PROXY STATEMENT

General Information

Our Board of Directors (the "Board") is furnishing this Proxy Statement and the accompanying Annual Report to Shareholders, Notice of Annual Meeting and proxy card in connection with its solicitation of proxies for use at our 2014 annual meeting of shareholders (the "Annual Meeting") or any adjournment thereof. The annual meeting will be held on Tuesday, May 6, 2014, beginning at 1:00 p.m., Pacific Daylight Time at the following location:

17750 S.E. 6th Way
Vancouver, Washington 98683

Our Board has designated the two persons named on the enclosed proxy card, Bruce M. Cazenave and Sidharth Nayar, to serve as proxies in connection with the Annual Meeting. These proxy materials and the accompanying Annual Report to Shareholders are being mailed on or about April 2, 2014 to our shareholders of record as of March 21, 2014.

Revocability of Proxies

You may revoke any proxy you execute at any time prior to its use at the Annual Meeting by:

- delivering written notice of revocation to our Secretary;
- delivering an executed proxy bearing a later date to our Secretary; or
- attending the Annual Meeting and voting in person.

Record Date

Our Board has fixed the close of business on March 21, 2014 as the record date for determining which of our shareholders are entitled to notice of and to vote at the Annual Meeting. At the close of business on the record date, 31,182,242 shares of our common stock were outstanding.

Voting; Quorum

Each share of common stock outstanding on the record date is entitled to one vote per share at the Annual Meeting. Shareholders are not entitled to cumulate their votes. The presence, in person or by proxy, of the holders of a majority of our outstanding shares of common stock is necessary to constitute a quorum at the Annual Meeting.

Abstentions

If you abstain from voting, your shares will be deemed present at the Annual Meeting for purposes of determining whether a quorum is present.

Broker Discretionary Voting

If you hold your shares in street name, your broker, bank or other similar institution may be able to vote your shares without your instructions depending on whether the matter being voted on is “discretionary” or “non-discretionary.” In the case of a discretionary matter (for example, the ratification of the independent registered public accounting firm), your broker is permitted to vote your shares of common stock if you have not given voting instructions. In the case of a non-discretionary matter (for example, the election of directors and the advisory vote to approve executive compensation), your broker cannot vote your shares if you have not given voting instructions.

A “broker non-vote” occurs when your broker submits a proxy for the Annual Meeting with respect to discretionary matters, but does not vote on non-discretionary matters because you did not provide voting instructions on these matters. Therefore, it is important that you provide specific voting instructions regarding non-discretionary matters to your broker, bank or similar institution.

Votes Required to Approve Each Proposal

At this Annual Meeting each director will be elected by the vote of the majority of the votes cast with respect to the director nominee. This means to elect the director nominee, the number of shares voted "For" the director nominee must exceed the number of shares voted "Against" the director nominee. Abstentions and broker non-votes will not be considered votes cast.

The affirmative vote of the holders of a majority of the shares of common stock present or represented and voting is required to approve the ratification of the selection of the independent registered public accounting firm and to approve on a non-binding, advisory basis, our named executive officer compensation. Abstentions and broker non-votes will not be considered to have been voted.

Proxy Procedure

When a proxy card is properly dated, executed and returned, the shares it represents will be voted at the Annual Meeting in accordance with the instructions specified in the proxy. If no specific instructions are given, the shares will be voted FOR the election of the director nominees described below, FOR the ratification of Deloitte & Touche LLP as our independent registered public accounting firm for the year ending December 31, 2014 and FOR the proposal to approve, on a non-binding, advisory basis, the compensation of our named executive officers as set forth in the proxy statement. If other matters come before the Annual Meeting, the persons named in the accompanying proxy will vote in accordance with their best judgment with respect to such matters.

Cost of Proxy Solicitation

We do not plan to hire a proxy solicitor in connection with the Annual Meeting, but, to the extent we choose to use proxy solicitor services, we will pay the related fees and expenses.

Procedures for Shareholder Proposals and Nominations

Under our amended and restated bylaws, as amended ("Bylaws"), nominations for directors at an annual meeting may be made only by (1) the Board or a committee of the Board, or (2) a shareholder entitled to vote who has delivered notice to us within 120 to 180 days before the first anniversary of the date of the mailing of the notice for the preceding year's annual meeting.

Our Bylaws also provide that business may not be brought before an annual meeting unless it is: (1) specified in the notice of meeting (which includes shareholder proposals that we are required to include in our proxy statement under SEC Rule 14a-8); (2) brought before the meeting by or at the direction of the Board; or (3) brought by a shareholder entitled to vote who has delivered notice to us (containing certain information specified in the Bylaws) within 120 to 180 days before the first anniversary of the date of the mailing of the notice for the preceding year's annual meeting. In addition, you must comply with SEC Rule 14a-8 to have your proposal included in our proxy statement.

A copy of the full text of our Bylaws may be obtained upon written request to our Secretary at the address provided on page 1 of this Proxy Statement.

INFORMATION CONCERNING THE BOARD OF DIRECTORS

Our Board oversees our overall performance on behalf of our shareholders. Members of our Board stay informed of our business through discussions with our Chief Executive Officer ("CEO") and other members of our executive team, by reviewing materials provided to them, and by participating in regularly scheduled Board and committee meetings.

Corporate Governance

Our Board is elected by our shareholders to govern our business and affairs. Our Board selects our senior management team, which is charged with conducting our business. Having selected our senior management team, our Board acts as an advisor to senior management

and monitors their performance. Our Board reviews our strategies, financial objectives and operating plans. It also plans for management succession of our Chief Executive Officer, as well as other senior management positions, and oversees our compliance efforts.

Our Board has determined that each of Ronald P. Badie, Richard A. Horn, M. Carl Johnson, III, Anne G. Saunders and Marvin G. Siegert qualify as an "independent director" under our Corporate Governance Guidelines (available on our website at www.nautilusinc.com), Section 303A.02 of the Listed Company Manual (the "Listed Company Manual") of the New York Stock Exchange ("NYSE"), and applicable rules of the SEC, and that each such person is free of any relationship that would interfere with the individual exercise of independent judgment. Our Board has further determined that each member of the Board's three committees meets the independence requirements applicable to those committees prescribed by the Listed Company Manual and the SEC, including Rules 10A-3(b)(1) and 10C-1 under the Exchange Act related to independence of audit committee and compensation committee members, respectively.

Our Board met four times in 2013 and all of our directors attended at least 75% of the meetings of our Board and of the meetings held by the committee(s) on which they served. Currently, we do not have a policy requiring our Board members' attendance at the annual meetings of our shareholders. All of our directors attended our 2013 annual shareholders meeting.

In order to promote open discussion among independent directors, our board of directors has a policy of conducting executive sessions of independent directors during each regularly scheduled board meeting and at such other times if requested by an independent director. These executive sessions are lead by our Chairman.

Transactions with Related Persons

Our Board recognizes that "transactions" with a "related person" (as such terms are defined in Item 404 of Regulation S-K) present a heightened risk of conflict of interest and/or improper valuation (or the perception thereof) and, therefore, has adopted a policy which shall be followed in connection with all related person transactions. Specifically, this policy addresses our procedures for the review, approval and ratification of all related person transactions.

Our Board has determined that the Audit Committee is best suited to review and approve related person transactions. Accordingly, any related person transactions recommended by management shall be presented to the Audit Committee for approval at a regularly scheduled meeting of the Audit Committee. Any related person transaction shall be consummated or shall continue only if the Audit Committee approves the transaction, the disinterested members of our Board approve the transaction, or the transaction involves compensation approved by the Compensation Committee.

Committees of the Board

Our Board currently has three standing committees: an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Each committee is governed by a written charter that may be amended by our Board at any time. The full text of each committee charter and our Corporate Governance Guidelines are available on our website located at www.nautilusinc.com or in print to any interested party who requests it. Requests should be sent to the Nautilus, Inc. Secretary at the address provided on page 1 of this Proxy Statement.

The Audit Committee

The Audit Committee is established in accordance with Section 3(a)(58)(A) of the Exchange Act and represents and assists our Board in fulfilling its oversight responsibility relating to (i) the integrity of our financial statements and other financial information furnished by Nautilus, (ii) our compliance with legal and regulatory requirements, (iii) our system of internal accounting and financial controls, (iv) our registered independent public accounting firm's

qualifications, performance, compensation and independence, (v) the performance of our internal audit function, and (vi) compliance with our code of business conduct and ethics.

In fulfilling the duties outlined in its charter, the Audit Committee, among other things, shall:

• have the sole authority and responsibility to select, evaluate and, where appropriate, replace our registered independent public accounting firm;

• review and discuss with management and our registered independent public accounting firm, prior to release to the general public and legal and regulatory agencies, our annual audited financial statements and quarterly financial statements, including disclosures contained in our Annual Report on Form 10-K under the section heading “Management's Discussion and Analysis of Financial Condition and Results of Operations,” and matters required to be reviewed under applicable legal, regulatory or public company exchange listing requirements;

• discuss policies developed by management and our Board with respect to risk assessment and risk management and steps management has taken to monitor and control financial risk exposure, including anti-fraud programs and controls;

• review the responsibilities, functions and performance of our internal audit function, including internal audit's charter, plans and budget and the scope and results of internal audits;

review management's report on internal control over financial reporting and discuss with management and the registered independent public accounting firm any significant deficiencies or material weaknesses in the design or operation of our internal controls; and establish procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters, including procedures for the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters or violations of our code of conduct.

During 2013, the Audit Committee consisted of four independent directors, Marvin G. Siegert (Chairman), Ronald P. Badie, Richard A. Horn and Anne G. Saunders. Each member of the Audit Committee meets the independence, financial literacy and experience requirements contained in the corporate governance listing standards of the NYSE relating to audit committees. In addition, our Board has determined that Messrs. Badie, Horn and Siegert each qualify as an "audit committee financial expert" under the regulations of the SEC. Although all members of the Audit Committee meet the current NYSE regulatory requirements for accounting or related financial management expertise, and our Board has determined that Messrs. Badie, Horn and Siegert each qualify as an "audit committee financial expert," members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not technical experts in auditing or accounting. The Audit Committee met five times during 2013.

A copy of the full text of the Audit Committee Charter can be found on our website at www.nautilusinc.com.

The Compensation Committee

The Compensation Committee is responsible for overseeing the compensation of our employees, including equity-based plans, and employee benefit plans and practices, including the compensation and benefits of our executive officers. The Compensation Committee also administers our 2005 Long-Term Incentive Plan.

In fulfilling the duties outlined in its charter, the Compensation Committee, among other things, shall: review periodically our executive compensation plans in light of our goals and objectives with respect to such plans and, if the committee deems appropriate, adopt, or recommend to our Board the adoption of new, or the amendment of existing, executive compensation plans; evaluate annually the performance of our CEO and, with our CEO's participation and input, that of our other executive officers in light of the goals and objectives of our executive compensation plans. Based on this evaluation, the Compensation Committee shall determine and approve the CEO's compensation level and, with the CEO's participation and input, the compensation levels of our other executive officers; approve any equity compensation awarded to any of our executive officers, subject to the requirements of the applicable compensation plans; and with respect to SEC reporting requirements, review and discuss with management our compensation discussion and analysis, and oversee the preparation of, and approve, the Compensation Committee's report on executive compensation to be included in our proxy statement.

The Compensation Committee may not delegate any power or authority required by any law, regulation or listing standard to be exercised by the committee. The Compensation Committee met four times during 2013. Pursuant to its charter, the Compensation Committee has the authority, to the extent it deems necessary or appropriate, to retain compensation consultants, independent legal counsel or other advisors and has the sole authority to approve the fees and other retention terms with respect to such advisors. From time to time the Compensation Committee has engaged compensation consultants to advise it on certain matters. See "Compensation Discussion and Analysis".

A copy of the full text of the Compensation Committee Charter can be found on our website at www.nautilusinc.com.

Compensation Committee Interlocks and Insider Participation

During 2013, the Compensation Committee was comprised of five independent directors, Ronald P. Badie (Chairman), Richard A. Horn, M. Carl Johnson, III, Anne G. Saunders and Marvin G. Siegert. None of the members

of the Compensation Committee have a relationship with Nautilus, other than as directors and shareholders. No member of the Compensation Committee is, or was formerly, an officer or an employee of Nautilus. None of our executive officers served, during the year ended December 31, 2013, as a member of the compensation committee or on the board of directors of any entity that has an executive officer serving as a member of our Compensation Committee or Board.

The Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for considering and making recommendations concerning the membership and function of the Board, and the development and review of corporate governance guidelines.

In fulfilling the duties outlined in its charter, the Nominating and Corporate Governance Committee, among other things, shall:

• identify individuals qualified to become members of our Board and to select director nominees to be presented for shareholder approval at our annual shareholders meeting;

• review our Board's committee structure and recommend to the Board for its approval directors to serve as members of each committee;

• develop and recommend to our Board for its approval a set of corporate governance guidelines;

• develop and recommend to our Board for its approval an annual self-evaluation process of the Board and its committees; and

• review on an annual basis director compensation and benefits.

The Nominating and Corporate Governance Committee will consider recommendations for directorships submitted by shareholders. Shareholders who wish the Nominating and Corporate Governance Committee to consider their directorship recommendations should submit their recommendations in writing to Nautilus, Inc., 17750 S.E. 6th Way, Vancouver, WA 98683, Attn: Chairman of Nominating and Corporate Governance Committee. Recommendations by shareholders that are made in accordance with these procedures will receive the same consideration given to nominations made by the committee.

Nominees may be suggested by directors, members of management, shareholders or, in some cases, by a third party firm. In identifying and considering candidates for nomination to the Board, the Nominating and Corporate Governance Committee considers a candidate's quality of experience, our needs and the range of talent and experience represented on our Board. In evaluating particular candidates, the Nominating and Corporate Governance Committee will review the nominee's personal and professional integrity, judgment, experience, and ability to serve the long-term interest of the shareholders. The Nominating and Corporate Governance Committee will also take into account the ability of a director to devote the time and effort necessary to fulfill his or her responsibilities, as well as matters of diversity, including gender, race and national origin, education, professional experience and differences in viewpoints and skills. While the Nominating and Corporate Governance Committee does not have a formal policy with respect to diversity, both the Board and the Nominating and Corporate Governance Committee believe that it is essential that Board members represent a diverse range of experience, expertise and viewpoints.

During 2013, the Nominating and Corporate Governance Committee was comprised of three independent directors, Richard A. Horn (Chairman), Ronald P. Badie and Marvin G. Siegert. The Nominating and Corporate Governance Committee met one time during 2013.

Communications with Directors

All interested parties may send correspondence to our Board or to any individual director at the following address: Nautilus, Inc., 17750 S.E. 6th Way, Vancouver, Washington 98683.

Your communications should indicate that you are a shareholder of Nautilus. Depending on the subject matter, we will either forward the communication to the director or directors to whom it is addressed, attempt to handle the inquiry directly, or not forward the communication if it is primarily commercial in nature or if it relates to an improper or irrelevant topic. Correspondence marked confidential will not be opened prior to forwarding to the Board or any individual director.

Board Leadership Structure

Our Board has a majority of independent directors; five out of the six (6) director nominees are independent. The Audit, Compensation, and Nominating and Corporate Governance committees each are composed solely of independent directors.

We separate the roles of Chairman of the Board and Chief Executive Officer in recognition of the differences between the two positions. Mr. Johnson acts as the Chairman, oversees our business broadly, leads the meetings of our Board, and provides guidance to our management. Mr. Cazenave serves on the Board, but, as our Chief Executive Officer, he is also charged with oversight of the day-to-day operations of the business. We believe that consistency between day-to-day operations and the overall management is reached through Mr. Cazenave's service as the Chief Executive Officer and a director, but the separation of the Chairman and Chief Executive Officer roles is important to achieve a balance of oversight that is favorable to us and our shareholders.

Board Role in Risk Oversight

While risk management is primarily the responsibility of our management team, our Board is responsible for overall supervision of risk management efforts as they relate to the key business risks we face. Management identifies, assesses, and manages the risks most critical to our operations and routinely advises our Board regarding those matters. Areas of material risk may include operational, financial, legal and regulatory, human capital, information technology and security, and strategic and reputational risks. Our Board's role in risk oversight is consistent with our leadership structure, with senior management having responsibility for assessing and managing risk exposure, and our Board and its committees providing oversight in connection with those efforts.

In this section of the proxy statement we identify the material elements of our compensation programs for all of our executive officers, including an overview of our executive compensation philosophy and the processes and methodology we use in making executive pay decisions. We also provide detailed information regarding compensation paid to each Named Executive Officer ("NEO"). Our NEOs for 2013 are our Chief Executive Officer and Acting Chief Financial Officer, the three other most highly compensated executive officers other than the Chief Executive Officer and our former Chief Financial Officer. Our NEOs for 2013 and their titles as of December 31, 2013 were as follows:

Name	Position
Bruce M. Cazenave ⁽¹⁾	Chief Executive Officer and Acting Chief Financial Officer
William B. McMahon	Chief Operating Officer
Wayne M. Bolio	Senior Vice President, Law and Human Resources, General Counsel
Robert O. Murdock	Vice President, General Manager Direct
Linda M. Pearce ⁽¹⁾	Former Chief Financial Officer

(1) Ms. Pearce was Chief Financial Officer from August 9, 2012 until she left Nautilus effective July 2, 2013. Mr. Cazenave served as Acting Chief Financial Officer following Ms. Pearce's departure until Mr. Nayar's

appointment as Chief Financial Officer effective February 28, 2014.

Executive Summary

Overview

The executive compensation program is comprised of three primary elements in support of these objectives:

• A base salary that is intended to provide a market competitive base level of compensation;

A short-term incentive program that rewards the achievement of explicit, measurable, company financial objectives in the areas of operating income, revenue growth and net working capital, as well as individual and company achievement of short - and long-term business objectives; and

• An equity-based long-term incentive program that rewards the achievement of sustained increases in shareholder value over the long term.

Our executive officers are eligible to participate in our other employee benefits programs on the same terms as our eligible non-executive employees. Nautilus does not provide any material executive perquisites. Unexercised stock options held by our executive officers expire 90 days following termination, which same terms apply to our non-executive employees.

We have an employment contract with Mr. Cazenave that provides for the payment of twelve months of base salary upon termination under certain circumstances. We have employment contracts with Messrs. Bolio, McMahon and Nayar that provide for the payment of six months of base salary upon termination under certain circumstances. We also have an employment contract with Mr. Murdock that provides for the payment of four months of base salary upon termination under certain circumstances. Additionally, Mr. Collins is eligible to receive four months of base salary upon termination per the terms of his employment offer.

Governance of Our Executive Compensation Program

The Committee has overall responsibility for the evaluation, approval and oversight of our compensation plans, policies and programs and the total direct compensation of our executive officers. The Committee has sole responsibility for determining our Chief Executive Officer's compensation and for reviewing it with our Board. Our Chief Executive Officer provides recommendations to the Committee on compensation matters for our other executive officers. From time to time the Committee seeks input from an independent consultant who advises the Committee regarding executive compensation matters.

Farient Advisors, LLC ("Farient") was engaged by the Compensation Committee to advise it on executive compensation matters and by the Nominating & Governance Committee to advise it on director compensation matters. All of the services that Farient performs for Nautilus are performed at the request of the committee, are related to executive and director compensation and are in support of decision making by the committee.

The Compensation Committee considered Farient's independence in light of Securities and Exchange Commission rules and New York Stock Exchange listing standards. The Committee requested Farient to complete a questionnaire addressing factors pertaining to the independence of Farient and the senior advisor involved in the engagement, including the following factors: (1) other services provided to us by Farient; (2) fees paid by us as a percentage of Farient's total revenue; (3) policies or procedures maintained by Farient that are designed to prevent a conflict of interest; (4) any business or personal relationships between the senior advisor and a member of the committee; (5) any company stock owned by Farient or the senior advisor; and (6) any business or personal relationships between our executive officers and Farient or the senior advisor. The Compensation Committee discussed these considerations and concluded that the work performed by Farient and Farient's senior advisor involved in the engagement did not raise any conflict of interest.

Farient Advisors reports directly to the Committee and is anticipated to support the Committee by:

• providing information on executive and director compensation best practices and current trends;

- reviewing compensation guiding principles and recommending assessment methodologies;
- conducting detailed executive and director compensation assessments and providing preliminary recommendations for executive and director compensation adjustments; and
- providing conceptual guidance and design advice on short-term and long-term incentive programs.

Compensation Philosophy

Our executive compensation program is designed with two primary objectives in mind:

- attracting, retaining and motivating executives critical to our financial stability and future success; and
- rewarding executives for meeting ambitious financial, operational and individual performance goals and taking effective actions which are expected to increase shareholder value over time.

Consistent with these objectives, we offer our executive officers a mix of base salary, short-term incentive compensation, long-term equity based incentives, health and welfare benefits and employment contracts. While we do not target a specific percentage allocation for base salary, short-term incentive compensation or long-term incentives (as a percent of total direct compensation), we operate under the general philosophy of targeting a total direct compensation opportunity that is competitive within our market for executive talent. Relative to our peer group, we believe that we generally target a greater percentage of the executives' total direct compensation opportunity as variable compensation. We do not believe the elements of our compensation program are structured so as to encourage excessive risk taking by any of our executives, but are part of an overall compensation and management philosophy designed to increase shareholder value over time.

Peer group data is used to compare our compensation program for executive officers with that of executives in comparable roles at peer group companies. Although a comprehensive compensation review was not conducted in 2013, Farient Advisors conducted a benchmark equity compensation analysis for the purpose of determining equity grants in May 2013.

Based upon the selection criteria, which targeted high-end consumer products companies with annual revenues similar to Nautilus, the following companies were chosen for our peer group:

Bassett Furniture Industry, Inc. (BSET)	iRobot Corp. (IRBT)
Cobra Electronics Corp. (COBR)	Johnson Outdoors Inc. (JOUT)
Cross (A.T.) Co. (ATX)	Movado Group, Inc (MOV)
Escalade, Inc. (ESCA)	Smith & Wesson Holding Corp. (SWHC)
Flexsteel Industries, Inc. (FLXS)	Sturm Ruger & Co. Inc. (RGR)

Peer group data for the aforementioned companies is supplemented by data from published relevant compensation surveys, providing additional market-based analytical data for corporate executive pay at companies similar in industry, annual revenues or other relevant metrics.

The Committee has established a desired competitive position for target total cash compensation levels in the 50th to 75th percentile range of our peer group. Individual levels within this range are also affected by the executive's experience, performance and potential, as assessed by the Committee with input from the Chief Executive Officer.

Base Salaries

Base salaries of our executive officers are intended to attract and retain executives (as part of the total compensation package) by providing a competitive base level of compensation. Base salaries are typically considered by the Committee on an annual basis, as well as in connection with the hiring of a new executive, a promotion or other changes in an incumbent executive's job responsibilities. Base salaries of executive officers are determined by evaluating the responsibilities of the position, the experience and performance of the individual, and by reference to the competitive marketplace median for corporate executives in comparable positions (similarity in scope, duties and responsibilities). A base salary benchmark compensation analysis was not conducted in 2013. The Committee decided not to make any changes to executive officer base salaries in 2013 other than an increase in Mr. Murdock's base salary as recommended by the Chief Executive Officer and approved by the Board of Directors in recognition of Mr. Murdock's increased responsibility as Vice President and General Manager, Direct. Mr. Murdock's increase was effective March 18, 2013:

	Previous Base Salary	Percent Increase	New Base Salary
Robert O. Murdock	\$180,000	16.67%	\$210,000

Short-Term Incentive Program

Our short-term incentive program for 2013 remained similar to the plan implemented in 2012. The plan developed for executive officers was revised in 2012 to better support our focus on long-term strategic growth by shifting to annual performance objectives, rather than the quarterly objectives that characterized our short-term incentive plan from mid-2008 until 2012.

Our short-term incentive program focuses on achievement of certain annual company financial goals including operating income and net working capital (Corporate Financial Factor), as well as company-level key strategic initiatives (Key Initiative Factor) and individual performance goals that were established for the performance period. Under the short-term incentive program, individual plan participants are eligible to receive incentive compensation in the form of cash bonuses based on a target percentage of their base salary. Individual bonus target amounts under the short-term incentive program remained unchanged in 2013.

The calculation for determining an individual's incentive amount earned under the short-term incentive program is a product of: 1) the individual's annual eligible wages; 2) the individual's target bonus percentage; 3) the achievement against the Corporate Financial Factor; 4) the achievement against the Key Initiative Factor; and 5) achievement against the individual's performance goals. We must achieve a minimum of 30% of our operating income or 85% of our net working capital goal for any payout to be available. For 2013, the combined maximum payout under the plan was 150% of target.

Individual Bonus Targets

Individual bonus targets established under our short-term incentive program for 2013 for our NEOs ranged from 50% to 100% of annual eligible wages, primarily consisting of base salaries, as follows:

	Individual Bonus Target (% of eligible wages)
Bruce M. Cazenave	100%
William B. McMahon	75%
Wayne M. Bolio	50%
Robert O. Murdock	50%
Linda M. Pearce	N/A ⁽¹⁾

(1) Ms. Pearce left the company effective July 2, 2013 and, therefore, was not eligible to participate in the 2013 short-term incentive program.

Corporate Financial Factor

The Corporate Financial Factor is calculated on a calendar year basis. Each company financial goal is assigned a weighting. The 2013 performance criteria and specific weightings were as follows:

Corporate Financial Criteria Weighting

Continuing Operations Income	Operating Operating Capital	Net Working Capital	Combined Corporate Financial Factor
80%		20%	100%

Achievement against the combined corporate financial factor could range from 0% to 125%. However, a threshold of either 30% achievement in operating income or 85% achievement in net working capital must be met in order to achieve a payout.

Key Strategic Initiatives Factor

In addition to the corporate financial factor, we establish performance objectives to incent and measure successful execution of our strategic initiatives. These included, for example, goals related to new product development and introduction, market penetration, system integration and cost saving/optimization. Achievement against the objectives could range from 50% to 125%.

Individual Performance Factor

In addition to the corporate financial factor and key strategic initiatives factor, individual performance objectives were established for each executive officer in the form of formal written goals. Performance was measured against individual goals related to, for example, revenue targets, cost optimization, market research, new business development, organizational excellence, system integration and product development milestones. Achievement against the individual performance factor could range from 0% to 125%.

Bruce M. Cazenave	100.0%
William B. McMahon	90.0%
Wayne M. Bolio	94.0%
Robert O. Murdock	106.0%

Based on the level of goals achieved, the NEOs earned the following short-term incentive compensation related to 2013:

Incentive Amounts Earned

Bruce M. Cazenave	\$465,072

Long-Term Incentive Program

Long-term incentives are intended to focus executive behavior on making decisions that meaningfully contribute to our long-term success as reflected in our stock price. Under the 2005 Long-Term Incentive Plan (the "Plan"), the Committee may grant equity awards (stock options, stock appreciation rights, restricted stock, performance units or stock units) to executive officers and other employees. Stock options have exercise prices equal to the fair market value of our common stock on the date of grant as defined by the Plan. In granting these awards, the Committee may establish vesting conditions or other restrictions it deems appropriate.

New Hire Equity Grants

Our executive officers generally are provided an equity grant upon commencement of their employment. The Committee reviews the equity position of executive officers on a periodic basis. Additionally, an executive officer's overall equity position is reviewed at the time of promotion and an additional grant may be considered at that time. Equity awards granted to Mr. Nayar in February 2014 upon commencement of his employment were as follows:

	Performance Based Restricted Stock Units ⁽¹⁾	Value Based Restricted Stock Units ⁽²⁾
Sidharth Nayar	15,000	TBD

(1) Vesting is based on achievement of goals established for operating income and revenue growth over a three-year performance period. The number of shares vested following conclusion of the performance period will be determined based on the level at which the goals are achieved. The number of shares vesting can range from 60% of the performance unit award if minimum thresholds are achieved to a maximum of 150%.

(2) Restricted stock units entitle Mr. Nayar to receive shares of Nautilus common stock on the one, two and three year anniversaries of the vesting commencement date for the award. The number of shares issuable on each annual vesting date will be determined by dividing \$33,333 by the average daily closing price of our common stock during the vesting period.

Equity Incentives

In May 2013, Fariant Advisors conducted a benchmark equity compensation analysis to assist the Committee in determining equity grants. The Committee approved a grant of equity compensation, which included a mix of options and performance restricted stock unit awards, both issued under the our 2005 Long-Term Incentive Plan. The option awards vest in three equal annual installments, beginning the first anniversary of the grant date. The performance restricted stock units vest based on achieving a level of goal attainment

for growth in pre-tax income and return on assets over a three-year performance period. The actual number of performance share units vested is based on the level at which the financial goals are achieved and can range from a 60% minimum threshold to a maximum of 150%.

Equity awards granted to our NEOs in 2013 were as follows:

	Options ⁽¹⁾	Performance- Based Restricted Stock Units ⁽²⁾
Bruce M. Cazenave	18,000	11,500
William B. McMahon	6,000	4,450
Wayne M. Bolio	3,600	2,400
Robert O. Murdock	3,000	1,850
Linda M. Pearce ⁽³⁾	6,000	4,300

(1) Options vest as to one-third of the number of shares subject to the award on each of the first, second and third anniversaries of the date of grant.

(2) Performance-based restricted stock units are subject to vesting based on achievement of specific growth targets for the three-year vesting term of the award. The actual number of restricted stock units vested can range from 0% to 150%, depending on the attainment of specific company performance goals.

(3) Equity awards received by Ms. Pearce during 2013 were canceled in connection with the termination of her employment.

Early 2014 Compensation Decisions

The Committee met in early 2014 to approve revisions to the short-term incentive plan, approve proposed routine adjustments to base salaries, as well as approve equity compensation awards to our NEOs.

The short-term incentive plan in place for 2014 remains within the same general structure as in 2013 with the program for 2014 focusing on achievement of certain annual company financial goals, including operating income and net revenue growth percentage (Corporate Financial Factor), as well as company-level key strategic initiatives (Key Initiative Factor) and individual performance goals that have been established for the performance period. The Corporate Financial Factor has been altered slightly when compared to 2013. The Committee determined to replace the net working capital financial goal utilized in 2013 with objectives for revenue growth percentage to better align incentives with our increasing focus on increased revenue growth. We must achieve a minimum of 30% of our operating income or 80% of our net revenue growth percentage goal for any payout to be available with a maximum combined payout of 150% of target if the goal is exceeded. The Committee confirmed the following incentive targets for 2014, maintaining consistency with 2013 targets:

	Individual Bonus Target (% of eligible wages)
Bruce M. Cazenave	100%
Sidharth Nayar	50%
William B. McMahon	75%
Wayne M. Bolio	50%
Robert O. Murdock	50%

The Committee also reviewed base salaries for our NEO's in early 2014. Farient Advisors submitted an analysis and proposal for routine base salary increases which was subsequently reviewed and approved by the Committee. Base salary increases were effective March 3, 2014 for all NEOs as outlined below:

	Previous Base Salary	Percent Increase	New Base Salary
Bruce M. Cazenave	\$375,000	14.67%	\$430,000

Edgar Filing: NAUTILUS, INC. - Form DEF 14A

William B. McMahon	250,000	12.00%	280,000
Wayne M. Bolio	233,688	6.98%	250,000
Robert O. Murdock	210,000	7.14%	225,000

15

Additionally, the Committee approved equity compensation awards to all NEOs. The awards consist of options to purchase shares of our common stock and performance stock unit awards, both granted under our 2005 Long-Term Incentive Plan. The options vest in three equal annual installments, beginning the first anniversary of the grant date. The performance unit awards vest based on achievement of goals established for operating income and growth in revenues over a three-year performance period. The number of shares vested under the performance unit awards following conclusion of the performance period will be determined based on the level at which the goals are achieved. The number of shares vesting can range from 60% of the performance unit awards if minimum thresholds are achieved to a maximum of 150%.

Perquisites and Other Benefits

Our executive officers are eligible to participate in our medical, dental, vision, flexible spending, 401(k), life and disability programs on substantially the same terms as eligible non-executive employees, subject to legal limits on the amounts that may be contributed or paid to executive officers under these plans. No significant perquisites are provided to our executive officers.

Post-Employment Obligations

We believe that modest post-employment benefits are an important factor in maintaining the stability of our executive management team. We have separate severance arrangements with each of our executive officers under their respective employment agreement or employment offer. These documents outline the terms and conditions of the post employment benefits. The agreements provide that Nautilus will pay severance of six months or, in the case of Mr. Cazenave, twelve months, and four months for Mr. Murdock, of the employee's base salary in the event of an involuntary termination of employment for reasons other than cause. In general, the definition of "cause" includes: indictment or conviction of the employee for a crime that, in our judgment, makes the employee unfit or unable to perform his or her duties, or adversely affects our reputation; employee dishonesty related to his or her employment; violation of key company policies; insubordination; serious conflicts of interest or self-dealing; intentional or grossly negligent conduct by the employee that is significantly injurious to us; certain serious performance failures by the employee; and, death or disability of the employee. In addition, if the employee leaves for "good reason" (as such terms are defined in the incumbents employment agreement), the Company may be obligated to pay separation benefits to the employee. Additionally, Mr. Collins is eligible to receive four months of base salary upon termination per the terms of his employment offer.

The agreements with our executives also provide for continuation, during the severance period, of health benefits under COBRA for the employee and covered dependents, at active employee premium rates. Refer to the table entitled "Other Potential Post-Employment Payments" and related notes for information regarding severance and post-employment benefits that may be payable to our NEOs upon their termination.

Severance payments are made in accordance with our normal payroll cycle over the severance period. With the exception of Mr. Cazenave, severance payments for our NEOs will cease in the event the employee obtains subsequent employment, within the salary continuation period, at a salary equal to the employee's salary at the time of termination. Severance payments will be reduced in the event the NEO, with the exception of Mr. Cazenave, obtains subsequent employment, within the salary continuation period, at a salary less than the employee's salary at the time of termination. Distributions are subject to certain restrictions imposed by Internal Revenue Code Section 409A.

Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code limits the amount we can deduct for compensation paid to our Chief Executive Officer and three other most highly-compensated executive officers (excluding the Chief Financial Officer) in any year to \$1 million. The limit on deductibility does not apply to performance-based compensation meeting

certain requirements.

The Compensation Committee generally reviews and considers the deductibility of executive compensation under Section 162(m) when determining the compensation of executive officers however, the Committee also believes that it is important to preserve flexibility in administering compensation programs in a manner designed to promote varying corporate goals. Accordingly, we have not adopted a policy that all compensation must qualify as deductible under Section 162(m). Base salary is not performance-based under Section 162(m), and our short-term incentive awards do not meet the performance-based compensation requirements of Section 162(m) because these awards are not granted under a shareholder-approved plan. Similarly, performance based restricted stock unit awards do not meet the requirements of Section 162(m) because the applicable performance criteria have not been specifically approved by the shareholders. In fiscal 2013 a portion of the compensation paid to Mr. Cazenave was not deductible.

Amounts reflect potential payments to our NEOs under our short-term incentive program for the year ended December 31, 2013. For amounts actually earned by our NEOs in 2013, see “Summary Compensation Table” located herein. Participation in the program is limited to those executives who are employed by the Company at the time the incentive payments are made. The threshold is calculated assuming the company financial factor and the key strategic initiatives are achieved at the minimum level, and the employee achieving an estimated lowest payout level at 5% for individual contribution. The target payout is calculated assuming company financial factor and the key strategic initiatives are achieved at 100%, and the employee obtaining 100% of the target payout level for individual contribution. The maximum payout is calculated assuming company financial factor and key strategic initiatives are achieved at the maximum level, and the employee achieving the highest payout level for individual contribution while taking into consideration the overall plan maximum of 150% payout. For further information regarding our short-term incentive program, see “Short-Term Incentive Program” located herein.

Amounts reflect potential stock to be earned pursuant to performance stock unit (“PSU”) awards. The PSUs vest based on achievement of certain operating income and return on asset goals established for a three-year performance period. The number of shares vesting under the PSU awards following conclusion of the performance period will be determined based on the level at which the financial goals are achieved. The number of shares vesting can range from 60% of the PSU awards if minimum thresholds are achieved to a maximum of 150%. See Note 12 of Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2013 for additional information.

See Note 12 of Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2013 for detailed information regarding determining the fair value of stock-based awards.

The Audit Committee oversees Nautilus's financial reporting process on behalf of the Board and operates under a written charter, approved by the Audit Committee and ratified by the Board. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2013 with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

PROPOSAL NO. 2:

RATIFICATION OF APPOINTMENT OF REGISTERED INDEPENDENT PUBLIC ACCOUNTING FIRM FOR 2014

The Audit Committee has appointed Deloitte & Touche LLP, the member firms of Deloitte Touche Tomatsu and their respective affiliates (collectively, “Deloitte & Touche”) as our registered independent public accounting firm to audit our consolidated financial statements for the year ending December 31, 2014. Although we are not required to seek shareholder approval of this appointment, the Board has determined it to be sound corporate governance to do so. If the appointment is not ratified by shareholders, the Audit Committee will investigate the possible bases for the negative vote and will reconsider the appointment in light of the results of its investigation.

We employed Deloitte & Touche as our registered independent public accounting firm during 2013. There have been no disagreements with Deloitte & Touche on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of Deloitte & Touche, would have caused Deloitte & Touche to make reference to the matter in their report. A representative of Deloitte & Touche is expected to be present at the annual shareholders' meeting. The representative will be given the opportunity to make a statement on behalf of Deloitte & Touche if the representative so desires, and the representative will be available to respond to appropriate shareholder questions.

We understand the need for Deloitte & Touche to maintain objectivity and independence in its audit of our financial statements. To minimize relationships that could appear to impair the objectivity of Deloitte & Touche, our Audit Committee has restricted the non-audit services that Deloitte & Touche may provide. These determinations are among the key practices adopted by the Audit Committee in its “Policies and Procedures for the Approval of Audit and Non-audit Services Provided by the Independent Auditor,” effective April 2003.

Under these policies, with Audit Committee pre-approval, we may use Deloitte & Touche for the following categories of non-audit services: merger and acquisition due diligence and audit services; tax services; internal control reviews; employee benefit plan audits; and reviews and procedures that we engage Deloitte & Touche to undertake to provide assurances on matters not required by laws or regulations.

The following presents fees for professional audit services rendered by Deloitte & Touche for the audit of our annual financial statements for the years ended December 31, 2013 and 2012, and fees billed for other services rendered by Deloitte & Touche during those periods.

Type of Fees	2013	2012
Audit Fees	\$707,855	\$658,349
Tax Fees	73,268	139,142
All Other Fees	—	9,558
Total	\$781,123	\$807,049

“Audit fees” are fees for the audit of our consolidated financial statements included in Form 10-K, review of our condensed consolidated financial statements included in Form 10-Q and services that are normally provided by the accountant in connection with our statutory and regulatory filings or engagements, including the audit of internal control over financial reporting required by Section 404 of the Sarbanes-Oxley Act of 2002.

“Tax fees” are fees billed for tax compliance, tax advice and tax planning services rendered during the respective periods.

“All other fees” are fees billed for any services rendered during the years ended December 31, 2013 and 2012 that are not included in the first two categories, consisting of royalty contract compliance review services.

All of the services performed by Deloitte & Touche LLP in 2013 and 2012 were pre-approved in accordance with the pre-approval policy and procedures adopted by the Audit Committee. This policy describes the permitted audit, audit-related, tax and other services that the independent auditors may perform. Generally, pre-approval is provided at regularly scheduled committee meetings; however, the authority to pre-approve services between meetings, as necessary, has been delegated to the Chairman of the Audit Committee, subject to formal approval by the committee at the next regularly scheduled meeting.

The Audit Committee believes that the foregoing expenditures are compatible with maintaining the independence of our registered independent public accounting firm.

THE BOARD UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE “FOR” THE RATIFICATION OF THE AUDIT COMMITTEE'S APPOINTMENT OF DELOITTE & TOUCHE LLP AS OUR REGISTERED INDEPENDENT PUBLIC ACCOUNTING FIRM.

PROPOSAL NO. 3:
ADVISORY VOTE ON EXECUTIVE COMPENSATION

We are asking shareholders to approve, on a non-binding, advisory basis, a resolution approving our executive compensation as reported in this Proxy Statement.

We urge shareholders to read the “Compensation Discussion and Analysis” section of this Proxy Statement, which describes how our executive compensation program is designed and operates, as well as the Summary Compensation Table and other related compensation tables, which provide additional information on the compensation of our named executive officers. The Board and the Compensation Committee believe that our executive compensation program has supported and contributed to our recent and long-term success and the creation of long-term shareholder value and is effective in helping us attract and retain the high caliber of executive talent necessary to drive our business forward and build sustainable value for our shareholders.

In accordance with regulations issued under Section 14A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), we are asking shareholders to approve the following non-binding, advisory resolution at the Annual Meeting:

RESOLVED, that the compensation paid to Nautilus' Named Executive Officers, as disclosed in the Compensation Discussion and Analysis section, compensation tables and narrative discussion of the Proxy Statement for the 2014 Annual Meeting of Shareholders, is hereby APPROVED.

While this advisory resolution, commonly referred to as a “say on pay” resolution, is non-binding, the Compensation Committee will carefully review and consider the voting results when making future decisions regarding our executive compensation program.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE RESOLUTION APPROVING NAUTILUS' EXECUTIVE COMPENSATION.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, as well as persons who own more than 10% of our outstanding common stock, to file with the SEC initial reports of beneficial ownership and reports of changes in beneficial ownership of shares of our common stock. Based solely on a review of copies of such forms furnished to us and written representations from our executive officers, directors and 10% shareholders, we believe that all Section 16(a) filing requirements applicable to Nautilus were timely made with respect to the year ended December 31, 2013, except that on March 26, 2014 Robert O. Murdock, an executive officer, filed an amendment to his Form 3 originally filed on May 6, 2013. The amendment corrected the inadvertent omission of 2,500 shares owned by Mr. Murdock. The shares were issued to him pursuant to a restricted stock award in August 2007.

CODE OF ETHICS

We have adopted the Nautilus, Inc. Code of Business Conduct and Ethics (the “Code of Ethics”), which applies to all of our directors, officers and employees. HOUSEHOLDING

In accordance with applicable regulations, we deliver a single Annual Report and Proxy Statement to certain persons who share an address, unless we have been notified that such persons prefer to receive individual copies of those documents. This practice is referred to as “householding.” If you reside at an address that received only one copy of proxy materials as a result of householding, we will deliver additional copies upon oral or written request. If you wish to receive separate copies in the future, please contact us at Nautilus, Inc., 17750 S.E. 6th Way, Vancouver, Washington 98683, or by phone at (360) 859-2900. If you and others living at your address received multiple copies of proxy materials and prefer to receive a single copy, you may request that a single copy be sent in the future by contacting us as described above.

OTHER MATTERS

As of the date of this proxy statement, the Board is not aware of any other matters that may come before the Annual Meeting. The persons named in the enclosed proxy card intend to vote the proxy in accordance with their best judgment if any other matters properly come before the Annual Meeting.

We will provide, without charge, on the written request of any beneficial owner of shares of our common stock entitled to vote at the Annual Meeting, a copy of our Annual Report on Form 10-K as filed with the SEC for our fiscal year ended December 31, 2013. Written requests should be mailed to Nautilus, Inc., 17750 S.E. 6th Way, Vancouver, Washington 98683, Attn: Company Secretary.

Please return the enclosed proxy card as soon as possible. Unless a quorum consisting of a majority of the outstanding shares entitled to vote is represented at the Annual Meeting, no business can be transacted. Therefore, please be sure to date and sign your proxy card exactly as your name appears on your stock certificate and return it in the enclosed postage prepaid return envelope. Please act promptly to ensure that you will be represented at this important meeting.
