2006 Cash Incentive Compensation for Chief Executive Officer.

On March 24, 2006, the Compensation Committee (the "Committee") of the Board of Directors of Watson Pharmaceuticals, Inc. (the "Company") adopted a formula for determining whether to award a cash bonus to Allen Chao, Ph.D., the Company's Chairman of the Board, President and Chief Executive Officer, for performance during the 2006 fiscal year. The formula is not contained in a formal written plan. A summary of the criteria the Committee will use to determine Dr. Chao's bonus for fiscal year 2006 is as follows:

Dr. Chao will be eligible to receive a cash bonus of up to \$1,200,000. Up to \$800,000 will be based upon the Company achieving certain operating cash flow and gross profit targets, and up to \$400,000 will be at the discretion of the Committee, taking into account: (i) success in developing and executing plans acceptable to the Committee for retaining key executives, recruiting key executives as necessary, and further developing a succession plan for key executives; (ii) success in continuing to implement the Company's quality improvement initiatives designed to enhance and improve the Company's quality systems; (iii) success in implementing the Company's strategic action plan; and (iv) such other relevant factors as the Committee, in its sole discretion, shall determine. The Committee will determine whether and to what extent a bonus will be paid for fiscal year 2006 after the end of 2006.

(the "Plan"), to Dr. Chao. The grant of options and award of restricted stock were authorized in connection with Dr. Chao's performance during the year ended December 31, 2005. The stock options will be subject to the provisions of the Plan and shall: (a) become exercisable in four equal annual installments of 25,000 options commencing on March 24, 2007, and (b) once exercisable, remain exercisable for the shorter of the term of the options or two years after cessation as an employee of the Company.
