Laureate Education Files Preliminary Proxy Statement

Go Shop Period Concludes Without Additional Proposals

BALTIMORE March 16, 2007 Laureate Education, Inc., (NASDAQ: LAUR) announced today that it has filed a preliminary Schedule 14A proxy statement with the Securities and Exchange Commission regarding a special meeting of shareholders to approve the proposed acquisition of Laureate by a consortium of investment funds and investors, including Douglas L. Becker, Laureate's chairman and chief executive officer, for \$60.50 per share in cash.

The Merger Agreement, which was signed on January 28, 2007, includes a go shop provision that permitted the Special Committee of Laureate's Board to solicit, receive and evaluate alternative proposals over the ensuing 45 days with cooperation from Mr. Becker and Laureate management. As noted in the proxy filing, the go shop period concluded on March 14, 2007 without the submission of a proposal. A total of 67 potential acquirors were contacted as part of the go shop by Morgan Stanley and Merrill Lynch, the Special Committee's financial advisors. Also as noted in the proxy filing, the reasons cited by the potential acquirors for declining to pursue or explore an acquisition of Laureate included the high multiple of EBITDA and high share price being paid by the consortium, the size of the equity funding required to pay more than \$60.50 per share, process considerations, and potential acquirors' own differing strategic focus.
