**ZIONS BANCORPORATION TO ISSUE NEW
EMPLOYEE STOCK OPTION APPRECIATION
RIGHTS SECURITIES (ESOARS™)**

SALT LAKE CITY, April 26, 2007 — Zions Bancorporation (NASDAQ: ZION) announced today that it will conduct an auction of Employee Stock Option Appreciation Rights Securities (ESOARS™) in conjunction with the granting of new employee stock options. ESOARS were developed by Zions to establish a market-based method for valuing employee stock option grants that complies with Statement of Financial Accounting Standards (FAS) No. 123R. In January, the SEC Office of the Chief Accountant informed Zions that the instrument is sufficiently designed for FAS 123R purposes.

“This valuation method uses an auction of a tracking security - ESOARS - that we believe will prove to be the best way to obtain the fair market value of employee stock options,” said W. David Hemingway, executive vice president at Zions. “The SEC’s support for the method further validates its use in determining the expense recognized for these options.”

The Zions board of directors is expected to approve a grant of employee stock options on May 4, 2007. Zions plans to offer approximately 98,770 ESOARS in connection with the anticipated grant. The offering is designed to establish an

estimate of the value of these options. Zions plans to use this value to determine the compensation expense of the employee stock options. The auction will be held from 5:00 p.m. EDT, on May 4, 2007 until 3:30 p.m. EDT on May 7, 2007. It will automatically be extended if any bid that would change the allocation of ESOARS is received in the final two minutes of the auction. There is no limit to the number of two-minute periods by which the auction may be extended.

Additional information about ESOARS can be found at www.esoars.com, by calling 1-800-554-1688 or by sending an e-mail to ESOARS@zionsdirect.com The reference options will vest ratably over three years, have an exercise price equal to the market closing price of our shares of common stock on May 4, 2007 and will expire on May 3, 2014.
