Item 1.01

Entry into a Material Definitive Agreement

On November 12, 2008, we accepted an offer from UBS AG and its affiliates (“UBS”) of certain rights to require UBS to repurchase \$57.0 million (par value) of auction rate securities that UBS had previously sold to us. We have estimated the fair value of these securities at \$53.7 million as of September 30, 2008.

As a result of accepting the offer, we may require UBS to repurchase the securities at par value at any time during the period from June 30, 2010 through July 2, 2012. UBS has the discretion to purchase or sell the securities at any time subsequent to our acceptance of the offer by paying us the par value of such securities. We are also eligible to borrow from UBS at no net cost up to 75% of the market value of the securities, which loans would become payable upon UBS’s purchase or sale of the securities. We have released UBS and its employees and agents from all claims except claims for consequential damages relating to UBS’s marketing and sale of the securities.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to UBS’s filings with the Securities and Exchange Commission relating to these rights, including without limitation the prospectus filed by UBS on October 7, 2008.
