Item 7.01. Regulation FD Disclosure

On September 30, 2005, the Registrant announced that it was featured in a September 29 article in the Wall Street Journal, front page Marketplace section.

The article highlighted the MiniBOSS™ solution and how the advanced technology is being used to prevent the growing cargo theft problem in the United States. Based on FBI statistics quoted in the article, retailers lose \$10 to \$15 billion dollars a year from cargo theft. Losses skyrocket to \$50 billion dollars annually when including insurance claims, investigation and consumer costs. The article expressed additional concerns from a US Government office in that profits from cargo theft are being used to fund terrorist organizations
