- 2007 Full Year Revenues and Earnings Guidance Raised -

NORWALK, CONNECTICUT, October 25, 2007 - EMCOR Group, Inc. (NYSE: EME) today reported results for the third quarter and nine months ended September 30, 2007.

Edgar Filing: EMCOR GROUP INC - Form 8-K

The Company's financial results for the prior year periods have been adjusted to reflect its 2-for-1 stock split, effective July 9, 2007.

Income from continuing operations for the third quarter of 2007 rose 68.3% to \$37.1 million, or \$0.55 per diluted share, compared to \$22.0 million, or \$0.33 per diluted share, in the third quarter of 2006.

Including income from discontinued operations of \$1.3 million, net income for the third quarter of 2007 was \$38.3 million, or \$0.57 per diluted share. Including income from discontinued operations of \$0.5 million, net income for the third quarter of 2006 was \$22.6 million, or \$0.34 per diluted share. The Company's results for the third quarter of 2006 also include restructuring expenses of \$0.6 million, as previously announced.

In the third quarter of 2007, the Company reported revenues of \$1.50 billion, an increase of 21.1% over revenues of \$1.24 billion in the year ago period. After excluding revenues from 2007 acquisitions, organic revenue growth in the 2007 third quarter was 13.8%.

Operating income was \$54.9 million in the third quarter of 2007, an increase of 57.8% over operating income of \$34.8 million in the same period last year. As a percentage of revenues, operating income improved to 3.7% in the 2007 third quarter from 2.8% a year ago. Selling, general and administrative (SG&A) expenses were \$114.0 million, or 7.6% of revenues, in the 2007 third quarter, versus \$108.6 million, or 8.8% of revenues in the third quarter of 2006, primarily reflecting the Company's previous restructuring initiatives and the success of its efforts to control costs despite strong revenue growth. During the 2007 third quarter, the Company's tax rate declined to 34% from 37.8% in the year ago period as a result of a reduction in United Kingdom income before income taxes.

Contract backlog at September 30, 2007 was a record \$4.48 billion, compared with backlog of \$3.40 billion at September 30, 2006, an increase of 31.8%. On a sequential basis, the Company's backlog rose \$223 million, or 5.3%, from a previous record of \$4.26 billion at June 30, 2007.

During the quarter, the Company completed its acquisition of Ohmstede, Ltd. ("Ohmstede"), the leading provider of aftermarket maintenance and repair services, replacement parts and fabrication services for highly engineered shell and tube heat exchangers for the refinery and petrochemical industries, for approximately \$455 million in cash, as previously announced. Ohmstede contributed \$19.0 million in revenues to the Company's results during the 2007 third quarter, and was slightly accretive to diluted earnings per share for the period. Ohmstede also contributed \$125.9 million to the Company's total backlog as of September 30, 2007.

For the first nine months of 2007, income from continuing operations rose 61.9% to \$74.0 million, or \$1.11 per diluted share, from \$45.7 million, or \$0.70 per diluted share, in the first nine months of 2006. Including income from discontinued operations of \$0.7 million and restructuring expenses of \$0.6 million, net income for the 2006 nine-month period was \$46.4 million, or \$0.71 per diluted share.

Revenues for the 2007 nine-month period rose 17.0% to \$4.16 billion, from \$3.55 billion in the year ago period. After excluding revenues from 2007 acquisitions,

Edgar Filing: EMCOR GROUP INC - Form 8-K

organic revenue growth was 12.2% for the first nine months of 2007.

For the 2007 nine-month period, operating income rose 63.3% to \$113.7 million, or 2.7% of revenues, from \$69.6 million, or 2.0% of revenues from the year ago period. SG&A expenses for the first nine months of 2007 totaled \$348.7 million, or 8.4% of revenues, compared with \$315.2 million, or 8.9% of revenues, in the first nine months of 2006.

Frank T. MacInnis, Chairman and CEO of EMCOR Group, commented, "The 2007 third quarter marked another strong period of execution and performance by EMCOR Group, and our results reflect our outstanding competitive position and the robust markets we have experienced throughout the year. Our performance was driven by strong growth across all our segments in North America. This is particularly true in the U.S. market, as our U.S. Mechanical, Electrical and Facilities Services divisions continued to post strong growth in revenues and profitability. We also continue to grow our business from a position of financial strength. We generated excellent cash flows during the third quarter and our balance sheet remains strong notwithstanding the completion of the Ohmstede acquisition. The initial stages of the integration of Ohmstede have gone well, and we have already identified opportunities to extend their business into new markets."

Mr. MacInnis concluded, "Our major markets continue to reflect strong demand for our broad range of services. In addition, EMCOR's recent trend towards longer-duration, higher-margin projects has continued, as illustrated by our high level of activity in the healthcare, hospitality and gaming sectors. In short, we remain well positioned to take advantage of the opportunities before us. Based on the trajectory and composition of our backlog, we are again increasing our 2007 performance estimates to revenues of \$5.8 billion and diluted earnings per share from continuing operations of \$1.75 - \$1.80."
