Item 1.01. Entry into a Material Definitive Agreement.

FedNat Insurance Company (“FedNat”) and Monarch National Insurance Company (“Monarch National”), subsidiaries of FedNat Holding Company (the “Company”), have each entered into a Reimbursement Contract (the “Contracts”), with The State Board of Administration of Florida (“SBA”) for the 2019-2020 hurricane season. The SBA is the agency that administers the Florida Hurricane Catastrophe Fund (“FHCF”).

The Contracts will reimburse FedNat and Monarch National for covered property losses under their respective homeowners’ insurance policies resulting from hurricanes that cause damage in the State of Florida, from June 1, 2019 through May 31, 2020.

Under the Contract for FedNat, the FHCF will provide approximately \$539.7 million (75% of \$719.7 million) of aggregate seasonal coverage for covered losses in excess of approximately \$255.1 million subject to a 25% participation by FedNat. FedNat’s premium for the FHCF reinsurance coverage will be approximately \$38.7 million.

Under the Contract for Monarch National, the FHCF will provide approximately \$17.4 million (75% of \$23.2 million) of aggregate seasonal covered losses in excess of approximately \$8.3 million subject to a 25% participation by Monarch National. Monarch National’s premium for the FHCF reinsurance coverage will be approximately \$1.25 million.

The Contracts are payable in three premium installments due August 1, 2019, October 1, 2019, and December 1, 2019. The actual attachment points, total coverages and costs may vary as FedNat and Monarch National continue to write new and renewal business and will not be finalized until December 31, 2019.

As is common practice within the insurance industry, a portion of the risks insured under policies are transferred to other companies through the purchase of reinsurance. The Company routinely purchases reinsurance through excess of loss type treaties from both the FHCF and multiple private reinsurance carriers. FedNat and Monarch National’s existing catastrophe reinsurance treaties with private reinsurance carriers from 2018 are in effect through June 30, 2019. For those treaties ending on June 30, 2019 the Company will be negotiating new private excess of loss type treaties in the coming months, which will afford additional coverage to FedNat and Monarch National both separately and combined, in conjunction with the coverage provided by the FHCF, and will have a term of at least one year beginning July 1, 2019.
