Item 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On May 8, 2006, our stockholders approved the LKQ Corporation Long Term Incentive Plan (LTIP). The Compensation Committee of our Board of Directors administers the LTIP. Each participant selected by the Compensation Committee will be entitled to a performance award for each performance period under the LTIP. Performance periods will begin on January 1 and end on December 31 of the third calendar year thereafter. Performance awards will be equal to the participant s base salary multiplied by an award percentage. The award percentage is determined by three components: the growth rate over the performance period of each of our earnings per share, our total revenue, and our return on equity. The Compensation Committee will determine for each participant the range of award percentages based on different growth scenarios of the components.

One-half of any performance award achieved is payable promptly after the end of the applicable performance period. A participant must be an employee of the Company throughout the performance period to be eligible for the first 50% payment. The other half of the performance award is deferred and payable in three equal installments on each one year anniversary of the end of the performance period over a total of three years. A participant must be an employee of the Company on each such anniversary date to be eligible for the respective deferred payment, unless the participant is not an employee as a result of death, total disability or normal retirement at age 65, in which case the participant (or his or her estate) will be entitled to all of the deferred payments upon such death, disability or retirement. Interest on the deferred portion of the performance award will accrue at the prime rate and be payable to the participant at the same time as the deferred installments are paid.

On January 27, 2006, the Compensation Committee approved, subject to the approval of our stockholders, the LTIP and performance awards to certain of our key employees for the performance period commencing as of January 1, 2006 and ending on December 31, 2008. The Compensation Committee weighted each of the three components of these awards as follows: 41.67% for earnings per share growth; 41.67% for revenue growth; and 16.66% for return on equity growth. The following table sets forth the range of percentages of base salary that may be paid under the LTIP to each of our executive officers pursuant to such awards. The actual amount paid, if any, will depend on the achievement of the growth targets of our earnings per share, total revenue and return on equity.
