ANNUAL MEETING OF SHAREHOLDERS, AUGUST 16, 2005

GENERAL INFORMATION

This Proxy Statement is furnished to shareholders of NVE Corporation, a Minnesota corporation (NVE or the Company), in connection with the solicitation of proxies by our Board of Directors for use at our Annual Meeting of shareholders to be held on Tuesday, August 16, 2005 at 3:30 p.m. Central Daylight Time at the SpringHill Suites by Marriott, 11552 Leona Road, Eden Prairie, Minnesota, 55344, and at any adjournment thereof (the 2005 Annual Meeting), for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Annual Meeting Admission

Proof of ownership (such as a recent brokerage statement or letter from your broker) and a form of photo identification are required for admission to the 2005 Annual Meeting.

Householding of Documents

We are sending only one annual report and proxy statement to eligible shareholders who share a single address unless we received instructions to the contrary from any shareholder at that address. This practice, known as householding, is designed to reduce our printing and postage costs. If a registered shareholder residing at an address with other registered shareholders wishes to receive a separate annual report or proxy statement in the future, he or she may contact Richard L. George, our Secretary, at telephone number (952) 829-9217, or by mail to the address at the top of this page. You can also request delivery of single copies of our documents if you are receiving multiple copies.

Other Matters and Proposals of Shareholders

Our Board is not aware that any matter other than those described in the Notice of Annual Meeting of Shareholders to which this Proxy Statement is appended will be presented for action at the 2005 Annual Meeting. If, however, other matters do properly come before the 2005 Annual Meeting, the persons named in our proxy card intend to vote the proxied shares in accordance with their best judgment on those matters. If any matters properly come before the shareholders at our 2005 Annual Meeting, but we did not receive notice of it prior to February 15, 2005, the persons named in our proxy card for the 2005 Annual Meeting will have the discretion to vote the proxied shares on such matters in accordance with their best judgment.

Proposals of shareholders intended to be presented at our next annual meeting of shareholders must be received by our Secretary at our executive offices in Eden Prairie, Minnesota, no later than March 14, 2006 for inclusion in our proxy statement and proxy relating to that annual meeting. The proposal must be in accordance with the provisions of Rule 14a-8 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934. It is suggested the proposal be submitted by certified mail, return receipt requested. Upon receipt of any such proposal, we will determine whether or not to include such proposal in our proxy statement and proxy in accordance with regulations governing the solicitation of proxies. Shareholders who intend to present a proposal at our next annual meeting of shareholders without including such proposal in our proxy statement must provide us with notice of such proposal no later than March 14, 2006. NVE reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

Shareholder Communications With the Board and Director Attendance at Annual Meetings

Shareholders and others who wish to communicate with our board as a whole or any individual director, may write to them at: 11409 Valley View Road, Eden Prairie, Minnesota, 55344. The Secretary will forward any such written communication to the Board, or if indicated, to a specified individual member of the Board, unless the written communication is (1) a personal or similar grievance, a shareholder proposal or related communication, an abusive or inappropriate communication or a communication not related to the responsibilities or duties of the Board, in which case the Secretary has the authority to discard the communication or to take appropriate legal action regarding the communication, or (2) a request for information about the company, a stock-related matter or any other matter that does not appear to require direct attention by the Board or any individual director, in which case the Secretary will attempt to handle the inquiry or request directly. All such communications will be kept confidential to the extent possible.

We do not have a formal policy regarding attendance by members of the Board at our annual meetings of shareholders, but we encourage our directors to attend. Four of our directors attended our 2004 annual meeting.

VOTING INFORMATION

Only shareholders of record at the close of business on June 20, 2005 are entitled to execute proxies or to vote at the 2005 Annual Meeting. As of that date there were outstanding 4,570,104 shares of our common stock, \$0.01 par value per share (Common Stock). Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires that our officers, directors, and persons who own more than ten percent of our Common Stock file reports of ownership and changes in ownership with the SEC and with us. To our knowledge, all such filing requirements were timely met during fiscal 2005, except for two Statements of Changes in Beneficial Ownership on Form 4; one by Cypress Semiconductor Corporation and the other by Jeffrey K. Kaszubinski. Both filings related to an automatic stock option grant to Mr. Kaszubinski on his reelection to our Board and the replacement of that option with a warrant granted to Cypress. The filings were late due to a miscommunication between Cypress and us. This disclosure is based solely on our review of copies of forms we have received or written representations from reporting persons.

Meeting Attendance

Our Board met six times in fiscal 2005. Each director attended all of the meetings of the board and of the committees on which they serve, except Dr. Daughton, who attended four board meetings.

Committees of the Board of Directors

The Board has three standing committees, the Audit, Compensation, and Nominating/Corporate Governance committees.

The Audit Committee

The Audit Committee currently consists of Ms. Hollister, Mr. Glarner, and Mr. Irish. The committee met six times in fiscal 2005. The committee is governed by a written charter, which is included in the Investors section of NVE's website (www.nve.com). The primary responsibility of the Audit Committee is to oversee our financial reporting process on behalf of the Board and our shareholders. Our Board has determined that Ms. Hollister and Mr. Glarner meet the criteria of auditcommittee financial experts under Item 401 of Regulation S-B promulgated by the Securities and Exchange Commission. Furthermore, the Board has determined that each member of the committee is independent within the meaning of Item 7(d)(3)(iv) of Schedule 14A under the Securities Exchange Act of 1934, as amended, and under Rule 10A-3, *Listing Standards Relating to Audit Committees*, promulgated by the SEC. The Report of the Audit Committee, including a description of the functions of the committee, is included in this Proxy Statement.

The Compensation Committee

The Compensation Committee currently consists of Mr. Glarner, Ms. Hollister, and Mr. Irish. The Compensation Committee reviews and sets compensation guidelines for executive officers and other senior management, and the composition and levels of participation in incentive compensation and fringe benefits for all employees. In addition, the committee oversees administration of our 2000 Stock Option Plan as amended. No member of the Compensation Committee is or has been an officer of NVE. The committee met twice in fiscal 2005. We have no compensation committee interlocks that is, none of our officers serves as a director or a compensation committee member of a company that has an officer or former officer serving on our Board or Compensation Committee.

The Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee currently consists of Mr. Glarner, Ms. Hollister, and Mr. Irish. Its functions include selection of candidates for our Board, select members of various committees and address corporate governance matters. The Nominating/Corporate Governance Committee does not operate under a formal charter.

Our process for identifying and evaluating candidates to be nominated to the Board starts with an evaluation of a candidate by the Nominating/Corporate Governance Committee and CEO. Candidates can be forwarded to the Nominating/Corporate Governance Committee by members of our Board or our CEO. The committee recommends to the Board the slate of directors to serve as management's nominees for election by the shareholders at the Annual Meeting. The Committee will also consider candidates recommended by shareholders. To date we have not engaged any third party to assist in identifying or evaluating potential nominees.

Director Qualifications

In evaluating candidates, the Board will require that candidates possess, at a minimum, a desire to serve on the Company's Board, an ability to contribute to the effectiveness of the Board, an understanding of the function of the board of a public company and relevant industry knowledge and experience. In addition, while not required of any one candidate, the Board would consider favorably experience, education, training or other expertise in business or financial matters and prior experience serving on boards of public companies. Collectively, the composition of the Board must meet the listing requirements of the NASDAQ Stock Market, where our common stock is listed. In evaluating any candidate for director nominee, the Board will also evaluate the contribution of the proposed nominee toward compliance with the NASDAQ Stock Market listing standards.

Shareholder Nominees

Shareholder proposals for nominations to the Board should be submitted to the Nominating/Corporate Governance Committee at our offices, 11409 Valley View Road, Eden Prairie, Minnesota, 55344. To be considered by the Board for nomination at the next succeeding annual meeting, nominations must be delivered not less than 90 days nor more than 120 days prior to the first anniversary of the mailing of the notice of the preceding year's annual meeting. Shareholders' nominations must set forth as to each nominee (1) the name, age, business address, and residence address of the person, (2) the principal occupation or employment of the person, (3) the number of shares of our stock owned by the person, (4) the written and acknowledged statement of the person that such person is willing to serve as a director, and (5) any other information relating to the person that would be required to be disclosed in a solicitation of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, if the candidate had been nominated by or on behalf of the Board. No shareholders submitted director nominations in connection with this year's meeting.

Compensation of Our Directors

Directors receive no cash compensation for their service on our Board. Non-employee directors automatically receive a nonqualified option to purchase 6,000 shares of Common Stock upon initial election and 2,000 shares of Common Stock on each reelection to the Board.

Limitation of Our Directors' Liability

Our bylaws provide that we indemnify our officers, directors and employees in accordance with, and to the fullest extent permitted by, the provisions of the Minnesota Business Corporation Act, as it may be amended from time to time.

Section 302A.521 of the Minnesota Business Corporation Act provides that a Minnesota business corporation may indemnify any director, officer, employee or other representative of the corporation made or threatened to be made a party to a proceeding, by reason of the former or present official capacity (as defined) of the person, against judgments, penalties, fines, settlements and reasonable expenses incurred by the person in connection with the proceeding if certain statutory standards are met. Proceeding means a threatened, pending or completed civil, criminal, administrative, arbitration or investigative proceeding, including one by or in the right of the corporation. Section 302A.521 contains detailed terms regarding such right of indemnification and reference is made thereto for a complete statement of such indemnification rights.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

On March 28, 2005 the Compensation Committee approved an immediate and full acceleration of vesting of all stock options outstanding under our 2000 Stock Option Plan, as amended, with an exercise price greater than \$20 per share. The acceleration was approved in anticipation of the impact of Financial Accounting Standards Board SFAS No. 123(R), which requires the expensing of unvested options. As a result of the acceleration, out-of-the-money options held by Dr. Baker to purchase 35,000 shares of Common Stock, and out-of-the-money options held by Ms. Hollister to purchase 4,500 shares, became exercisable as of March 28, 2005.

Report of the Compensation Committee

The Compensation Committee reviews and sets compensation guidelines for executive officers and other senior management, and the composition and levels of participation in incentive compensation and fringe benefits for all employees. In addition, we oversee administration of our 2000 Stock Option Plan, as amended.

We are guided by the following principles: (1) executive base compensation levels should be established by comparison of job responsibility to similar positions in comparable companies and be adequate to retain highly-qualified personnel, and (2) variable compensation should be established to provide incentive to improve performance and shareholder value. In determining executive officers' annual compensation, we consider the overall performance of the company, as well as the manager's position and performance.

Senior managers have the opportunity to receive cash bonuses based on individual and company performance. Bonuses (if any) will be given at the discretion of the Board.

We provide long-term incentives to our senior managers, and tie a portion of executive compensation to Company performance through grants of stock options under the company's 2000 Stock Option Plan, as amended. In fiscal 2005, Dr. Baker was granted options to purchase 105,000 shares for his services as President and CEO, to reward him for past performance, to provide an additional incentive for future performance, and in consideration of a voluntary reduction in salary.

During fiscal 2005, we approved the reduction of the salaries of most senior management, including the company's CEO, in favor of variable compensation or other considerations. This will reduce our overhead and we believe the higher emphasis on variable compensation will provide incentive to improve shareholder value. Dr. Baker's annual base salary has been reduced to \$133,000 from \$190,000.

Each of us found that the Company's CEO compensation was not excessive or unreasonable.

Audit Committee Pre-Approval Policy

Rules adopted by the SEC in order to implement requirements of the Sarbanes-Oxley Act of 2002 require audit committees of public companies to pre-approve audit and permissible non-audit services provided by their independent auditors. During the fiscal year, in the event it becomes necessary to engage the independent auditor for additional services not contemplated in the original pre-approval, the Company will obtain the specific pre-approval of the Audit Committee before engaging the independent auditor. The pre-approval policy requires the Audit Committee to be informed of each service performed by the independent auditor, and the policy does not include any delegation of the Audit Committee's responsibilities to management. The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated will report any pre-approval decisions to the Audit Committee as a whole at its next scheduled meeting.

The Audit Committee approved all of the services described in the section above.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees NVE's financial reporting process on behalf of the Board. We act under a written charter, which has been amended to be consistent with the provisions of the Sarbanes-Oxley Act of 2002 as well as related rules issued by The NASDAQ Stock Market. The Audit Committee consists of three members, all of whom have been determined by the Board to be independent under the rules of the Securities and Exchange Commission and The NASDAQ Stock Market. A copy of our charter is included in the Investors section of the Company's website (www.nve.com).

Management has the primary responsibility for the financial statements and the reporting process, including maintaining a system of internal controls disclosures and procedures. We are directly responsible for the appointment, compensation, retention, oversight, and termination of the company's independent auditors. The independent registered public accounting firm is responsible for expressing an opinion on the conformity of our audited financial statements to generally accepted accounting principles. The Audit Committee does not prepare financial statements or conduct audits.

In connection with the March 31, 2005 audited financial statements, we have reviewed and discussed with management and the independent registered public accounting firm the Company's audited financial statements, including discussions about critical accounting policies, other financial accounting and reporting principles and practices appropriate for the Company, and the reasonableness of significant judgments. We have discussed with the independent auditors the items that are required to be discussed under applicable professional auditing standards and regulations, including items required to be communicated by the independent auditors in accordance with AICPA SAS 61 and discussions about the quality of the financial statements and clarity of the related disclosures. We have also reviewed and considered the written disclosures and the letter received from Ernst & Young LLP, as required by Independence Standards Board Standard No. 1, including a discussion about their independence from the Company and management.

Based on the reviews and discussions above, we recommended to the Board that the audited financial statements for the year ended March 31, 2005 be included in the Company's Annual Report on Form 10-KSB, which is filed with the SEC. The Board approved our recommendation.
