General Information

The questions and answers set forth below provide general information regarding this proxy statement and our Annual Meeting of Shareholders.

When are our Annual Report to shareholders and this proxy statement first being sent to shareholders?

Our Annual Report to shareholders and this proxy statement are being sent to shareholders beginning on or about March 31, 2004.

What will shareholders be voting on?

1. The election of three Trustees, each for a three-year term.
2. Any other business that properly comes before the meeting for a vote.

Who is entitled to vote at the Annual Meeting and how many votes do they have?

Common shareholders of record at the close of business on March 15, 2004 may vote at the Annual Meeting. Each share has one vote. There were 30,947,513 common shares outstanding on March 15, 2004.

How do I vote?

You must be present, or represented by proxy, at the Annual Meeting in order to vote your shares. Since many of our shareholders are unable to attend the Annual Meeting in person, we send proxy cards to all of our shareholders to enable them to vote.

What is a proxy?

A proxy is a person you appoint to vote on your behalf. If you complete and return the enclosed proxy card, your shares will be voted by the proxies identified on the proxy card.

By completing and returning this proxy card, who am I designating as my proxy?

You will be designating Clay W. Hamlin, III, our Chief Executive Officer, and Randall M. Griffin, our President and Chief Operating Officer, as your proxies. They may act on your behalf together or individually and will have the authority to appoint a substitute to act as proxy.

How will my proxy vote my shares?

Your proxy will vote according to the instructions on your proxy card. **If you complete and return your proxy card but do not indicate your vote on business matters, your proxy will vote FOR Proposal 1.** We do not intend to bring any other matter for a vote at the Annual Meeting, and we do not know of anyone else who intends to do so. However, your proxies are authorized to vote on your behalf, in their discretion, on any other business that properly comes before the Annual Meeting.

How do I vote using my proxy card?

Simply mark, sign and date the enclosed proxy card and return it in the postage-paid envelope provided. If you hold your shares through a broker, bank or other nominee, you will receive separate instructions from the nominee describing how to vote your shares.

How do I revoke my proxy?

You may revoke your proxy at any time before your shares are voted at the Annual Meeting by:

Notifying our Secretary, Karen M. Singer, in writing at 8815 Centre Park Drive, Suite 400, Columbia, Maryland 21045, that you are revoking your proxy;

Executing a later dated proxy card; or

Attending and voting by ballot at the Annual Meeting.

Who will count the votes?

An officer of Corporate Office Properties Trust will act as the inspector of election and will count the votes.

What constitutes a quorum?

As of March 15, 2004, Corporate Office Properties Trust had 30,947,513 common shares outstanding. A majority of the outstanding shares, present or represented by proxy, constitutes a quorum. If you sign and return your proxy card, your shares will be counted in determining the presence of a quorum, even if you withhold your vote. If a quorum is not present at the Annual Meeting, the shareholders present in person or by proxy may adjourn the meeting to a date not more than 120 days after March 15, 2004 until a quorum is present.

How will my vote be counted?

With respect to Proposal 1, the election of Trustees, votes may be cast in favor of or withheld from one or all nominees. Votes that are withheld will not be included in the vote.

What percentage of our common shares do the Trustees and executive officers own?

Our Trustees and executive officers owned approximately 24.9% of our beneficially owned common shares as of March 15, 2004. (See the discussion under the heading "Share Ownership of our Trustees, Executive Officers and 5% Beneficial Owners" for more details.)

What vote is required to elect Trustees?

Trustees are elected by a plurality of the votes, which means that the nominees with the most votes are elected.

What vote is required on other matters?

A majority of the votes cast at a meeting of shareholders is required to approve any other matter unless a greater vote is required by law or by the Declaration of Trust. An abstention on such matters will have the same effect as a vote against. Where brokers are prohibited from exercising discretionary authority in voting for beneficial owners who have not provided voting instructions (commonly referred to as broker non-votes), these shares will not be included in the votes cast but will be counted in determining if there is a quorum at the meeting.

Who is soliciting my proxy, how is it being solicited and who pays the cost?

Our Board of Trustees is soliciting your proxy. The solicitation process is being conducted primarily by mail. However, proxies may also be solicited in person, by telephone or facsimile. Wells Fargo Bank, N.A., our transfer agent, will be assisting us for a fee of approximately \$3,500, plus out-of-pocket expenses. We pay the cost of soliciting proxies and also reimburse stockbrokers and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation material to the owners of common shares.

When are shareholder proposals and Trustee nominations for our 2005 Annual Meeting due?

In accordance with our bylaws, notice relating to nominations for Trustees or proposed business to be considered at the 2005 Annual Meeting must be given no earlier than February 13, 2005 and no later than March 14, 2005. These requirements do not affect the deadline for submitting shareholder proposals for inclusion in the proxy statement (discussed in the question and answer below), nor do they apply to questions a shareholder may wish to ask at the meeting.

When are shareholder proposals intended to be included in the proxy statement for the 2005 Annual Meeting due?

Shareholders who wish to include proposals in the proxy statement must submit such proposals in accordance with regulations adopted by the Securities and Exchange Commission. Shareholder proposals for the 2005 Annual Meeting must be submitted in writing by December 1, 2004. In addition, shareholders may wish to have a proposal presented at the 2005 Annual Meeting but not to have such proposal included in the proxy statement. Pursuant to our bylaws, notice of any such proposal must be received by us between February 13, 2005 and March 14, 2005. If it is not received during this period, such proposal shall be deemed untimely for purposes of Rule 14a-4(c) under the Exchange Act, and, therefore, the proxies will have the right to exercise discretionary voting authority with respect to such proposal.

Any shareholder proposals must be submitted to Karen M. Singer, Vice President, General Counsel and Secretary, at 8815 Centre Park Drive, Suite 400, Columbia, Maryland 21045. You should submit any proposal by a method that permits you to prove the date of delivery to us.

How can shareholders send communications to the Board of Trustees?

Edgar Filing: CORPORATE OFFICE PROPERTIES TRUST - Form DEF 14A

Shareholders who wish to communicate with the members of our Board of Trustees may communicate with the independent Trustees or the chairperson of any of the committees of the Board of Trustees by e-mail or regular mail. Communications by e-mail should be sent to karen.singer@copt.com. Communications by regular mail should be sent to the attention of the Chairperson, Audit Committee, Chairperson, Compensation Committee, Chairperson, Nominating

and Corporate Governance Committee, or Chairperson, Investment Committee or to the independent Trustees as a group to the Independent Trustees, each c/o Karen M. Singer, Vice President, General Counsel and Secretary, at 8815 Centre Park Drive, Suite 400, Columbia, Maryland 21045.

All communications received in accordance with this process will be reviewed by Management to determine whether the communication requires immediate action. Management will pass on all communications received, or a summary of such communications, to the appropriate Trustee or Trustees. However, Management reserves the right to disregard any communication that it determines is unduly hostile, threatening, illegal, does not reasonably relate to us or our business or is similarly inappropriate, and has the authority to discard or disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications.

Proposal 1 Election of Trustees

The terms of our three Class III Trustees expire upon the election of their successors at the Annual Meeting. Corporate Office Properties Trust, through the Nominating Committee of the Board of Trustees, has nominated Jay H. Shidler, Clay W. Hamlin, III and Kenneth S. Sweet, Jr. for election as Class III Trustees at the Annual Meeting. Each of these nominees has agreed to serve a three-year term if elected.

Jay H. Shidler, age 57, has been Chairman of our Board of Trustees since October 1997. Mr. Shidler is the founder and Managing Partner of The Shidler Group. A nationally acknowledged expert in real estate, investment and finance, Mr. Shidler has over 35 years of experience in real estate investment and has acquired and managed properties involving several billion dollars in aggregate value. Since 1970, Mr. Shidler has been directly involved in the acquisition and management of over 1,000 properties in 40 states and Canada. Mr. Shidler is a founder and Chairman of the Board of Directors of First Industrial Realty Trust, Inc. Since March 2002, Mr. Shidler has served as a Director of Primus Guaranty, Ltd., a Bermuda holding company of which Mr. Shidler is a founder and whose subsidiary is a AAA-rated financial products company.

Clay W. Hamlin, III, age 59, has been one of our Trustees and our Chief Executive Officer since October 1997. He was our President from October 1997 until September 1998. From May 1989 until joining us, Mr. Hamlin was the Managing Partner of The Shidler Group's Mid-Atlantic region, where he supervised the acquisition, management and leasing of over four million square feet of commercial property. He has been active in the real estate business for 25 years. Mr. Hamlin is also a founding shareholder of First Industrial Realty Trust, Inc.

Kenneth S. Sweet, Jr., age 71, has been one of our Trustees since October 1997. Mr. Sweet is Chairman of GSA Management, LLC and Managing Director of GS Capital, LP, a venture capital and real estate partnership that he founded in 1994. In 1971, Mr. Sweet founded K.S. Sweet Associates, which developed and managed over one billion dollars in real estate assets. From 1957 to 1971 he was with The Fidelity Mutual Life Insurance Company, serving as Executive Vice President and Chief Investment Officer from 1965 to 1971. Mr. Sweet serves as a Director, Chairman of the Real Estate Committee and a member of the Finance Committee of Main Line Health. He also serves as Chairman of Bryn Mawr Hospital Foundation and Main Line Realty, a real estate partnership between The Lankenau Foundation and Main Line Health.

If any nominee is unable to stand for election, which we do not presently contemplate, the Board of Trustees may provide for a lesser number of Trustees or designate a substitute. In the latter event, shares represented by proxies will be voted for a substitute nominee.

The Board of Trustees recommends a vote FOR each of the listed nominees in Proposal 1.

Our Board of Trustees

How is the Board of Trustees classified?

Our Declaration of Trust provides for three classes of Trustees: Class I Trustees, Class II Trustees and Class III Trustees. You will elect successors to our Class III Trustees at the 2004 Annual Meeting of Shareholders. Our shareholders will elect successors to our Class I Trustees in 2005 and Class II Trustees in 2006. All Trustees will be elected for three-year terms.

Besides the three nominees for election, who are the other members of our Board of Trustees?

Name	Age	Office	Class
Thomas F. Brady	54	Trustee	II
Betsy Z. Cohen	62	Trustee	I
Robert L. Denton	51	Trustee	I
Steven D. Kesler	52	Trustee	II
Kenneth D. Wethe	62	Trustee	II

Thomas F. Brady has been one of our Trustees since January 2002. Mr. Brady is Executive Vice President, Corporate Strategy and Development at Constellation Energy Group (CEG) with responsibility for setting corporate strategy and managing acquisition activity. He assumed this position in 1999. In addition, since 2002 he has served as Board Chairman and managing executive for the following CEG affiliates: Constellation NewEnergy, BGE Home Products & Services and Constellation Energy Source, as well as certain non-regulated ventures (international power, real estate and investments). Between 1988 and 1998, Mr. Brady held various executive officer positions at Baltimore Gas & Electric Company, including Vice President and Chief Accounting Officer and Vice President in charge of regulated energy distribution and customer service operations. Mr. Brady also serves as a Trustee/Director of the Maryland Chamber of Commerce, Villa Julie College and the Baltimore Classic Fund and Chairman of the Maryland Public Broadcasting Commission.

Betsy Z. Cohen has been one of our Trustees since May 1999. Mrs. Cohen has been Chairman, Chief Executive Officer and Trustee of RAIT Investment Trust, a real estate investment trust, since August 1997. She has also served as Chief Executive Officer of TheBancorp.com, Inc. since July 2000 and as a Director of The Maine Merchant Bank, LLC and Aetna, Inc. From December 1999 to March 2000, Mrs. Cohen also served as a Director of Hudson United Bancorp, a holding company that was the successor to JeffBanks, Inc., where she had been Chairman and Chief Executive Officer since its inception in 1981, and she was formerly Director of First Union Corp. of Virginia and its predecessor, Dominion Bankshares, Inc.

Robert L. Denton has been one of our Trustees since May 1999. Mr. Denton joined The Shidler Group in 1994 and is currently a Managing Partner and the resident principal in its New York office. From 1991 to 1994, Mr. Denton was a Managing Director with Providence Capital, Inc., an investment-banking firm that he co-founded.

Steven D. Kesler has been one of our Trustees since September 1998. Mr. Kesler served as the Chief Executive Officer and/or President of Constellation Investments, Inc. from 1988 and the Chief Executive Officer and President of Constellation Real Estate, Inc. and Constellation Health Services, Inc. from 1998 until his retirement in 2003; all of these entities were wholly-owned indirect subsidiaries of CEG. In these roles, Mr. Kesler managed a corporate investment entity, CEG's pension plan and nuclear decommissioning trust, a portfolio of real estate assets and a portfolio of assisted living assets. Mr. Kesler serves on the Board of Directors of Ace Guaranty Corporation, a financial guaranty company, and Atapco, Inc., a private real estate and investment company.

Kenneth D. Wethe has been one of our Trustees since January 1990. Since 1990, Mr. Wethe has been the owner and

principal officer of Wethe & Associates, a Dallas-based firm providing independent risk management, insurance and employee benefit services to school districts and governmental agencies. Mr. Wethe has over 25 years experience in the group insurance and employee benefits area.

How do we determine whether our Trustees are independent?

In order for our Board of Trustees to effectively serve in their capacity, it is important, and the New York Stock Exchange mandates, that they be independent from Corporate Office Properties Trust. Therefore, we require that a substantial majority of the Board of Trustees be independent. No Trustee will be considered independent unless the Board affirmatively determines that the Trustee has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). The following per se exclusions apply to the determination of Trustee independence: a Trustee will not be deemed independent until three years after the end of any of the following relationships or situations: (i) the Trustee is employed by the Company or his/her immediate family member is an executive officer of the Company; (ii) the Trustee or his/her immediate family member who is an executive officer of the Company receives, in any year, more than \$100,000 in direct compensation from the Company (other than Trustee and committee fees and pension or other forms of deferred compensation for prior service, provided such compensation is not contingent on continued service), (iii) the Trustee is employed by or affiliated with, or a member of the Trustee's immediate family is employed by or affiliated with, the Company's present or former internal auditors or outside independent auditors; (iv) the Trustee or a member of his/her immediate family is employed as an executive officer of another entity where any of the Company's then-current executives serves on that other entity's compensation committee; or (v) the Trustee is an executive officer or an employee, or a member of his/her immediate family is an executive officer, of another company that makes payments to or receives payments from the Company for property or services in an amount which, in any year, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues.

Are our Trustees independent of Corporate Office Properties Trust?

The Board of Trustees has determined that each of our Trustees meet the independence guidelines described above except for Clay W. Hamlin, III, our Chief Executive Officer.

What is our policy regarding Trustee attendance at regularly scheduled meetings of the Board of Trustees and annual meetings of shareholders?

The Board of Trustees holds a minimum of four regularly scheduled meetings per year, including the annual meetings of the Board held in conjunction with our annual meetings of shareholders. Trustees are expected to attend all regularly scheduled meetings and to have, prior to the meetings, reviewed all written meeting materials distributed to them in advance. Trustees are expected to be physically present at all regularly scheduled meetings, and a Trustee who is unable to attend a meeting is expected to notify the Chairman of the Board of Trustees in advance of such meeting. If a Trustee attends a regularly scheduled meeting by telephone for the entire meeting, such Trustee shall be deemed to have attended the meeting for the purposes of determining whether a quorum exists and for voting purposes. However, a Trustee may not send a representative with a proxy to vote on his or her behalf if such Trustee is not able to attend a scheduled meeting, either in person or by telephone.

Trustees are expected to be present at our annual meetings of shareholders. All of our Trustees attended the Annual Meeting of Shareholders that took place on May 15, 2003.

What is our policy regarding meeting of non-management Trustees?

The non-management Trustees of the Board will meet in executive session at least one time per year without any Management Trustees or any other members of the Company's Management present. The chairperson of the Nominating and Corporate Governance Committee will preside at the executive sessions. The Trustees may meet in executive session at any time to consider issues that they deem important to address without Management present.

How are the Trustees compensated?

Employee Trustees receive no compensation, other than their normal salary, for serving on the Board of Trustees or its committees.

Non-employee Trustees receive the following:

\$20,000 annual retainer;

\$1,000 per quarterly meeting;

\$500 per other meeting;

Reimbursement for out-of-pocket expenses, such as lodging costs incurred in connection with meeting attendance; and

Annual grants of options to purchase 5,000 common shares with an exercise price equal to the fair market value of the common shares on the date of grant. These options are exercisable beginning one year from the date of grant and expire ten years after the date of grant.

What are the current committees of our Board of Trustees?

The Board of Trustees currently has four committees: (i) the Audit Committee; (ii) the Nominating and Corporate Governance Committee; (iii) the Investment Committee; and (iv) the Compensation Committee. Descriptions of these committees are set forth below:

The Audit Committee oversees the following:

the integrity of the Company's financial statements and other financial information provided by the Company to its shareholders and the investment community;

the Company's compliance with legal and regulatory requirements and ethical behavior;

the Company's retention of independent auditors, including oversight of their performance, qualifications and independence, as well as the terms of their engagement; and

the Company's financial reporting process, internal control systems and internal audit function.

The committee also provides an avenue for communication among the Company's independent auditors, internal auditors, Management and the Board of Trustees. All members are independent non-employee Trustees.

The Nominating and Corporate Governance Committee serves the following purposes:

recommends to the Board of Trustees the structure and operations of the Board of Trustees;

identifies individuals qualified to serve as Trustees and recommends that the Board of Trustees select the Trustee nominees identified by the committee for election at the next annual meeting of shareholders;

recommends to the Board of Trustees the responsibilities of each Board of Trustees committee, the structure and operation of each Board of Trustees committee and the Trustee nominees for assignment to each Board of Trustees committee;

oversees the Board of Trustees annual evaluation of its performance and the performance of other Board committees; and

develops and recommends to the Board of Trustees for adoption a set of Corporate Governance Guidelines applicable to the Company and periodically reviews the same.

In February 2004, the Board of Trustees approved a charter that outlines the practices of the Nominating and Corporate Governance Committee. A copy of the charter is attached to this proxy statement as Exhibit A, and will be available on our website no later than the time of the Annual Meeting of Shareholders. Prior to February 2004, the Nominating and Corporate Governance Committee was called the Nominating Committee, and its responsibilities involved primarily the consideration and recommendation of nominees for election as Trustees and officers. One of the two members on the committee in 2003, Clay W. Hamlin, III, was not independent of Corporate Office Properties Trust; in February 2004, Mr. Hamlin resigned from this committee and the Board of Trustees added Robert L. Denton and Kenneth S. Sweet, Jr. The committee in its current form has not yet held a meeting.

The Investment Committee approves all of our real estate investments, acquisitions and dispositions and substantially all of our borrowings. Investments of greater than \$50 million must also be approved by the full Board of Trustees.

The Compensation Committee administers executive compensation programs, policies and practices. The committee also recommends senior management compensation to the Board of Trustees and administers our executive incentive plans. All members are independent non-employee Trustees.

The committees on which Trustees served and the number of meetings held during 2003 are set forth below.

Board Member	Audit	Nominating (1)	Investment	Compensation
Jay H. Shidler		ü	ü	
Betsy Z. Cohen	ü			
Thomas F. Brady				ü

Meetings Held in 2003	10	1	5	8

(1) In February 2004, this committee was re-organized into the Nominating and Corporate Governance Committee. In conjunction with this re-organization, Clay W. Hamlin, III resigned from the committee and Robert L. Denton and Kenneth S. Sweet, Jr. were added.

During 2003, the Board of Trustees held four quarterly meetings and three special meetings. Each Trustee attended at least 75% of the aggregate of the meetings of the Board of Trustees and meetings held by all committees on which such Trustee served during the time such Trustee served.

How are our Trustees nominated?

The Nominating and Corporate Governance Committee of the Board of Trustees is responsible for recommending nominations to the Board of Trustees and shareholders. In arriving at nominations, the Nominating and Corporate Governance Committee reviews with the Board of Trustees on an annual basis the size, function, and needs of the Board of Trustees and, in doing so, takes into account that the Board of Trustees as a whole should have competency in the following areas: (i) industry knowledge; (ii) accounting and finance; (iii) business judgment; (iv) management; (v) leadership; (vi) public real estate investment trusts and commercial real estate business; (vii) business strategy; (viii) crisis management; (ix) corporate governance; and (x) risk management. The Board of Trustees also seeks members from diverse backgrounds so that the Board of Trustees consists of members with a broad spectrum of experience and expertise and with a reputation for integrity and ethical behavior. Trustees should have experience in positions with a high degree of responsibility, be leaders in the companies or institutions with which they are affiliated, and be selected based upon contributions that they can make to the Company. In determining whether to recommend a Trustee for re-election, the Nominating and Corporate Governance Committee also considers the Trustee's past attendance at meetings and participation in and contributions to the activities of the Board of Trustees and committees of the Board of Trustees on which he or she served.

The Nominating and Corporate Governance Committee has a policy regarding consideration of shareholder recommendations for Trustee nominees, which is set forth below:

The committee considers nominees recommended by the Company's common shareholders using the same criteria it employs in identifying its own nominees, provided any such shareholder submits the following information to the Chairman of the Nominating and Corporate Governance Committee c/o Karen M. Singer, Vice President, General Counsel and Secretary, 8815 Centre Park Drive, Suite 400, Columbia, Maryland 21045 by the date that is 120 days prior to the one-year anniversary of the date of the mailing of the Company's proxy statement for its most recent annual meeting of shareholders:

the name of the candidate and the information about the individual that would be required to be included in a proxy statement under the rules of the Securities and Exchange Commission;

information about the relationship between the candidate and the nominating shareholder;

the consent of the candidate to serve as a Trustee;

proof of the number of shares of the Company's common shares that the nominating shareholder owns and the length of time the shares have been owned; and

a separate statement of the candidate's qualifications relating to Board of Trustees membership criteria.

Report of the Compensation Committee

Overview

The Compensation Committee of Corporate Office Properties Trust's Board of Trustees (the Compensation Committee) is comprised of the two non-employee, independent Trustees named below. The Committee regularly reviews executive compensation levels and policies and makes recommendations to the Board of Trustees regarding these compensation levels and policies.

Philosophy of Executive Compensation

The Company's executive compensation philosophy is to align compensation levels of the Chief Executive Officer and other executives with the long-term interests of the Company's shareholders. The compensation philosophy is designed to motivate executives to focus on operating results and create long-term shareholder value by:

Establishing a plan that attracts, retains and motivates executives through compensation that is competitive with a peer group of other Real Estate Investment Trusts (REITs). The REITs in this peer group generally include office REITs and REITs with a comparable market capitalization;

Linking a portion of executives' compensation with the achievement of the Company's business plan by using measurements of the Company's operating results and shareholder return; and

Building a pay-for-performance system that encourages and rewards successful initiatives within a team environment.

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the deductibility on the Company's income tax return to compensation of \$1 million for certain executive officers unless, in general, the compensation is paid pursuant to a plan that is performance-related, nondiscretionary and has been approved by the Company's shareholders. The Compensation Committee's policy with respect to Section 162(m) is to make reasonable efforts to ensure that compensation is deductible to the extent permitted, while simultaneously providing the Company's executives with appropriate rewards for their performance.

Types of Compensation

The executive compensation plan has been structured to provide short and long-term incentives for executive performance that promote continuing improvements in the Company's financial results and returns to shareholders. The elements of the Company's executive compensation are primarily comprised of the following, with all three elements designed to complement each other in satisfying the ultimate goal of creating long-term shareholder value:

Base salaries. Base salaries are paid for ongoing performance throughout the year.

Annual incentive awards. The Company's philosophy of awarding annual incentive awards (cash bonuses) is designed to relate executive pay to Company and business unit performance. At the beginning of each year, the Compensation Committee establishes defined bonus levels for different thresholds of Company and business unit performance, all determined by defined measures. Actual bonuses are determined once the outcome of these defined measures is known. The Committee's process for determining the amount of these awards is discussed in greater detail below.

Long-term incentive awards. Long-term incentive awards are designed to link executive compensation to the Company's long-term common share performance. Since these awards typically vest over a period of time, such awards also encourage the executives to remain with the Company. Long-term incentive awards typically take the following forms:

Common shares subject to forfeiture restrictions (restricted shares). The Company periodically issues restricted shares to the executive officers except for the Company's Chief Executive Officer (see the section entitled Chief Executive Compensation below). The forfeiture restrictions of specified percentages of these shares lapse annually throughout their respective terms (running through 2004 to 2009) as the executives remain employed by the Company; the lapsing of forfeiture restrictions for 484,375 of these shares issued in 1999 and 2000 was also dependent on the Company's attainment of defined targets for diluted funds from operations per share (a measurement used by equity REITs to evaluate financial performance) and shareholder return, and all such targets were fully met by 2002. The Committee's process for determining the amount of these awards is discussed in greater detail below.

Common share options. The Company periodically grants executives common share options. These options vest over a defined period of time as the executive remains employed by the Company. The vesting schedules for option grants vary, with some grants vesting immediately, some grants vesting in defined increments annually over a defined period and some grants vesting 100% once a longer defined period of time has lapsed.

Chief Executive Officer Compensation

Clay W. Hamlin, III served as the Company's Chief Executive Officer during 2003. The compensation awarded to Mr. Hamlin consisted primarily of a base salary. The Compensation Committee considers the value of executives' equity ownership in the Company in determining their total compensation. Since Mr. Hamlin has a substantial equity ownership in the Company, his total compensation has traditionally been set below the median in the REIT peer group for that position; therefore, he did not receive an increase in annual salary, a bonus or a long term incentive award grant in 2003. Mr. Hamlin's level of total compensation is not indicative of his individual performance or contribution to the success of the Company, and the Compensation Committee may take action in future years to increase his total compensation.

Process for Determining Compensation of Other Executives

In order to implement the Company's compensation philosophy, the Compensation Committee exercises its independent discretion in reviewing and recommending executive compensation to the Board of Trustees. Each year, the Committee uses an external consultant to obtain executive compensation information for a peer group of REITs. Facets of this information pertaining to each executive position that are of particular interest to the Committee include the following: (1) compensation levels in total and by element of compensation; (2) percentage of total compensation derived from compensation categories; and (3) value of company equity (common shares, common share equivalents and common share options) owned. The Committee compares each executive's compensation to the median levels for the comparable position within the peer group and generally uses these median levels as a guideline for establishing executive compensation recommendations.

In 2003, executive annual base salaries were established effective in July. Each executive was evaluated for his individual performance and contribution to the success of the Company and, where applicable, his business unit. In arriving at a recommendation for an executive's base salary, the Compensation Committee generally viewed the median base salary level for the comparable position

in the REIT peer group as the appropriate salary for an executive who achieved the goals and objectives of his position in the opinion of the Committee. To the extent certain executives' performances were deemed to exceed the objectives of his position, the Committee recommended a base salary that was in a higher percentile of the REIT peer group.

The Compensation Committee used REIT peer group bonus information, along with a summary of the objectives for the Company and certain of its business units in 2003, to establish defined annual incentive awards (cash bonuses) based on different thresholds of performance, as determined by defined measures. The Committee used the median bonus level for executive positions in the REIT peer group as a guideline for determining an executive's bonus when the Company and the executive's business unit met target performance levels. The Committee also established a bonus level of up to 150% of the target performance bonus for when higher performance levels were met and a lower bonus level for when lower performance levels were met (bonuses are generally not paid if a defined threshold performance level is not met). The measures used in defining Company performance objectives for determining bonuses were diluted funds from operations per share and diluted adjusted funds from operations per share (both of which are measurements used by equity REITs to evaluate financial performance). The measures used in defining business unit performance were tailored to apply to the nature of the business units' operations; examples of these measures include value of acquisitions, property occupancy and results of tenant service surveys. The measures used in computing the bonus of the Chief Operating Officer only include the Company performance measures described above. The measures used in computing the bonuses of the other executives include the Company performance measures described above as well as the measures applicable to those executives' respective business units. Actual bonuses were determined once the outcome of those defined measures was known. For all of the other executives, the Committee recommended bonuses that exceeded the amounts derived from the process described above in recognition of those executives' exceptional performance in the opinion of the Committee.

In 2003, the Compensation Committee recommended long-term incentive awards for the other executives in recognition of Company and executive achievements in 2002. The Committee used REIT peer group information to assist in determining levels of executive long-term incentive awards by using median compensation levels for the peer group as a guideline. The Committee's decision to recommend long-term incentive awards was also influenced by the executives' performance. Restricted shares were granted to all of the other executive officers to recognize those executives' strong performance in the opinion of the Committee.

In September 2003, the Board of Trustees adopted a new long-term incentive plan for the other executives that applies to calendar years 2003 through 2005. Under this plan, the other executives receive a percentage of their total compensation in the form of restricted shares. The percentage of compensation that is in the form of restricted shares is initially derived based on different thresholds of Company performance, as determined by defined measures. The Committee uses the REIT peer group as a guideline for determining the percentage of an executive's total compensation that is in the form of restricted shares when the Company meets target performance levels. The Committee also establishes a maximum level of up to 150% of the target performance percentage for when higher performance levels are met and a lower percentage for when lower performance levels are met. The measures used in defining Company performance objectives for determining the percentage of compensation that is in the form of restricted shares are total shareholder return and growth in diluted funds from operations per share; these measures are computed each year on an annual and cumulative basis. The percentage of total compensation that is in the form of restricted shares can increase or decrease based upon actual performance versus objectives. Once the percentage of compensation that is in the form of restricted shares is known, the restricted common

share grant is computed. The plan also allows for additional grants under the plan that are at the discretion of the Committee based on the executive's performance and leadership. Grants of shares under this plan will vest in defined annual increments over a five-year period from the date of grant. Grants of shares were made to each of the other executives in February 2004 for the calendar year 2003.

Kenneth S. Sweet, Jr.

The Report of the Compensation Committee shall not be deemed incorporated by reference by any general statement that incorporates by reference any portion of this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such acts.

Report of the Audit Committee

The Audit Committee of Corporate Office Properties Trust's Board of Trustees (the "Audit Committee") is comprised of the four Trustees named below. Each of the Trustees meets the independence and experience requirements of the New York Stock Exchange and satisfies the Securities and Exchange Commission's additional independence requirements for members of audit committees. None of the Trustees serve on the audit committees of more than three publicly-traded companies. The Board of Trustees has determined that Kenneth D. Wethe is an "audit committee financial expert" as defined by the Securities and Exchange Commission. The Audit Committee adopted and, in February 2004, the Board of Trustees approved a charter outlining the Audit Committee's practices. A copy of the charter is attached to this proxy statement as Exhibit B.

Management is responsible for the Company's financial statements, financial reporting process, internal financial controls, compliance with legal and regulatory requirements and ethical behavior. The independent auditors are responsible for performing an independent audit in accordance with generally accepted auditing standards and for issuing an opinion as to the conformity of the Company's annual financial statements to generally accepted accounting principles. The role of the Audit Committee is to oversee these activities.

The Audit Committee met quarterly with the Company's accounting and financial management team, general counsel and independent auditors. The Audit Committee also met with the Company's accounting and financial management team and independent auditors to review the Company's annual and quarterly periodic filings containing annual and quarterly consolidated financial statements prior to the Company's submission of such filings to the Securities and Exchange Commission.

Management has represented to the Audit Committee that the Company's consolidated financial statements for the year ended December 31, 2003 were prepared in accordance with generally accepted accounting principles. The Audit Committee discussed with the independent auditors the matters required to be discussed under Statement on Auditing Standards No. 61, which addresses communication between audit committees and independent auditors. The Audit Committee received from the independent auditors the written disclosures and letter required by Independence Standards Board Standard No. 1, which addresses independence discussions between auditors and audit committees. The Audit Committee also held discussions with the independent auditors regarding their independence from the Company and its management and considered whether the independent auditor's provision of non-audit services provided to the Company during 2003 was compatible with maintaining the auditor's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Trustees that the Company's audited consolidated financial statements for the year ended December 31, 2003 be included in the Company's 2003 Annual Report to Shareholders and Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission. This report is provided by the following independent Trustees, who constitute the Audit Committee.

AUDIT COMMITTEE

The Report of the Audit Committee shall not be deemed incorporated by reference by any general statement that incorporates by reference any portion of this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such acts.

Independent Auditor

PricewaterhouseCoopers LLP (PwC) served as our independent auditor for the years ended December 31, 2003 and 2002. PwC also provided the Company with other auditing and advisory services. We are cognizant of the need for PwC to maintain its independence and objectivity in order to effectively serve in its role as independent auditor. As a result, our Audit Committee restricted the services for which PwC can be engaged to those services that could not impair or appear to impair PwC's independence and objectivity. In making this determination, the Audit Committee contemplates the nature of the services, the benefits that PwC performing such services brings both to the services and to their audit and PwC's proposed cost for providing such services.

The Audit Committee has procedures in place regarding the pre-approval of all services provided by PwC. Specifically, the Company's Management will contact the Audit Committee Chairman regarding the potential need for a service from PwC. PwC will then provide an engagement letter to Management pertaining to the service which Management reviews for the service description and proposed fee. Once Management is in agreement with the engagement letter, it will forward such engagement letter to the Audit Committee Chairman. The Audit Committee Chairman will then review the engagement letter for the criteria described in the previous paragraph and, if based on such review, he approves of the terms of the engagement letter, he will forward the letter to the other Audit Committee members requesting that they respond within a certain period of time should they not approve of the engagement letter. If the Audit Committee Chairman does not hear timely responses to the contrary, the Audit Committee Chairman is authorized to approve the engagement letter on behalf of the Audit Committee.

Certain Transactions

In 2003, we acquired two parcels of land for \$31,752,000 from affiliates of Constellation Real Estate, Inc. (Constellation). We financed \$25,668,000 of the acquisitions using seller-provided mortgage loans bearing interest at 3%; since we considered the interest rate on these loans to be below the market rate for similar loans, we discounted the recorded amounts for the acquisition and mortgage loans. Under an agreement that was terminated in March 2002, Constellation nominated two members for election to our Board of Trustees; these members still served on our Board of Trustees as of December 31, 2003. The terms of the land parcel acquisitions were determined as a result of arms-length negotiations. In management's opinion, the resulting terms reflected fair value for the property based on management's knowledge and experience in the real estate market.
