This Proxy Statement is furnished to the stockholders of Griffin Industrial Realty, Inc. ("Griffin") in connection with the solicitation by the Board of Directors of proxies for the Annual Meeting of Stockholders to be held at 2:00 p.m. on May 10, 2016 in the New York Hilton Hotel at 1335 Avenue of the Americas, New York, NY 10019, for the purposes set forth in the accompanying notice of meeting. We anticipate that the Proxy Statement and proxy card will be distributed to stockholders on or about April 5, 2016.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS
FOR THE STOCKHOLDER MEETING TO BE HELD ON MAY 10, 2016**

**The Company's Proxy Statement and Annual Report are available at
<http://materials.proxyvote.com/398231>**

The following proxy materials are available for review at <http://materials.proxyvote.com/398231>:

Griffin's 2016 Proxy Statement;

Griffin's Annual Report for the fiscal year ended November 30, 2015; and

any supplements or amendments to the foregoing materials that are required to be furnished to stockholders.

You may obtain directions to attend the Annual Meeting, where you may vote in person, by calling Griffin's corporate headquarters at (212) 218-7910.

At the Annual Meeting, stockholders will be asked to consider and act upon the following proposals:

1. The election of David R. Bechtel, Edgar M. Cullman, Jr., Frederick M. Danziger, Michael S. Gamzon, Thomas C. Israel, Jonathan P. May and Albert H. Small, Jr. as directors;
2. The ratification of the selection of RSM US LLP as Griffin's independent registered public accountants for fiscal 2016;
3. The approval, on an advisory (non-binding) basis, of the compensation of Griffin's named executive officers as presented in this Proxy Statement for the Annual Meeting of Stockholders to be held May 10, 2016; and
4. Such other business as may properly be brought before the Annual Meeting or any postponement, continuation or adjournment thereof.

The Board recommends a vote "FOR" David R. Bechtel, Edgar M. Cullman, Jr., Frederick M. Danziger, Michael S. Gamzon, Thomas C. Israel, Jonathan P. May and Albert H. Small, Jr. as directors, "FOR" the ratification of the selection of RSM US LLP as Griffin's independent registered public accountants for fiscal 2016, and "FOR" the approval, on an advisory (non-binding) basis, of the compensation of Griffin's named executive officers.

GENERAL

This solicitation is being made on behalf of the Board of Directors of Griffin. Any proxy received in the accompanying form may be revoked by the person executing it at any time before the authority thereby granted is exercised. A proxy may be revoked by attending the meeting and voting in person or by filing an instrument in writing revoking the proxy or by delivering a proxy bearing a later date to Griffin's Secretary. Proxies received by the Board of Directors in such form will be voted at the meeting or any adjournment thereof as specified therein by the person giving the proxy; if no specification is made, the shares represented by such proxy will be voted:

- i. For the election of David R. Bechtel, Edgar M. Cullman, Jr., Frederick M. Danziger, Michael S. Gamzon, Thomas C. Israel, Jonathan P. May and Albert H. Small, Jr. as directors as described in this Proxy Statement;
- ii. For ratification of the selection of RSM US LLP ("RSM US") as Griffin's independent registered public accountants for fiscal 2016; and
- iii. For the approval, on an advisory (non-binding) basis, of the compensation of Griffin's named executive officers as presented in this Proxy Statement for the Annual Meeting of Stockholders to be held May 10, 2016.

Directors will be elected by a *plurality* of the votes cast. This means that the seven directors receiving the highest number of "FOR" votes will be elected as directors. Votes withheld and broker "non-votes" will have no effect on the election of directors. The ratification of the selection of RSM US as Griffin's independent registered public accountants, requires the affirmative vote of a *majority* of shares present or represented by proxy at the Annual Meeting and entitled to vote on the proposal. Abstentions will have the same effect as votes against the proposal. Because brokers have discretionary authority to vote on the ratification of the selection of RSM US, we do not expect any broker non-votes in connection with the ratification. The advisory (non-binding) vote for the approval of the compensation of Griffin's named executive officers requires the affirmative vote of a *majority* of shares present or represented by proxy at the Annual Meeting and entitled to vote on the proposal. Abstentions will have the same effect as votes against the compensation of Griffin's named executive officers. Broker "non-votes" will be treated as though they are not entitled to vote and will have no effect on the outcome of this vote.

Management knows of no matters that may be brought before the Annual Meeting or any postponement, continuation or adjournment thereof other than those described in the accompanying notice of meeting and routine matters incidental to the conduct of the meeting. However, if any other matter should come before the meeting or any postponement, continuation or adjournment thereof, it is the intention of the persons named in the accompanying proxy card or their substitutes to vote the proxy in accordance with their judgment on such matters.

The cost of solicitation of proxies by the Board of Directors will be borne by Griffin. Such solicitation will be made by mail and, in addition, may be made by officers and employees of Griffin personally or by telephone, facsimile or electronic mail. Proxies and proxy material will also be distributed through brokers, custodians and other similar parties, and Griffin will reimburse such parties for their reasonable expenses. The solicitation and recording of proxies is being done by Broadridge Financial Solutions, Inc., and will cost approximately \$15,000.

Each holder of a share of Common Stock of Griffin, par value \$0.01 per share (the "Common Stock"), will be entitled to one vote for each share held of record by such person at the close of business on March 24, 2016 (the "Record Date"), which is the Record Date fixed by the Board of Directors for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting or any postponement, continuation or adjournment thereof. As of such date, Griffin had outstanding 5,152,708 shares of Common Stock (none of which constituted shares of treasury stock). A

Edgar Filing: GRIFFIN INDUSTRIAL REALTY, INC. - Form DEF 14A

majority of these shares present in person or represented by proxy will constitute a quorum at the Annual Meeting. A total of 2,354,968 shares of Common Stock, representing approximately 45.7% of the outstanding shares of Common Stock, are held by members of the Cullman and Ernst Group (as defined herein).

STOCKHOLDER PROPOSALS FOR THE 2017 ANNUAL MEETING

Proposals by stockholders for Griffin's 2017 Annual Meeting of Stockholders pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), must be received by Griffin no later than December 6, 2016 if such proposal is to be considered for inclusion in the 2017 proxy materials of Griffin.

Stockholders intending to present a proposal at the 2017 Annual Meeting of Stockholders, but not to include the proposal in our proxy statement, or to nominate a person for election as a director, must comply with the requirements set forth in our Amended and Restated By-laws. Griffin's Amended and Restated By-laws require, among other things, that Griffin's Secretary receive written notice from the stockholder of record of their intent to present such proposal or nomination not earlier than 120 days and not later than 90 days prior to the first anniversary of the preceding year's annual meeting. Therefore, Griffin must receive notice of such a proposal or nomination for the 2017 Annual Meeting of Stockholders no earlier than January 10, 2017 and no later than February 9, 2017. The notice must contain the information required by the Amended and Restated By-laws, a copy of which is available upon request to Griffin's Secretary. In the event that the date of the 2017 Annual Meeting of Stockholders is more than 30 days before or more than 60 days after May 10, 2017, then Griffin's Secretary must receive such written notice not earlier than the 120th day prior to the 2017 Annual Meeting and not later than the 90th day prior to the 2017 Annual Meeting or, if later, the 10th day following the day on which public disclosure of the date of such meeting is first made by Griffin. Griffin reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these or other applicable requirements.

PROPOSAL I. ELECTION OF DIRECTORS

At the 2016 Annual Meeting of Stockholders, seven directors (which will comprise the entire Board) are to be elected. The Board of Directors proposed the nominees listed below for election as directors to serve until the 2017 Annual Meeting of Stockholders and until their successors are duly elected and qualified. The directors must be elected by a plurality of the votes cast in person or by proxy by stockholders entitled to vote at the meeting. If any nominee named below becomes unable to serve or for good cause will not serve, the proxy holders listed on Griffin's proxy card will vote for such substitute nominee or nominees as may be designated by the Board of Directors, or the Board may elect to reduce the size of the Board. David R. Bechtel, a nominee for election as a director at the 2016 Annual Meeting of Stockholders, and Michael S. Gamzon, who was elected by the Board of Directors on January 19, 2016 to replace David M. Danziger, who resigned from the Board of Directors effective January 19, 2016, were approved by the Board for inclusion on the proxy card to stand for election by the stockholders. Mr. David M. Danziger resigned from the Board of Directors to enable Griffin to maintain compliance with NASDAQ listing rules that require NASDAQ listed company boards to have a majority of their members be independent directors. The remaining five nominees who were approved by the Board for inclusion on the proxy card are standing for reelection. Director Winston J. Churchill, Jr. is not standing for reelection at the 2016 Annual Meeting of Stockholders.

Edgar Filing: GRIFFIN INDUSTRIAL REALTY, INC. - Form DEF 14A

The Board of Directors held seven meetings during fiscal 2015. Griffin's Board of Directors has an Audit Committee, a Compensation Committee and a Nominating Committee. Committee memberships

Edgar Filing: GRIFFIN INDUSTRIAL REALTY, INC. - Form DEF 14A

of the Board of Directors are indicated in the above table. All directors attended 99% of all Board and Committee meetings during fiscal 2015 (of Committees of which they were members).

The Company encourages, but does not require, Board members to attend the Annual Meeting of Stockholders. In 2015, six of the Board members then serving attended the Annual Meeting of Stockholders.

Board Independence

Under NASDAQ rules, an "independent director" of a company means a person who is not an officer or employee of the company or its subsidiaries and, in the opinion of the company's board of directors, does not have a relationship with the company that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board has determined that Messrs. Bechtel, Churchill, Jr., Israel, May and Small, Jr. qualify as independent directors under NASDAQ rules.

Executive Officers who are not Directors

Name	Age	Principal Occupation During the Past Five Years
Scott Bosco	50	Vice President of Construction of Griffin Industrial, LLC, a subsidiary of Griffin, since July 2005.
Anthony J. Galici	58	Vice President, Chief Financial Officer and Secretary of Griffin since 1997.
Thomas M. Lescalleet	53	Senior Vice President of Griffin Industrial, LLC, a subsidiary of Griffin, since March 2002.

Audit Committee

Griffin's Audit Committee consists of Thomas C. Israel, Jonathan P. May and Albert H. Small, Jr., with Mr. Israel serving as Chairman. The Audit Committee meets the NASDAQ composition requirements, including the requirements regarding financial literacy. The Board has determined that each member of the Audit Committee is independent under the listing standards of NASDAQ and the rules of the SEC, regarding audit committee membership. In addition, Mr. Israel qualifies as a financially sophisticated Audit Committee member under the NASDAQ rules based on his employment experience in finance. None of the members of the Audit Committee are considered a financial expert as defined by Item 407(d)(5) of Regulation S-K of the Securities and Exchange Act of 1934 (an "audit committee financial expert"). Griffin does not have an audit committee financial expert because it believes the members of its Audit Committee have sufficient financial expertise and experience to provide effective oversight of Griffin's accounting and financial reporting processes and the audits of Griffin's financial statements in accordance with generally accepted accounting principles and NASDAQ rules. In addition, since January 31, 2012, the Audit Committee has engaged directly a former audit partner, who is a certified public accountant with extensive experience in auditing the financial statements of public and private companies that had previously served as an advisor to the Audit Committee. The Audit Committee believes that this engagement provides it with additional expertise comparable to what would be provided by an audit committee financial expert.

The Audit Committee approves all auditing and non-auditing services, reviews audit reports and the scope of audit by Griffin's independent registered public accountants and related matters pertaining to the preparation and examination of Griffin's financial statements. From time to time, the Audit

Edgar Filing: GRIFFIN INDUSTRIAL REALTY, INC. - Form DEF 14A

Committee makes recommendations to the Board of Directors with respect to the foregoing matters. The Audit Committee held five meetings in fiscal 2015.

Board of Directors' Role in Oversight of Risk

Management is responsible for Griffin's day-to-day risk management activities, and the Board's role is to engage in informed risk oversight. In fulfilling this oversight role, Griffin's Board of Directors focuses on understanding the nature of Griffin's enterprise risks, including operations and strategic direction, as well as the adequacy of Griffin's overall risk management system. There are a number of ways the Board performs this function, including the following:

at its regularly scheduled meetings, the Board receives management updates on Griffin's business operations, financial results and strategy, and discusses risks related to its businesses;

the Audit Committee assists the Board in its oversight of risk management by discussing with management, particularly the Chief Executive Officer and the Chief Financial Officer, Griffin's major risk exposures and the steps management has taken to monitor and control such exposures; and

through management updates and committee reports, the Board monitors Griffin's risk management activities, including the risk management process, risks relating to Griffin's compensation programs, and financial and operational risks being managed by Griffin.

The Board does not believe that its role in the oversight of Griffin's risk affects the Board's leadership structure.

Compensation Risk

The Compensation Committee reviews compensation policies and practices affecting employees in addition to those applicable to executive officers. The Compensation Committee has determined that it is not reasonably likely that Griffin's compensation policies and practices for its employees would have a material adverse effect on Griffin.

Nominating Committee

Griffin's Nominating Committee consists of Thomas C. Israel, Winston J. Churchill, Jr., Jonathan P. May and Albert H. Small, Jr., with Mr. Israel serving as Chairman. Mr. May was appointed to the Nominating Committee on May 12, 2015. The four members of the Nominating Committee are independent directors. The Nominating Committee reviews candidates for appointment to the Griffin Board of Directors. In searching for qualified director candidates, the Board may solicit current directors and ask them to pursue their own business contacts for the names of potentially qualified candidates. The Nominating Committee may consult with outside advisors or retain search firms to assist in the search for qualified candidates. The Nominating Committee will also consider suggestions from stockholders for nominees for election as directors. The Nominating Committee does not have a policy on the consideration of board nominees recommended by stockholders. The Board believes such a policy is unnecessary, as the Nominating Committee will consider a nominee based on his or her qualifications, regardless of whether the nominee is recommended by stockholders. Any stockholder who wishes to recommend a candidate to the Nominating Committee for consideration as a director nominee should submit the recommendation in writing to the Secretary of the Griffin in accordance with the same procedures in Griffin's Amended and Restated By-Laws for stockholder nominations of directors to permit the Nominating Committee to complete its review in a timely fashion. The Nominating Committee operates under a written charter adopted by the Board of Directors in 2014, which was attached as Appendix A to Griffin's Revised Definitive Proxy Statement filed with the SEC on April 15, 2014. The Nominating Committee held one meeting in fiscal 2015.

Edgar Filing: GRIFFIN INDUSTRIAL REALTY, INC. - Form DEF 14A

In February 2016, the Nominating Committee reviewed and recommended David R. Bechtel to the Board as a nominee for election as a director at the 2016 Annual Meeting of Stockholders. Mr. Bechtel was recommended to the Committee by Mr. Gamzon, President and CEO. In accordance with the Board's informal policy for the retirement of nonemployee directors at age 75 or older, Winston J. Churchill, Jr., a Board member since 1997, is not standing for reelection at the 2016 Annual Meeting. The Board thanks Mr. Churchill, Jr. for his service and will miss his perceptive analysis of Griffin's plans and operations. The Board does not expect more than one nonemployee director to be affected by the implementation of the informal retirement policy in any one year.

Board Diversity; Selection and Evaluation of Director Candidates

The Board does not have a formal policy with respect to Board nominee diversity. There are no specific minimum qualifications that the Nominating Committee believes must be met for a person to serve on the Board. When identifying nominees for director, the Nominating Committee focuses on relevant subject matter expertise, depth of knowledge in key areas that are important to Griffin, and the background, perspective and experience of the nominee. The Nominating Committee is charged with building and maintaining a board that has an ideal mix of talent and experience to achieve Griffin's business objectives in the current environment.

Board Leadership Structure

The Board believes that there is no single, generally accepted approach to providing Board leadership, and that each of the possible leadership structures for a board must be considered in the context of the individuals involved and the specific circumstances facing a company at any given time. Accordingly, the optimal board leadership structure for Griffin may vary as circumstances change. Griffin's Board was led by a Non-Executive Chairman through 2011, as separate individuals held the positions of Chairman of the Board and Chief Executive Officer, and the Chairman of the Board was not an employee. In May 2012, the Board appointed Mr. Frederick M. Danziger as Chairman of the Board. Mr. Danziger had been Chief Executive Officer since 1997. In making that appointment, the Board concluded that Griffin and its stockholders were best served by having Mr. Danziger serve as Chairman of the Board and Chief Executive Officer. The Board believed that Mr. Danziger's combined role as Chairman of the Board and Chief Executive Officer promoted unified leadership and a single, clear focus and direction for management to execute Griffin's strategy and business plans. Effective January 1, 2016, the positions of Chairman of the Board and Chief Executive Officer have been held by separate individuals, Mr. Frederick M. Danziger and Mr. Michael S. Gamzon, respectively. The Board determined that Mr. Danziger should continue to serve as Executive Chairman to continue to provide Board leadership continuity.

Communication with the Board or Nominating Committee

Stockholders who wish to communicate with the Board of Directors or the Nominating Committee should address their communications to Thomas C. Israel, Chairman of the Nominating Committee, via first class mail, at Griffin Industrial Realty, Inc., One Rockefeller Plaza, Suite 2301, New York, New York, 10020. Such communication will be distributed to the specific director(s) requested by the stockholders, or if generally to the Board of Directors, to other members of the Board of Directors as may be appropriate depending on the material outlined in the stockholder communication.

Compensation Committee

Griffin's Compensation Committee consists of Winston J. Churchill, Jr., Thomas C. Israel and Albert H. Small, Jr., with Mr. Churchill, Jr. serving as Chairman. All of the members of the Compensation Committee are independent directors and meet the heightened independence requirements for members of the compensation committee under NASDAQ rules. The Compensation

Edgar Filing: GRIFFIN INDUSTRIAL REALTY, INC. - Form DEF 14A

Committee oversees Griffin's executive compensation programs, Griffin's 2009 Stock Option Plan, Griffin's 401(k) Savings Plan (the "Griffin 401(k) Savings Plan") and Griffin's non-qualified deferred compensation plan (the "Deferred Compensation Plan"). The Compensation Committee operates under a written charter adopted by the Board of Directors on March 11, 2014, which was attached as Appendix B to Griffin's Revised Definitive Proxy statement filed with the SEC on April 15, 2014. The Compensation Committee held one meeting in fiscal 2015.

INTERESTS IN CERTAIN TRANSACTIONS

Griffin reviews any relationships and transactions in which Griffin and its directors and executive officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. Griffin's corporate staff is primarily responsible for the development and implementation of processes and controls to obtain information from the directors and executive officers with respect to related person transactions and for then determining, based on the facts and circumstances, whether Griffin or a related person has a direct or indirect material interest in the transaction. In accordance with its charter, the Audit Committee is then responsible for reviewing and approving all transactions. As required under SEC rules, transactions that are determined to be directly or indirectly material to Griffin or a related person are disclosed in Griffin's Annual Report on Form 10-K and proxy statement.

On November 24, 2015, the Audit Committee approved a proposed transaction whereby Griffin would enter into a ten year sublease of office space for its New York City corporate headquarters from Bloomingdale Properties, Inc. ("Bloomingdale Properties"), an entity that is controlled by certain members of the Cullman and Ernst Group (as defined herein), for rent starting at \$121,000 per year,

Edgar Filing: GRIFFIN INDUSTRIAL REALTY, INC. - Form DEF 14A

with annual increases of 1.5%, except for an increase of \$9,600 at the start of the sixth year of the sublease. The proposed sublease with Bloomingdale Properties reflects the market rate for such space and would enable either Griffin or Bloomingdale Properties to terminate the sublease agreement upon a change in control (as defined) of either Griffin or Bloomingdale Properties. The sublease of office space from Bloomingdale Properties is expected to reduce the occupancy costs for Griffin's corporate headquarters.

The information given in this Proxy Statement with respect to the five-year business experience of each director and officer, beneficial ownership of stock, interlocks and the respective interests of persons in transactions to which Griffin or any of its subsidiaries was a party (other than as appears from the records of Griffin), is based upon statements furnished to Griffin by its directors and officers.

COMPENSATION DISCUSSION AND ANALYSIS

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis describes the material elements of compensation awarded to, earned by, or paid to each of Griffin's named executive officers (the "Named Executive Officers") during the last completed fiscal year. The Named Executive Officers for the fiscal year ended November 30, 2015 were as follows:

Frederick M. Danziger	Chairman of the Board ("Chairman") and Chief Executive Officer ("CEO") of Griffin for fiscal 2015 and, effective January 1, 2016, Executive Chairman of Griffin
Michael S. Gamzon	President and Chief Operating Officer ("COO") of Griffin for fiscal 2015 and, effective January 1, 2016, President and CEO of Griffin
Anthony J. Galici	Vice President, Chief Financial Officer and Secretary of Griffin
Thomas M. Lescalleet	Senior Vice President of Griffin Industrial, LLC
Scott Bosco	Vice President of Construction, Griffin Industrial, LLC

Compensation Philosophy and Overview

Griffin's compensation programs are designed to attract, motivate and retain the management talent that Griffin believes is necessary to achieve its financial and strategic goals. Griffin's Compensation Committee strives to pay for performance by rewarding each of its Named Executive Officers for team results and their individual contributions to Griffin's success. In this way, Griffin believes that the interests of its executives align with the interests of its stockholders.

Design and Implementation

With these objectives in mind, Griffin's Compensation Committee has built an executive compensation program that consists of three principal elements:

1. Base Salary
2. Annual Incentive Compensation Programs
3. Long-Term Incentive Program

Griffin also contributes to a 401(k) savings plan and a non-qualified deferred compensation plan on behalf of its Named Executive Officers. These contributions, however, comprise a relatively minor portion of Griffin's Named Executive Officers' compensation packages.

Elements of Compensation

Base Salary

Griffin pays base salaries to its Named Executive Officers in order to provide a consistent, minimum level of pay that sustained individual performance warrants. Griffin also believes that a competitive annual base salary is important to attract and retain an appropriate caliber of talent for each position over time.

The annual base salaries of Griffin's Named Executive Officers are determined by its Chairman and CEO (except with regard to his salary) and approved annually by the Compensation Committee. The annual base salary of Griffin's Chairman and CEO is determined by the Compensation Committee. All salary decisions are based on each Named Executive Officer's level of responsibility, experience and recent and past performance, as determined by the Chairman and CEO and the Compensation Committee, as applicable. Griffin does not benchmark its base salaries in any way, nor does Griffin employ the services of a compensation consultant.

Annual Incentive Compensation Programs

Griffin's annual incentive programs are designed to recognize short-term performance against established annual performance goals, as explained below. These performance goals and target amounts for fiscal 2015 were developed by the Chairman and CEO and the President and COO and approved or modified, as necessary, by the Compensation Committee. Additionally, the Compensation Committee retains the discretion to adjust any awards made to Griffin's executives, including making awards in the absence of the attainment of any of the performance goals under Griffin's annual incentive compensation plans. Any such adjustment may only be to the benefit of the participants. The Compensation Committee did not make discretionary increases to the incentive compensation pools under the Griffin Industrial Realty, Inc. Incentive Compensation Plan ("Griffin Industrial Realty Incentive Plan") for fiscal 2015. Griffin makes annual incentive payments, if any, in the year following the year in which they are earned.

The Compensation Committee did not exercise its discretion to alter the amounts earned under each incentive plan component based on the formulas set forth in the Griffin Industrial Realty Incentive Plan.

No other Named Executive Officers received a discretionary allocation from the Compensation Committee.

Griffin Industrial Realty Incentive Compensation Griffin Industrial Realty, Inc. Payout

The Griffin Industrial Realty, Inc. portion of the Griffin Industrial Realty Incentive Plan for 2015 was designed to reward Griffin Industrial Realty, Inc. employees, including Mr. Danziger, Griffin's Chairman and CEO for fiscal 2015, Mr. Gamzon, Griffin's President and COO for fiscal 2015 and the Vice President, Chief Financial Officer and Secretary, based on the results of Griffin's real estate business, consistent with Griffin's goal to award for performance through team results.

As a result of the achievement of the incentive plan components noted above, and in accordance with the Griffin Industrial Realty Incentive Plan, \$309,136 was accrued into the Griffin Industrial Realty, Inc. incentive compensation pool for fiscal 2015. Mr. Danziger was allocated \$81,500 (30% of the FFO and property sales components that totaled \$234,136 and 15% of the non-Connecticut buildings built on speculation component of \$75,000) of the Griffin Industrial Realty, Inc. incentive compensation pool. Mr. Gamzon was allocated \$100,000 (30% of the FFO and property sales components that totaled \$234,136 and 40% of the non-Connecticut buildings built on speculation component of \$75,000) of the Griffin Industrial Realty, Inc. incentive compensation pool. Messrs. Danziger, Gamzon and Galici did not receive a discretionary allocation from the Compensation Committee.

Long-Term Incentive Program Equity Awards

Griffin believes that equity ownership in Griffin is important to provide its Named Executive Officers with long-term incentives to build value for Griffin's stockholders. In addition, the equity program is designed to attract and retain the executive management team. The Griffin equity program consists entirely of stock option awards. Stock options have value only if the stock price increases over time and, therefore, provide executives with an incentive to build Griffin's value. This characteristic ensures that the Named Executive Officers may have a meaningful portion of their compensation tied to future stock price increases. If Griffin's stock price increases, stock options have the potential to

Edgar Filing: GRIFFIN INDUSTRIAL REALTY, INC. - Form DEF 14A

provide high returns to its executives, thus helping Griffin to attract and retain management. However, the realizable value of the stock options can fall to zero if the stock price is lower than the exercise price established on the date of grant.

Stock option awards to Named Executive Officers are entirely discretionary. The Chairman and the President and CEO recommends whether and how many stock options should be awarded to the other Named Executive Officers or others, and the Compensation Committee approves or, if necessary, modifies his recommendations. The Compensation Committee solely determines whether and how many stock options should be awarded to the Chairman and the President and CEO. In making stock option award determinations, the Chairman and the President and CEO and the Compensation Committee consider the prior contribution of participants and their expected future contributions to the growth of Griffin. In fiscal 2015, no stock options were awarded to any employees, including the Named Executive Officers.

The Griffin Industrial Realty, Inc. 2009 Stock Option Plan (the "2009 Stock Option Plan") makes available options to purchase 386,926 shares of Griffin common stock, which includes options to purchase 161,926 shares that were available for issuance under Griffin's prior stock option plan. The Compensation Committee of Griffin's Board of Directors or, with respect to awards to non-employee directors, the Board of Directors administers the 2009 Stock Option Plan. Options granted under the 2009 Stock Option Plan may be either incentive stock options or non-qualified stock options issued at fair market value of a share of common stock on the date the award is approved by Griffin's Compensation Committee. Vesting of all of Griffin's previously issued stock options is solely based upon service requirements and does not contain market or performance conditions.

In accordance with the 2009 Stock Option Plan, stock options granted to non-employee directors upon their initial election to the board of directors are fully exercisable immediately upon the date of the option grant. Stock options granted to non-employee directors upon their reelection to the board of directors vest on the second anniversary from the date of grant. Stock options granted to employees vest in equal installments on the third, fourth and fifth anniversaries from the date of grant. Stock options granted to employees and non-employee directors have a maximum term of ten years from the date of grant.

Of the 386,926 shares of common stock reserved for issuance under the 2009 Stock Option Plan, as of November 30, 2015, 119,573 shares were subject to outstanding options granted under the 2009 Stock Option Plan. In addition, as of November 30, 2015, 267,353 shares were available for future awards under the 2009 Stock Option Plan (which includes certain shares that again became available following the forfeiture of outstanding options). For more information on stock options, see the Summary Compensation Table, Grants of Plan-Based Awards Table, Outstanding Equity Awards Table and their footnotes.

Griffin Industrial Realty, Inc.

Mr. Danziger, Griffin's Chairman and CEO in fiscal 2015, was awarded \$81,500 in annual incentive compensation for 2015 based on the formula under the Griffin Industrial Realty Incentive Plan for amounts accrued into the Griffin Industrial Realty, Inc. incentive compensation pool. Mr. Gamzon, Griffin's President and COO in fiscal 2015, was awarded \$100,000 in annual incentive compensation for fiscal 2015 based on the formula under the Griffin Industrial Realty Incentive Plan for amounts accrued into the Griffin Industrial Realty, Inc. incentive compensation pool. The Vice President, Chief Financial Officer and Secretary was awarded \$40,750 for fiscal 2015 based on the formula under the Griffin Industrial Realty Incentive Plan for amounts accrued into the Griffin Industrial Realty, Inc. incentive compensation pool. The Compensation Committee did not exercise its discretion to alter the amounts earned based on the formulas set forth in the Griffin Industrial Realty Incentive Plan. Messrs. Danziger, Gamzon and Galici received no discretionary allocation from the Compensation Committee.

Shareholder Say-on-Pay Votes

At Griffin's 2015 annual meeting of stockholders, Griffin's stockholders were given the opportunity to cast an advisory vote on Griffin's executive compensation. Approximately 99.7% of the votes cast on this "2015 say-on-pay vote" were voted in favor of the proposal. Griffin has considered the 2015 say-on-pay vote and believes that the support for the 2015 say-on-pay vote proposal indicates that Griffin's stockholders casting votes are supportive of the approach to executive compensation. Thus Griffin did not make changes to its executive compensation arrangements in response to the 2015 say-on-pay vote. In the future, Griffin will continue to consider the outcome of the say-on-pay votes when making compensation decisions regarding its Named Executive Officers.

Accounting and Tax Considerations

Griffin does not believe it need now adopt any policy with respect to the \$1,000,000 deduction cap of Section 162(m) of the Internal Revenue Code. While the Compensation Committee will give due consideration to the deductibility of compensation payments on compensation arrangements with Griffin's executive officers, the Compensation Committee will make its compensation decisions based on an overall determination of what it believes to be in the best interests of Griffin and its shareholders, and deductibility will be only one among a number of factors used by the Compensation Committee in making its compensation decisions.

Section 4999 and Section 280G of the Internal Revenue Code provide that certain executives could be subject to significant excise taxes if they receive payments or benefits that exceed certain limits in connection with a change in ownership or change in effective control of Griffin and that Griffin or its successors could lose an income tax deduction with respect to the payments subject to the excise tax. Griffin has not entered into any agreements with any executives that provide for a tax "gross up" or other reimbursement for taxes the executive might be required to pay pursuant to Section 4999 of the Internal Revenue Code.

Section 409A of the Internal Revenue Code imposes significant additional taxes and interest on underpayments of taxes in the event an employee or other service provider defers compensation under a plan or agreement that does not meet the requirements of Section 409A of the Internal Revenue Code. Griffin has generally structured its programs and individual arrangements in a manner intended to be exempt from or comply with the requirements of Section 409A of the Internal Revenue Code.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed with management Griffin's Compensation Discussion and Analysis, and based upon this review and discussion, has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in Griffin's Proxy Statement for its 2016 Annual Meeting of Stockholders, and Griffin's Annual Report on Form 10-K for the fiscal year ended November 30, 2015 filed with the SEC on February 12, 2016.

Danziger, Gamzon and Galici's maximum of \$166,500, \$219,000 and \$83,250, respectively, is calculated assuming all goals of the Griffin Industrial Realty Incentive Plan are met at the maximum level of each, which would result in an accrual of \$660,000 into the Griffin Industrial Realty, Inc. incentive compensation pool of the Griffin Industrial Realty Incentive Plan (excluding any amount included in the incentive compensation pool and distributed at the discretion of the Compensation Committee). Messrs. Danziger, Gamzon and Galici are entitled to 30%, 30% and 15%, respectively, of the Griffin Industrial Realty, Inc. incentive compensation pool of the Griffin Industrial Realty Incentive Plan related to the FFO, property sales and Connecticut properties components (excluding any amount included in the incentive compensation pool and distributed at the discretion of the Compensation Committee). - (2) The Griffin Industrial Realty Incentive Plan has no threshold or target levels; however, there is a maximum amount payable to Messrs. Lescalleet and Bosco under the Griffin Industrial Realty Incentive Plan as shown in the Maximum column. The amount in the Target column for Mr. Lescalleet reflects the amount payable of \$118,400 based on Griffin Industrial, LLC's performance during fiscal 2015. The amount in the Target column for Mr. Bosco reflects the amount payable of \$49,350 based on Griffin Industrial, LLC's performance during fiscal 2015 and \$10,000 from the unallocated portion of the Griffin Industrial, LLC incentive compensation pool awarded by Griffin's Executive Chairman, its President and CEO and the Compensation Committee. Messrs. Lescalleet and Bosco's maximum of \$259,500 and \$108,125, respectively, is calculated assuming all goals of the Griffin Industrial Realty Incentive Plan are met at the maximum level of each, which would result in an accrual of \$865,000 into the Griffin Industrial, LLC incentive compensation pool of the Griffin Industrial Realty Incentive Plan (excluding any amount included in the incentive compensation pool and distributed at the discretion of the Compensation Committee). Messrs. Lescalleet and Bosco are entitled to 30% and 12.5%, respectively, of the Griffin Industrial, LLC incentive compensation pool of the Griffin Industrial Realty Incentive Plan (excluding any amount included in the incentive compensation pool and distributed at the discretion of the Compensation Committee). Lescalleet and Bosco are not specifically entitled to any portion of the incentive compensation pool that is distributed at the discretion of the Compensation Committee and such amounts are not included in the maximum bonus amount.

The amounts presented in this column have been calculated based upon the difference between the fair market value of \$26.60 per share (the closing price of Griffin's common stock on November 30, 2015) and the exercise price of each stock option.

(3)

There is no amount stated because the exercise price of the stock options is greater than the fair market value of \$26.60 per share (the closing price of Griffin's common stock on November 30, 2015).

Non-Qualified Deferred Compensation

Griffin maintains a Deferred Compensation Plan for certain of its employees who, due to Internal Revenue Service guidelines, cannot take full advantage of the Griffin 401(k) Savings Plan. A portion of an eligible employee's salary may be deferred. The investment options in the Deferred Compensation Plan mirror those of the Griffin 401(k) Savings Plan. The Deferred Compensation Plan is unfunded, with benefits to be paid from Griffin's general assets. Performance results of an employee's balance in the Deferred Compensation Plan are based on the returns of the mutual funds selected by the employee as if the amounts deferred were invested in the selected mutual funds. Distributions from the Deferred Compensation Plan generally may occur at termination of employment, attainment of age 70^{1/2} and/or at the time of qualifying hardship events, as defined. The following table presents information with respect to defined contribution plans or other plans providing for deferral of

Potential Payments Upon a Termination or Change in Control

As of November 30, 2015, Griffin was not a party to any employment, change in control or other agreement with any Named Executive Officers that was expected to obligate Griffin to provide for payments at, following, or in connection with a termination of employment, change in control or change in the Named Executive Officer's responsibilities. However, participants of Griffin's non-qualified deferred compensation plan may elect to have their balances paid out upon termination of employment or a change in control of Griffin. The deferred compensation balance for each such Named Executive Officer, as of November 30, 2015, is set forth in the "Non-Qualified Deferred Compensation" table above. Additionally, pursuant to the 2009 Stock Option Plan, if option grants are assumed by a successor corporation (or a parent or subsidiary thereof) in connection with a change in control, the vesting of such grants will be accelerated upon termination of a Named Executive Officer's employment upon or within 12 months following such change in control. As of November 30, 2015, the exercise price of all outstanding options held by Named Executive Officers exceeded the closing market price per share of Griffin common stock and, therefore, the amount of the estimated payments with respect to such options is \$0.

Members of the Board of Directors who are not employees of Griffin receive \$25,000 per year and \$1,000 for each Board or Committee meeting they attend. A non-employee Chairman of the Board of Directors receives an annual fee of \$15,000. The Chairmen of the Audit and Compensation Committees each receive an annual fee of \$10,000 per year. The Nominating Committee Chairman receives an annual fee of \$5,000 per year. Audit and Compensation Committee members, excluding the Chairmen, each receive \$5,000 per year for their service on the Committees. Members of the Nominating Committee, excluding the Chairman, each receive \$2,500 per year for their service on the Committee. Annual retainers are paid in quarterly installments. Upon the initial election of a Non-Employee Director to the Board of Directors, the Non-Employee Director is granted options exercisable for shares of common stock at an exercise price that is the fair market value of a share of common stock at the time of the grant. The number of shares subject to options granted to Non-Employee Directors at the time of initial election to the Board of Directors is equal to \$60,000 divided by the fair market value per share of Griffin common stock at the time of grant. Griffin granted Mr. Cullman options exercisable for 1,912 shares of common stock at the time of his initial election to the Board of Directors. The 2009 Stock Option Plan also provides that Non-Employee Directors annually receive options exercisable for shares of common stock at an exercise price that is the fair market value of a share of common stock at the time of grant. Under the 2009 Stock Option Plan, the number of shares, subject to options, granted to Non-Employee Directors upon their reelection to the Board of Directors, is equal to \$40,000 divided by the fair market value per share of Griffin common stock at the time of grant. In 2015, Griffin granted Messrs. Churchill, Jr., David M. Danziger, Israel, May and Small, Jr. each options exercisable for 1,274 shares of common Stock at the time of their reelection to the Board of Directors. Mr. Kirby did not stand for reelection to the Board of Directors, therefore, he did not receive any additional option grants in 2015. In connection with his retirement, however, Griffin elected to extend the exercisability of Mr. Kirby's outstanding vested options through the tenth anniversary of the applicable grant date thereof.

Effective January 1, 2016, members of the Board of Directors who are not employees of Griffin will receive annual payments of \$30,000 and \$1,500 for each Board meeting they attend. Fees for Committee membership and Committee meetings remain the same. Further, Griffin expects to grant additional options to its Non-Employee Directors in 2016 consistent with the 2009 Stock Option Plan.

Compensation Committee Interlocks and Insider Participation

During fiscal 2015, Messrs. Churchill, Jr., Israel and Small, Jr. served as members of Griffin's Compensation Committee. No member of the Compensation Committee has been an officer or employee of Griffin. None of Griffin's executive officers have served as a director or member of the compensation committee of any entity whose executive officers served as a director of Griffin or as a member of Griffin's Compensation Committee.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act requires Griffin's officers and directors, and persons who own more than ten percent of its common stock, to file reports of ownership and changes in ownership with the SEC. Such persons are required by regulation to furnish Griffin with copies of all Section 16(a) forms they file. Based on its involvement in the preparation of certain such forms, and a review of copies of other such forms received by it, Griffin believes that with respect to fiscal 2015, all such Section 16(a) filing requirements were satisfied, except that one Form 4 for John J. Kirby, Jr. and one Form 4 for Susan R. Cullman, each reporting one transaction, were filed late.

AUDIT COMMITTEE REPORT

Membership and Role of the Audit Committee

Griffin's Audit Committee is comprised of Mr. Israel, Chairman, Mr. May and Mr. Small, Jr. All members of the Audit Committee meet the NASDAQ composition requirements, including the requirements regarding financial literacy, and the Board has determined that each member is independent under the listing standards of NASDAQ and the rules of the SEC, regarding audit committee membership. The Audit Committee operates under a written charter originally adopted by the Board of Directors in 1999 and subsequently revised, most recently on July 2, 2013, which was attached as Appendix C to Griffin's Revised Definitive Proxy Statement filed with the SEC on April 15, 2014.

The primary function of the Audit Committee is to assist Griffin's Board of Directors with its oversight responsibilities regarding: (i) the integrity of Griffin's financial statements; (ii) Griffin's compliance with legal and regulatory requirements; (iii) the independent registered public accountant's qualifications and independence; and (iv) the performance of the independent registered public accountants. The Committee prepared the report required by the rules of the SEC to be included in this annual proxy statement.

The Audit Committee's powers and responsibilities include: (1) the sole authority for the appointment, compensation, retention and oversight of the independent registered public accountants; (2) the pre-approval of audit and non-audit services by the independent registered public accountants; (3) the review of independence of the independent registered public accountants; (4) the ongoing review of all related party transactions; (5) the establishment of procedures for the receipt, retention and treatment of complaints received by Griffin regarding accounting, internal accounting controls or auditing matters; and (6) the regular reporting to the Board of any issues that arise with respect to the quality or integrity of Griffin's financial statements.

Review of the Company's Audited Financial Statements for the Fiscal Year Ended November 30, 2015

The Audit Committee reviewed and discussed the audited consolidated financial statements of Griffin for the fiscal year ended November 30, 2015 with Griffin's management. The Audit Committee discussed with RSM US, Griffin's independent registered public accountants for the fiscal year ended November 30, 2015, the matters required to be discussed by Public Company Accounting Oversight Board ("PCAOB") Auditing Standard No. 16 "Communications with Audit Committees."

The Audit Committee has also received the written disclosures and the letter from RSM US required by the applicable requirements of the PCAOB regarding communications with the Audit Committee concerning independence. The Audit Committee has discussed the independence of RSM US with that firm.

Based on the Audit Committee's review and discussions noted above, the Audit Committee recommended to the Board of Directors that Griffin's audited consolidated financial statements be included in Griffin's Annual Report on Form 10-K for the fiscal year ended November 30, 2015 for filing with the SEC.

The information under "Review of the Company's Audited Financial Statements for the Fiscal Year Ended November 30, 2015" shall not be deemed to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filings under the Securities Act or the Exchange Act, except to the extent that Griffin specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

PROPOSAL II. RATIFICATION OF THE SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee of the Board of Directors expects to appoint the firm of RSM US LLP ("RSM US") as independent registered public accountants to audit the financial statements of Griffin for fiscal 2016, such appointment to continue at the pleasure of the Audit Committee and to be presented to the stockholders for ratification.

The following is a summary of the fees incurred by Griffin for professional services rendered by RSM US for fiscal 2015 and fiscal 2014:

	Fiscal 2015 Fees	Fiscal 2014 Fees
Audit fees	\$ 422,686	\$ 412,936
Audit-related fees	20,420	20,300
Tax fees	57,685	63,950
All other		
	\$ 500,791	\$ 497,186

Audit fees consist of fees incurred for professional services rendered for the audit of Griffin's consolidated financial statements and for the review of Griffin's interim consolidated financial statements. Audit-related fees include fees incurred for professional services rendered for the audit of Griffin's 401(k) Savings Plan by RSM US. Tax fees consist of fees incurred for professional services performed by RSM US relating to tax compliance, tax reporting and tax planning. There were no consulting fees paid to RSM US in fiscal 2015 or fiscal 2014.

The Audit Committee's policy is to pre-approve all audit, audit-related and tax services to be provided by the independent registered public accountants. During fiscal 2015, Griffin's Audit Committee pre-approved all audit, audit-related and tax services. The Audit Committee has considered the non-audit services provided by RSM US and determined that the services provided were compatible with maintaining the independence of RSM US.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE SELECTION OF RSM US LLP

While the submission of this proposal to a vote of stockholders is not legally required, the Audit Committee and management believe that stockholder ratification of Griffin's selection of independent registered public accountants is desirable. In the event this selection is not ratified by the affirmative vote of a majority of shares of Griffin common stock present or represented by proxy and entitled to vote on the proposal, the Audit Committee will consider that fact when it selects the independent registered public accountants for the following year. The Audit Committee may, in its discretion, replace RSM US as independent registered public accountants at a later date without the approval of the stockholders.

A representative of RSM US is expected to be present at the Annual Meeting and will be given an opportunity to make a statement if so desired and to respond to appropriate questions.

PROPOSAL III. ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Securities and Exchange Act of 1934, as amended, Griffin is requesting stockholder approval, on an advisory (non-binding) basis, of the compensation of Griffin's Named Executive Officers as presented in the Compensation Discussion & Analysis beginning on page 17 and the compensation tables included in the discussion of Executive Compensation beginning on page 26 including the narrative disclosure thereto. Griffin has determined to hold a say-on-pay advisory vote every year, and the next say-on-pay advisory vote will occur at the 2017 Annual Meeting of Stockholders.

Griffin's executive compensation program has been designed to attract, motivate and retain the management talent Griffin believes is necessary to achieve its financial and strategic goals. Griffin's compensation programs reward each of its Named Executive Officers for team results and individual contributions.

Griffin's executive compensation programs consist of three principal elements:

1. Base Salary;
2. Annual Incentive Compensation Programs; and
3. Long-Term Incentive Program.

Griffin's executive compensation programs consist of a mixture of base salary and incentive compensation that provides for a portion of executive compensation to be "at-risk." Griffin's executive compensation programs balance the focus on both short- and long-term goals, encouraging executives to focus on the health of Griffin during the immediate fiscal year through annual incentive compensation programs, and for the future through the long-term incentive program (i.e., equity awards). Griffin's executive compensation programs are consistently reviewed by the Compensation Committee, which consists solely of independent directors, to ensure that they provide Griffin's executives with competitive pay opportunities and reflect current practices.

As an advisory vote, this proposal is not binding upon the Board of Directors or Griffin in any way. However, the Compensation Committee, which is responsible for the design and administration of Griffin's executive compensation practices, values the opinions of Griffin's stockholders expressed through your vote on this proposal. The Compensation Committee will consider the outcome of this vote in making future compensation decisions for Griffin's Named Executive Officers.

Accordingly, Griffin will present the following resolution for vote at the 2016 Annual Meeting of Stockholders:

"RESOLVED, that the stockholders of Griffin Industrial Realty, Inc. ("Griffin") approve, on an advisory (non-binding) basis, the compensation of Griffin's Named Executive Officers as described in the Compensation Discussion & Analysis and disclosed in the 2015 Summary Compensation Table and related compensation tables and narrative disclosure as set forth in this 2016 Proxy Statement."
