PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement is being furnished in connection with the solicitation of your proxy by the Board of Directors of 1st Colonial Bancorp, Inc. (1st Colonial Bancorp) for use at our annual meeting of shareholders to be held on April 27, 2005. Our annual report for the year ended December 31, 2004 accompanies this proxy statement. The annual report is furnished to you for your information. No part of the annual report is incorporated by reference in this document.

Record Date and Voting

Edgar Filing: 1ST COLONIAL BANCORP INC - Form DEF 14A

All holders of record of 1st Colonial Bancorp common stock at the close of business on March 1, 2005 are entitled to notice of and to vote at the meeting or any adjournment thereof. At March 1, 2005, there were 2,251,642 shares of 1st Colonial Bancorp common stock outstanding.

The holders of a majority of the outstanding shares of our common stock must be present at the annual meeting, either in person or by proxy, in order to transact business at the meeting. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining whether such a quorum is present. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

If a quorum is present at the annual meeting, the four nominees for director receiving the highest number of votes cast at the meeting will be elected as directors, and the other matters proposed in this proxy statement will be approved upon the affirmative vote of the majority of the votes cast, either by proxy or in person, by all shareholders entitled to vote on the matter. The vote required to approve any other matter that may be properly brought before the annual meeting will be determined in accordance with the Pennsylvania Business Corporation Law.

Solicitation of Proxies

This proxy statement and the accompanying proxy are first being mailed to our shareholders on or about March 25, 2005. We will pay the expense of soliciting proxies. We expect that the solicitation of proxies will be primarily by mail. Our directors, officers and employees may also solicit proxies personally, by telephone, by e-mail and by fax.

Voting and Revocation of Proxies

Your signing and returning the enclosed proxy will not affect your right to attend the annual meeting and vote in person. Any shareholder giving a proxy may revoke it at any time before it is exercised by: (1) filing with the Secretary of 1st Colonial Bancorp written notice of such revocation;

(2) submitting a duly executed proxy bearing a later date; or (3) appearing at the annual meeting and giving the Secretary notice of your intention to vote in person.

Each share of common stock outstanding on March 1, 2005, the record date for the annual meeting, will be entitled to one vote on each matter submitted to a vote at the meeting. Shareholders are not entitled to cumulative voting rights in the election of directors.

If you appropriately mark, sign and return the enclosed proxy card in time to be voted at the meeting, the shares represented by the proxy card will be voted in accordance with your instructions marked on the proxy card. Signed proxy cards not marked to the contrary will be voted: (a) FOR the election, as directors, of the Board of Directors nominees, (b) FOR the approval of the amendment of the 1st Colonial Bancorp, Inc. Employee Stock Option Plan to increase the number of shares available for issuance from 78,750 to 150,000, (c) FOR the approval of the amendment of the 1st Colonial Bancorp, Inc. MATTER NO. 1

ELECTION OF DIRECTORS

Our articles of incorporation provide that the Board of Directors of 1st Colonial Bancorp may from time to time fix the total number of directors on the Board of Directors at not less than seven nor more than 25. Presently, the Board of Directors consists of 11 members. The terms of four of the current directors expire at the annual meeting.

Our bylaws permit nominations for election to the Board of Directors to be made by the Board of Directors or by any shareholder entitled to vote for the election of directors. Nominations for director made by shareholders (other than the members of the Board of Directors) must be made, in writing, and delivered to us not less than 90 days prior to the date of the annual meeting. Each notice of nomination made by a shareholder must set forth (i) the name, age, business address and, if known, residence address of each nominee proposed in the notice, (ii) the principal occupation or employment of each nominee, and (iii) the number of shares of capital stock of 1st Colonial Bancorp that are beneficially owned by each nominee.

Unless waived by the board of directors of 1st Colonial, in order to qualify for election as a director of 1st Colonial, a person must have been a shareholder of record of 1st Colonial or its subsidiary, 1st Colonial National Bank, for at least three years. Each director must be a natural person of full age. He or she also must own common or preferred stock of 1st Colonial with either an aggregate par, fair market, or equity value of \$1,000. No director is permitted to be related by blood or marriage to any other director without the consent of two-thirds of the entire board of directors.

We are not required to include nominations made by our shareholders in this proxy statement. However, if any such nomination is properly made, ballots bearing the name of such nominee or nominees will be provided for use by shareholders at the meeting. Any nominations that are not made timely or any votes cast at the meeting for any candidate not duly nominated will be disregarded by the chairman of the meeting. No notice of nomination of any person for election as a director has been received from any shareholder as of the date of this proxy statement.

The Board of Directors has nominated Gerard M. Banmiller, Mary R. Burke, Thomas A. Clark, III and Letitia G. Colombi for election to the Board of Directors. All of the Board of Directors' nominees are current directors of 1st Colonial Bancorp and its wholly owned subsidiary, 1st Colonial National Bank.

Shares represented by properly executed proxies in the form accompanying this proxy statement will be voted for the Board of Directors nominees unless you specify otherwise in your proxy. If you wish to withhold authority from the proxyholders to vote for the election of directors or to withhold authority to vote for any individual nominee, you may do so by marking your proxy to that effect.

The four nominees for director receiving the highest number of votes cast at the annual meeting will be elected as Class 1 directors. Votes against or votes withheld from a nominee have no legal effect. Abstentions and broker nonvotes will not constitute or be counted as votes cast for the purpose of the election of directors.

Edgar Filing: 1ST COLONIAL BANCORP INC - Form DEF 14A

If any nominee should become unable to serve, the persons named in the proxy may vote for another nominee. However, we have no reason to believe that any nominee listed below will be unable to serve as a director, if elected.

Shareholders may nominate persons for election as directors in accordance with the procedures set forth in our bylaws.

During the year ended December 31, 2004, the Board of Directors met one time to act as the nominating committee. The Board of Directors believes that a standing nominating committee is not necessary because 10 of the 11 directors are non-employee directors, and therefore the decisions of the board in selecting nominees for election as directors are not influenced by management. The Board of Directors has authority under our bylaws to establish such other committees from time to time as the Board of Directors may deem necessary.

The Board of Directors of the Bank has a standing audit committee and a compensation committee. The Bank's audit committee reviews the Bank's system of internal control and audit with management and the independent auditors. This committee also reviews and recommends changes (if necessary) to management's determinations with respect to the classification of any of the Bank's loans as substandard, doubtful, loss or special mention, and the establishment of allowances to the loan loss reserve. The members of this committee currently consist of Ms. Burke, Dr. Enriquez, Mr. Haydinger, Mr. Molotsky and Ms. Rohrer. This committee met four (4) times during the year ended December 31, 2004.

The Bank's compensation committee, which met one time during the year ended December 31, 2004, is responsible for the approval of the base salary levels and bonuses of employees, the administration of the Bank's Executive Compensation Program discussed below, and the establishment and modification of the terms of employment of executive officers. In 2004, prior to the 2004 Annual Meeting of Shareholders in June 2004, the Bank's compensation committee was comprised of Mrs. Colombi, Mr. Clark, Mr. Haydinger and Ms. Rohrer. The current members of the Bank's compensation committee are Mr. Melstein, Mr. Donnelly, Dr. Enriquez and Ms. Rohrer.

The Bank has other committees composed of directors or officers of the Bank which meet for specific purposes. The Board of Directors of the Bank has authority under the Bank's bylaws to establish such other committees from time to time as the Board of Directors may deem necessary.

Directors are expected to attend meetings of the Board of Directors, meetings of the committees on which they serve and the annual meetings of 1st Colonial Bancorp's shareholders. All of the directors attended the 2004 Annual Meeting of 1st Colonial Bancorp's shareholders.

Audit Committee Report

The audit committee of 1st Colonial Bancorp is composed entirely of non-management directors, each meeting the independence requirements of the NASD. The audit committee has adopted a written charter outlining its practices and responsibilities.

During the year ended December 31, 2004, the audit committee met four (4) times. At each meeting, the audit committee reviewed the results of reviews performed in the areas of internal audit and compliance. The audit committee was apprised of the status of all audit findings and the resolutions instituted by management. In 2004, the audit committee also reviewed and reassessed the audit committee charter and the internal audit program for the year ending December 31, 2005. Management also updated the audit committee on the status of the independent audit for the year ended December 31, 2004 being performed by KPMG LLP.

1st Colonial Bancorp's audit committee appointed KPMG LLP as independent auditors of 1st Colonial Bancorp for the year ended December 31, 2004 and for the year ending December 31, 2005.

The audit committee has discussed with the independent auditors of 1st Colonial Bancorp the matters required to be discussed by Statement of Auditing Standards 61 and has received from the independent auditors the written disclosures and letter required by Independence Standards Board Standard No. 1 addressing all relationships between the independent auditors and 1st Colonial that might bear on the auditors independence. The audit committee has reviewed the materials received from the independent auditors, has discussed with the independent auditors the independence of such auditors, and has satisfied itself as to the auditors independence.

The audit committee acts only in an oversight capacity, and in doing so relies on the work and assurances of 1st Colonial Bancorp's management and its independent auditors.

Based on the audit committee's review of the financial statements and the independent auditors' report thereon, and the audit committee's discussions with management and the independent auditors, the audit committee has recommended to our Board of Directors that the audited consolidated financial statements of 1st Colonial Bancorp be included in its Annual Report on Form 10-KSB for the year ended December 31, 2004.

Director Compensation

The Chairman of the Board receives a quarterly retainer of \$1,000 for service on the Board of Directors, and each director, other than Mr. Banmiller, receives a quarterly retainer of \$500. Each committee chairman receives an annual retainer of \$500 for chairing such committee. Each director, other than Mr. Banmiller, receives \$50 per committee meeting attended; provided that no committee chairman (other than the loan committee chairman) receives both the retainer and the per meeting fee. An aggregate of \$27,950 was paid to directors during the year ended December 31, 2004 for serving as directors of 1st Colonial Bancorp.

In the year ended December 31, 2004, options to purchase shares of 1st Colonial Bancorp common stock were granted to directors of 1st Colonial Bancorp and the Bank under our Stock Option Plan for Non-Employee Directors. On January 2, 2004 each non-employee director of 1st Colonial Bancorp and the Bank was granted options to purchase 1,575 shares of 1st Colonial Bancorp common stock, at an exercise price of \$10.89 per share (these amounts are as adjusted to reflect the April 2004 5% stock dividend). On May 19, 2004, each non-employee director of 1st Colonial Bancorp and the Bank was granted options to purchase 750 shares of our common stock at an exercise price equal to \$9.88 per share. On January 1, 2005 each non-employee director of 1st Colonial Bancorp and the Bank was granted options to purchase 1,650 shares of our common stock at an exercise price equal to \$10.93 per share.

Options have a term of ten years from the date of grant. Options vest on the earlier of the date on which (i) the optionee has completed 11 months of continuous service as a director of the Bank from the date of grant or (ii) a change in control of the Bank occurs. In the event of the optionee's retirement from the Board of Directors, death or disability, his or her stock options lapse at the earlier of three months from the date of retirement, death or disability, or the expiration of the term of the option. If his or her service as a director is terminated for any reason except retirement, death or disability, all options terminate upon the date service is terminated, unless the Stock Option Plan Committee permits the optionee to exercise such options until the earlier of the expiration of the term of the option or three months after the termination of service.

If the amendments to our Stock Option Plan for Non-Employee Directors set forth in Matter No. 3 below are approved, then commencing with the annual meeting of shareholders to be held in the year 2006, each director of 1st Colonial Bancorp and the Bank will receive stock options to purchase 750 shares of common stock at each annual shareholders' meeting during his or her term as director. These

options will be automatically granted under that plan at an exercise price equal to the fair market value of the common stock on the date of the meeting. Each director also may receive additional stock options under the plan at other times in the discretion of our stock option plan committee.

1st Colonial Bancorp maintains a directors and officers liability insurance policy. The policy covers all directors and officers of 1st Colonial Bancorp and the Bank for certain liability, loss, or damage that they may incur in their capacities as such. To date, no claims have been filed under this insurance policy.

Employment Agreements

Gerard M. Banmiller, the President, Chief Executive Officer and a director of 1st Colonial Bancorp and the Bank, has an employment agreement with the Bank. The Bank's obligations under this agreement are guaranteed by 1st Colonial Bancorp. This agreement has an initial three-year term and provides for annual one-year extensions on each anniversary of June 29, 2000, the date the Bank received regulatory authority to open for business, unless the Bank or Mr. Banmiller gives prior written notice of nonrenewal to the other party. Under this agreement, Mr. Banmiller is entitled to receive an annual base salary of not less than \$100,000. Except for a reduction which is proportionate to a company-wide reduction in executive pay, the annual base salary paid to Mr. Banmiller in any period cannot be less than the annual base salary paid to him in any prior period.

Under his agreement, Mr. Banmiller is entitled to participate in any incentive compensation and employee benefit plans that the Bank maintains. He also is entitled to participate in and enjoy any other plans and arrangements which provide for sick leave, vacation, sabbatical, or personal days, club memberships and dues, education payment or reimbursement, business-related seminars, and similar fringe benefits provided to or for the executive officers of the bank from time to time. He also is entitled to be reimbursed for amounts he pays as lease or loan payments due with respect to the lease or purchase of his automobile, up to and not to exceed an amount equal to \$500.00 per month.

In the event the Bank terminates Mr. Banmiller's employment for Cause as defined in his agreement, he will be entitled to receive his accrued but unpaid base salary and an amount for all accumulated but unused vacation time earned through the date of his termination.

In the event the Bank terminates Mr. Banmiller's employment without Cause, he will be entitled to receive, during the remaining term of his agreement, an annual amount equal to the greater of (i) his highest base salary received during one of the two years immediately preceding the year in which he is terminated, or (ii) his base salary in effect immediately prior to his termination. In addition, during the remaining term of his agreement, Mr. Banmiller will annually be entitled to (i) an amount equal to the higher of the aggregate bonuses paid to him in one of the two years immediately preceding the year in which he is terminated and (ii) an amount equal to the sum of the highest annual contribution made on his behalf (other than his own salary reduction contributions) to any tax qualified and non-qualified defined contribution plans maintained by the Bank in the year in which he is terminated or in one of the two years immediately preceding such year. Mr. Banmiller will also be entitled to certain retirement, health and welfare benefits.

In the event Mr. Banmiller terminates his employment with the Bank for Good Reason, as defined in his agreement, he will be entitled to receive the same annual amounts and benefits he would be entitled to receive if he was terminated without Cause, but for a period of three years from the date of termination of employment. In the event Mr. Banmiller terminates his employment with the Bank without Good Reason, he will be entitled to receive his accrued but unpaid base salary until the date of termination and an amount for all accumulated but unused vacation time through the date of the termination of his employment. In the event of Mr. Banmiller's death or disability during the term of his employment, he and his eligible dependents or his spouse and her eligible dependents, as the case may be, will be entitled to receive the same annual amounts and benefits Mr. Banmiller would be entitled to receive if he was terminated without Cause, but only for a period of one year from the date of termination of employment. They will also be entitled to certain health and welfare benefits.

In the event that Mr. Banmiller is required to pay any excise tax imposed under Section 4999 of the Internal Revenue Code (or any similar tax imposed under federal, state or local law), as a result of any compensation and benefits received under his agreement in connection with a change in control, the Bank

will pay him an additional amount such that the net amount retained by him, after the payment of such excise taxes (and any additional income tax resulting from such payment by the Bank), equals the amount he would have received but for the imposition of such taxes.

The employment agreement further provides that in the event Mr. Banmiller's employment is terminated for any reason or he voluntarily terminates his employment, he may not, for a period of 12 months after the date of termination, without the prior written consent of the Bank's Board of Directors, become an officer, director or a shareholder or equity owner of 4.9% or more of any entity engaged in the banking, lending, asset management, mutual fund, financial planning or investment security business within the New Jersey Counties of Camden, Gloucester, Burlington, Salem, Atlantic, Cape May or Cumberland, or any other county in which the Bank has an office. In addition, during his employment and for a period of 12 months following the termination of his employment, except following a change in control of the Bank, Mr. Banmiller may not solicit, endeavor to entice away from the Bank, its subsidiaries or affiliates, or otherwise interfere with the relationship of the Bank or its subsidiaries or affiliates with, any person who is, or was within the then most recent 12-month period, an employee or associate of the Bank or any of its subsidiaries or affiliates.

The Bank also has employment agreements with Mr. Strangfeld, its Executive Vice President and Senior Loan Officer, and Mr. Faix, its Senior Vice President and Chief Financial Officer. These agreements are substantially identical to Mr. Banmiller's employment agreement (including containing the covenant not to compete described above), except that they provide that (i) the executive is entitled to receive an annual base salary of at least \$90,000; (ii) the executive is not entitled to be reimbursed for any amounts he pays as lease or loan payments with respect to his automobile; (iii) in the event the Bank terminates the executive's employment without Cause, he will be entitled to his salary and benefits as determined in the same manner as under Mr. Banmiller's agreement, but for one year only and (iv) in the event the executive terminates his employment for Good Reason, he will be entitled to his salary and benefits as determined in the same manner, but for a period of (a) 18 months in the event of a termination prior to a change in control of the Bank or (b) two years in the event of a termination after a change in control of the Bank.

The Bank's obligations under its employment agreements with Mr. Strangfeld and Mr. Faix also are guaranteed by 1st Colonial Bancorp.

Executive Compensation Program

The Bank maintains an Executive Compensation Program (the Compensation Program) pursuant to which the Bank pays bonuses to its key employees. The Compensation Program is a pay-for-performance based compensation system consisting of incentives that pay key employees for the achievement of performance levels designed to increase shareholder value. These incentives consist of annual incentives, which reward for achievement against pre-established goals and increases in shareholder value, and long-term incentives, which reward for significant increases in the value of the Bank.

The Compensation Program enables the Bank to reward those key employees whose performance increases shareholder value. The Compensation Program also assists the Bank in its efforts to hire, retain and motivate high-quality executives who it believes can meet the immediate business challenges and improve the long-term performance of the Bank. The Compensation Program is administered by the Compensation Committee of the Bank's Board of Directors. Only the president, executive vice presidents, senior vice presidents or division managers of the Bank may participate in this plan.

Under the Compensation Program, bonus awards are determined by the Compensation Committee based on a pre-determined mix of corporate and individual performance goals. Sixty percent of the annual award is based on corporate performance. Corporate performance is measured by the year to year percentage increase in average assets (in excess of a pre-determined hurdle rate) and the year to year percentage increase in return on average assets, each of which receives a fifty percent weighting.

The remaining forty percent of the annual award is based on individual performance using performance goals designed to reflect a balance between attainable and stretch objectives and that are specific to each participant. Individual performance objectives are established at the beginning of the year based on the functions and responsibilities of each executive. Also included in the evaluation of individual performance are goals which measure the executive's contribution to making people-focused cultural changes at the Bank.

The total bonus pool is determined by multiplying the aggregate base salaries of the Bank's employees who are participating in the Compensation Program by the corporate performance percentage increase, and then dividing that amount (the Corporate Performance Dollar Bonus) by 0.6. The difference between the total bonus pool and the Corporate Performance Dollar Bonus is the amount eligible to be distributed to individual participants. The individual bonus pool may or may not be distributed entirely. The distribution of individual bonus awards for all participants except the President will be determined by a recommendation of the President that is approved by the Compensation Committee. The Compensation Committee will determine the value of the individual performance bonus of the President.

If the optionee's employment terminates due to retirement, death or disability, the optionee or his legal representative may exercise the option until the earlier of the expiration of the term of the option or three months after the termination of employment. If the optionee's employment is terminated for any reason except retirement, death or disability, all options terminate on the date employment is terminated, unless the Stock Option Plan Committee permits the optionee to exercise the option until the earlier of the expiration of the term of the option or three months after the termination of employment.

Transactions with Related Persons

1st Colonial Bancorp does not make any loans to its officer or directors. The Bank offers various types of loans to its directors, officers, and employees. Under applicable Federal law, any loan made to a director, officer, employee or other affiliate is required to be on substantially the same terms and conditions available to non-related borrowers (in particular as to interest rate and collateral). In addition, the risk of nonpayment must not be greater than the risk of nonpayment on loans to non-related borrowers, and the loan must be approved by a majority of the full Board of Directors, with the loan applicant not voting or influencing the vote.

Certain directors and officers of the Bank are customers of and during the year ended December 31, 2004 had banking transactions with the Bank in the ordinary course of business. Similar transactions may be expected to occur in the future. All loans and commitments to loan were made under substantially the same terms, including interest rates, collateral, and repayment terms, as those prevailing at the time for comparable transactions with other persons and, in our opinion, do not involve more than the normal risk of collection or present other unfavorable features. The aggregate amount of loans to such related parties was approximately \$1,531,000 and \$1,443,000 at December 31, 2004 and 2003, respectively. During 2004 and 2003, new loans and credit line advances to such related parties amounted to approximately \$405,000 and \$1,436,000, respectively, and repayments amounted to approximately \$317,000 and \$399,000, respectively. The aggregate amount of deposits from related parties was approximately \$12,123,000 and \$7,216,000 at December 31, 2004 and 2003, respectively.

The Bank retained an entity that is affiliated with John J. Donnelly IV, a director of the Bank, to perform certain property inspection services and branch renovations. The total amount paid by the Bank for such services amounted to fees of approximately \$19,000, \$86,000 and \$110,000 for the years ended December 31, 2004, 2003 and 2002. Such fees were capitalized as premises and equipment. Mr. Donnelly's company was selected by the Bank pursuant to a competitive bidding process involving other general contractors.

The Bank engages a law firm that is affiliated with Thomas A. Clark III, a director of the Bank, for certain debt collection and other services. Total fees for such services amounted to approximately \$16,000, \$9,000 and \$7,000 for the years ended December 31, 2004, 2003 and 2002, respectively. The terms of the services provided were substantially equivalent to that which would have been obtained from unaffiliated parties.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF ITS NOMINEES FOR DIRECTORS.

MATTER NO. 2

**PROPOSAL TO APPROVE THE AMENDMENT OF THE
EMPLOYEE STOCK OPTION PLAN TO INCREASE THE NUMBER
OF SHARES AVAILABLE FOR ISSUANCE FROM 78,750 TO 150,000**

Background

The Board of Directors has approved the amendment of 1st Colonial Bancorp, Inc. Employee Stock Option Plan (the 2003 Employee Plan) to increase the number of available shares of common stock from 78,750 to 150,000. It also has recommended that this amendment be approved by 1st Colonial Bancorp s shareholders at the annual meeting.

The 2003 Employee Plan was adopted by the Board of Directors on March 19, 2003 and approved by the shareholders on April 22, 2003. The 2003 Employee Plan authorizes us to award options to purchase shares of Bancorp common stock to selected key employees of Bancorp or certain subsidiary companies in which Bancorp has a 50% or greater ownership interest. These options are either (i) incentive stock options (options qualified under Section 422 of the Internal Revenue Code of 1986, as amended), which we refer to as ISOs, or (ii) nonqualified stock options (options not qualified under Internal Revenue Code Section 422), which we refer to as NQSOs.

The following is a brief summary of the 2003 Employee Plan, as modified by the proposed amendment. This summary is qualified in all respects by the text of the 2003 Employee Plan. A copy of the 2003 Employee Plan will be made available without charge to any person upon his or her request, which request should be directed to us at 1040 Haddon Avenue, Collingswood, New Jersey 08108, Attention: Corporate Secretary.

Amount of Common Shares Subject to Options Under the 2003 Employee Plan.

The 2003 Employee Plan currently provides for the grant of options covering an aggregate of 78,750 shares. If the proposed amendment to the 2003 Employee Plan is approved by the shareholders, the maximum aggregate number of common shares available for the grant of options would increase by 71,250 to 150,000. The 150,000 number would be subject to adjustment in the case of certain events affecting the common stock. See Amendment, Suspension, or Termination of the Plan; Option Adjustment. Shares of common stock that are attributable to options that are forfeited or otherwise terminate may be re-granted under a new option. At January 31, 2005, options to purchase 77,550 shares were outstanding under the 2003 Employee Plan, leaving 1,200 shares available for grant.

Purpose of 2003 Employee Plan

The 2003 Employee Plan is designed to improve the performance of 1st Colonial Bancorp and its subsidiaries and, by doing so, to serve the interests of the shareholders. By continuing to encourage ownership of 1st Colonial Bancorp shares among those who play significant roles in our success, implementation of the 2003 Employee Plan will continue to align the interests of 1st Colonial Bancorp's selected key employees with those of our shareholders by allowing both to benefit from increases in the value of common stock. Moreover, the Board of Directors believes that the ability to award options under the 2003 Employee Plan will have a positive effect on our ability to attract, motivate and retain employees of outstanding leadership and management ability. The Board of Directors further believes that an increase in the number of shares available for issuance under the 2003 Employee Plan is necessary to provide sufficient shares to achieve this goal.

Administration of the Employee Plan

The Stock Option Plan Committee is authorized to administer and interpret the 2003 Employee Plan. The current members of that committee are Thomas A. Clark, III, Mary R. Burke, Michael C. Haydinger and Stanley H. Molotsky. The committee members serve at the discretion of the Board of Directors and are each required to be outside directors within the meaning of the Internal Revenue Code.

Subject to the approval of the Board of Directors, the Stock Option Plan Committee has discretionary authority (a) to determine the individuals to receive grants of options, the times when options shall be granted, the number of shares to be subject to each option, the option exercise price, the option period, the time or times when each option shall be exercisable and whether an option is to be an NQSO or an ISO; (b) to interpret the 2003 Employee Plan; (c) to prescribe, amend and rescind rules and regulations relating to the 2003 Employee Plan; (d) to determine the terms and provisions (and amendments of the terms and provisions) of any agreements to be entered into between 1st Colonial Bancorp and each individual granted an option under the 2003 Employee Plan (which agreements need not be identical), including such terms and provisions as are required in the committee's judgment to conform to any change in any applicable law or regulation; and (e) to make all other determinations the committee deems necessary or advisable for the 2003 Employee Plan's administration.

The source of the shares issued pursuant to the 2003 Employee Plan will be authorized but unissued shares of common stock or issued shares that have previously been reacquired by 1st Colonial Bancorp. It is anticipated that, in the ordinary course, options will be granted on an annual basis, although nothing in the 2003 Employee Plan so requires.

Participants

Only key employees (as determined by the Stock Option Plan Committee) of 1st Colonial Bancorp or a 50% or greater owned subsidiary are eligible to receive options under the 2003 Employee Plan. 1st Colonial Bancorp currently does not have any employees, and its only subsidiary is the Bank. As of December 31, 2004, the Bank had 27 key employees, including all of 1st Colonial Bancorp's executive officers. In designating key employees and in recommending to the Board of Directors the number of shares of common stock to be covered by each option, the Stock Option Plan Committee must take into account, among other things, the level of responsibility of the employee.

Exercise of Options

The exercise price for options granted under the 2003 Employee Plan will not be less than 100% of the fair market value of our common stock on the date the option is granted (or 110% in the case of ISOs granted to a 10 percent or greater shareholder). The fair market value of our common stock will be determined by the Stock Option Plan Committee in accordance with the terms of the 2003 Employee Plan. The mean between the bid and asked prices of the common stock on December 31, 2004 was \$10.93 per share.

Options granted under the 2003 Employee Plan generally may be exercised for up to 10 years after the date of grant (five years in the case of incentive stock options granted to a 10 percent or greater shareholder).

The payment of the exercise price of an option may be made in cash or, with the approval of the Stock Option Plan Committee, by surrendering shares of common stock with a value equal to such exercise price, subject to certain limitations with respect to payment with shares acquired through the

exercise of ISOs. The committee may also approve a cashless exercise of an option, whereby the option is exercised and the acquired common stock (or a portion thereof) is sold through a third party to minimize or eliminate the need of the participant to utilize cash to effect the exercise of the option.

Limitations on Grants

The aggregate fair market value (determined at the time the option is granted) of the shares of common stock with respect to which ISOs are exercisable for the first time by an optionee during any calendar year may not exceed \$100,000. No employee may receive option grants in excess of 11,500 shares under the 2003 Employee Plan during any calendar year.

Restrictions on Transfer

Except as determined by the Stock Option Plan Committee and set forth in an option agreement relating to particular options, NQSOs are not assignable or transferable other than by will or the laws of descent and distribution and, in general, during the option holder's lifetime are exercisable only by the holder or his or her duly appointed legal representative. ISOs are not assignable or transferable other than by will or the laws of descent and distribution, and during the option holder's lifetime are exercisable only by the holder or his or her duly appointed legal representative.

Vesting

Under the 2003 Employee Plan, the Stock Option Plan Committee will impose vesting conditions on the exercisability of options. In general, an option will vest and become exercisable on the date or dates set forth in the option agreement; provided, however, that no option can be exercisable until the option holder has completed at least one full year of continuous employment following the date of grant, with 1st Colonial Bancorp or a 50% or greater owned subsidiary, unless a change in control (as defined in the 2003 Employee Plan) occurs. If a change in control occurs, each outstanding option issued under the 2003 Employee Plan will immediately become exercisable. A change in control will be deemed to have occurred upon, among other events, shareholder approval of the acquisition of 1st Colonial Bancorp (or all or substantially all of its assets).

Termination of Employment

A vested option may be exercised by an option holder only during its term and only during the holder's employment, except as provided below. In the event of an option holder's termination of employment:

by reason of retirement, death or disability (each as defined in the 2003 Employee Plan), a vested option may be exercised until the earlier of its expiration or a date which is three months following termination of employment; and

in all other cases, a vested option will expire on the date of termination of employment, unless the Stock Option Plan Committee permits the option holder to exercise such options until the earlier of the expiration of the term of the option or up to three months after the termination of employment.

Amendment, Suspension, or Termination of the Plan; Option Adjustment

The Board of Directors may terminate, amend, modify or suspend the 2003 Employee Plan at any time and from time to time to ensure that options granted under the plan conform to any changes in the law or for any other reason the Board of Directors determines to be in the best interest of 1st Colonial Bancorp. Modifications or amendments to the 2003 Employee Plan are not required to be approved by 1st Colonial Bancorp's shareholders, except to the extent required by state or Federal law. No termination, modification or amendment of the 2003 Employee Plan, without the consent of the participant to whom an option has previously been granted, may adversely affect that participant's rights under the option. Unless terminated earlier by the Board of Directors, the 2003 Employee Plan will terminate, and no additional options will thereafter be granted, on the tenth anniversary of the plan's effective date (i.e., March 19, 2013).

In the event of any change in our common stock by reason of any stock dividend, stock split, reverse stock split, recapitalization, combination or exchange of shares, merger, consolidation or similar action, appropriate adjustment will be made to (i) the number of shares of common stock authorized to be made subject to options under the 2003 Employee Plan, (ii) the number of shares into which outstanding options may be converted upon exercise, (iii) the exercise price of outstanding options, (iv) the maximum number of options that may be granted to any one person within a calendar year, and (v) such other terms as are appropriate under the circumstances. In addition, the Board of Directors may make similar changes to outstanding options in other circumstances where such changes are deemed equitable under such circumstances.

Registration of Shares Subject to the Plan

All of the 78,750 common shares available under the 2003 Employee Plan as currently constituted were registered on a Form S-8 Registration Statement under the Securities Act of 1933, which was filed with the SEC on December 29, 2003. The Form S-8 Registration Statement became effective on the date of its filing.

If the proposed amendment is adopted, the 71,250 additional common shares that will be available under the 2003 Employee Plan will not be registered under the Securities Act. However, because 1st Colonial is not subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, offers and sales made in compliance with Rule 701 under the Securities Act are exempt from registration under the Securities Act. Under Rule 701, an offer and sale is exempt from the registration requirements, if total sales of stock pursuant to both of 1st Colonial's stock option plans during any consecutive twelve month period do not exceed the greater of: (i) \$1 million; (ii) 15% of our total assets, as measured at the most recent balance sheet date; or (iii) 15% of all the outstanding common stock, measured at the most recent balance sheet date. Securities sold pursuant to Rule 701 are restricted securities and can be resold only pursuant to an effective registration statement, unless an exemption from the registration requirements is available.

Certain United States Federal Income Tax Consequences

The following is a brief summary of the principal United States Federal income tax consequences of transactions under the 2003 Employee Plan, based on current law. This summary is not intended to be exhaustive with respect to all potential Federal income tax consequences that may affect a particular person. In addition, this summary does not constitute tax advice, and, among other things, does not discuss state, local or foreign income tax consequences, nor does it address estate or gift tax consequences, relating to the 2003 Employee Plan's operation. Participants are urged to consult with their tax advisors with regard to their participation in the 2003 Employee Plan.

Nonqualified Stock Options. No taxable income is realized by a 2003 Employee Plan participant upon the grant of an NQSO. Upon the exercise of an NQSO, the participant will recognize ordinary compensation income in an amount equal to the excess, if any, of the fair market value of the shares of common stock exercised over the aggregate option exercise price (the Spread). The Spread is generally deductible by 1st Colonial Bancorp for Federal income tax purposes. The participant's tax basis in shares of common stock acquired by exercise of an NQSO will be equal to the exercise price plus the amount taxable as ordinary income.

Upon a sale of the shares of common stock received by a participant through exercise of an NQSO, any gain or loss will generally be treated for Federal income tax purposes as long-term or short-term capital gain or loss, depending upon the holding period of such stock. In general, the participant's holding period for shares acquired pursuant to the exercise of an NQSO begins on the date of exercise of such option.

Incentive Stock Options. No taxable income is realized by a 2003 Employee Plan participant upon the grant or exercise of an ISO. If shares of common stock are issued to a participant pursuant to the exercise of an ISO and if no disqualifying disposition of such shares is made by the participant within two years after the date of grant or within one year after the receipt of such shares by the participant, then (a) upon the sale of such shares, any amount realized in excess of the option exercise price will normally be taxed to the participant as a long-term capital gain and (b) no deduction will be allowed to 1st Colonial Bancorp. Additionally, the Spread attributable to the exercise of an ISO will give rise to an item of tax preference, in the year of exercise, which may result in alternative minimum tax liability for the participant.

If shares of common stock acquired upon the exercise of an ISO are disposed of prior to the expiration of either holding period described above, such disposition would likely be a disqualifying disposition, and generally (a) the participant will realize ordinary income in the year of disposition in an amount equal to the excess, if any, of the fair market value of the shares on the date of exercise (or, if less, the amount realized on the disposition of the shares) over the option exercise price thereof, and (b) 1st Colonial Bancorp will be entitled to deduct such amount. Any other gain realized by the participant on such disposition will be taxed as short-term or long-term capital gain, and will not result in any deduction to 1st Colonial Bancorp.

Tax Withholding. As a condition of the exercise of an option, 1st Colonial Bancorp will require that appropriate provision be made for any required tax withholdings. In general, (i) NQSOs will be subject to Federal income and employment tax withholding upon exercise, and (ii) while not presently subject to Federal withholding tax, ISOs may in the future be subject to federal employment tax withholding upon exercise. (In addition, each option may also be subject to state and local tax withholding at various times.)

Accounting Consequences

As permitted by SFAS No. 123, the Bank accounts for stock-based compensation in accordance with Accounting Principals Board Opinion (APB) No. 25. Under APB No. 25, no compensation expense is recognized in the income statement related to any option granted under our stock option plans. The pro forma impact to net income and earnings per share that would occur if compensation expense was recognized, based on the estimated fair value of the options on the date of the grant, is disclosed in the notes to our consolidated financial statements.

On December 16, 2004, the Financial Accounting Standards Board issued SFAS No. 123(R), Share-based Payment, which eliminates the ability to account for share-based compensation transactions using APB Opinion No. 25, and generally would require all share-based payments to employees, including grants of employee stock options, to be recognized in the income statement at their grant-date fair values. 1st Colonial will be required to adopt this new accounting standard on January 1, 2006. It will impact our income statement with respect to all stock options that vest, are modified or are granted on or after January 1, 2006.

Required Vote

Assuming a quorum is present, the affirmative vote of a majority of the votes cast at the annual meeting by the holders of common stock entitled to vote is required to approve the amendment of the 2003 Employee Plan. Abstentions and broker nonvotes, although counted for the purpose of determining whether a quorum is present at the annual meeting, will not constitute or be counted as votes cast, so they will have no effect on the approval of Matter No. 2. All signed proxies we receive will be voted for the approval of the amendment of the 2003 Employee Plan, except for any proxy specifically marked to the contrary by a shareholder.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE AMENDMENT OF THE 2003 EMPLOYEE PLAN.

MATTER NO. 3

**PROPOSAL TO APPROVE THE AMENDMENT OF THE STOCK OPTION PLAN
FOR NON-EMPLOYEE DIRECTORS TO INCREASE THE NUMBER
OF SHARES AVAILABLE FOR ISSUANCE FROM 52,500 TO 100,000**

Background

The Board of Directors has approved the amendment of 1st Colonial Bancorp, Inc. Stock Option Plan for Non-Employee Directors (the 2003 Director Plan) to increase, effective May 1, 2005, the number of available shares of common stock from 52,500 to 100,000. It is also recommended that this amendment be approved by 1st Colonial Bancorp s shareholders at the annual meeting.

The 2003 Director Plan was adopted by the Board of Directors on March 19, 2003 and approved by the shareholders on April 22, 2003. The 2003 Director Plan authorizes us to award nonqualified stock options (options not qualified under Internal Revenue Code Section 422) to purchase shares of 1st Colonial Bancorp common stock. We refer to nonqualified stock options as NQSOs. We are not permitted to grant incentive stock options (options qualified under Section 422 of the Internal Revenue Code) under the 2003 Director Plan.

The following is a brief summary of the 2003 Director Plan, as modified by the proposed amendment. This summary is qualified in all respects by the text of the 2003 Director Plan. A copy of the 2003 Director Plan will be made available without charge to any person upon his or her request, which request should be directed to us at 1040 Haddon Avenue, Collingswood, New Jersey 08108, Attention: Corporate Secretary.

Amount of Common Shares Subject to Options Under the 2003 Director Plan

The 2003 Director Plan currently provides for the grant of options covering an aggregate of 52,500 shares. If the proposed amendment to the 2003 Director Plan is approved by the shareholders, the maximum aggregate number of common shares available for the grant of options would increase by 47,500 to 100,000. The 100,000 number is subject to adjustment in the case of certain events affecting the common stock. See Amendment, Suspension, or Termination of the Plan; Option Adjustment, below. Shares of common stock that are attributable to options that are forfeited or otherwise terminate, may be re-granted under a new option. At January 31, 2005, options to purchase 52,430 shares were outstanding under the 2003 Director Plan, leaving 70 shares available for grant.

Purpose of the Plan

The 2003 Director Plan is intended and designed to provide non-employee directors of 1st Colonial Bancorp and the Bank with an opportunity to acquire our common stock, thereby giving them a stake in the continued growth and success of our business. By continuing to encourage ownership of Bancorp shares, implementation of the 2003 Director Plan will continue to align the interests of Bancorp s directors with those of our shareholders by allowing both to benefit from increases in the value of common stock. Moreover, the Board of Directors believes that the ability to award options under the 2003 Director Plan will have a positive effect on our ability to attract the best available persons to serve as our directors. The Board of Directors further believes that an increase in the number of shares available for issuance under the 2003 Director Plan is necessary to provide sufficient shares to achieve this goal.

Option Grants

Pursuant to the 2003 Director Plan, each person (i) who is a director of 1st Colonial Bancorp or the Bank and (ii) who is not an employee of Bancorp or the Bank, automatically is granted, on the date of his or her election as a director of Bancorp or the Bank, and on each date of his or her reelection, an option to purchase 750 shares of common stock (Mandatory Grants). Future non-employee directors elected by the Board of Directors of 1st Colonial Bancorp or the Bank to fill a vacancy also will receive a Mandatory Grant on the date of his or her initial election as a director. No person, including any person who is elected as a director of both Bancorp and the Bank, is entitled to receive more than one Mandatory Grant per calendar year. In the event that the shareholders approve the amendment to the 2003 Director Plan, this amendment will not be effective until after the annual meeting, and due to the lack of shares available under the plan for issuance on the date of the annual meeting, no Mandatory Grants will be made in 2005.

The Stock Option Plan Committee may also grant, from time to time in its discretion, additional options to purchase shares of common stock to directors who are not employees of Bancorp or the Bank (Discretionary Grants), subject to the approval of a majority of the members of the Board of Directors (excluding the grantee). No director may receive option grants in excess of 3,000 shares under the 2003 Director Plan during any calendar year.

Administration of the Director Plan

The Stock Option Plan Committee is authorized to administer and interpret the 2003 Director Plan. The current members of that committee are Thomas A. Clark, III, Mary R. Burke, Michael C. Haydinger and Stanley H. Molotsky. The committee members serve at the discretion of the Board of Directors and are each required to be outside directors within the meaning of the Internal Revenue Code.

Subject to the approval of the Board of Directors, the Stock Option Plan Committee has discretionary authority (a) to determine the individuals to receive Discretionary Grants of options, the times when Discretionary Grants are made, the number of shares to be subject to each Discretionary Grant, the option period, and the time or times when each option shall be exercisable; (b) to interpret the 2003 Director Plan; (c) to prescribe, amend and rescind rules and regulations relating to the 2003 Director Plan; (d) to determine the terms and provisions (and amendments of the terms and provisions) of any agreements to be entered into between 1st Colonial Bancorp and each individual granted an option under the 2003 Director Plan (which agreements need not be identical), including such terms and provisions as are required in the committee's judgment to conform to any change in any applicable law or regulation; and (e) to make all other determinations the committee deems necessary or advisable for the 2003 Director Plan's administration.

The source of the shares issued pursuant to the 2003 Director Plan will be authorized but unissued shares of common stock or issued shares that have previously been reacquired by 1st Colonial Bancorp.

Exercise of Options

The exercise price for options granted under the 2003 Director Plan will be equal to the fair market value of the stock underlying the option on the date the option is granted. The fair market value of our common stock will be determined by the Stock Option Plan Committee in accordance with the terms of the 2003 Director Plan. Options granted under the 2003 Director Plan may be exercised for up to 10 years after the date of grant.

The payment of the exercise price of an option may be made in cash or, with the approval of the Stock Option Plan Committee, by surrendering shares of common stock with a value equal to such exercise price. The committee may also approve a cashless exercise of an option, whereby the option is exercised and the acquired common stock (or a portion thereof) is sold through a third party to minimize or eliminate the need of the participant to utilize cash to effect the exercise of the option.

Restrictions on Transfer

Except as determined by the Stock Option Plan Committee and set forth in an option agreement relating to particular options, options granted under the 2003 Director Plan are not assignable or transferable other than by will or the laws of descent and distribution and, in general, during the option holder's lifetime are exercisable only by the holder or his or her duly appointed legal representative.

Vesting

Under the 2003 Director Plan, options may not be exercised during the 11-month period following the date of grant. The Stock Option Plan Committee, at its discretion, may provide further limitations on the exercisability of options granted under the 2003 Director Plan. In the event of an optionee's retirement, or an optionee whose service as a director terminates due to death or disability, the optionee or his or her legal representative may exercise the option until the earlier of the expiration of the term of the option or three months after such termination of service.

Termination of Service

If an optionee's service as a director is terminated for any reason except retirement, death or disability, all options granted to such person under the 2003 Director Plan terminate as of the date such service is terminated, unless the Option Committee permits the optionee to exercise such options until the earlier of the expiration of the term of the option or up to three months from the date of termination.

Amendment, Suspension, or Termination of the Plan; Option Adjustment

The Board of Directors may amend, modify, suspend or terminate the 2003 Director Plan at any time and from time to time to ensure that options granted under the plan conform to any changes in the law or for any other reason the Board of Directors determines to be in the best interest of 1st Colonial Bancorp. Modifications or amendments to the 2003 Director Plan are not required to be approved by 1st Colonial Bancorp's shareholders, except to the extent required by state or federal law. No termination, modification or amendment of the 2003 Director Plan, without the consent of the participant to whom an option has previously been granted, may adversely affect that participant's rights under the option. Unless terminated earlier by the Board of Directors, the 2003 Director Plan will terminate, and no additional options will thereafter be granted, on the tenth anniversary of the plan's effective date (i.e., March 19, 2013).

In the event of any change in 1st Colonial Bancorp's common stock by reason of any stock dividend, stock split, reverse stock split, recapitalization, combination or exchange of shares, merger, consolidation or similar action, appropriate adjustment will be made to (i) the number of shares of common stock authorized to be made subject to options under the 2003 Director Plan, (ii) the number of shares into which outstanding options may be converted upon exercise, (iii) the exercise price of outstanding options, (iv) the maximum number of options that may be granted to any one person within a calendar year, and (v) such other terms as are appropriate under the circumstances. In addition, the Board of Directors may make similar changes to outstanding options in other circumstances where such changes are deemed equitable under such circumstances.

Registration of Shares Subject to the Plan

All of the 52,500 common shares available under the 2003 Director Plan as currently constituted were registered on a Form S-8 Registration Statement under the Securities Act of 1933 (the Securities Act), which was filed with the Commission on December 29, 2003. The Form S-8 Registration Statement became effective on the date of its filing.

If the proposed amendment is adopted, the 47,500 additional common shares that will be available under the 2003 Director Plan will not be registered under the Securities Act. Because 1st Colonial is not subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, offers and sales made in compliance with Rule 701 under the Securities Act are exempt from registration under the Securities Act. Under Rule 701, an offer and sale is exempt from the registration requirements, if total sales of stock pursuant to both of 1st Colonial's stock option plans during any consecutive twelve month period do not exceed the greater of: (i) \$1 million; (ii) 15% of our total assets, as measured at the most recent balance sheet date; or (iii) 15% of all the outstanding common stock, measured at the most recent balance sheet date. Securities sold pursuant to Rule 701 are restricted securities and can be resold only pursuant to an effective registration statement, unless an exemption from the registration requirements is available.

Certain United States Federal Income Tax Consequences

Options granted pursuant to the 2003 Director Plan will be NQSOs. See Matter No. 2 Proposal to approve the amendment of the Employee Stock Option Plan to increase the number of shares available for issuance from 78,750 to 150,000 Certain United States Federal Income Tax Consequences for a description of the Federal income tax consequences relating to NQSOs. Income and employment tax withholding is generally not required with respect to the exercise of an option by a non-employee director.

Accounting Consequences

See Matter No. 2 Proposal to approve the amendment of the Employee Stock Option Plan to increase the number of shares available for issuance from 78,750 to 150,000 Accounting Consequences for a description of accounting consequences relating to stock-based compensation.

Required Vote

Assuming a quorum is present, the affirmative vote of a majority of the votes cast at the annual meeting by the holders of common stock entitled to vote is required to approve the amendment to the 2003 Director Plan. Abstentions and broker nonvotes, although counted for the purpose of determining whether a quorum is present at the annual meeting, will not constitute or be counted as votes cast, so they will have no effect on the approval of Matter No. 3. All signed proxies we receive will be voted for the approval of the amendment of the 2003 Director Plan, except for any proxy specifically marked to the contrary by a shareholder.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE AMENDMENT TO THE 2003 DIRECTOR PLAN.

Abstentions and broker nonvotes, although counted for the purpose of determining whether a quorum is present at the meeting, will not constitute or be counted as votes cast, so they will have no effect on the approval of this matter.
