PROXY STATEMENT

The enclosed proxy is solicited by HyperFeed Technologies, Inc. (HyperFeed , the Company , or we) for use at the annual meeting of our stockholders, to be held on Friday, August 4, 2006 at 1:00 p.m., local time, at the Museum of Contemporary Art, The Coast Room, 700 Prospect Street, La Jolla, California. In addition to solicitation of proxies by mail, proxies may be solicited by our directors, officers and regular employees by personal interview, telephone or telegram, and we will request brokers and other fiduciaries to forward proxy soliciting material to the beneficial owners of shares which are held of record by them. We will pay the expense of all such solicitation, including printing and mailing. Any proxy may be revoked at any time before its exercise, by written notice to our Secretary or by attending the meeting and electing to vote in person. This Proxy Statement and the accompanying proxy were initially mailed to stockholders on or about June 23, 2006.

Only holders of record of our common stock at the close of business on June 6, 2006 will be entitled to vote at the meeting or any adjournment or postponement thereof. As of April 6, 2006, 7,643,474 shares of our common stock were outstanding.

Each share of our common stock that you own entitles you to one vote. Holders of shares of our voting stock are not entitled to cumulate their votes in the election of our Board of Directors (the Board). A majority of the outstanding shares of our voting stock present in person or by proxy at the annual meeting shall constitute a quorum at the meeting. Votes cast by proxy or in person at the annual meeting will be tabulated by the inspector of election appointed for the meeting who will also determine whether or not a quorum is present. In determining whether a quorum exists at the meeting for purposes of the election of directors, the inspector of election will treat valid proxies marked abstain or proxies required to be treated as broker non-votes as present. In determining whether a quorum exists at the meeting for purposes of all other matters, the inspector of election will not treat valid proxies marked abstain or proxies required to be treated as broker non-votes as present. A broker non-vote occurs when a broker or nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the broker nominee does not have discretionary voting power and has not received instructions from the beneficial owner of the shares. Abstentions with respect to any matter will have the same effect as a vote against that proposal while broker non-votes will have no effect.

The directors nominated shall be elected by a plurality of the votes cast at the annual meeting. This means that the director nominees with the most affirmative votes are elected to fill the available seats. Approval of proposals other than the election of directors requires the affirmative vote of a majority of our outstanding common stock present in person or by proxy at the annual meeting.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board currently is composed of five (5) directors.

Our directors are elected or appointed to serve until the next annual meeting, or until their successors are elected and shall have qualified. There are five (5) nominees for election as directors at this annual meeting. All nominees have served as directors since our last annual meeting. Each of the nominees for election as directors was recommended by a security holder.

The proxies returned pursuant to this solicitation will be voted by the persons named therein for the election as directors of the persons named below, which persons constitute the Board's nominees for election of directors. If any nominee is unable to accept the office of director (which is not presently anticipated), the persons named in the proxies will vote for the election of such other persons as they shall determine. The Board recommends that you vote in favor of electing the five (5) nominees.

Edgar Filing: HYPERFEED TECHNOLOGIES INC - Form DEF 14A

Name and Principal Occupation	Age	Director Since
Carlos C. Campbell, President, C. C. Campbell & Co.; Director of PICO Holdings, Inc. since 1998; Director of Resource America, Inc; Director of Herley Industries, Inc.	68	2005

Messrs. Slepicka, Morgan, and Campbell are independent within the meaning of NASD listing standards.

The Board has established an Audit Committee, a Compensation Committee, and a Nominating Committee.

The Audit Committee assists the Board in fulfilling its oversight responsibilities. The Board adopted a written charter of the Audit Committee in May 2000. The Audit Committee is responsible for, among other things, monitoring HyperFeed's financial reporting process and systems of internal controls regarding finance, accounting and legal compliance. Only outside directors who are not employees of HyperFeed may serve on the Audit Committee, and all members of the Audit Committee are independent within the meaning of NASD listing standards and Rule 10a-3 under the Securities Exchange Act of 1934, as amended. The Audit Committee is comprised of Messrs. Slepicka, Morgan, and Campbell. General Borling was also a member of the Audit Committee through May 2005 at which time General Borling resigned as a director. Mr. Slepicka is deemed to be an Audit Committee financial expert within the meaning of Rule 10a-3 under the Securities Exchange Act of 1934, as amended.

The Audit Committee met seven times in 2005.

The Compensation Committee administers the Company's stock option plans, including the review and grant of stock options to officers and other employees under the Company's stock option plans. The Compensation Committee also reviews and approves various other Company compensation policies and matters, and reviews and approves the salary and other matters relating to compensation of the chief executive officer of the Company. The Compensation Committee is comprised of three members, Messrs Langley, Hart, and Slepicka. Mr. Slepicka is independent within the meaning of NASD listing standards.

The Compensation Committee met one time in 2005.

The Nominating Committee makes recommendations to the Board regarding the size and composition of the Board. The Nominating Committee establishes procedures for the nomination process, recommends candidates for election to the Board of Directors and nominates officers for election by the Board. The Nominating Committee is comprised of Messrs. Hart and Slepicka. General Borling was also a member of the Nominating Committee through May 2005 at which time General Borling resigned as a director. Mr. Slepicka is independent within the meaning of NASD listing standards.

The Nominating Committee does not have a charter nor does the Nominating Committee have a policy with regard to the consideration of any director candidates recommended by security holders. The Board of Directors believes that, in light of the Company's status as a controlled subsidiary of PICO Holdings, Inc. (PICO), it is appropriate for the Nominating Committee to function without a charter or policy with regard to the consideration of any director candidates recommended by security holders.

When the need for a new director arises (whether because of a newly created Board seat or vacancy), the Nominating Committee proceeds by whatever means it deems appropriate to identify a qualified candidate or candidates, including referrals from other directors or management. The committee reviews the qualifications of each candidate, in light of the current composition of the Board, and considers the relative qualifications of any other candidates. Final candidates are generally interviewed by one or more Board members. The committee then makes a recommendation to the Board based on its review, the results of interviews with the candidate, and all other available information. The Board makes the final decision on whether to nominate any particular candidate to the Board.

The Nominating Committee met once in 2005.

During the year ended December 31, 2005, the Board held four meetings. No director attended less than 75% of all the meetings of the Board and the committees on which he served in 2005.

Any stockholder who wishes to communicate directly with our Board of Directors may do so by writing to HyperFeed Board of Directors, c/o Corporate Secretary, 300 South Wacker Dr., Suite 300, Chicago IL 60606. The Corporate Secretary will provide all such communications to the Board of Directors on a confidential basis as soon as reasonably practicable following receipt.

The Company has adopted a Code of Ethics that applies to all of the Company's employees, including the Company's principal executive officer, principal financial officer, and principal accounting officer. A copy of the Code of Ethics is available on the Company's corporate Web site, which is located at www.hyperfeed.com. The Company also intends to disclose any amendments to, or waivers from, the Code of Ethics on its corporate Web site.

Compensation Committee Interlocks and Insider Participation

Messrs. Langley, Hart, and Slepicka are members of the Compensation Committee. None of these directors are employees or former employees of HyperFeed. None of the members of the Compensation Committee serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers who serve on our Board or Compensation Committee.

Compensation of Directors

On January 1, 2005, we adopted a policy of paying our non-employee directors a retainer fee of \$15,000 per year and, in addition, \$1,000 per Board meeting, plus travel expenses. Additionally, we adopted a policy of paying Committee members \$750 per meeting, plus travel expenses. Also effective January 1, 2005, the Chairman of the Audit Committee will receive a retainer fee of \$2,000 per year. Mr. Slepicka received \$22,000, General Borling received \$17,466, Mr. Morgan received \$18,500, and Mr. Campbell received \$6,500 for meeting attendance fees and retainers during 2005. Messrs. Hart and Langley each have beneficial ownership of 25.2% of PICO's shares; however, Messrs. Hart and Langley each disclaim beneficial ownership of the 3,333,333 PICO shares owned by PICO Equity Investors, L. P., pursuant to Rule 13d-3 of the Securities Exchange Act of 1934, as amended. Therefore, the Company pays meeting attendance fees and retainers for Messrs. Hart and Langley to PICO. Payments accrued for meeting attendance fees and retainers for Messrs. Hart and Langley during 2005 were not paid in 2005 but are expected to be paid in 2006.

On March 24, 1999, we adopted a policy of granting options to non-employee directors. No non-employee directors received an option grant in 2005.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF THE NOMINEES LISTED IN PROPOSAL 1. THE PERSONS NAMED ON THE ENCLOSED PROXY CARD INTEND TO VOTE THE PROXIES SOLICITED HEREBY FOR THE ELECTION OF THE NOMINEES UNLESS SPECIFICALLY DIRECTED OTHERWISE ON SUCH PROXY CARD.

PROPOSAL 2: APPROVAL OF THE HYPERFEED TECHNOLOGIES, INC. 2005 LONG-TERM INCENTIVE PLAN

Edgar Filing: HYPERFEED TECHNOLOGIES INC - Form DEF 14A

At the annual meeting, the stockholders will be asked to approve the HyperFeed Technologies, Inc. 2005 Long-Term Incentive Plan (the 2005 Incentive Plan). The Company's Board of Directors approved the 2005 Incentive Plan on November 4, 2005, subject to approval by the shareholders.

Summary of the 2005 Incentive Plan

The following summary of the 2005 Incentive Plan is qualified in its entirety by the specific language of the 2005 Incentive Plan, a copy of which is attached as Appendix A.

General

The purpose of the 2005 Incentive Plan is to advance the interests of the Company and its shareholders by providing a variety of incentives for employees, officers, consultants, and non-employee Directors to increase shareholders' equity and provide a mechanism whereby the participants in the 2005 Incentive Plan will be able to participate in an increase in share price. The 2005 Incentive Plan seeks to achieve this by providing for grants in the form of stock options, stock-settled stock appreciation rights, restricted stock, performance shares, performance units, restricted stock units, deferred compensation awards, and other forms of stock-based awards, although it is not anticipated that all these forms of awards will be granted simultaneously.

Shares Subject to 2005 Incentive Plan

The maximum aggregate number of shares of the Company's stock that may be issued under the 2005 Incentive Plan is 646,120 and shall consist of authorized but unissued shares. Appropriate adjustments will be made to the number of shares that may be issued under the 2005 Incentive Plan, and to any outstanding awards, in the event of a stock split, reverse stock split, stock dividend, recapitalization, or similar change in the Company's capital structure. If an outstanding award for any reason expires or is canceled or terminated without having been exercised or settled in full, the shares of stock allocable to the expired, canceled, or terminated award shall again be available for issuance under the 2005 Incentive Plan.

Administration

The 2005 Incentive Plan will be administered by the Compensation Committee of the Board of Directors. Subject to the provisions of the 2005 Incentive Plan, the Committee will determine in its discretion the persons to whom and the times at which awards under the 2005 Incentive Plan will be granted, the number of any awards, and all of the terms and conditions of any awards. The Committee will have the authority to interpret the 2005 Incentive Plan and any such interpretation by the Committee will be binding.

Features of 2005 Incentive Plan

- (1) The 2005 Incentive Plan shall continue in effect until the earlier of: (i) its termination by the Board of Directors; or (ii) the date on which all shares of stock available for issuance under the 2005 Incentive Plan have been issued and all restrictions on such shares under the grant of any awards have lapsed. Incentive Stock Options cannot be granted later than ten (10) years from the date of shareholder approval of the Plan. In addition, all other awards must be granted, if at all, within ten (10) years from the date of shareholder approval of the Plan.
- (2) The Board may amend or terminate the Plan at any time. However, without the approval of the Company's shareholders there can be: (i) no increase in the maximum aggregate number of shares that may be issued under the Plan (except for adjustments for stock splits, recapitalizations, etc.); and (ii) no other amendment of the 2005 Incentive Plan that would require approval of the Company's shareholders under any applicable law or regulation.
- (3) The vesting of all awards granted by the Committee shall be determined at the time of grant by the Committee. However, Deferred Compensation Awards are not subject to a vesting schedule.

Forms of Awards

On November 4, 2005, the Board of Directors granted freestanding, stock-settled stock appreciation rights for 335,494 shares of the Company's common stock at an exercise price of \$1.75 per share to certain employees of the Company under the 2005 Incentive Plan, if said 2005 Incentive Plan is approved by the Company's shareholders.

The following forms of awards may be made to officers, employees, consultants, and non-employee Directors by the Committee:

- (1) Stock Options. Stock options are the right to purchase shares of the Company at a stated price for a specified period of time. The Committee may grant awards in the form of Incentive Stock Options or Nonstatutory Stock Options. The exercise price for all Stock Options shall be established in the discretion of the Committee. However, the exercise

price per share cannot be lower than the fair market value of the Company's stock on the date the award is made. In the case of an award of Incentive Stock Options to a participant who owns 10% or more of the Company's stock, the exercise price per share cannot be less than 110% of the Company's fair market value of the Company's stock on the date the award is made. Within those limitations, the Committee, in its discretion, will establish the terms and conditions for Stock Options awarded as to exercise price per share, number, and term. Incentive Stock Options awarded to a 10% owner of the Company's shares expire not later than five years after the award is effective.

- (2) **Stock-Settled Stock Appreciation Rights.** The Committee may award stock appreciation rights, which may be granted in tandem with a stock option or may be granted independently of an option. Upon receiving an award, the participant will have the right to receive payment in shares of the Company's stock in an amount equal to the excess of the fair market value of the Company's stock on the date of exercise over the exercise price.
- (3) **Restricted Stock.** A Restricted Stock award is the right to receive a share of the Company's stock on a date determined by the Committee, subject to performance goals established by the Committee in its discretion.
- (4) **Performance Awards.** The Committee in its discretion may grant Performance Awards, which represent the right to receive a cash payment. The initial value of a performance award shall be equal to the fair market value of the Company's stock on the date the award is made. The final value shall be determined based on the performance award formula established by the Committee.
- (5) **Deferred Compensation Awards.** These can be awarded to participants by the Committee in the form of Restricted Stock Units. Before awards can be granted, the Committee must establish a program for highly compensated employees selected in the Committee's discretion, whereby these employees will receive Restricted Stock Units in lieu of cash compensation, stock otherwise issuable to the employee upon exercise of a Stock Option or the exercise of a SAR, or cash or shares of stock otherwise issuable to the employee when a Performance Award is settled.
- (6) **Other Stock-Based Awards.** In addition, the Committee, in its sole discretion, may carry out the purpose of this 2005 Incentive Plan by granting Stock-Based Awards as it determines to be in the best interests of the Company and subject to terms and conditions the Committee considers necessary and appropriate.

Summary of U.S. Federal Income Tax Consequences

The following summary is intended only as a general guide as to the U.S. federal income tax consequences under current law of participation in the 2005 Incentive Plan and does not attempt to describe all possible federal or other tax consequences of such participation or tax consequences based on particular circumstances.

Under the Code, as presently in effect, the grant of an option or SAR or the award of restricted stock under the 2005 Incentive Plan will not generate income to a participant or a deduction to the Company.

Edgar Filing: HYPERFEED TECHNOLOGIES INC - Form DEF 14A

Upon exercise of a nonstatutory option or SAR, the participant will normally recognize ordinary income in an amount equal to the difference between the exercise price for the option and the fair market value of the Company's common stock on the exercise date or, in the case of a SAR, equal to the amount of payment received from the Company (less any exercise price, if applicable). The Company will be entitled to a tax deduction in the same amount as is recognized by the participant and at the same time, provided the Company includes and reports such amounts on a timely filed Form W-2 or Form 1099-MISC (or similar such IRS form filing). Upon a disposition of shares acquired upon exercise of a nonstatutory option, any amount received in excess of the fair market value of the shares at the time of exercise of the option generally

will be treated as long-term or short-term capital gain, depending on the holding period of the shares. The Company will not be entitled to any tax deduction upon such subsequent disposition.

In the case of incentive options, the participant generally does not recognize any ordinary income on the date of grant or exercise. If the participant holds the stock acquired through exercise of an incentive option for one year from the date of exercise and two years from the date of grant, the participant will thereafter recognize long-term capital gain or loss upon a subsequent sale of the stock, based on the difference between the incentive option's exercise price and the sale price. If the stock is sold before the requisite holding period, the participant will recognize ordinary income based upon the difference between the exercise price and the lesser of the sales price or the fair market value upon the date of exercise. The Company generally will be allowed a business expense deduction only if, and to the extent, the participant recognizes ordinary income.

For awards of restricted stock, the fair market value of the stock is not taxable to the participant as ordinary income until the year the participant's interest is freely transferable or no longer subject to a substantial risk of forfeiture. Section 83(b) of the Code, however, permits a participant to elect to have the fair market value of the stock taxed as ordinary income in the year the award is received. Dividends on restricted stock are treated as ordinary income at the time paid. The Company generally will be entitled to a deduction equal to the amount of ordinary income recognized by the participant.

Upon the grant of a performance award, the participant will recognize ordinary income equal to the amount of the award, which amount will be includable in the participant's taxable income in the year such performance award is paid. The Company will be entitled to a deduction in the same year equal to the amount of the award.

Vote Required and Board of Directors Recommendation

Approval of this proposal requires the affirmative vote of a majority of the shares voted at the annual meeting, either in person or by proxy. Abstentions and broker non-votes will not be counted as present for purposes of determining the presence of a quorum. Abstentions will have the same effect as a vote against that proposal while broker non-votes will have no effect.

The Board of Directors believes that adoption of the proposed HyperFeed Technologies, Inc. 2005 Long-Term Incentive Plan is in the best interests of the Company and its shareholders for the reasons stated above. **THEREFORE, THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 2 TO APPROVE THE HYPERFEED TECHNOLOGIES, INC. 2005 LONG-TERM INCENTIVE PLAN. THE PERSONS NAMED ON THE ENCLOSED PROXY CARD INTEND TO VOTE THE PROXIES SOLICITED HEREBY FOR THE APPROVAL OF THE HYPERFEED TECHNOLOGIES, INC. 2005 LONG-TERM INCENTIVE PLAN UNLESS SPECIFICALLY DIRECTED OTHERWISE ON SUCH PROXY CARD.**

Certain Transactions

On August 26, 2005, the Company and PICO amended and restated an existing Secured Convertible Promissory Note (the Restated Convertible Note). Under the terms of the Restated Convertible Note, the Company could borrow up to \$6.0 million at an interest rate of prime plus 2.75%. The Company was obligated to repay all outstanding principal and accrued interest under the Restated Convertible Note on March 28, 2006. The Restated Convertible Note, which was convertible by PICO at any time into shares of HyperFeed's common stock, provided that the number of shares that PICO would receive in connection with a conversion of any amounts outstanding under the Restated Convertible Note would be determined by dividing the total outstanding amount to be converted by the lesser of \$1.36 per share and 80% of the five-day moving average per share price of HyperFeed's common stock on the date of conversion. The number of shares of HyperFeed's common stock issuable upon conversion of the Restated Convertible Note was not subject to a cap. In addition, in connection with issuing the Restated Convertible Note, the Company issued to PICO a warrant to purchase 125,000 shares of HyperFeed's common stock, at an exercise price of \$1.70 per share. The warrant expires on August 26, 2008.

On November 1, 2005, PICO elected to convert the \$6.0 million borrowed under the terms of the Restated Convertible Note and accrued interest of \$0.2 million into 4,546,479 shares of HyperFeed's common stock at a conversion rate of \$1.36 per share. The warrants remain outstanding.

On December 20, 2005, we issued a Promissory Note to PICO in the amount of \$0.8 million at an interest rate of 7.0% per annum. In the first quarter of 2006, we issued additional promissory notes to PICO totaling \$3.4 million at an interest rate of 7.0% per annum. The principal sum borrowed under the December 20, 2005 Promissory Note and the promissory notes issued in the first quarter of 2006 totaled \$4.2 million. In connection with the issuance of the promissory notes in the first quarter of 2006, the December 20, 2005 Promissory Note was cancelled.

On March 30, 2006, the Company issued to PICO a Secured Convertible Promissory Note (the 2006 Convertible Note) which replaces the promissory notes issued in the first quarter of 2006. Under the terms of the 2006 Convertible Note, the Company may borrow up to \$10.0 million at an interest rate of prime plus 2.75%. The Company is obligated to repay all outstanding principal and accrued interest under the 2006 Convertible Note two years from issuance. The 2006 Convertible Note, which is convertible by PICO at any time into HyperFeed s common stock, provides that the number of shares that PICO would receive in connection with a conversion of any amounts outstanding under the 2006 Convertible Note would be determined by dividing the total outstanding amount to be converted by the lesser of (i) 80% of the five-day moving average per share price of HyperFeed s common stock on the date of conversion or (ii) 80% of \$1.05 per share.

The number of shares of HyperFeed's common stock issuable upon conversion of the 2006 Convertible Note is not subject to a cap. In addition, in connection with issuing the 2006 Convertible Note, the Company issued to PICO a warrant to purchase 125,000 shares of HyperFeed's common stock, at an exercise price of \$1.05 per share. As of April 6, 2006, Messrs. Hart and Langley each have beneficial ownership of 25.2% of PICO's shares; however, Messrs. Hart and Langley each disclaim beneficial ownership of the 3,333,333 PICO shares owned by PICO Equity Investors, L. P., pursuant to Rule 13d-3 of the Securities Exchange Act of 1934, as amended. Mr. Langley, a Director and Chairman of HyperFeed, is a Director and Chairman of PICO. Mr. Hart, a Director of HyperFeed, is a Director, President and Chief Executive Officer of PICO. As such, Messrs. Hart and Langley each may be deemed to beneficially own the 6,367,790 shares, or 82.0%, of our common stock beneficially owned by PICO. This number of shares deemed beneficially owned includes 250,000 shares of common stock that are issuable upon exercise of two common stock Purchase Warrants issued to PICO, each for 125,000 shares of common stock. Messrs. Hart and Langley each disclaim beneficial ownership of HyperFeed's common stock held by PICO, pursuant to Rule 13d-3 of the Securities Exchange Act of 1934, as amended.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock and our other equity securities. Officers, directors and greater than ten-percent shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on review of the copies of such reports furnished to us during the fiscal year ended December 31, 2005, our officers, directors and greater than ten-percent beneficial owners complied with all applicable Section 16(a) filing requirements except: Messrs. Pluschkell, Wojciechowski, and Frapart filed two late reports on Form 4 reporting options granted in May 2005 and November 2005.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee is comprised solely of independent directors within the meaning of NASD listing standards and Rule 10a-3 under the Securities Exchange Act of 1934, as amended, and it operates under a written charter adopted by the Board of Directors in May 2000. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. Mr. Slepicka is an Audit Committee financial expert within the meaning of Rule 10a-3 under the Securities Exchange Act of 1934, as amended.

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities. The Audit Committee's primary duties and responsibilities are to monitor the integrity of the Company's financial reporting process and systems of internal controls regarding finance, accounting and legal compliance and to monitor the independence and performance of the Company's independent auditors.

Edgar Filing: HYPERFEED TECHNOLOGIES INC - Form DEF 14A

The Audit Committee is responsible for reviewing and pre-approving any non-audit services to be performed by the Company's independent auditors. The Audit Committee reviews and, if appropriate, approves non-audit service engagements, taking into account the proposed scope of the non-audit services, the proposed fees for the non-audit services, whether the non-audit services are permissible under applicable law or regulation and the likely impact of the non-audit services on the independence of the independent auditors.

The Audit Committee has reviewed and discussed with the management of HyperFeed and Deloitte & Touche LLP (Deloitte), the Company's independent auditors, the audited financial statements of the Company contained in the Company's annual report to stockholders for the fiscal year ended December 31, 2005. The Audit Committee also has discussed with representatives of Deloitte the matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, Communication with Audit Committees).

The Audit Committee has received and reviewed the written disclosures and letter from Deloitte required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with Deloitte their independence. The Audit Committee also has considered whether the provision of other non-audit services to the Company by Deloitte is compatible with maintaining their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission.

RELATIONSHIP WITH INDEPENDENT ACCOUNTANTS

Deloitte & Touche (including Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu and their respective affiliates (Deloitte)), a certified public accounting firm, has acted as our independent auditors since October 2004, having been appointed by our Board, and anticipate that the Company will engage Deloitte to audit our financial statements at and for the year ending December 31, 2006. The Company also engaged Deloitte to (1) provide tax consulting services to HyperFeed and (2) prepare certain tax filings for HyperFeed and its subsidiaries. A representative of Deloitte is expected to be present at the annual meeting and will have an opportunity to make an independent statement if he or she desires to do so. The representative is expected to be available to respond to appropriate questions.

In considering the nature of services provided by the independent auditor, the Audit Committee determined that such services are compatible with the provision of independent audit services. The Audit Committee discussed these services with the independent auditor and Company management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the U. S. Securities and Exchange Commission (the SEC) to implement the Sarbanes-Oxley Act of 2002, as well as the American Institute of Certified Public Accountants.

The Audit Committee has not selected or appointed an independent auditing firm for the fiscal year ending December 31, 2006. The Audit Committee customarily makes this selection and appointment in the third quarter.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

To Our Stockholders:

In October 1997, the Board established a Compensation Committee for administering our executive compensation programs. Prior to that time, the entire Board was generally responsible for administering the programs. The Compensation Committee also assumed responsibility for administering our Option Plans from our Incentive Stock Committee.

Compensation Philosophy

Our executive compensation program is intended to attract, develop, reward and retain quality management talent. It is our philosophy that executive compensation should recognize an individual's contribution to us and should be competitive with compensation offered by other computer software and service companies. To further align executive officers' interests with those of the stockholders, our executive compensation program also relies on stock option awards.

Compensation Components

The components of our executive compensation program are as follows: base salary, bonus and stock option awards.

Base Salary. The Board establishes the base salary to be paid to our chief executive officer based upon recommendations from the Compensation Committee. In determining their recommendations, the Committee takes into account several factors such as an individual's experience, responsibilities, management and leadership abilities, and job performance in the prior year.

Bonus. For 2005, the Compensation Committee and the Board approved guidelines for the payment of cash bonuses to executives based upon improvements in the operating performance of the Company. Messrs. Pluschkell, Wojciechowski, and Frapart received bonus payments for 2005 that were paid in the fourth quarter of 2005. No bonuses were awarded in 2004.

Stock Options. The Board believes stock options are a key long-term incentive vehicle because they provide executives with the opportunity to acquire or increase an equity interest in us and to share in the appreciation of the value of our common stock. Stock option grants, therefore, directly align the executive's interest with those of the stockholders.

Stock options are granted to the executive officers and other key managers by our Compensation Committee under our 1999 Combined Incentive Stock and Non-Statutory Option Plan and under our 2005 Incentive Plan, upon shareholder approval. Options are generally granted with a three-year vesting and a five-year exercise period in order to encourage executives and managers to take a long-term view of the impact of their individual contributions to us. In determining the number of options to be awarded to each individual, the Committee considers the executive's level of management responsibility and potential impact on our profitability and growth. During the 2005 fiscal year, options were granted to Messrs. Pluschkell, Wojciechowski, and Frapart at an option price equal to or greater than the fair market value of our stock on the date of grant.

The Compensation Committee has considered the provisions of Section 162(m) of the Internal Revenue Code and related income tax regulations which restrict the deductibility of certain compensation paid to the Company's Chief Executive Officer and each of the four most highly compensated officers holding office at the end of any year, to the extent such compensation paid to any of these officers exceeds \$1,000,000 in any year and fails to qualify for an exemption from the restriction. In view of the Company's compensation structure, the Compensation Committee believes it is unlikely that this will impact the Company in the near future. The Compensation Committee will continue to monitor this.

Chief Executive Officer Compensation

The Compensation Committee and Board establish the compensation of our Chief Executive Officer. In determining the level of compensation, the Committee and Board consider a variety of factors, such as experience, effectiveness as a manager, leadership skills, and job performance in

the prior year, as well as the market value of Chief Executive Officers of similar companies in similar industries.

Options shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, performance criteria and restrictions as shall be determined by the Committee and set forth in the Award Agreement evidencing such Option; provided, however, that (a) no Option shall be exercisable after the expiration of ten (10) years after the effective date of grant of such Option, (b) no Incentive Stock Option granted to a Ten Percent Owner shall be exercisable after the expiration of five (5) years after the effective date of grant of such Option, and (c) no Option granted to a prospective Employee, prospective Consultant or prospective Nonemployee Director may become

exercisable prior to the date on which such person commences Service. Subject to the foregoing, unless otherwise specified by the Committee in the grant of an Option, any Option granted hereunder shall terminate ten (10) years after the effective date of grant of the Option, unless earlier terminated in accordance with its provisions.

6.3 Payment of Exercise Price.

(a) ***Forms of Consideration Authorized.* Except as otherwise provided below, payment of the exercise price for the number of shares of Stock being purchased pursuant to any Option shall be made (i) in cash, by check or in cash equivalent, (ii) by tender to the Company, or attestation to the ownership, of shares of Stock owned by the Participant having a Fair Market Value not less than the exercise price, (iii) by delivery of a properly executed notice of exercise together with irrevocable instructions to a broker providing for the assignment to the Company of the proceeds of a sale or loan with respect to some or all of the shares being acquired upon the exercise of the Option (including, without limitation, through an exercise complying with the provisions of Regulation T as promulgated from time to time by the Board of Governors of the Federal Reserve System) (a *Cashless Exercise*), (iv) by delivery of a properly executed notice of exercise electing a Net-Exercise, (v) by such other consideration as may be approved by the Committee from time to time to the extent permitted by applicable law, or (vi) by any combination thereof. The Committee may at any time or from time to time grant Options which do not permit all of the foregoing forms of consideration to be used in payment of the exercise price or which otherwise restrict one or more forms of consideration.**

(b) ***Limitations on Forms of Consideration.***

(i) **Tender of Stock.** Notwithstanding the foregoing, an Option may not be exercised by tender to the Company, or attestation to the ownership, of shares of Stock to the extent such tender or attestation would constitute a violation of the provisions of any law, regulation or agreement restricting the redemption of the Company's stock.

(ii) **Cashless Exercise.** The Company reserves, at any and all times, the right, in the Company's sole and absolute discretion, to establish, decline to approve or terminate any program or procedures for the exercise of Options by means of a Cashless Exercise, including with respect to one or more Participants specified by the Company notwithstanding that such program or procedures may be available to other Participants.

6.4 **Effect of Termination of Service.**

(a) ***Option Exercisability.*** Subject to earlier termination of the Option as otherwise provided herein and unless otherwise provided by the Committee, an Option shall be exercisable after a Participant's termination of Service only during the applicable time periods provided in the Award Agreement.

(b) ***Extension if Exercise Prevented by Law.*** Notwithstanding the foregoing, unless the Committee provides otherwise in the Award Agreement, if the exercise of an Option within the applicable time periods is prevented by the provisions of Section 14 below, the Option shall remain exercisable until three (3) months (or such longer period of time as determined by the Committee, in its discretion) after the date the Participant is notified by the Company that the Option is exercisable, but in any event no later than the Option Expiration Date.

(a) Forms of Consideration Authorized. Except as otherwise provided below, payment of the ex

(c) ***Extension if Participant Subject to Section 16(b).***

Notwithstanding the foregoing, if a sale within the applicable time periods of shares acquired upon the exercise of the Option would subject the Participant to suit under Section 16(b) of the Exchange Act, the Option shall remain exercisable until the earliest to occur of (i) the tenth (10th) day following the date on which a sale of such shares by the Participant would no longer be subject to such suit, (ii) the one hundred and ninetieth (190th) day after the Participant's termination of Service, or (iii) the Option Expiration Date.

6.5 Transferability of Options. During the lifetime of the Participant, an Option shall be exercisable only by the Participant or the Participant's guardian or legal representative. Prior to the issuance of shares of Stock upon the exercise of an Option, the Option shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. Notwithstanding the foregoing, to the extent permitted by the Committee, in its discretion, and set forth in the Award Agreement evidencing such Option, a Nonstatutory Stock Option shall be assignable or transferable subject to the applicable limitations, if any, described in the General Instructions to Form S-8 Registration Statement under the Securities Act.

7. TERMS AND CONDITIONS OF STOCK APPRECIATION RIGHTS.

Stock Appreciation Rights shall be evidenced by Award Agreements specifying the number of shares of Stock subject to the Award, in such form as the Committee shall from time to time establish. No SAR or purported SAR shall be a valid and binding obligation of the Company unless evidenced by a fully executed Award Agreement. Award Agreements evidencing SARs may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

7.1 Types of SARs Authorized. SARs may be granted in tandem with all or any portion of a related Option (a *Tandem SAR*) or may be granted independently of any Option (a *Freestanding SAR*). A Tandem SAR may be granted either concurrently with the grant of the related Option or at any time thereafter prior to the complete exercise, termination, expiration or cancellation of such related Option.

7.2 Exercise Price. The exercise price for each SAR shall be established in the discretion of the Committee; provided, however, that (a) the exercise price per share subject to a Tandem SAR shall be the exercise price per share under the related Option, and (b) the exercise price per share subject to a Freestanding SAR shall be not less than the Fair Market Value of a share of Stock on the effective date of grant of the SAR.

7.3 Exercisability and Term of SARs.

(a) Tandem SARs. Tandem SARs shall be exercisable only at the time and to the extent, and only to the extent, that the

related Option is exercisable, subject to such provisions as the Committee may specify where the Tandem SAR is granted with respect to less than the full number of shares of Stock subject to the related Option.

(b) Freestanding SARs shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, performance criteria and restrictions that shall be determined by the Committee and set forth in the Award Agreement evidencing such SAR; provided, however, that no Freestanding SAR shall be exercisable after the expiration of ten (10) years after the effective date of grant of such SAR.

7.4 Deemed Exercise of SARs. If, on the date on which an SAR would otherwise terminate or expire, the SAR by its terms remains exercisable immediately prior to such termination or expiration and, if so exercised, would result in a payment to the holder of such SAR, then any portion of such SAR which has not previously been exercised shall automatically be deemed to be exercised as of such date with respect to such portion.

7.5 Effect of Termination of Service. Subject to earlier termination of the SAR as otherwise provided herein and unless otherwise provided by the Committee in the grant of an SAR and set forth in the Award Agreement, an SAR shall be exercisable after a Participant's termination of Service only as provided in the Award Agreement.

7.6 Nontransferability of SARs. During the lifetime of the Participant, an SAR shall be exercisable only by the Participant or the Participant's guardian or legal representative. Prior to the exercise of an SAR, the SAR shall not be subject in any manner to

(a) Tandem SARs. Tandem SARs shall be exercisable only at the time and to the extent, and only

anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution.

8. TERMS AND CONDITIONS OF RESTRICTED STOCK AWARDS.

Restricted Stock Awards shall be evidenced by Award Agreements specifying the number of shares of Stock subject to the Award, in such form as the Committee shall from time to time establish. No Restricted Stock Award or purported Restricted Stock Award shall be a valid and binding obligation of the Company unless evidenced by a fully executed Award Agreement. Award Agreements evidencing Restricted Stock Awards may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

8.1 Types of Restricted Stock Awards Authorized. Restricted Stock Awards may or may not require the payment of cash compensation for the stock. Restricted Stock Awards may be granted upon such conditions as the Committee shall determine, including, without limitation, upon the attainment of one or more Performance Goals described in Section 9.4. If either the grant of a Restricted Stock Award or the lapsing of the Restriction Period is to be contingent upon the attainment of one or more Performance Goals, the Committee shall follow procedures substantially equivalent to those set forth in Sections 9.3 through 9.5(a).

8.2 Purchase Price. The purchase price, if any, for shares of Stock issuable under each Restricted Stock Award and the means of payment shall be established by the Committee in its discretion.

8.3 Purchase Period. A Restricted Stock Award requiring the payment of cash consideration shall be exercisable within a period established by the Committee; provided, however, that no Restricted Stock Award granted to a prospective Employee, prospective Consultant or prospective Director may become exercisable prior to the date on which such person commences Service.

8.4 Vesting and Restrictions on Transfer. Shares issued pursuant to any Restricted Stock Award may or may not be made subject to Vesting Conditions based upon the satisfaction of such Service requirements, conditions, restrictions or performance criteria, including, without limitation, Performance Goals as described in Section 9.4, as shall be established by the Committee and set forth in the Award Agreement evidencing such Award. During any Restriction Period in which shares acquired pursuant to a Restricted Stock Award remain subject to Vesting Conditions, such shares may not be sold, exchanged, transferred, pledged, assigned or otherwise disposed of other than as provided in the Award Agreement or as provided in Section 8.7. Upon request by the Company, each Participant shall execute any agreement evidencing such transfer restrictions prior to the receipt of shares of Stock hereunder and shall promptly present to the Company any and all certificates representing shares of Stock acquired hereunder for the placement on such certificates of appropriate legends evidencing any such transfer restrictions.

8.5 Voting Rights; Dividends and Distributions. Except as provided in this Section, Section 8.4 and any Award Agreement, during the Restriction Period applicable to shares subject to a Restricted Stock Award, the Participant shall have all of the rights of a shareholder of the Company holding shares of Stock, including the right to vote such shares and to receive all dividends and other distributions paid with respect to such shares. However, in the event of a dividend or distribution paid in shares of Stock or any other adjustment made upon a change in the capital structure of the Company as described in Section 4.2, any and all new, substituted or additional securities or other property (other than normal cash dividends) to which the Participant is entitled by reason of the Participant's Restricted Stock Award shall be immediately subject to the same Vesting Conditions as the shares subject to the Restricted Stock Award with respect to which such dividends or distributions were paid or adjustments were made.

8.6 Effect of Termination of Service. Unless otherwise provided by the Committee in the grant of a Restricted Stock Award and set forth in the Award Agreement, if a Participant's Service terminates for any reason, whether voluntary or involuntary (including the Participant's death or disability), then the Participant shall forfeit to the Company any shares acquired by the Participant pursuant to a Restricted Stock Award which remain subject to Vesting Conditions as of the date of the Participant's termination of Service in exchange for the payment of the purchase price, if any, paid by the Participant. The Company shall have the right to assign at any time any repurchase right it may have, whether or not such right is then

exercisable, to one or more persons as may be selected by the Company.

8.7 Nontransferability of Restricted Stock Award Rights. Prior to the issuance of shares of Stock pursuant to a Restricted Stock Award, rights to acquire such shares shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or the laws of descent and distribution. All rights with respect to a Restricted Stock Award granted to a Participant hereunder shall be exercisable during his or her lifetime only by such Participant or the Participant's guardian or legal representative.

9. TERMS AND CONDITIONS OF PERFORMANCE AWARDS.

Performance Awards shall be evidenced by Award Agreements in such form as the Committee shall from time to time establish. No Performance Award or purported Performance Award shall be a valid and binding obligation of the Company unless evidenced by a fully executed Award Agreement. Award Agreements evidencing Performance Awards may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

9.1 Types of Performance Awards Authorized. Performance Awards may be in the form of either Performance Shares or Performance Units. Each Award Agreement evidencing a Performance Award shall specify the number of Performance Shares or Performance Units subject thereto, the Performance Award Formula, the Performance Goal(s) and Performance Period applicable to the Award, and the other terms, conditions and restrictions of the Award.

9.2 Initial Value of Performance Shares and Performance Units. Unless otherwise provided by the Committee in granting a Performance Award, each Performance Share shall have an initial value equal to the Fair Market Value of one (1) share of Stock, subject to adjustment as provided in Section 4.2, on the effective date of grant of the Performance Share. Each Performance Unit shall have an initial value determined by the Committee. The final value payable to the Participant in settlement of a Performance Award determined on the basis of the applicable Performance Award Formula will depend on the extent to which Performance Goals established by the Committee are attained within the applicable Performance Period established by the Committee.

9.3 Establishment of Performance Period, Performance Goals and Performance Award Formula. In granting each Performance Award, the Committee shall establish in writing the applicable Performance Period, Performance Award Formula and one or more Performance Goals which, when measured at the end of the Performance Period, shall determine on the basis of the Performance Award Formula the final value of the Performance Award to be paid to the Participant. To the extent compliance with the requirements under Section 162(m) with respect to performance-based compensation is desired, the Committee shall establish the Performance Goal(s) and Performance Award Formula applicable to each Performance Award no later than the earlier of (a) the date ninety (90) days after the commencement of the applicable Performance Period or (b) the date on which 25% of the Performance Period has elapsed, and, in any event, at a time when the outcome of the

Performance Goals remains substantially uncertain. Once established, the Performance Goals and Performance Award Formula shall not be changed during the Performance Period. The Company shall notify each Participant granted a Performance Award of the terms of such Award, including the Performance Period, Performance Goal(s) and Performance Award Formula.

9.4 **Measurement of Performance Goals. Performance Goals shall be established by the Committee on the basis of targets to be attained (*Performance Targets*) with respect to one or more measures of business or financial performance (each, a *Performance Measure*), subject to the following:**

(a) ***Performance Measures.* Performance Measures shall have the same meanings as used in the Company's financial statements, or, if such terms are not used in the Company's financial statements, they shall have the meaning applied pursuant to generally accepted accounting principles, or as used generally in the Company's industry. Performance Measures shall be calculated with respect to the Company and each Subsidiary Corporation consolidated therewith for financial reporting purposes or such division or other business unit as may be selected by the Committee. For purposes of the Plan, the Performance Measures applicable to a Performance Award shall be calculated in accordance with generally accepted accounting principles, but prior to the accrual or payment of any Performance Award for the same Performance Period and excluding the effect (whether positive or negative) of any change in accounting standards or any extraordinary, unusual or nonrecurring item, as determined by the Committee, occurring after the establishment of the Performance Goals applicable to the Performance Award. Each such adjustment, if any, shall be made solely for the purpose of providing a consistent basis from period to period for the calculation of Performance Measures in order to prevent the dilution or enlargement of the Participant's rights with respect to a**

(a)

Performance Measures. Performance Measures shall have the same meanings as used in

Performance Award. Performance Measures may be one or more of the following, as determined by the Committee: (i) sales revenue; (ii) gross margin; (iii) operating margin; (iv) operating income; (v) pre-tax profit; (vi) earnings before interest, taxes and depreciation and amortization; (vii) net income; (viii) expenses; (ix) the market price of the Stock; (x) earnings per share; (xi) return on shareholder equity; (xii) return on capital; (xiii) return on net assets; (xiv) economic value added; and (xv) market share; (xvi) post-tax profit; (xvii) total shareholder return; (xviii) customer satisfaction; (xix) safety; (xx) customer service; or (xxi) such other measures as determined by the Committee consistent with this Section 9.4(a).

(b) ***Performance Targets.*** Performance Targets may include a minimum, maximum, target level and intermediate levels of performance, with the final value of a Performance Award determined under the applicable Performance Award Formula by the level attained during the applicable Performance Period. A Performance Target may be stated as an absolute value or as a value determined relative to a standard selected by the Committee.

9.5 Settlement of Performance Awards.

(a) ***Determination of Final Value.*** As soon as practicable following the completion of the Performance Period applicable to a Performance Award, the Committee shall certify in writing the extent to which the applicable Performance Goals have been attained and the resulting final value of the Award earned by the Participant and to be paid upon its settlement in accordance with the applicable Performance Award Formula.

(b) ***Discretionary Adjustment of Award Formula.*** In its discretion, the Committee may, either at the time it grants a Performance Award or at any time thereafter, provide for the positive or negative adjustment of the Performance Award Formula applicable to a Performance Award that is not intended to constitute qualified performance based compensation to a covered employee within the meaning of Section 162(m) (a *Covered Employee*) to reflect such Participant's individual performance in his or her position with the Company or such other factors as the Committee may determine. With respect to a Performance Award intended to constitute qualified performance-based compensation to a Covered Employee, the Committee shall have the discretion to reduce some or all of the value of the

Performance Award that would otherwise be paid to the Covered Employee upon its settlement notwithstanding the attainment of any Performance Goal and the resulting value of the Performance Award determined in accordance with the Performance Award Formula.

(c) ***Payment in Settlement of Performance Awards.*** As soon as practicable following the Committee's determination and certification in accordance with Sections 9.5(a) and (b), payment shall be made to each eligible Participant (or such Participant's legal representative or other person who acquired the right to receive such payment by reason of the Participant's death) of the final value of the Participant's Performance Award. Payment of such amount shall be made in cash, shares of Stock, or a combination thereof as determined by the Committee.

9.6 **Voting Rights; Dividend Equivalent Rights and Distributions.** Participants shall have no voting rights with respect to shares of Stock represented by Performance Share Awards until the date of the issuance of such shares, if any (as evidenced by

the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). However, the Committee, in its discretion, may provide in the Award Agreement evidencing any Performance Share Award that the Participant shall be entitled to receive Dividend Equivalents with respect to the payment of cash dividends on Stock having a record date prior to the date on which the Performance Shares are settled or forfeited. Such Dividend Equivalents, if any, may be credited to the Participant in the form of cash. Dividend Equivalents will be accumulated and paid to the extent that Performance Shares become nonforfeitable, as determined by the Committee. Settlement of Dividend Equivalents will be made in cash and may be paid on the same basis as settlement of the related Performance Share as provided in Section 9.5. Dividend Equivalents shall not be paid with respect to Performance Units. In the event of a dividend or distribution paid in shares of Stock or any other adjustment made upon a change in the capital structure of the Company as described in Section 4.2, appropriate adjustments shall be made in the Participant's Performance Share Award so that it represents the right to receive upon settlement any and all new, substituted or additional securities or other property (other than normal cash dividends) to which the Participant would be entitled by reason of the shares of Stock issuable upon settlement of the Performance Share Award, and all such new, substituted or additional securities or other property shall be immediately subject to the same Performance Goals as are applicable to the Award.

9.7 **Effect of Termination of Service. Unless otherwise provided by the Committee in the grant of a Performance Award and set forth in the Award Agreement, the effect of a Participant's termination of Service on the Performance Award shall be as follows:**

(a) ***Death or Disability.*** If the Participant's Service terminates because of the death or Disability of the Participant before the completion of the Performance Period applicable to the Performance Award, the final value of the Participant's Performance Award shall be determined by the extent to which the applicable Performance Goals have been attained with respect to the entire Performance Period and shall be prorated based on the number of months of the Participant's Service during the Performance Period. Payment shall be made following the end of the Performance Period in any manner permitted by Section 9.5.

(b) ***Other Termination of Service.*** If the Participant's Service terminates for any reason except death or Disability before the completion of the Performance Period applicable to the Performance Award, such Award shall be forfeited in its entirety; provided, however, that in the event of an involuntary termination of the Participant's Service, the Committee, in its sole discretion, may waive the automatic forfeiture of all or any portion of any such Award.

9.8 **Nontransferability of Performance Awards.** Prior to settlement in accordance with the provisions of the Plan, no Performance Award shall be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. All rights with respect to a Performance Award granted to a Participant hereunder shall be exercisable during his or her lifetime only by such Participant or the Participant's guardian or legal representative.

10. **TERMS AND CONDITIONS OF RESTRICTED STOCK UNIT AWARDS.**

Restricted Stock Unit Awards shall be evidenced by Award Agreements specifying the number of Restricted Stock Units subject to the Award, in such form as the Committee shall from time to time establish. No Restricted Stock Unit Award or purported Restricted Stock Unit Award shall be a valid and binding obligation of the Company unless evidenced by a fully executed Award Agreement. Award Agreements evidencing Restricted Stock Units may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

10.1 **Grant of Restricted Stock Unit Awards. Restricted Stock Unit Awards may be granted upon such conditions as the Committee shall determine, including, without limitation, upon the attainment of one or more Performance Goals described in Section 9.4. If either the grant of a Restricted Stock Unit Award or the Vesting Conditions with respect to such Award is to be contingent upon the attainment of one or more Performance Goals, the Committee shall follow procedures substantially equivalent to those set forth in Sections 9.3 through 9.5(a).**

10.2 **Vesting. Restricted Stock Units may or may not be made subject to Vesting Conditions based upon the satisfaction of such Service requirements, conditions, restrictions or performance criteria, including, without limitation, Performance Goals as described in Section 9.4, as shall be established by the Committee and set forth in the Award Agreement evidencing such Award.**

10.3 **Voting Rights, Dividend Equivalent Rights and Distributions. Participants shall have no voting rights with respect to shares of Stock represented by Restricted Stock**

Units until the date of the issuance of such shares (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). However, the Committee, in its discretion, may provide in the Award Agreement evidencing any Restricted Stock Unit Award that the Participant shall be entitled to receive Dividend Equivalents with respect to the payment of cash dividends on Stock having a record date prior to the date on which Restricted Stock Units held by such Participant are settled. Such Dividend Equivalents, if any, shall be paid by crediting the Participant with additional whole Restricted Stock Units as of the date of payment of such cash dividends on Stock. The number of additional Restricted Stock Units (rounded to the nearest whole number) to be so credited shall be determined by dividing (a) the amount of cash dividends paid on such date with respect to the number of shares of Stock represented by the Restricted Stock Units previously credited to the Participant by (b) the Fair Market Value per share of Stock on such date. Such additional Restricted Stock Units shall be subject to the same terms and conditions and shall be settled in the same manner and at the same time (or as soon thereafter as practicable) as the Restricted Stock Units originally subject to the Restricted Stock Unit Award. In the event of a dividend or distribution paid in shares of Stock or any other adjustment made upon a change in the capital structure of the Company as described in Section 4.2, appropriate adjustments shall be made in the Participant's Restricted Stock Unit Award so that it represents the right to receive upon settlement any and all new, substituted or additional securities or other property (other than normal cash dividends) to which the Participant would be entitled by reason of the shares of Stock issuable upon settlement of the

Award, and all such new, substituted or additional securities or other property shall be immediately subject to the same Vesting Conditions as are applicable to the Award.

10.4 Effect of Termination of Service. Unless otherwise provided by the Committee in the grant of a Restricted Stock Unit Award and set forth in the Award Agreement, if a Participant's Service terminates for any reason, whether voluntary or involuntary (including the Participant's death or disability), then the Participant shall forfeit to the Company any Restricted Stock Units pursuant to the Award which remain subject to Vesting Conditions as of the date of the Participant's termination of Service.

10.5 Settlement of Restricted Stock Unit Awards. The Company shall issue to a Participant on the date on which Restricted Stock Units subject to the Participant's Restricted Stock Unit Award vest or on such other date determined by the Committee, in its discretion, and set forth in the Award Agreement one (1) share of Stock (and/or any other new, substituted or additional securities or other property pursuant to an adjustment described in Section 10.3) for each Restricted Stock Unit then becoming vested or otherwise to be settled on such date, subject to the withholding of applicable taxes. Notwithstanding the foregoing, if permitted by the Committee and set forth in the Award Agreement, the Participant may elect in accordance with terms specified in the Award Agreement to defer receipt of all or any portion of the shares of Stock or other property otherwise issuable to the Participant pursuant to this Section.

10.6 Nontransferability of Restricted Stock Unit Awards. Prior to the issuance of shares of Stock in settlement of a Restricted Stock Unit Award, the Award shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. All rights with respect to a Restricted Stock Unit Award granted to a Participant hereunder shall be exercisable during his or her lifetime only by such Participant or the Participant's guardian or legal representative.

11. DEFERRED COMPENSATION AWARDS.

11.1 Establishment of Deferred Compensation Award Programs. This Section 11 shall not be effective unless and until the Board of Directors takes action through amendment to the Plan and such amendment will include all modifications required for the Plan to comply with the provisions of Code Section 409A. The Committee, in its discretion and upon such terms and conditions as it may determine, may establish one or more programs pursuant to the Plan under which:

(a) Participants designated by the Committee who are Insiders or otherwise among a select group of highly compensated Employees may irrevocably elect, prior to a date specified by the Committee, to reduce such Participant's compensation otherwise payable in cash (subject to any minimum or maximum reductions imposed by the Committee) and to be granted automatically at such time or times as specified by the Committee one or more Awards of Stock Units with respect to such numbers of shares of

Stock as determined in accordance with the rules of the program established by the Committee and having such other terms and conditions as established by the Committee.

(b) Participants designated by the Committee who are Insiders or otherwise among a select group of highly compensated Employees may irrevocably elect, prior to a date specified by the Committee, to be granted automatically an Award of Stock Units with respect to such number of shares of Stock and upon such other terms and conditions as established by the Committee in lieu of:

(i) shares of Stock otherwise issuable to such Participant upon the exercise of an Option;

(ii) shares of Stock otherwise issuable to such Participant upon the exercise of an SAR; or

(iii) cash or shares of Stock otherwise issuable to such Participant upon the settlement of a Performance Award or Performance Unit.

11.2 Terms and Conditions of Deferred Compensation Awards. Deferred Compensation Awards granted pursuant to this Section 11 shall be evidenced by Award Agreements in such form as the Committee shall from time to time establish. No such Deferred Compensation Award or purported Deferred Compensation Award shall be a valid and binding obligation of the Company unless evidenced by a fully executed Award Agreement. Award Agreements evidencing Deferred Compensation Awards may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

(b) Participants designated by the Committee who are Insiders or otherwise among a select group

(a) ***Vesting Conditions.*** Deferred Compensation Awards shall not be subject to any vesting conditions.

(b) ***Terms and Conditions of Stock Units.***

(i) **Voting Rights; Dividend Equivalent Rights and Distributions.** Participants shall have no voting rights with respect to shares of Stock represented by Stock Units until the date of the issuance of such shares (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). However, a Participant shall be entitled to receive Dividend Equivalents with respect to the payment of cash dividends on Stock having a record date prior to date on which Stock Units held by such Participant are settled. Such Dividend Equivalents shall be paid by crediting the Participant with additional whole and/or fractional Stock Units as of the date of payment of such cash dividends on Stock. The method of determining the number of additional Stock Units to be so credited shall be specified by the Committee and set forth in the Award Agreement. Such additional Stock Units shall be subject to the same terms and conditions and shall be settled in the same manner and at the same time (or as soon thereafter as practicable) as the Stock Units originally subject to the Stock Unit Award. In the event of a dividend or distribution paid in shares of Stock or any other adjustment made upon a change in the capital structure of the Company as described in Section 4.2, appropriate adjustments shall be made in the Participant's Stock Unit Award so that it represent the right to receive upon settlement any and all new, substituted or additional securities or other property (other than normal cash dividends) to which

the Participant would be entitled by reason of the shares of Stock issuable upon settlement of the Award.

(ii) **Settlement of Stock Unit Awards.** A Participant electing to receive an Award of Stock Units pursuant to this Section 11, shall specify at the time of such election a settlement date with respect to such Award. The Company shall issue to the Participant as soon as practicable following the earlier of the settlement date elected by the Participant or the date of termination of the Participant's Service, a number of whole shares of Stock equal to the number of whole Stock Units subject to the Stock Unit Award. Such shares of Stock shall be fully vested, and the Participant shall not be required to pay any additional consideration (other than applicable tax withholding) to acquire such shares. Any fractional Stock Unit subject to the Stock Unit Award shall be settled by the Company by payment in cash of an amount equal to the Fair Market Value as of the payment date of such fractional share.

(iii) **Nontransferability of Stock Unit Awards.** Prior to their settlement in accordance with the provision of the Plan, no Stock Unit Award shall be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. All rights with respect to a Stock Unit Award granted to a Participant hereunder shall be exercisable during his or her lifetime only by such Participant or the Participant's guardian or legal representative.

12. **OTHER STOCK-BASED AWARDS.**

In addition to the Awards set forth in Sections 6 through 11 above, the Committee, in its sole discretion, may carry out the purpose of this Plan by awarding Stock-Based Awards as it determines to be in the best interests of the Company and subject to such other terms and conditions as it deems necessary and appropriate.

13. **CHANGE IN CONTROL.**

13.1 **Effect of Change in Control on Options and SARs.** Unless otherwise provided in a fully executed written Award Agreement with the Participant, upon the occurrence of a Change in Control all outstanding Options and SARs shall

immediately vest and become exercisable in full and any shares acquired upon the exercise of such Options and SARs shall not be subject to any further Vesting Condition or other conditions.

13.2 Effect of Change in Control on Restricted Stock and Other Awards. Unless otherwise provided in a fully executed written Award Agreement with the Participant, upon the occurrence of a Change in Control, the Vesting Condition, Restriction Period or Performance Goal applicable to the shares subject to a Restricted Stock Award or other Award held by a Participant whose Service has not terminated prior to the Change in Control shall be accelerated and/or waived and the Award shall become payable to the extent specified in the Award Agreement. Any acceleration, waiver, payment or the lapsing of any restriction that was permissible solely by reason of this Section 13.2 and the provisions of the applicable Award Agreement shall be conditioned upon the Change in Control.

14. **COMPLIANCE WITH SECURITIES LAW.**

The grant of Awards and the issuance of shares of Stock pursuant to any Award shall be subject to compliance with all applicable requirements of federal, state and foreign law with respect to such securities and the requirements of any stock exchange or market system upon which the Stock may then be listed. In addition, no Award may be exercised or shares issued pursuant to an Award unless (a) a registration statement under the Securities Act shall at the time of such exercise or issuance be in effect with respect to the shares issuable pursuant to the Award or (b) in the opinion of legal counsel to the Company, the shares issuable pursuant to the Award may be issued in accordance with the terms of an applicable exemption from the registration requirements of the Securities Act. The inability of the Company to obtain from any regulatory body having jurisdiction the authority, if any, deemed by the Company's legal counsel to be necessary to the lawful issuance and sale of any shares hereunder shall relieve the Company of any liability in respect of the failure to issue or sell such shares as to which such requisite authority shall not have been obtained. As a condition to issuance of any Stock, the Company may require the Participant to satisfy any qualifications that may be necessary or appropriate, to evidence compliance with any applicable law or regulation and to make any representation or warranty with respect thereto as may be requested by the Company.

15. **TAX WITHHOLDING.**

15.1 **Tax Withholding in General. The Company shall have the right to deduct from any and all payments made under the Plan, or to require the Participant, through payroll withholding, cash payment or otherwise, including by means of a Cashless Exercise or Net Exercise of an Option, to make adequate provision for, the federal, state, local and foreign taxes, if any, required by law to be withheld by the Participating Company Group with respect to an Award or the shares acquired pursuant thereto. The Company shall have no obligation to deliver shares of Stock, to release shares of Stock from an escrow established pursuant to an Award Agreement, or to make any payment in cash under the Plan until the Participating Company Group's tax withholding obligations have been satisfied by the Participant.**

15.2 **Withholding in Shares.** The Company shall have the right, but not the obligation, to deduct from the shares of Stock issuable to a Participant upon the exercise or settlement of an Award, or to accept from the Participant the tender of, a number of whole shares of Stock having a Fair Market Value, as determined by the Company, equal to all or any part of the tax withholding obligations of the Participating Company Group. The Fair Market Value of any shares of Stock withheld or tendered to satisfy any such tax withholding obligations shall not exceed the amount determined by the applicable minimum statutory withholding rates.

16. **AMENDMENT OR TERMINATION OF PLAN.**

The Board or the Committee may amend, suspend or terminate the Plan at any time. However, without the approval of the Company's shareholders, there shall be (a) no increase in the maximum aggregate number of shares of Stock that may be issued under the Plan (except by operation of the provisions of Section 4.2), (b) no change in the class of persons eligible to receive Incentive Stock Options, and (c) no other amendment of the Plan that would require approval of the Company's shareholders under any applicable law, regulation or rule. No

amendment, suspension or termination of the Plan shall affect any then outstanding Award unless expressly provided by the Board or the Committee. In any event, no amendment, suspension or termination of the Plan may adversely affect any then outstanding Award without the consent of the Participant unless necessary to comply with any applicable law, regulation or rule. Notwithstanding the above, no amendment or termination of the Plan shall accelerate the payment of any deferred compensation as prohibited by Code Section 409A.

17. **MISCELLANEOUS PROVISIONS.**

17.1 **Repurchase Rights.** Shares issued under the Plan may be subject to one or more repurchase options, or other conditions and restrictions as determined by the Committee in its discretion at the time the Award is granted. The Company shall have the right to assign at any time any repurchase right it may have, whether or not such right is then exercisable, to one or more persons as may be selected by the Company. Upon request by the Company, each Participant shall execute any agreement evidencing such transfer restrictions prior to the receipt of shares of Stock hereunder and shall promptly present to the Company any and all certificates representing shares of Stock acquired hereunder for the placement on such certificates of appropriate legends evidencing any such transfer restrictions.

17.2 **Provision of Information.** Each Participant shall be given access to information concerning the Company equivalent to that information generally made available to the Company's common shareholders.

17.3 **Rights as Employee, Consultant or Nonemployee Director.** No person, even though eligible pursuant to Section 5,

shall have a right to be selected as a Participant, or, having been so selected, to be selected again as a Participant. Nothing in the Plan or any Award granted under the Plan shall confer on any Participant a right to remain an Employee, Consultant or Nonemployee Director or interfere with or limit in any way any right of a Participating Company to terminate the Participant's Service at any time. To the extent that an Employee of a Participating Company other than the Company receives an Award under the Plan, that Award shall in no event be understood or interpreted to mean that the Company is the Employee's employer or that the Employee has an employment relationship with the Company.

17.4 Rights as a Shareholder. A Participant shall have no rights as a shareholder with respect to any shares covered by an Award until the date of the issuance of such shares (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). No adjustment shall be made for dividends, distributions or other rights for which the record date is prior to the date such shares are issued, except as provided in Section 4.2 or another provision of the Plan.

17.5 Fractional Shares. The Company shall not be required to issue fractional shares upon the exercise or settlement of any Award.

17.6 Severability. If any one or more of the provisions (or any part thereof) of this Plan shall be held invalid, illegal or unenforceable in any respect, such provision shall be modified

so as to make it valid, legal and enforceable, and the validity, legality and

enforceability of the remaining provisions (or any part thereof) of the Plan shall not in any way be affected or impaired thereby.

17.7 Beneficiary Designation. Subject to local laws and procedures, each Participant may file with the Company a written designation of a beneficiary who is to receive any benefit under the Plan to which the Participant is entitled in the event of such Participant's death before he or she receives any or all of such benefit. Each designation will revoke all prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. If a married Participant designates a beneficiary other than the Participant's spouse, the effectiveness of such designation may be subject to the consent of the Participant's spouse. If a Participant dies without an effective designation of a beneficiary who is living at the time of the Participant's death, the Company will pay any remaining unpaid benefits to the Participant's legal representative.

17.8 Unfunded Obligation. Participants shall have the status of general unsecured creditors of the Company. Any amounts payable to Participants pursuant to the Plan shall be unfunded and unsecured obligations for all purposes, including, without limitation, Title I of the Employee Retirement Income Security Act of 1974. No Participating Company shall be required to segregate any monies from its general funds, or to create any trusts, or establish any special accounts with respect to such obligations. The Company shall retain at all times beneficial ownership of any investments, including trust investments, which the Company may make to fulfill its payment

obligations hereunder. Any investments or the creation or maintenance of any trust or any Participant account shall not create or constitute a trust or fiduciary relationship between the Committee or any Participating Company and a Participant, or otherwise create any vested or beneficial interest in any Participant or the Participant's creditors in any assets of any Participating Company. The Participants shall have no claim against any Participating Company for any changes in the value of any assets which may be invested or reinvested by the Company with respect to the Plan. Each Participating Company shall be responsible for making benefit payments pursuant to the Plan on behalf of its Participants or for reimbursing the Company for the cost of such payments, as determined by the Company in its sole discretion. In the event the respective Participating Company fails to make such payment or reimbursement, a Participant's (or other individual's) sole recourse shall be against the respective Participating Company, and not against the Company. A Participant's acceptance of an Award pursuant to the Plan shall constitute agreement with this provision.

17.9 Choice of Law. Except to the extent governed by applicable federal law, the validity, interpretation, construction and performance of the Plan and each Award Agreement shall be governed by the laws of the State of Illinois, without regard to its conflict of law rules.
