Item 1.01 Entry into a Material Definitive Agreement.

On March 14, 2007, Georgia Gulf entered into a second amendment and waiver to its senior secured credit facility (the Senior Secured Credit Facility) provided by a syndicate of banks and other financial institutions led by Bank of America, N.A., as administrative agent.

For the fourth quarter ended December 31, 2006, Georgia Gulf will record additional costs of sales associated with a step-up in the inventory value of Royal Group (which was acquired October 3, 2006). As a result of this charge, Georgia Gulf may not be in compliance with its interest coverage ratio under its Senior Secured Credit Facility, in which event it would be in default under the agreement on the date its compliance certificate for the quarter ended December 31, 2006 is due. Georgia Gulf obtained the waiver to avoid this potential default. The compliance certificate for the quarter ended December 31, 2006 will be due not later than March 30, 2007.

The Senior Secured Credit Agreement was amended to adjust the scheduled Consolidated EBITDA (as defined) by adding to it certain interest expenses and non-cash charges that previously were not included in these scheduled numbers. The amendment also specifies Consolidated EBITDA for the third quarter of 2006 which had not been specified in the original agreement. In addition, the amendment permits sale-leaseback transactions for certain Canadian assets not to exceed US \$125 million and permits sales transactions for certain Canadian assets not to exceed US \$65 million.

Certain of the lenders under the Senior Secured Credit Facility and their affiliates have pre-existing relationships with Georgia Gulf, including the performance of investment banking, commercial banking, and advisory services for Georgia Gulf, from time to time, for which such lenders have received customary fees and expenses.

Item 8.01 Other Events.

On March 15, 2007, Georgia Gulf Corporation issued a press release announcing that it will be unable to file its annual report on Form 10-K for the fiscal year ended December 31, 2006 by the extended due date of March 16, 2007 and the matters discussed above. A copy of the press release is furnished as Exhibit 99.1 hereto and is incorporated herein by reference.
