PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held on Tuesday, May 23, 2006

INTRODUCTION

A notice of the annual meeting of shareholders of HRPT Properties Trust, a Maryland real estate investment trust, or the company, is on the preceding page and a form of proxy solicited by our board of trustees, or the board, is enclosed. We are paying the cost of this solicitation. In addition to solicitation by mail, our trustees and officers may solicit proxies personally or by telephone or e-mail. We have retained Innisfree M&A Incorporated to assist us in the solicitation of proxies. We are paying Innisfree a fee of \$15,000, plus reasonable expenses, for these services; the amount of this payment may increase if services in addition to those now contemplated are required and provided. This proxy statement and the attached form of proxy are being first sent to shareholders on or about March 31, 2006, together with a copy of our annual report to shareholders for the year ended December 31, 2005, including our audited financial statements.

The annual meeting record date is March 24, 2006. Only shareholders of record as of the close of business on March 24, 2006, are entitled to notice of, and to vote at, the meeting and at any postponement or adjournment thereof. We had 209,860,625 common shares of beneficial interest, \$.01 par value per share, outstanding on the record date and entitled to vote at the meeting. The holders of our outstanding common shares are entitled to one vote per common share.

Common shares represented by valid proxies will count for the purpose of determining the presence of a quorum for the meeting and will be voted as specified in the proxies. Abstentions and broker non-votes will be treated as present for purposes of determining the presence of a quorum for the meeting.

To be elected, each nominee for our board must receive the affirmative vote of a majority of our common shares entitled to vote at the meeting. Common shares represented by valid proxies marked **For** will be voted **FOR** both nominees for trustee. Common shares represented by valid proxies marked **Withhold** as to one or both nominees will not be counted as voting in favor of the applicable nominee or nominees. These shares and shares not voted will have the effect of a vote **AGAINST** the nominee or nominees for trustee.

The affirmative vote of 75% of our common shares entitled to vote at the meeting is required for the approval of Item 2. The affirmative vote of a majority of our common shares entitled to vote at the meeting is required for the approval of Items 3 and 4. An abstention or a share not voted with respect to any of these items will have the same effect as votes **AGAINST** that item.

The affirmative vote of a majority of all votes cast at the meeting at which a quorum is present is required for the approval of Item 5. Abstentions and shares not voted as to Item 5 will have no effect because they are not considered votes cast at the meeting.

If your shares are held in the name of a bank, brokerage firm or other similar holder of record (referred to as **in street name**), you will receive instructions from the holder of record that you must

follow in order for you to specify how your shares will be voted. If you do not specify how you would like your shares to be voted, your shares held in street name may still be voted. Holders of record have the authority under rules of the New York Stock Exchange, or NYSE, to vote shares for which their customers do not provide voting instructions on certain routine, uncontested items. In the case of non-routine or contested items, the institution holding street name shares cannot vote the shares if it has not received voting instructions. These are considered to be broker non-votes.

Under the NYSE rules, each of Item 1 (election of trustees), Items 2 and 4 (approval of the amendments to our declaration of trust described in those items) and Item 5 (adjournment or postponement of the meeting) are considered routine items for which street name shares may be voted without specific instructions. If your street name holder of record signs and returns a proxy card on your behalf, but does not indicate how the common shares should be voted, the common shares represented on the proxy card will be voted FOR each nominee for trustee under Item 1 and FOR Items 2, 4 and 5.

The approval of the amendment to our declaration of trust described in Item 3 is considered a non-routine matter for which street name holders of record may not vote your shares without specific instructions. If your street name holder of record signs and returns a proxy card on your behalf, but does not indicate how the common shares should be voted with respect to Item 3, your shares will not be voted, which will have the same effect as votes AGAINST the item.

If we adjourn the annual meeting, we will announce the time and place of the adjourned meeting but we will not deliver another notice of the meeting unless it is to be held after July 22, 2006. At any subsequent reconvening of the annual meeting, all proxies will be voted in the same manner as they would have been at the original convening of the meeting (except for any proxies which have been effectively revoked or withdrawn).

A shareholder giving a proxy may revoke it any time prior to its exercise by delivering to our Secretary a written revocation or a duly executed proxy bearing a later date, or by attending the meeting and voting his or her common shares in person.

Our website address is included several times in this proxy statement as a textual reference only, and the information in the website is not incorporated by reference into this proxy statement.

Item 1. Election of two trustees in Group II to our board.

The number of our trustees is currently fixed at five, and our board is currently divided into three groups, with two trustees in Group I, two trustees in Group II and one trustee in Group III. Trustees in each group are elected for three year terms and until their successors are elected and qualify. Two of our trustees, Tjarda Clagett and Gerard M. Martin have notified us they will not stand for re-election at our annual meeting. As discussed below, pursuant to a recommendation of our nominating and governance committee, the board has nominated William A. Lamkin and Adam D. Portnoy to stand for election at our annual meeting.

Our business is conducted under the general direction of our board as provided by our declaration of trust, our bylaws and the laws of the State of Maryland, the state in which we were organized on October 9, 1986.

Three of our current trustees, Tjarda Clagett, Patrick F. Donelan and Frederick N. Zeytoonjian, are our independent trustees within the meaning of our declaration of trust and bylaws; that is, trustees who do

not perform any services for us except as trustees, are not involved in our day to day activities and are not employed by Reit Management & Research LLC, or RMR, which is our manager, or otherwise affiliated or have a material business relationship with us, RMR or any other person or entity that holds in excess of 8.5% of our issued and outstanding common shares. This proxy statement includes a proposal to change this percentage to 9.8%. If elected, Mr. Lamkin will also be an independent trustee. Our board is comprised of a majority of trustees who also qualify as independent trustees pursuant to the corporate governance standards for companies listed on the NYSE.

In determining independence pursuant to NYSE standards, each year our board affirmatively determines whether trustees have a direct or indirect material relationship with us, including our subsidiaries. When assessing a trustee's relationship with us, the board considers all relevant facts and circumstances, not merely from the trustee's standpoint, but from that of the persons or organizations with which the trustee has an affiliation. Material relationships can include commercial, banking, consulting, legal, accounting, charitable and familial relationships.

The board has determined that Messrs. Clagett, Donelan and Zeytoonjian currently qualify, and that Mr. Lamkin, if elected will qualify, as independent under NYSE rules. In making that determination, the board considered Mr. Clagett's past employment with Merrill Lynch Capital Markets, a company which has provided investment banking services to us, and Mr. Donelan's past employment with Dresdner Kleinwort Wasserstein, an affiliate of which was the agent and a lender under our previous revolving bank credit facility. Such former relationships ended approximately five years ago and were with very large companies for each of which we did not account for a material amount of revenues. Mr. Lamkin has not had, and does not currently have, any relationships with us. Based on that, the board determined that those former relationships are not material and do not impair the judgment of these trustees in connection with their duties and responsibilities as trustees.

During 2005, our board held seven meetings, our audit committee held nine meetings, our compensation committee held four meetings, and our nominating and governance committee held two meetings. During 2005, each trustee attended 75% or more of the total number of meetings of our board and any committee of which he was a member during the time in which he served on our board or such committee. All of our trustees attended last year's annual meeting of shareholders.

In 2005, each independent trustee received an annual fee of \$20,000 for services as a trustee, plus a fee of \$500 for each meeting attended. Up to two \$500 fees were paid if a board meeting and one or more board committee meetings were held on the same date. In 2005, the chairpersons of our audit committee, compensation committee and nominating and governance committee received an additional \$5,000, \$1,000 and \$1,000, respectively. In addition, in 2005 each independent trustee received a grant of 1,500 of our common shares as part of his annual compensation. We generally reimburse all our trustees for travel expenses incurred in connection with their duties as trustees.

The present trustees in Group II are Tjarda Clagett and Gerard M. Martin. The term of Group II trustees elected at the meeting will expire at our 2009 annual meeting of shareholders. Pursuant to a recommendation of our nominating and governance committee, the board has nominated Messrs. Lamkin and Adam Portnoy for election as Group II trustees. The persons named in the enclosed proxy intend to exercise properly executed and delivered proxies for the election of Messrs. Lamkin and Adam Portnoy, except to the extent that proxy cards indicate that the votes should be withheld for one or both nominees. Senior Housing Properties Trust, or SNH, Gerard Martin and Frederick Zeytoonjian, currently trustees of

both SNH and the company, and RMR, our manager and SNH's manager, together with RMR's beneficial owners, Barry Portnoy, one of our managing trustees, and his son, Adam Portnoy, our Executive Vice President and a nominee for election as a trustee, have voting control over an aggregate of 2,377,126 common shares (1.1% of our common shares outstanding and entitled to vote at the meeting) and intend to vote FOR the election of Messrs. Lamkin and Adam Portnoy as Group II trustees and FOR Items 2, 3, 4 and 5 described below.

The board recommends a vote FOR the election of William A. Lamkin and Adam D. Portnoy as Group II trustees.

BOARD COMMITTEES

We have an audit committee, a compensation committee and a nominating and governance committee. Each of the above committees is comprised of Messrs. Clagett, Donelan and Zeytoonjian, who are independent under applicable NYSE listing standards and each committee's respective charter. It is expected that Mr. Lamkin will replace Mr. Clagett on these committees upon his election as an independent trustee.

The primary function of our audit committee is to select our independent registered public accounting firm and to assist our board in fulfilling its responsibilities for oversight of: (1) the integrity of our financial statements; (2) our compliance with legal and regulatory requirements; (3) the independent auditor's qualifications and independence; and (4) the performance of our internal audit function. The board has determined that Mr. Donelan is our audit committee financial expert and is independent as defined by the rules of the Securities and Exchange Commission, or SEC, and the NYSE. The board's determination that Mr. Donelan is a financial expert was based upon his prior experiences as: (i) a senior commercial banker responsible for lending to numerous publicly owned companies; (ii) chief executive officer of the U.S. subsidiary of Kleinwort Benson Limited, a United Kingdom based bank; (iii) managing director of Dresdner Kleinwort Wasserstein, an investment bank; (iv) a member of our audit committee since 1998; and (v) chief executive officer of a securities lending business.

Our compensation committee's primary responsibilities include: (1) reviewing at least annually the performance of RMR under its contract with us and making determinations regarding continuance of the contract; (2) evaluating the performance of our President; (3) reviewing the performance of our director of internal audit and determining the compensation payable to him; and (4) evaluating, approving and administering all our equity compensation plans.

The responsibilities of our nominating and governance committee include: (1) identification of individuals qualified to become members of our board and recommending to the board the trustee nominees for each annual meeting of shareholders or when vacancies occur; (2) development and

recommendation to the board of a set of governance principles; and (3) evaluation of the performance of our board.

Our policy with respect to board members' attendance at our annual meetings of shareholders can be found in our governance guidelines, the full text of which appears at our website at www.hrpreit.com. In addition to our governance guidelines, copies of the charters of our audit, compensation and nominating and governance committees, as well as our Code of Business Conduct and Ethics, may be obtained free of charge by writing to our Secretary, HRPT Properties Trust, 400 Centre Street, Newton, MA 02458 or at our website, www.hrpreit.com.

COMMUNICATIONS WITH TRUSTEES

Any shareholder or other interested party who desires to communicate with our independent trustees or any other trustees, individually or as a group, may do so by filling out a report at our website (www.hrpreit.com), by calling our toll-free confidential message system at 866-511-5038, or by writing to the party for whom the communication is intended, care of our director of internal audit, HRPT Properties Trust, 400 Centre Street, Newton, MA 02458. Our director of internal audit will then deliver any communication to the appropriate party or parties.

MEETINGS BY INDEPENDENT TRUSTEES

Pursuant to our governance guidelines, our independent trustees, who constitute our non-management trustees, meet at least once each year without management. The presiding trustee at these meetings is the chair of our audit committee, unless the independent trustees in attendance select another independent trustee to preside.

SELECTION OF CANDIDATES FOR TRUSTEES; SHAREHOLDER RECOMMENDATIONS, NOMINATIONS AND PROPOSALS

Our board has established governance guidelines which, among other matters, set forth the qualifications for service on our board. These guidelines may be changed from time to time by our board upon the recommendation of our nominating and governance committee. Our board makes nominations of persons to be elected by shareholders as trustees. Our board also elects trustees to fill board vacancies which may occur from time to time. In both these circumstances, our board will act upon recommendations made by our nominating and governance committee.

It is the policy of our nominating and governance committee to consider candidates for election as trustees who are recommended by our shareholders pursuant to the procedures set forth below.

Edgar Filing: HRPT PROPERTIES TRUST - Form PRE 14A

If a shareholder who is entitled to do so under our bylaws desires to recommend an individual for membership on the board, then that shareholder must provide a written notice to the chair of the nominating and governance committee and to our Secretary, HRPT Properties Trust, 400 Centre Street, Newton, MA 02458. In order for a recommendation to be considered by the nominating and governance committee, this notice must be received within the 30-day period ending on the last date on which shareholders may give timely notice for trustee nominations under our bylaws and applicable state and federal law, and must contain, at a minimum, the following:

- (A) as to each person whom the shareholder proposes to recommend for election or reelection as a trustee,
 - (1) such person's name, age, business address and residence address,
 - (2) the class, series and number of our shares of beneficial interest that are beneficially owned or owned of record by such person,
 - (3) the date such shares were acquired and the investment intent of such acquisition,
 - (4) the record of all purchases and sales of our securities by such person during the previous 12 month period including the date of the transactions, the class, series and number of securities involved in the transactions and the consideration involved, and
 - (5) all other information relating to such person that is required to be disclosed in solicitations of proxies for election of trustees in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to the SEC's proxy rules, including such person's written consent to being named in the proxy statement as a nominee and to serving as a trustee if elected;
- (B) as to the shareholder giving the notice and any shareholder associated person (defined below), the class, series and number of our shares which are owned of record by such shareholder and by such shareholder associated person, if any, and the class, series and number of, and the nominee holder for, shares owned beneficially but not of record by such shareholder and by any such shareholder associated person;
- (C) as to the shareholder giving the notice and any shareholder associated person, their names and addresses, as they appear on our share ledger and current names and addresses, if different;
- (D) as to the shareholder giving the notice and any shareholder associated person, the record of all purchases and sales of our securities by such shareholder or shareholder associated person during the previous 12 month period including the date of the transactions, the class, series and number of securities involved in the transactions and the consideration involved; and
- (E) to the extent known by the shareholder giving the notice, the name and address of any other shareholder supporting the nominee for election or reelection as a trustee on the date of such notice.

A shareholder associated person of any shareholder is (1) any person controlling, directly or indirectly, or acting in concert with, such shareholder, (2) any beneficial owner of our shares of beneficial interest owned of record, or beneficially, by such shareholder and (3) any person controlling, controlled by or under common control with such shareholder or shareholder associated person.

Our board or our nominating and governance committee may request additional information about the shareholder nominee or about a recommending shareholder.

In considering candidates to serve as trustees, our nominating and governance committee seeks individuals who have qualities which the committee believes may be effective in serving our long term best interests. Among the characteristics which the committee considers are the following: the quality of the candidate's past services to the company, if any; the business and personal experience of the candidate and their relevance to our business; the reputation of the candidate for integrity; the reputation of the candidate for intelligence, sound judgment, the ability to understand complex financial issues and to make meaningful inquiries; the willingness and ability of the candidate to devote sufficient time to board business; the familiarity of the candidate with the responsibilities of service on the board of a publicly owned company; the status of the candidate as independent of management; and other matters that the nominating and governance committee deems appropriate. In seeking candidates for trustees who have not previously served as our trustees, the nominating and governance committee may use the business, professional and personal contacts of its members, it may accept recommendations from other board members, and, if it considers it appropriate, the nominating and governance committee may engage a professional search firm. Shareholder recommendations which meet the requirements set forth above will be considered using the same criteria as other candidates considered by our nominating and governance committee.

To be eligible for consideration at our 2007 annual meeting, shareholder nominations of a candidate (or candidates) to be elected as a trustee (or trustees) must be received at our principal executive offices no earlier than December 1, 2006 and no later than December 31, 2006. Shareholder nominations must also be made in compliance with the informational requirements about the nominee and the nominating shareholder and otherwise as set forth in our bylaws. Shareholder nominations which are recommended by our nominating and governance committee and supported by our board will appear in our 2007 proxy statement. Shareholder nominations which are properly made in accordance with our bylaws but are not recommended by our nominating and governance committee or are not supported by our board will not appear in our 2007 proxy statement, but they may be considered at our annual meeting.

In 2005, we did not pay any third party to identify or to assist in the evaluation of any candidate for election to our board. We did not receive any shareholder recommendations or nominations for our board for the 2006 annual meeting, except the nominations made by our board which includes board members who are shareholders.

Under our bylaws and the rules and regulations of the SEC, to be eligible for inclusion in the proxy statement for our 2007 annual meeting, shareholder items other than nominations must be received at our principal executive offices no later than December 1, 2006, and must otherwise satisfy the conditions for inclusion established by our bylaws and the SEC. Proposals by shareholders, other than nominations intended for presentation at the 2007 annual meeting but not intended to be included in our proxy statement for that meeting, must be received at our principal executive office no earlier than December 1, 2006, and no later than December 31, 2006, and must meet all other requirements of our bylaws and of the SEC.

Copies of our bylaws, including the provisions which concern the requirements for shareholder nominations and items, may be obtained by writing to our Secretary, HRPT Properties Trust, 400 Centre Street, Newton, MA 02458.

Item 2. Approval of amendments to our declaration of trust that increase certain of our beneficial ownership limitations from 8.5% to 9.8% of the value of our total shares outstanding, and provide that our bylaws may include measures to enforce those ownership limitations, in addition to the mechanisms currently provided in our declaration of trust.

Since our formation in 1986, our declaration of trust has contained a number of provisions which may be utilized to protect our status as a real estate investment trust, or REIT, under the Internal Revenue Code of 1986, as amended, or the Code, and to prevent a change of control which is not approved by our board. Among other things, our board is granted the power to purchase any or all of our shares that have been transferred in a manner which would allow a shareholder or group of shareholders acting in concert to obtain more than 8.5% of the total number of any class of our shares outstanding.

Without limiting that general grant of powers, Section 6.14 of our declaration of trust imposes a specific ownership limitation. If direct or indirect beneficial ownership of more than 8.5% in value of our total outstanding shares becomes concentrated in one person or group (as determined pursuant to the declaration of trust), other than specified excepted persons, our board has the power to (1) purchase the excess shares, and (2) refuse to transfer or issue shares which, in the opinion of our board, would become such excess shares. In the case of a purchase, the purchase price is fair market value (which would currently be determined by reference to our share price on the NYSE at a date determined pursuant to the declaration of trust). Section 6.14 of our declaration of trust also provides that any transfer of shares, options or other securities convertible into shares that would create a beneficial owner, other than any of the excepted persons, of shares representing more than 8.5% in value of the total shares outstanding shall be deemed to be void ab initio, and the intended transferee shall be deemed never to have had an interest in these shares, options or other securities.

We believe our ownership limitation is very important to us and our shareholders, but we also believe that the 8.5% limitation contained in Section 6.14 does not reflect current practices for REITs and should be increased to 9.8% in value of our total outstanding shares to reflect those practices.

The amendment proposed by this Item 2 also adds a new provision to Section 6.14 which states that from time to time we may include in our bylaws measures to enforce the share ownership limitation in addition to those now contained in the declaration of trust. Our bylaws may be amended from time to time by our board.

Our declaration of trust does not include some provisions that now commonly appear in charters or declarations of trust of REITs relating to enforcement of share ownership limitations, and from time to time our board may determine that additional or different enforcement provisions are in the interests of our shareholders. While our board currently has power under Maryland law to add such provisions to our bylaws, the scope of that power is uncertain. We believe that an express authorization in our declaration of trust for our board to adopt bylaw provisions designed to enforce our share ownership limitations would make their effectiveness more certain. Our board does not currently intend to adopt any particular additional bylaw provisions relating to restrictions on the transfer of our shares.

In addition to applicable regulatory requirements, our declaration of trust requires, with limited exceptions, that a majority of our board be Independent Trustees, as defined in Section 1.4(k) of our declaration of trust. This definition is different from definitions used by the NYSE and others. Among other things, the declaration of trust states that an individual may not be an Independent Trustee if he or she is an affiliate of, or has any material business or professional relationship with, any person or entity as

to which our board has granted a waiver from the 8.5% share ownership limitation in accordance with the applicable provisions of the declaration of trust. To conform to the proposed change in the ownership limitation described above, we propose to change that percentage in the definition of Independent Trustee contain in Section 1.4(k) of our declaration of trust from 8.5% to 9.8%.

The text of the proposed amendments is attached as Appendix A to this proxy statement. Appendix A is marked to show all of the changes that would be made to our declaration of trust if this Item 2 is approved.

The board recommends a vote FOR Item 2.

Item 3. Approval of an amendment to our declaration of trust that will provide the board of trustees with the power to amend our declaration of trust to change our name.

We believe that our company name may not clearly indicate our primary investment strategy of owning commercial real estate located throughout the United States. We have not made a determination at this point to change our name, but we periodically consider alternative names. Under Maryland law, the declaration of trust of a Maryland real estate investment trust may permit the board to amend the declaration of trust to change the trust's name without shareholder approval. We are proposing to amend Section 1.1 of our declaration of trust to provide our board with that power.

The text of the proposed amendment is attached as Appendix B to this proxy statement. Appendix B is marked to show all of the changes that would be made to our declaration of trust if Item 3 is approved.

The board recommends a vote FOR Item 3.

Item 4. Approval of amendments to our declaration of trust that permit us to issue shares without certificates and remove our obligation to deliver certain reports to our shareholders.

The board is proposing changes to our declaration of trust that will permit us to issue shares without physical certificates and that will remove the requirement that we deliver certain reports to our shareholders. We believe these changes will reduce costs associated with the issuances and transfers of shares and communications to our shareholders. We also believe that the requirement for certificated shares does not reflect current transfer agent practices, which in many instances rely on book entry registration of ownership. We believe it is appropriate that we, like the majority of other public companies, should be permitted to prepare and deliver or make reports available to shareholders in accordance with regulatory requirements and without regard to any special charter provisions.

The text of the proposed amendments is attached as Appendix C to this proxy statement. Appendix C is marked to show all of the changes that would be made to our declaration of trust if Item 4 is approved.

The board recommends a vote FOR Item 4.

Item 5. Approval of the adjournment or postponement of the meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the meeting to approve Items 2 through 4.

We are submitting Item 5 for consideration at the meeting to authorize the named proxies to approve one or more adjournments or postponements of the meeting if there are insufficient votes to approve Items 2 through 4. Item 5 relates only to an adjournment or postponement of the meeting for purposes of

soliciting additional proxies to obtain the requisite shareholder votes to approve any of Items 2 through 4. We retain full authority to adjourn or postpone the meeting for any other purpose, including absence of a quorum, without the consent of any of our shareholders.

The board recommends a vote FOR Item 5.

OTHER INFORMATION

Compensation of Executive Officers

We do not have any employees. Services which otherwise would be provided by employees are provided by RMR. Payments by us to RMR for services during 2005 are described in Certain Relationships and Related Transactions.

Except with respect to incentive share awards, we have not paid and have no current plans to pay compensation to our executive officers. RMR conducts our day to day operations and compensated Messrs. Martin, Barry Portnoy, Mannix, Adam Portnoy, Popeo and Lepore and Ms. Clark in connection with their services rendered to RMR and to us. None of our executive officers has an employment agreement with RMR or with us. The following table provides summary long term compensation information for incentive share awards made for the past three years to our executive officers.

(1) All incentive share awards provide that one third of each award vests on the grant date and one third vests on or about each of the next two anniversaries following the grant. In the event an executive officer granted an incentive share award ceases to perform duties for us or ceases to be an officer or an employee of RMR during the vesting period, the common shares which have not yet vested may be repurchased by us for nominal consideration. Vested and unvested shares awarded under our incentive share award plan are entitled to distributions. The dollar amounts shown in the table represent the vested and unvested total number of our common shares awarded during the year shown multiplied by the closing price for our common shares on the NYSE on the date of grant.

At December 31, 2005, Messrs. Mannix, Adam Portnoy, Popeo and Lepore and Ms. Clark owned 24,000, 8,000, 19,000, 17,000 and 13,500 common shares, respectively, which were granted under our incentive share award plans since 1997 and include both vested and unvested common shares. Based on a closing price of \$10.35 per share for our common shares on December 30, 2005, these common shares had a value of \$248,400, \$82,800, \$196,650, \$175,950 and \$139,725 respectively.

Performance Graph Comparison of Cumulative Total Return

The graph below shows the cumulative total shareholder returns on our common shares (assuming a \$100 investment on December 31, 2000) for the past five years as compared with (a) the National Association of Real Estate Investment Trusts Inc. s, or NAREIT, index of all tax qualified real estate investment trusts listed on the NYSE, the American Stock Exchange and the Nasdaq National Market System, and (b) the Standard & Poor s 500 Index. The graph assumes reinvestment of all cash distributions. In addition, the Five Star shares we distributed to our shareholders of record on December 17, 2001, are assumed sold on December 17, 2001, and the proceeds immediately reinvested in our common shares. We received shares of Five Star through our ownership of common shares of SNH; Five Star was a wholly owned subsidiary of SNH prior to being spun off by SNH on December 31, 2001.

Compensation Committee Report

The company developed and implemented the present incentive share award plan in recognition of the following circumstances. First, the company s common shares are primarily a yield vehicle for shareholders and do not appreciate in value in the same manner as other equity securities. Therefore, a conventional stock option plan would not provide appropriate incentives for management. Second, because the executive officers are employees of RMR and receive their salary compensation from RMR, the trustees wished to establish an arrangement which would, among other things, (a) foster a continuing identity of interest between management and the company s shareholders, and (b) recognize that the executive officers perform certain duties on the company s behalf, primarily with regard to shareholder relations and investor communications, which fall outside of the scope of services covered by the contracts with RMR. In granting incentive share awards, we considered factors such as the amount and terms of the incentive shares previously granted to the executive officers and the amount of time spent and complexity of the duties performed by executive officers. We have imposed, and may impose, vesting and other conditions on the granted common shares which may encourage recipients of share awards to remain with the company and RMR.

In 2005, Mr. Mannix, President and Chief Operating Officer, Mr. Adam Portnoy, Executive Vice President, Mr. Popeo, Treasurer, Chief Financial Officer and Secretary, and Mr. Lepore and Ms. Clark, Senior Vice Presidents, each received a grant of 4,000 common shares, 1,333 of which vested immediately upon grant and 1,333 and 1,334 of which will vest in 2006 and 2007, respectively. In addition to shares granted to the executive officers listed above, 19,600 common shares were granted to other employees of RMR in 2005. The determination of the number of common shares granted to these individuals was based on the number of common shares previously granted to them, the fair market value of the common shares granted, and our opinion as to the value of the services performed by each individual.

Payments to RMR are described in Certain Relationships and Related Party Transactions.

Audit Committee Report

In the course of our oversight of the company's financial reporting process, we have: (1) reviewed and discussed with management the audited financial statements for the year ended December 31, 2005; (2) discussed with Ernst & Young LLP, the company's independent registered public accounting firm, the matters required to be discussed by Statement on Accounting Standards No. 61, *Communication with Audit Committees*; (3) received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*; (4) discussed with the independent registered public accounting firm their independence; and (5) considered whether the provision of nonaudit services by the independent registered public accounting firm is compatible with maintaining their independence and concluded that it is compatible at this time.

Based on the foregoing review and discussions, the audit committee recommended to the board that the audited financial statements be included in the company's Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the SEC.

Under applicable regulatory definitions, Messrs. Martin and Zeytoonjian, who are, respectively, a managing trustee and an independent trustee, of SNH, may also be deemed to have beneficial ownership of SNH's 1,000,000 common shares; however, Messrs. Martin and Zeytoonjian each disclaim beneficial ownership of such shares.

(9) Mr. Adam Portnoy owns 8,000 common shares directly.

(10) Mr. Barry Portnoy owns 46,415 common shares directly and is the sole shareholder of a corporation which owns 625,148 shares.

(11) Includes 8,000 common shares owned by Mr. Zeytoonjian's wife. Mr. Zeytoonjian disclaims beneficial ownership of these shares.

Certain Relationships and Related Transactions

In 1999, we distributed a majority of the shares of our subsidiary, SNH, to our shareholders. In order to effect this spin off and to govern relations after the spin off, we entered into a transaction agreement with SNH, pursuant to which it was agreed that so long as (1) we own more than 10% of SNH; (2) we and SNH engage the same manager; or (3) we and SNH have one or more common managing trustees; then we will not invest in properties involving senior housing without the prior consent of SNH's independent trustees, and SNH will not invest in office buildings, including medical office buildings and clinical laboratory buildings, without the prior consent of our independent trustees. If an investment involves both office and senior housing components, the character of the investment will be determined by building area, excluding common areas, unless our board and SNH's board otherwise agree at the time. These provisions do not apply to any investments held by us at the time of the spin off. Also as part of the transaction agreement, SNH agreed to subject its ability to waive ownership restrictions contained in its declaration of trust to the consent of our trustees so long as we own more than 9.8% of SNH's outstanding voting or equity interests. We currently own 10.7% of SNH's outstanding common shares.

RMR originates and presents investment opportunities and provides administrative services to us under an agreement which is subject to annual renewal by the compensation committee of our board,

which is comprised of our independent trustees. RMR is compensated at an annual rate equal to 0.7% of our average real estate investments, as defined, up to the first \$250 million of such investments and 0.5% thereafter, plus an incentive fee based upon increases in funds from operations per share, as defined. The incentive fee payable to RMR is paid in common shares. Aggregate fees earned by RMR during 2005 for these services were \$26.9 million, including \$1.2 million as an incentive fee which will be paid in common shares in April 2006. Our compensation committee has approved the renewal of the RMR agreement for its current term.

We also have agreements with RMR under which RMR provides property management services for us. Fees paid to RMR under these property management agreements are based on a formula, generally 3% of gross collected rents as a property management fee and 5% of gross construction costs as a construction management fee. RMR does not receive any acquisition, disposition, financing or leasing fees or commissions from us. Total management fees paid to RMR for 2005 were \$22.5 million. RMR rents office space from us; during 2005, RMR paid to us rents of \$495,000 for office space. Our compensation committee has approved the continuation of the property management agreements. RMR also provides the internal audit function for us and for other publicly owned companies to which it provides management services. We pay a pro rata share of RMR's costs in providing that function. Our audit committee approves the identity and salary of the individual serving as our director of internal audit, as well as a proportionate share of these costs which we pay (\$106,938 in 2005). Prior to October 1, 2005, RMR was beneficially owned by Barry Portnoy and Gerard M. Martin, our current managing trustees. Effective October 1, 2005, Barry Portnoy and his son, Adam Portnoy, who is our Executive Vice President and a candidate for election to our board, acquired Mr. Martin's ownership in RMR. Mr. Martin remains a director of RMR and, together with Mr. Barry Portnoy, continues to serve as one of our current managing trustees. All transactions between us and RMR are approved by our independent trustees.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires that our trustees, executive officers and persons who own more than 10% of a registered class of our equity securities file reports of ownership and changes in ownership of securities with the SEC and the NYSE. Our executive officers, trustees and greater than 10% shareholders are required to furnish us with copies of all forms they file pursuant to Section 16(a). Based solely on our review of the copies of these reports furnished to us or written representations that no such reports were required, we believe that, during 2005, all filing requirements applicable to our executive officers, trustees and greater than 10% shareholders were timely met.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our audit committee appointed Ernst & Young LLP as our independent registered public accounting firm for 2005. A representative of Ernst & Young LLP is expected to be present at our annual meeting, with the opportunity to make a statement if he or she desires to do so. This representative will be available to respond to appropriate questions from shareholders who are present at our annual meeting.

The fees for services provided by Ernst & Young LLP to us in the last two fiscal years were as follows:

	FY 2004	FY 2005
Audit Fees	\$ 692,350	\$ 727,350
Audit-Related Fees	71,700	135,000
Tax Fees	14,885	11,500
<i>Subtotal</i>	778,935	873,850
All Other Fees		
Ernst & Young LLP Total Fees	\$ 778,935	\$ 873,850

Our audit committee has established policies and procedures which are intended to control the services provided by our independent registered public accounting firm and to monitor their continuing independence. Under these policies, no services may be undertaken by our independent registered public accounting firm unless the engagement is specifically approved by our audit committee or the services are included within a category which has been pre-approved by our audit committee. The maximum charge for services is established by the audit committee when the specific engagement or the category of services is approved or pre-approved. In certain circumstances, management is required to notify the audit committee when pre-approved services are undertaken and the committee or its chairman may approve amendments or modifications to the engagement or the maximum fees. Our director of internal audit is responsible to report to our audit committee regarding compliance with these policies and procedures.

Our audit committee will not approve engagements of our independent registered public accounting firm to perform non-audit services for us if doing so will cause our independent registered public accounting firm to cease to be independent within the meaning of applicable SEC or NYSE rules. In other circumstances, our audit committee considers, among other things, whether our independent registered public accounting firm is able to provide the required services in a more or less effective and efficient manner than other available service providers.

All services for which we engaged our independent registered public accounting firm in 2004 and 2005 were approved by our audit committee. The total fees we paid to Ernst & Young LLP for services in 2004 and 2005 are set forth above. Audit-related fees relate to audit-related services provided with respect to leases and potential acquisitions. The only other non-audit fees we paid to Ernst & Young LLP in 2004 and 2005 were for tax services. These tax services involved reviewing our tax reporting and tax compliance procedures. Our audit committee approved the engagement of Ernst & Young LLP to provide these non-audit services because it determined that Ernst & Young LLP's providing these services would not compromise its independence and that its familiarity with our record keeping and accounting systems would permit it to provide these services with equal or higher quality, more quickly and at a lower cost than we could obtain these services from other providers.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some banks, brokers and other record holders of our common shares may participate in the practice of householding proxy statements and annual reports. This means that, unless shareholders give contrary instructions, only one copy of our proxy statement or annual report may be sent to multiple shareholders in each household. We will promptly deliver a separate copy of either document to you if you call or write to us at the following address or telephone number: Investor Relations, HRPT Properties Trust, 400 Centre Street, Newton, MA 02458, telephone (617) 332-3990. If you want to receive separate copies of our proxy statement or annual report in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other record holder, or you may contact us at the above address or telephone number.

OTHER MATTERS

At this time, we know of no other matters which will be brought before our annual meeting. However, if other matters properly come before our annual meeting or any postponement or adjournment thereof, and if discretionary authority to vote with respect thereto has been conferred by the enclosed proxy, the persons named in the proxy will vote the proxy in accordance with their discretion on those matters.

By Order of the Board
JOHN C. POPEO, *Secretary*

APPENDIX A

WORDS THAT ARE UNDERLINED AND IN BRACKETS WILL BE ADDED AND WORDS THAT ARE CROSSED OUT WILL BE DELETED FROM OUR DECLARATION OF TRUST

1.4.(k) *Independent Trustee.* Independent Trustee shall mean a Trustee who, in his individual capacity, (i) is neither an Affiliate of, nor has any material business or professional relationship with, the Advisor or any other Person whom the Trustees may pursuant to Section 6.14(c) hereof permit to purchase in excess of ~~8.5%~~[9.8%] of the Trust's Shares (provided, however, that any Trustee affiliated with an underwriter shall not cease to be an Independent Trustee solely on the basis of such underwriter's purchase of Shares in connection with any public offering of the Trust's Shares), and (ii) does not perform any services for the Trust except as Trustee.

6.14 *Shareholders' Disclosure; Trustees' Right to Refuse to Transfer Shares; Limitation on Holdings; Redemption of Shares.*

(a) The Shareholders shall upon demand disclose to the Trustees in writing such information with respect to direct and indirect ownership of the Shares as the Trustees deem necessary or appropriate to comply with the REIT provisions of the Internal Revenue Code or to comply with the requirements of any taxing authority or governmental agency.

(b) Whenever in good faith the Trustees deem it reasonably necessary to protect the status of the Trust as a REIT they may require a statement or affidavit from each Shareholder or proposed transferee of Shares setting forth the number of Shares already owned, directly or indirectly, by him and any related Person specified in the form prescribed by the Trustees for that purpose. If, in the opinion of the Trustees, which shall be binding upon any proposed transferee of Shares, any proposed transfer would jeopardize the status of the Trust as a REIT, the Trustees shall have the right, but not the duty, to refuse to permit such transfer.

(c) The Trustees, by notice to the holder thereof, may purchase any or all Shares that have been transferred pursuant to a transfer which, in the opinion of the Trustees, would jeopardize the status of the Trust as a REIT. Without limiting the generality of the foregoing, as a condition to the transfer and/or registration of transfer of any Shares which could result in direct or indirect ownership (as hereinafter defined) of Shares representing more than ~~8.5%~~[9.8%] in value of the total Shares outstanding (the Excess Shares) becoming concentrated in the hands of one owner other than an Excepted Person, such potential owner shall file with the Trust the statement or affidavit described in subsection (b) of this Section 6.14 no later than the fifteenth day prior to any transfer, registration of transfer or transaction which, if consummated, would result in such ownership.

The Trustees shall have the power (i) by lot or other means deemed equitable by them to call for the purchase from the beneficial owner or the Shareholder of such Excess Shares, and (ii) to refuse to transfer or issue Shares to any Person whose acquisition of such Shares would, in the opinion of the Trustees, result in the direct or indirect beneficial ownership of any Excess Shares by a person other than any of the Excepted Persons. The purchase price for any Excess Shares shall be equal to the fair market value of the Shares reflected in the closing sale price for the Shares, if then listed on a national securities exchange, or such price for the Shares on the principal exchange if then listed on more than one national securities exchange, or if the Shares are not then listed on a national securities exchange, the latest bid quotation for the Shares if then traded over-the-counter, on the last trading day immediately preceding the day on which notices of such acquisition are sent, or, if no such closing sales prices or quotations are available, then the purchase price shall be equal to the net asset value of such Shares as determined by the Trustees in accordance with the provisions of applicable law. Prompt payment of the purchase price shall be made in cash by the Trust in such manner as may be determined by the Trustees. From and after the date fixed for purchase by the Trustees, and so long as

payment of the purchase price for the Shares to be so redeemed shall have been made or duly provided for, the holder of any Excess Shares so called for purchase shall cease to be entitled to distributions, voting rights and other benefits with respect to such Shares, excepting only the right to payment of the purchase price fixed as aforesaid. Any transfer of Shares, options, warrants or other securities convertible into Shares that would create a direct or indirect beneficial owner of Excess Shares other than any of the Excepted Persons shall be deemed void ab initio and the intended transferee shall be deemed never to have an interest therein. If the foregoing provision is determined to be void or invalid by virtue of any legal decision, statute, rule or regulation, then the transferee of such Shares, options, warrants or other securities convertible into Shares shall be deemed, at the option of the Trust, to have acted as agent on behalf of the Trust in acquiring such Shares and to hold such Shares on behalf of the Trust.

The following persons are Excepted Persons : (i) the Advisor, (ii) persons to whom the Advisor's Share ownership is attributed or whose Share ownership is attributed to the Advisor, or (iii) other persons approved by the Trustees, at their option and in their sole discretion, provided only that such approval shall not be granted to any person whose ownership of more than ~~8.5%~~[9.8%] in value of the total Shares outstanding would result, directly, indirectly or as a result of attribution of ownership, in termination of the status of the Trust as a REIT.

(d) Notwithstanding any other provision in this Declaration of Trust or the Bylaws, the foregoing provision may not be amended or repealed without the affirmative vote of 75% of the Shares entitled to vote.

(e) Notwithstanding any other provision of this Declaration of Trust to the contrary, any purported acquisition of Shares of the Trust (whether such purported acquisition results from the direct or indirect acquisition or ownership (as hereafter defined) of Shares) which would result in the disqualification of the Trust as a REIT shall be null and void. Any such Shares may be treated by the Trustees in the manner prescribed for Excess Shares in subsection (c) of this Section 6.14.

(f) Nothing contained in this Section 6.14 or in any other provision of this Declaration of Trust shall limit the authority of the Trustees to take such other action as they deem necessary or advisable to protect the Trust and the interests of the Shareholders by preservation of the Trust's status as a REIT.

(g) If any provision of this Section 6.14 or any application of any such provision is determined to be invalid by any federal or state court having jurisdiction over the issues, the validity of the remaining provision shall not be affected and other applications of such provision shall be affected only to the extent necessary to comply with the determination of such court. To the extent this Section 6.14 may be inconsistent with any other provision of this Declaration of Trust, this Section 6.14 shall be controlling.

(h) It shall be the policy of the Trustees to consult with the appropriate officials of any stock exchange on which the relevant Shares of the Trust are listed as far as reasonably possible in advance of the final exercise (at any time when the Shares are listed on such exchange) of any powers granted by subsections (b) or (c) of this Section 6.14.

(i) For purposes of this Declaration of Trust, Shares not owned directly shall be deemed to be owned indirectly by a person if that person or a group of which he is a member would be the beneficial owner of such Shares, as defined as of September 1, 1986 in Rule 13d-3 under the Securities Exchange Act of 1934 and/or would be considered to own such Shares by reason of the attribution rules of Section 544 or Section 856(d)(5) of the Internal Revenue Code.

[(j) The Trustees may, in their sole discretion, adopt, amend or repeal Bylaws providing additional alternative measures to enforce the ownership limitations set forth in paragraphs (b) and (c) above, including, without limitation, alternative powers to those set forth in paragraph (c)(i) above.]
