Item 8.01 Other Events.

On November 13, 2015, Alliance Data Systems Corporation (the "Company") priced an offering of €300 million aggregate principal amount of 5.25% Senior Notes due 2023 (the "Notes") at an issue price of 100% of the aggregate principal amount of the Notes, plus any accrued interest thereon. The Notes will be general unsecured senior obligations of the Company, will be guaranteed on a senior unsecured basis by certain subsidiaries of the Company and will pay interest semi-annually. The offering of the Notes is expected to close on November 19, 2015, subject to customary closing conditions. The Company estimates that the net proceeds from this offering will be approximately \$329.5 million, after deducting the initial purchasers' discounts and estimated expenses of the offering payable by the Company. The Company intends to use approximately \$111.8 million (€100.0 million) of the net proceeds from this offering for general corporate purposes, which may include the funding of the purchase price for the acquisition of an additional 10% interest in Brand Loyalty Group B.V. ("BrandLoyalty"), with the remaining net proceeds to be used to repay a portion of the outstanding indebtedness under the Company's revolving credit facility. For purposes of calculating the net proceeds in U.S. dollars, the Company used the exchange rate of a U.S. dollar to Euro as of September 30, 2015.

The Notes will be offered and sold only to qualified institutional buyers in the United States pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and to certain non-U.S. persons in offshore transactions in accordance with Regulation S under the Securities Act. The Notes will not be registered under the Securities Act or any other securities laws and may not be offered or sold absent registration or an applicable exemption from such registration requirements where the Notes are offered.

This report is neither an offer to sell nor a solicitation of an offer to buy these securities and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale is unlawful.
