Item 1.01 Entry into a Material Definitive Agreement.

On September 6, 2006, the Company entered into a joint venture with Jump Communications, Inc. that will allow for the introduction of premier technology and a 100% secure, private network into the Company s telemedicine business. The joint venture continues in perpetuity, if certain quarterly payments are made or after two years milestones achieved, and will make available to the healthcare industry products and services utilizing proprietary hardware-based video compression algorithms, the simultaneous delivery and receipt of video at a constant 30 frames per second, a full color palette, full audio video-synch (lip synch), and no perceptible latency. The joint venture will also offer its clients a private broadband network that ensures absolute secured transmissions with a guarantee of all-time availability.
