted in writing. Please contact the Administrator to determine if there are any limitations applicable to your particular sale request. Alternatively, you may choose to sell shares of common stock in your Plan account through a broker of your choice, in which case you should contact your broker about transferring shares from your Plan account to your brokerage account.

16. What are the costs for participation in the Plan?

There is no fee for enrolling in the Plan. Participation is voluntary and you may discontinue your participation at any time. However, there are fees associated with some of the Plan's services. Please see "Plan Service Fees" below.

Table of Contents

17. How can I vote my shares?

You will receive proxy material for all whole shares in your Plan account. Fractional shares may not be voted. The proxy will be voted in accordance with your direction. The Administrator may vote your shares in certain cases if you do not return a proxy to the Administrator.

18. If there is a rights offering related to the common stock, how will my entitlement be computed?

Your entitlement in a rights offering related to the common stock will be based upon the number of whole shares credited to your Plan account. Rights based on a fraction of a share credited to your Plan account will be sold for that account and the net proceeds will be invested as an optional cash purchase on the next Investment Date. In the event of a rights offering, transaction processing may be curtailed or suspended by the Administrator for a short period of time following the record date for such action to permit the Administrator to calculate the rights allocable to each account.

19. How will I keep track of my investments?

The Administrator will send you a transaction notice confirming the details of each transaction you make. If you continue to participate in the Plan, but have no transactions, the Administrator will send you an annual statement after the end of the year detailing the status of your holdings of our common stock in your Plan account.

20. How would I terminate my participation in the Plan?

You may discontinue the reinvestment of your dividends at any time by giving notice to the Administrator. Notice may be made by telephone, in writing or by changing your dividend election when you access your account on-line at www.computershare.com/investor. To be effective for a given dividend payment, the Administrator must receive notice before the record date of that dividend. The Administrator will continue to hold your shares unless you request a certificate for any full shares and a check for any fractional share. You may also request the sale of all or part of any such shares or have the Administrator transfer your shares to your brokerage account. See Question 15 for information on selling shares. If your Plan account balance falls below one full share, the Administrator reserves the right to liquidate the fraction and remit the proceeds, less any applicable fees, to you at your address of record.

21. Are there any risks associated with the Plan?

Your investment in shares purchased under the Plan is no different from any investment in shares you hold directly. Neither we nor the Administrator can assure a profit or protect you against a loss on shares purchased. You bear the risk of loss and enjoy the benefits of any gain from market price changes with respect to shares purchased under the Plan. See "Risk Factors" above.

22. Can the Plan be amended, modified, suspended or terminated?

We reserve the right to amend, modify, suspend or terminate the Plan at any time and in any manner. You will receive written notice of any such amendment, modification, suspension or termination. We and the Administrator also reserve the right to change any administrative procedures of the Plan.

23. What are the responsibilities of Two Harbors and the Administrator?

Neither we nor the Administrator will be liable for any act we or they do in good faith or for any good faith omission to act including, in the case of the Administrator, liability arising out of (i) failure to terminate a participant's account upon such participant's death or adjudicated incompetence, prior

to the receipt of notice in writing of such death or adjudicated incompetence, (ii) the prices at which shares are purchased for the participant's account, (iii) the times when purchases are made, or (iv) fluctuations in the market value of our common stock. Our board of directors may change the amount and timing of dividends at any time without notice.
