Item 1.01 Entry into a Material Definitive Agreement

On January 23, 2006 the Compensation Committee of the Board of Directors of Overstock.com, Inc. (the Company) approved bonus payments to executive officers of the Company, including the named executive officers (as defined in Item 402(a)(3) of Regulation S-K) of the Company as a result of the officers' performance in 2005 as follows:

Name and Title	Bonus
Stephen Tryon, Senior Vice President	\$ 250,000
Jonathan E. Johnson III, Senior Vice President, Corporate Affairs and Legal	\$ 250,000
David Chidester, Senior Vice President, Finance	\$ 250,000
Russell (Tad) Martin, Senior Vice President of Merchandising and Operations	\$ 250,000
Kamille Twomey, Senior Vice President, Marketing	\$ 250,000
Stormy Simon, Senior Vice President, BMV and Off-Line Advertising	\$ 250,000

The President of the Company, Dr. Patrick M. Byrne, is a named executive officer, but declined to accept any bonus payment relating to 2005.

The Compensation Committee did not take any action with respect to the 2006 base salaries of any of the named executive officers. The Company intends to continue to pay base salaries to its named executive officers at their respective 2005 base salary rates, subject to changes, if any, approved by the Compensation Committee. The Company is not a party to any employment agreement with any of its named executive officers.

On January 23, 2006 the Board and Compensation Committee also adopted the Overstock.com Performance Share Plan, a copy of which is attached hereto as Exhibit 10.1, as well as a form of Grant, a copy of which is attached hereto as Exhibit 10.2, and approved grants to executive officers of the Company, including the named executive officers (as defined in Item 402(a)(3) of Regulation S-K) of the Company, as follows:

Name and Title	Number of Performance Shares Granted
Stephen Tryon, Senior Vice President	10,000
Jonathan E. Johnson III, Senior Vice President, Corporate Affairs and Legal	14,000
David Chidester, Senior Vice President, Finance	10,000
Russell (Tad) Martin, Senior Vice President of Merchandising and Operations	10,000
Kamille Twomey, Senior Vice President, Marketing	15,000
Stormy Simon, Senior Vice President, BMV and Off-Line Advertising	15,000

The Performance Share Plan provides for a three-year period for the measurement of the Company's attainment of the performance goal described in the form of grant, but at the Company's sole option the Company may make a payment of estimated amounts payable to a plan participant after two years. The performance goal is measured by growth in economic value, as defined in the plan. The amount of payments due to participants under the plan will be a function of the then current market price of a share of the Company's common stock, multiplied by a percentage dependent on the extent to which the performance goal has been attained, which will be between 0% and 200%. If the growth in economic value is 10% or less, the percentage will be 0%. If the growth in economic value is 25%, the percentage will be 100%. If the growth in economic value is 40% or more, the percentage will be 200%. If the percentage growth is between these percentages, the payment percentage will be determined on the basis of straight line interpolation. Amounts payable under the plan will be payable in cash unless the Company's stockholders approve settlement of awards under the plan with shares of common stock. The provisions of section 162(m) of the Internal Revenue Code could limit the Company's ability to deduct payments made pursuant to the plan. Reference is hereby made to the plan and the form of grant for more detailed information regarding the terms thereof.

On January 23, 2006 the Compensation Committee also approved the establishment of a bonus plan for 2006 for Company executives with a target of 100% of salaries of the executives. The actual amount of the bonus pool will be established at the end of 2006 by the Compensation Committee, after considering the President's recommendations, according to the Compensation Committee's judgment of overall accomplishments against the Company's 2006 business plan and growth in the enterprise value of the Company of at least 20%. The actual bonus pool can range from 0% to 200% of the target amount, and individual executive payments from the bonus pool can range from 0% of salary to 200% of salary. The provisions of section 162(m) of the Internal Revenue Code could limit the Company's ability to deduct payments made pursuant to the plan. A copy of the 2006 Bonus Plan is attached hereto as Exhibit 10.3, and reference is hereby made to the 2006 Bonus Plan for more detailed information regarding the terms thereof.
