Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On August 11, 2005, Sheffield Greens Apartments, LLC ("Sheffield Greens"), a wholly-owned subsidiary of American Community Properties Trust, the Registrant, secured a non-recourse construction loan of \$27,000,000 with GMAC Commercial Mortgage Corporation to fund the construction costs for a new apartment property in St. Charles' Fairway Village. The Company plans to construct a 252 unit apartment complex offering one and two bedroom units at market rate. The construction loan will mature in September 2007 and at such time will convert into a 40-year non-recourse permanent mortgage. The loan has a fixed interest rate of 5.47%, and requires interest-only payments during the construction phase followed by principal and interest payments until maturity. The first of the nine buildings is projected to be available for occupancy in the third quarter of 2006.

The loan is subject to a HUD regulatory agreement. The loan documents provide for covenants and events of default that are customary for mortgage loans insured by the Federal Housing Authority.

The loan documents include an incentive fee agreement whereby Sheffield Greens' managing member, also a subsidiary of the Registrant, has agreed to pay or provide sufficient funds to pay the incentive fee to the project's contractor to the extent that funds are not available from the proceeds of the loan.
