INFORMATION ABOUT THE ANNUAL MEETING

Information About Attending the Annual Meeting

The board of directors is soliciting your vote for the 2007 annual meeting of stockholders. At the annual meeting, you will be asked to:

- elect nine directors;
- ratify the selection of KPMG LLP as our independent registered public accounting firm for 2007; and
- transact any other business that may properly be presented at the annual meeting.

If you own shares of common stock in more than one account, such as individually and jointly with your spouse, you may receive more than one set of these materials. Please make sure to vote all of your shares. This proxy statement summarizes information we are required to provide to you under the rules of the Securities and Exchange Commission. If you plan on attending the annual meeting of stockholders in person, please contact Theresa Strino, Investor Services Manager, at (888) 331-4732 so that we can arrange for sufficient space to accommodate all attendees.

Information About Voting

You will have one vote for each share of common stock that you owned at the close of business on April 23, 2007, which is the record date for the annual meeting. On the record date, there were 65,198,424 shares outstanding. There is no cumulative voting. A majority of the outstanding shares, or 32,599,213 shares, must be present to hold the annual meeting. The Inland Group, Inc. and its affiliates own approximately 6.8 million shares representing approximately 10.5% of our outstanding common stock. Daniel L. Goodwin, one of our directors, is the controlling stockholder of The Inland Group, Inc.

You may own shares in one of the following ways: directly in your name as the stockholder of record, including shares purchased through our Distribution Reinvestment Plan and restricted share awards issued to employees under employment agreements; or indirectly through a broker, bank or other holder of record. If your shares are registered directly in your name, you are the holder of record of these shares and we are sending these proxy materials directly to you. As the holder of record, you have the right to give your proxy directly to us, give your voting instructions by telephone or by the Internet or vote in person at the annual meeting. If you hold your shares in a brokerage account or through a bank or other holder of record, you hold the shares in street name, and your broker, bank or other holder of record is sending these proxy materials to you. As a holder in street name, you have the right to direct your broker, bank or other holder of record how to vote by filling out the voting instruction form that accompanies your proxy materials.

Your vote is important. You may vote in person or by granting us a proxy to vote on the proposals. You may vote by proxy in any of the following ways:

- *by mail*: sign, date and return the proxy card in the enclosed envelope. If you grant us a proxy, you may nevertheless revoke your proxy at any time before it is exercised by: (1) sending written notice to us, Attention: Robert D. Parks; (2) providing us with a later-dated proxy; or (3) attending the annual meeting in person and voting your shares. Merely attending the annual meeting, without further action, will not revoke your proxy;
-

- *via the Internet*: follow the instructions provided on the proxy card; or
- *via telephone*: follow the instructions provided on the proxy card.

If you return your proxy card but do not indicate how your shares should be voted, they will be voted for in accordance with the board's recommendation for each proposal.

Information Regarding Tabulation of the Vote

Our transfer agent, Registrar & Transfer Company, will tabulate all votes cast at the meeting and will act as inspector(s) of election at the annual meeting.

Quorum Requirement

Stockholders owning a majority of our outstanding shares as of the record date must be present in person or by proxy in order for action to be taken at the meeting. For these purposes, abstentions and broker non-votes will be counted as present for determining whether a majority is present. A broker non-vote occurs when shares registered in the name of a broker are not voted because the broker does not have the authority to do so.

Information About Votes Necessary for Action to be Taken

Assuming a quorum is present, the affirmative vote of the holders of a majority of the shares entitled to vote at the meeting, represented in person or by proxy, will be required for the approval of all items, including the election of directors. A properly executed proxy marked withhold authority or a broker non-vote with respect to the election of one or more directors will have the effect of a no vote but will be counted for purposes of establishing a quorum. For each other item, a properly executed proxy marked abstain will not be voted, although it will be counted for purposes of establishing a quorum. Accordingly, an abstention will have the effect of a no vote. If you hold your shares in street name through a broker or other nominee, your broker or nominee is permitted to vote your shares even if the broker does not receive voting instructions from you.

STOCK OWNERSHIP*Stock Owned by Certain Beneficial Owners and Management*

The following table shows the amount of common stock beneficially owned (unless otherwise indicated) by (1) persons that beneficially own more than 5% of the outstanding shares of our common stock; (2) our directors and each nominee for director; (3) the executive officers named in the Summary Compensation Table below; and (4) the directors and executive officers as a group. Ms. Sprecher Brooks did not timely file Form 3 to report that she became an executive officer; however, a late Form 3 was filed with the Securities and Exchange Commission on March 2, 2007.

Costs of Proxies

We will pay all costs of soliciting proxies and holding the annual meeting. We have not retained a third party to assist in this process. Instead, proxies may be solicited by our directors, officers or employees. We will not pay additional compensation to these individuals for these activities. We also intend to request that brokers, banks and other nominees solicit proxies from their principals. We will pay the brokers, banks and other nominees for certain expenses that they incur for these activities.

Other Matters

We are not aware of any other matter to be presented at the annual meeting. Generally, no business aside from the items discussed in this proxy statement may be transacted at the meeting. If, however, any other matter properly comes before the annual meeting as determined by the chairman of the meeting, your proxies are authorized to act on the proposal at their discretion. Generally, stockholders seeking to make a nomination or bring other business before the meeting must provide, among other things, notice thereof in writing to our corporate secretary at our office not less than forty-five days before the anniversary date on which we first mailed our notice of meeting and proxy materials for the prior year's annual meeting. We mailed the notice and proxy materials for last year's annual meeting on May 10, 2006. Therefore, any stockholder desiring to nominate a person for election to the board or to bring other business before the meeting was required to provide us with notice by March 26, 2007. We did not receive notice of any proposals by that date.

CORPORATE GOVERNANCE

Our business is managed under the direction and oversight of our board, which has formed three standing committees composed entirely of independent directors: Audit; Compensation; and Nominating and Corporate Governance. The board also has formed a management committee consisting of representatives of our board and management. Each committee's function is described below. The members of our board of directors on the date of this proxy statement, and the committees on which they serve, are identified below.

Roland W. Burris	X		X	
Thomas P. D. Arcy	X

Joel G. Herter(1)	X	X	X	
Heidi N. Lawton		X	X

Joel D. Simmons				

(1) Effective with the completion of the annual meeting, Mr. Herter will resign from the Nominating and Corporate Governance Committee and will be replaced on that committee by Mr. McWilliams.

In May 2004, the board elected Daniel L. Goodwin to serve as the chairman of the board. The chairman of the board organizes the work of the board and ensures that the board has access to sufficient information to carry out its functions, including monitoring our performance and the performance of management. Mr. Goodwin presides over all meetings of the board of directors and stockholders, establishes the agenda for each meeting and oversees the distribution of information to directors. Our independent directors meet from time to time in executive sessions without other directors or representatives of management present. Our independent directors have not selected any one director to preside over these executive sessions. Instead, the presiding independent director is selected by consensus at the commencement of the session based on the nature of the item or items to be addressed. Each director has access to the members of our management team or other employees as well as full access to our books and records.

Our board has adopted Guidelines on Corporate Governance that, along with the charters adopted by each board committee and our code of ethics, provide the framework for our corporate governance. A complete copy of the guidelines, charters and code of ethics may be found on our website at www.inlandrealestate.com. In addition, printed copies of these materials are available to any stockholder without charge by writing us at 2901 Butterfield Road, Oak Brook, Illinois 60523, Attention: Investor Relations.

Summary of Our Corporate Governance Principles

As required by our governing documents and the New York Stock Exchange, a majority of our board must be independent. According to categorical standards adopted by our board, a director will not be considered independent if, within the last three years:

- we employed the director as, or a member of the director's immediate family was, an executive officer;
- the director or an immediate family member received more than \$100,000 per year in direct compensation from us (excluding amounts paid in the form of director and committee fees);
- the director or an immediate family member was affiliated with or employed by our present or former internal or external auditor;
- one of our executive officers serves on the compensation committee of another company that employs the director in any capacity or that employs an immediate family member of the director as an executive officer;
- the director was an executive officer or employee, or an immediate family member was an executive officer, of a company that made payments to, or received payments from, us which in any single year exceeded the greater of \$1 million or 2% of the other company's consolidated gross revenues;
- the director was affiliated, directly or indirectly, with The Inland Group, Inc., known as TIGI, or any of its affiliates, whether by ownership of, ownership interest in, employment by, any material business or professional relationship with, or as an officer or director of TIGI or any of its affiliates;
- the director serves as a director for more than two other Real Estate Investment Trusts, or REITs, organized by TIGI or any of its affiliates;
- the director performs other services for us in addition to service as a director; or
- the director owns, directly or indirectly, more than 10% of our issued and outstanding shares of capital stock without having at least a majority of the other independent directors waive this ownership restriction.

Communicating with Directors

Persons wishing to communicate with our board and the individual directors may send communications by letter, e-mail or telephone, in care of our corporate secretary who will review and forward the correspondence to the appropriate person or persons for a response. Our whistleblower policy prohibits us, or any of our employees, from retaliating or taking any adverse action against anyone for raising a concern. Persons preferring to raise his or her concern in a confidential or anonymous manner may do so by contacting our general counsel, who will then refer the matter to the chairperson of the audit committee, or by calling our ethics hotline at (888) 307-6342. The hotline is available twenty-four hours a day, seven days a week to receive reports of ethical concerns or incidents, including concerns about accounting, internal controls or auditing matters. Callers to this hotline may choose to remain anonymous. A complete copy of our whistleblower policy may be found on our website at www.inlandrealestate.com.

Code of Ethics

We have adopted a code of ethics that is designed to provide guidance to help our employees to recognize and deal with ethical issues, to provide a mechanism to report unethical or unlawful conduct, and to help maintain a culture of honesty and accountability. Our code of ethics applies to all of our employees, including our officers and directors. A copy of our code of ethics may be found at our website at www.inlandrealestate.com under the Investor Relations Corporate Governance tabs. In addition, a

printed copy of our code of ethics is available to any stockholder without charge by writing us at 2901 Butterfield Road, Oak Brook, Illinois 60523, Attention: Investor Relations.

Nominating and Corporate Governance Committee

The nominating and corporate governance committee is responsible for recommending individuals to the board for nomination as members of the board and its committees and develops and recommends corporate governance guidelines. The committee also prepares and supervises the board's annual review of director independence and the board's annual self-evaluation and makes recommendations to the board regarding committee assignments. All of the members of the committee satisfy the independence standards contained in the New York Stock Exchange corporate governance rules, our governing documents and our Guidelines on Corporate Governance. A copy of our guidelines and the committee's charter is available on our website at www.inlandrealestate.com under the Investor Relations Corporate Governance tabs. In addition, a printed copy of our guidelines and the charter is available to any stockholder without charge by writing us at 2901 Butterfield Road, Oak Brook, Illinois 60523, Attention: Investor Relations.

The committee considers all qualified candidates identified by members of the committee, by other members of the board of directors, by senior management and by stockholders. Stockholders who would like to propose a candidate may do so by submitting the candidate's name, resume and biographical information to the attention of our corporate secretary. All proposals for nomination received by the corporate secretary in a timely manner will be presented to the committee.

The committee reviews each candidate's biographical information and evaluates each candidate's independence, skills and expertise based on a variety of factors, including the person's experience or background in real estate management or finance, regulatory matters or corporate governance. Our articles require that, at a minimum, at least one of our independent directors must have had at least three years of relevant real estate experience. Based on its assessment of each candidate, the committee makes its recommendation regarding potential director candidates to the board. The committee follows the same process and uses the same criteria for evaluating candidates proposed by stockholders, members of the board of directors and members of senior management. The committee did not receive any nominations from stockholders for this year's annual meeting.

As described above, a majority of the persons serving on our board must be independent. Our board has considered transactions and relationships between each director or any member of his or her immediate family and us or our affiliates, including those reported under Certain Relationships and Related Transactions below. The board also reviewed transactions and relationships between directors or their affiliates and members of our senior management or their affiliates to determine whether any relationships or transactions were inconsistent with a determination that the director is independent.

The board affirmatively determined that the following persons standing for reelection to the board are independent: Ms. Lawton and Messrs. Burris, D Arcy, Herter and McWilliams. Each of these directors satisfies the independence standards contained in the New York Stock Exchange corporate governance rules, our governing documents and the guidelines and has no material relationship with us, either directly or as a partner, stockholder or officer of an organization that has a relationship with us.

Audit Committee

The audit committee assists the board in fulfilling its oversight responsibility relating to: (1) the integrity of our financial statements; (2) our compliance with legal and regulatory requirements; (3) the qualifications, independence and performance of the independent registered public accounting firm; and (4) the performance of our internal audit function. The report of the committee is included in this proxy statement. The board has determined that each of Messrs. Herter and D Arcy qualify as an audit

committee financial expert as defined by the Securities and Exchange Commission and that each member of the committee is independent in accordance with the standards set forth in the committee's charter and the New York Stock Exchange corporate governance rules. The audit committee charter is available on our website at www.inlandrealestate.com under the Investor Relations Corporate Governance tabs. AUDIT COMMITTEE REPORT

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed with the Securities and Exchange Commission or incorporated by reference into any other filing we make under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent we specifically incorporate this Report by reference therein.

In accordance with its written charter, as amended, the audit committee assists the board in overseeing the company's financial reporting process including evaluating the effectiveness of internal accounting, auditing and financial controls and procedures.

Management is responsible for the financial reporting process, preparing consolidated financial statements in accordance with U.S. generally accepted accounting principles and designing and implementing a system of internal controls and procedures designed to ensure compliance with accounting standards and applicable laws and regulations. The company's independent registered public accounting firm is responsible for auditing the financial statements. The audit committee is responsible for monitoring and reviewing these procedures and processes. The audit committee is composed of three independent directors whose independence has been determined by the board of directors based on the standards set forth in the audit committee's charter, the company's governing documents and the rules promulgated by the New York Stock Exchange. The members of the audit committee are not professionally engaged in the practice of accounting or auditing. The audit committee relies in part, without independent verification, on the information provided to it and on the representations made by management and the internal auditors that the financial statements have been prepared in conformity with U.S. generally accepted accounting principles. The audit committee also relies on the opinions of the independent and public accountants with regard to the consolidated financial statements and the effectiveness of internal control over financial reporting.

During the year ended December 31, 2006, the audit committee met nine times. During these meetings, the members of the audit committee met separately and with members of the company's management, the internal auditors and the company's independent registered public accounting firm, KPMG LLP. The committee discussed numerous items at these meetings including KPMG's overall scope and plan for its year-end audit. As part of these discussions, the audit committee discussed the results of KPMG's audit and evaluation of the company's internal controls. Further, the audit committee reviewed and discussed, with management, the internal auditors and KPMG, the company's audited consolidated financial statements as of and for the year ended December 31, 2006. During the year ended December 31, 2006, management advised the committee that each set of financial statements reviewed had been prepared in accordance with U.S. generally accepted accounting principles, and reviewed significant account and disclosure issues with the committee.

The audit committee also discussed with KPMG all of the matters required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended "Communication with Audit Committees" including the quality of the company's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The audit committee also obtained a formal written statement from KPMG, describing all relationships between KPMG and the company that might bear on KPMG's independence. The audit committee also discussed any relationships that may have an impact on KPMG's objectivity and independence including a review of audit and non-audit fees and the written disclosures and letter from KPMG to the committee pursuant to Independence Standards Board Standard No. 1 (Independence Discussions with the Audit Committees.)

At certain of its meetings during 2006, the audit committee met with members of the company's executive management team to review the certifications required to be provided under the Sarbanes-Oxley Act of 2002 and the rules and regulations of the Securities and Exchange Commission by the chief

executive officer and chief financial officer. At these meetings, members of the company's senior management team reviewed each of the certifications required by Sarbanes-Oxley concerning internal control over financial reporting.

Based on the above-mentioned review and discussions with management, the internal auditors and KPMG, the audit committee recommended to the board of directors that the audited consolidated financial statements be included in the company's Annual Report on Form 10-K for the fiscal year ended December 31, 2006, for filing with the Securities and Exchange Commission.

COMPENSATION DISCUSSION AND ANALYSIS

General Philosophy

Our compensation committee is primarily responsible for establishing and overseeing our executive compensation policies and programs. We compensate our executives using a combination of base salary, annual incentive bonuses and restricted stock awards, all designed to help us attract and retain quality people. Although our committee has not retained a compensation consultant it does informally compare the compensation paid to our named executive officers with that paid by similarly situated entities.

The chairman of our board, Mr. Goodwin, because of his knowledge of our executive officers and our business, works with the compensation committee to establish our compensation policies and programs. The most important aspect of his role includes evaluating the performance of our executive officers, establishing performance goals and advising the committee on whether the person has achieved the goals. Mr. Goodwin also makes recommendations regarding the compensation level of each executive officer including any awards to be granted under our 2005 Equity Award Plan. Mr. Goodwin regularly participates in committee meetings. Mr. Parks, our chief executive officer, is a shareholder of The Inland Group, Inc. This entity, along with its affiliates owns over 10% of our common stock. Mr. Parks does not devote his full-time and attention to our affairs and receives limited compensation from us. Thus, Mr. Parks has advised the committee, and the committee has agreed, that Mr. Parks' economic interest is significantly linked to the performance of our stock. As a result, our compensation policies and programs do not, except for disclosing his compensation, apply to Mr. Parks.

We have employment agreements with each of our named executive officers except for Mr. Parks with whom we have a consulting agreement. We entered into these employment agreements to recruit and retain each executive. We believe these agreements provide each executive with a competitive level of financial security in the event of certain terminations including a termination without cause or for good reason within one year of a change of control. In return for these benefits, these agreements protect the company through certain restrictive covenants (e.g., non competition, non-solicitation, etc.) for a period of time post-termination.

Elements of Compensation

The compensation paid to our executive officers consists of a mix of:

- base salary;
- annual incentive bonus;
- annual long-term share award;
- annual stock option award; and
- other benefits.

Base Salary and Annual Incentive Bonus

We pay each executive a base salary to provide a guaranteed level of cash compensation taking into consideration individual performance over time, experience level and each individual's role and responsibility. Each named executive officer has an employment agreement negotiated in connection with recruiting or retaining the person.

With the exception of the agreement with Mr. Parks, these agreements are substantially similar. Except as described otherwise, the discussion herein of each agreement thus excludes the agreement with Mr. Parks. Under the agreement with Mr. Parks, we pay him an annual fee of \$50,000 but he is not otherwise contractually entitled to any bonuses or other compensation except that he is entitled to

participate in any benefit plans that we make available to all of our employees such as health and disability insurance and our 401(k) plan. Under the agreements with our other named executive officers, each person is paid a base salary that is fixed during the term of the agreement. In establishing base salaries or in renewing agreements and adjusting the base salary, the committee considers the person's performance, our overall financial performance against our goals and changes in the marketplace.

The table below summarizes the base salary paid, or to be paid, to each named executive officer for the year ended or ending December 31, 2006 and 2007, respectively:

Name	2006 Salary \$	2007 Salary \$	% Increase
Robert D. Parks	50,000	50,000	
Mark Zalatoris	275,000	350,000	27 %
Brett A. Brown	225,000	225,000	
Beth Sprecher Brooks	185,000	205,000	11 %
D. Scott Carr	225,000	225,000	

Each person, except for Mr. Parks, is also eligible to earn annual incentive bonuses, payable within 120 days of the end of each year and determined based on our performance to either a threshold, target, or high level and the assessment of their performance by our chief executive officer. We are treated as achieving a threshold level of performance when the growth rate in our funds from operations or FFO is not less than 80% of the median growth rate in FFO, for the Retail REIT Shopping Center Index as published by the National Association of Real Estate Investment Trusts (NAREIT) referred to herein as the NAREIT Index. We will be deemed to achieve a target level of performance if our FFO growth is not less than 100% of the median FFO growth rate for the NAREIT Index. Finally, we will achieve a high level of performance if our FFO growth rate is not less than 130% of the median FFO growth rate for the NAREIT Index.

If we achieve a threshold, target or high level of performance, each executive's annual incentive bonus opportunity, except for Mr. Zalatoris, will be equal to 10%, 20% and 30%, respectively, of the executive's base salary for that year. Mr. Zalatoris will be entitled to 20%, 30% and 50%, respectively. The actual amount of the bonus consists of three components for Ms. Sprecher Brooks, Messrs. Brown and Carr and two components for Mr. Zalatoris. The first component accounting for 50% of the total bonus for each executive is automatically paid if one of the targets is achieved. With respect to Ms. Sprecher Brooks, Messrs. Brown and Carr, the second component, accounting for 25% of the total bonus, will be determined in the discretion of Mr. Parks, as recommended to and approved by the compensation committee, based on a subjective assessment of the person's performance. The second component for Mr. Zalatoris, accounting for the remaining 50% of his total bonus, will be determined in the discretion of Mr. Parks, as recommended to and approved by the board of directors, based on a subjective assessment of Mr. Zalatoris' performance. The third component for Ms. Sprecher Brooks, Messrs. Brown and Carr, accounting for the remaining 25%, will be dependent upon each executive achieving a personal goal with respect to his or her individual performance, as established and agreed to between the executive and Mr. Parks at the beginning of the applicable year. If we fail to achieve any of the thresholds, each executive, except for Mr. Zalatoris, will be entitled to a cash bonus equal to 5% of the person's base salary. Mr. Zalatoris will be entitled to a cash bonus equal to 10% of his base salary. FFO is a financial metric commonly used by investors and analysts to evaluate a REIT's performance. NAREIT is an industry trade group that has, among other things, developed standards for evaluating REIT performance. During the year ended December 31, 2005, we achieved a threshold level of performance.

Edgar Filing: INLAND REAL ESTATE CORP - Form DEF 14A

The table below sets forth the annual incentive bonus relating to our performance for the year ended December 31, 2005 and paid to each named executive officer during the year ended December 31, 2006:

Name	2006 Annual Incentive Bonus \$
Robert D. Parks	
Mark Zalatoris	55,000
Brett A. Brown	11,250
Beth Sprecher Brooks	2,000
D. Scott Carr	14,850

Stock-Based Incentive Compensation

Under our 2005 Equity Award Plan, all of our officers, directors and other employees are eligible to receive incentive compensation awards payable in the form of restricted stock or options to purchase shares of our common stock. Under the agreement, noted above, each named executive officer is entitled to earn a certain number of long-term shares awarded on an annual basis. Eligibility is determined using the same criteria of threshold, target and high performance as described above. If we achieve a threshold level of performance, the grant of long term shares to Ms. Sprecher Brooks, Messrs. Brown and Carr will be equal to the quotient of (1) 10% of the executive's base salary for the applicable year, divided by (2) the average of the high and low trading price of our common stock as reported by the New York Stock Exchange on the date of grant. If we achieve a target level of performance, the executive's grant of long term shares will be equal to the quotient of (1) 20% of the executive's base salary for the applicable year, divided by (2) the average of the high and low trading price of our common stock as reported by the New York Stock Exchange on the date of grant. Finally, if we achieve a high level of performance, the executive's grant of long term shares will be equal to the quotient of (1) 30% of the executive's base salary for the applicable year, divided by (2) the average of the high and low trading price of our common stock as reported by the New York Stock Exchange on the date of grant. The grant of long term shares to Mr. Zalatoris is calculated in the same manner, however, the numerator used to calculate the threshold, target and high levels of performance will be equal to 20%, 30% and 50%, respectively.

Like the annual incentive bonus, for Ms. Sprecher Brooks, Messrs. Brown and Carr, 50% of the grant will be automatically issued, up to 25% of the grant will be issued solely in the discretion of Mr. Parks and 25% of the grant will be issued upon the executive achieving his or her personal performance goal. With respect to Mr. Zalatoris, 50% of the grant will be automatically issued and up to 50% of the grant will be issued solely in the discretion of Mr. Parks. If we fail to achieve any of the performance targets, Ms. Sprecher Brooks, Messrs. Brown and Carr will nevertheless be entitled to a grant of shares equal to the quotient of (1) 5% of the executive's base salary for the applicable year, divided by (2) the average of the high and low trading price of our common stock as reported by the New York Stock Exchange on the date of grant. Similarly, Mr. Zalatoris will be entitled to a grant of shares equal to the quotient of (1) 10% of the his base salary for the applicable year, divided by (2) the average of the high and low trading price of our common stock as reported by the New York Stock Exchange on the date of grant.

Restricted Stock

We grant restricted stock because we believe it aligns the interests of our executives with those of shareholders by creating a strong incentive to create and preserve long-term shareholder value. Through restricted stock, our executives, like our shareholders, share both the risks and rewards of stock ownership. All awards are subject to multi-year vesting which we believe helps us retain the services of each person.

Specifically, each award vests 20% per year on the anniversary of the grant. During the vesting period, however, the recipient of each grant is the record owner of the shares and thus may vote the shares and receive any distributions paid on the shares. Vesting is accelerated upon the executive's death, disability, approved retirement, or upon a change of control, as defined in the employment agreements.

Stock Options

To date, we have granted no options to purchase our common stock to any of our executives. We may only issue options if we achieve a threshold level of performance in the completed fiscal year immediately preceding the award. If we achieve a threshold level of performance, we will grant the executive options to purchase the number of shares equal to the quotient of (1) 5% of the executive's base salary, with Mr. Zalatoris entitled to receive 10% of his base salary, for the applicable year, divided by (2) the closing price per share on the day immediately preceding the date of grant (or, if not a trading day, on the next preceding trading day during which a sale occurred) of our common stock in each case as reported by the New York Stock Exchange. The exercise price for each share underlying each award will be equal to the closing price per share on the day immediately preceding the date of grant (or, if not a trading day, on the next preceding trading day during which a sale occurred), in each case as reported by the New York Stock Exchange.

Timing of Awards and Equity Award Grant Policy

The committee approves all grants of restricted stock or stock options to employees and directors. The committee reviews recommendations for and approves equity compensation grants to executives on our management committee. The committee also approves grants to other executives and associates, but generally approves an aggregate pool of grants, the allocation of which is recommended by management.

The table below reflects the long-term shares and options awarded or granted to each named executive officer for the year ended December 31, 2006.

Benefits and Perquisites

Each of our named executive officers participates in the same benefits programs available to all of our employees, including:

- health, dental and vision insurance;
- group term life and accidental death and dismemberment insurance;
- short-term disability coverage; and
- participation in our tax-qualified 401(k) plan.

We do not provide other perquisites to our executives.

Effect of Regulatory Requirements on Executive Compensation

Section 162(m). Under Section 162(m) of the Internal Revenue Code of 1986, as amended, referred to herein as the Code, certain limits are placed on the tax deductibility of compensation paid to our chief executive officer and our four other most highly compensated executives unless the compensation meets the requirement for performance-based compensation as set forth in the Code and the related regulations. Our Compensation Committee has considered the possible effect of Section 162(m) in designing our compensation programs and policies. Further, as long as we qualify as a REIT, we will not pay taxes at the corporate level and, therefore, losing the deductibility of compensation does not have a significant adverse impact on us. All compensation paid to these executives was deductible under Section 162(m).

To the extent that any part of our compensation expense is not deductible under Section 162(m), a larger portion of stockholder distributions may be subject to federal income tax as ordinary income rather than return of capital. Also, any compensation allocated to our taxable REIT subsidiaries whose income is subject to federal income tax would result in an increase in income taxes due to the inability to deduct the compensation. The committee will continue to take into account the materiality of any deductions that might be lost as well as the broader interests to be served by paying competitive compensation.

Section 409A. Section 409A of the Code generally changes the tax rules that affect most forms of deferred compensation that were not earned and vested prior to the year ended December 31, 2005. Although complete guidance regarding Section 409A has not been issued by the Internal Revenue Service, the committee considers the potential impact of Section 409A into account in determining the form and timing of compensation paid to our executives.

Section 280G and 4999. Sections 280G and 4999 of the Code limit a company's ability to deduct certain excess parachute payments (as defined in Code Sections 280G and 4999) and impose excise taxes on each executive that receives excess parachute payments in connection with his or her severance in connection with a change of control. The committee considers the adverse tax liabilities imposed by Code Sections 280G and 4999, as well as other competitive factors, when it structures certain post-termination compensation payable to our named executive officers.

Accounting Rules. We account for stock-based employee compensation (currently stock options and restricted stock) using the fair value based method of accounting described in SFAS 123R. We record the cost of awards with service conditions based on the grant-date fair value of the award. The cost of the awards is recognized over the vesting period. If an award is forfeited, no additional compensation expense is recognized. The committee considers the accounting treatment of alternate grant proposals under SFAS 123R in determining the form and timing of equity compensation grants to employees, including our named executive officers.

Employment Agreements

The employment agreements with each of our named executive officers generally provide for a minimum base salary, eligibility to receive an annual bonus based in part on corporate performance and in part on our CEO's assessment and additional incentive compensation in the form of restricted stock and options to purchase our common stock. As part of the employment agreements, these persons agree to protect any confidential information during the term of the agreement and at any time thereafter. Each executive has also agreed not to, directly or indirectly: (1) alone, together or in association with others, either as a principal, agent, owner, shareholder, officer, director, partner, employee, lender, investor or in any other capacity, engage in, have any financial interest in or be in any way connected or affiliated with, or render advice or services to, any business engaged in purchasing, selling, financing, managing, leasing, brokering or providing services for retail shopping centers or any new business or lines of business which we may enter prior which business or businesses are conducted in the greater metropolitan area of Chicago, Illinois, other than as an employee of The Inland Group, Inc. (TIGI) or an affiliate of TIGI or otherwise on our behalf as an employee thereof or as may be permitted by us in writing; (2) divert, take away, solicit or interfere with or attempt to divert, take away, solicit or interfere with any present or prospective customer, except on our behalf; (3) solicit, induce, influence or attempt to solicit, induce or influence any of our employees or agents to leave their employment or engagement with us or offer employment or engagement to or employ or engage any of our employees or assist or attempt to assist any employee in seeking other employment; (4) in any manner slander, libel or by other means take action which is or intended, or could reasonably be expected, to be detrimental to us or an affiliate or their respective employees or operations; (5) knowingly make or participate in any solicitation of proxies or consents (as such terms are used in the proxy rules of the United States Securities and Exchange Commission) or make proposals for approval of our stockholders; (6) knowingly form, join or participate in a group (within the meaning of Section 13(d)(3) of the Exchange Act) with respect to our securities; (7) otherwise knowingly act to control or seek to control our management, board of directors or policies (except with respect to actions taken solely in the person's capacity as an officer in the exercise of his fiduciary duties); or (8) make any agreement to do any of the foregoing to the extent restricted thereby. Included in the employment agreements are termination and change of control provisions, which are more fully described in Potential Payments Upon Termination or Change of Control below. Other terms of these agreements are summarized in the table below:

Name	Date of Agreement(1)	Minimum Annual Base Salary \$	2007 Annual Base Salary \$	Non-Compete Period	Term of Employment Agreement
Robert D. Parks	07/01/00	\$ 50,000	\$ 50,000	N/A	One year

(1) Agreement renews for a one-year term on each anniversary of the agreement unless terminated by either party pursuant to the agreement's notice and termination provisions.

Potential Payments Upon Termination Following a Change of Control

As part of the employment agreements with the named executive officer we have agreed to pay certain amounts and provide certain benefits following termination of employment or a change of control under certain circumstances, as described below.

Termination by Company for Cause or Voluntarily by Executive. If the agreement is terminated for cause or voluntarily by the executive, then within fifteen (15) days of the date of the termination, we will pay the person:

- any accrued base salary;
- any accrued vacation pay;
- any accrued reimbursable expenses; and
- any accrued benefits, together with any benefits required to be paid or provided under applicable law.

In addition, any long term shares or stock option awards issued to the executive which have not yet vested will immediately be forfeited.

Termination by the Company Without Cause or by Executive for Good Reason. If the agreement is terminated without cause or by the executive for good reason, we will pay the person:

- any accrued base salary;
- any accrued vacation pay;
- any accrued reimbursable expenses;
- any accrued benefits, together with any benefits required to be paid or provided under applicable law;
- any accrued bonus; and
- an amount equal to 1.0 times, with respect to Ms. Sprecher Brooks, Messrs. Brown and Carr, and 1.25 times, with respect to Mr. Zalatoris, the sum of (A) executive's then current per annum base salary; plus (B) an amount equal to the annual incentive bonus which was paid to the executive for the fiscal year immediately preceding the year of termination; *provided, however*, that the payment may not exceed an amount which would cause the executive to receive an excess parachute payment as defined in the Code; *provided, however*, that if the termination occurs within one year of a change of control, then in addition to the amounts described above, we will pay the executive an amount equal to 1.5 times, with respect to Ms. Sprecher Brooks, Messrs. Brown and Carr, and 2.99 times, with respect to Mr. Zalatoris, the sum of (A) executive's then current per annum base salary; plus (B) an amount equal to the annual incentive bonus which was paid to executive for the fiscal year immediately preceding the year of termination; plus (C) the aggregate dollar value of each of the annual long term share award and annual stock option award that was granted to executive for the fiscal year immediately preceding the year of termination; *provided, however*, that no payment may exceed an amount which would cause executive to receive an excess parachute payment as defined in the Code.

In addition, if the executive's Agreement is terminated without cause by us then any long term shares or annual stock options issued to the executive which have not yet vested will immediately vest and no longer be subject to forfeiture by executive. If the executive terminates for good reason, however, any long term shares or annual stock options issued to executive which have not vested will immediately be forfeited. If this Agreement is terminated by executive for good reason within one year of a change of control, then any long term shares or annual stock options issued to the executive will immediately vest and no longer be subject to forfeiture.

A change in control is not otherwise, however, an independent reason for triggering termination. Under the agreement, a change of control means:

- the members of our board of directors as of the date of the relevant agreement fail to constitute a majority of the members of the board; *provided, however*, that any individual becoming a member of the board who is nominated or appointed to the board seat on the recommendation and approval of our Nominating and Corporate Governance Committee will be treated as if he or she were a member of the board as of the date of the agreement;
- we sell all, or substantially all, of our assets; or
- we terminate and liquidate.

The tables below were prepared as if the person's agreement had been terminated including under a change of control occurring on December 31, 2006 and the executive terminated the agreement for good reason within one year of the change of control using the closing price of our common stock as of December 29, 2006, the last day of the trading year (both as required by the SEC). The amounts reflect the acceleration of benefits described above as well as benefits payable or other consequences under our benefit plans in connection with a change of control. There can be no assurance that a termination or change of control would produce the same or similar results as those shown below if it occurs on any other date or at any other price.

Compensation Committee Interlocks and Insider Participation

During 2006, Ms. Lawton and Messrs. McWilliams and Herter served as members of our Compensation Committee:

- none of our executive officers was a director of another entity where one of that entity's executive officers served on our Compensation Committee;
- no member of the Compensation Committee was an officer or employee of us or any of our subsidiaries;
- no member of the Compensation Committee entered into any transaction with us in which the amount involved exceeded \$120,000;
- none of our executive officers served on the Compensation Committee of any entity where one of that entity's executive officers served on our Compensation Committee; and
- none of our executive officers served on the Compensation Committee of another entity where one of that entity's executive officers served as a director on our board.

Certain Relationships and Related Transactions

During the year ended December 31, 2006, we purchased various administrative services, such as payroll preparation and management, data processing, insurance consultation and placement, investor relations, property tax reduction services and mail processing from or through affiliates of The Inland Group, Inc., known as TIGI. We pay for these services on an hourly basis. The hourly rate is based on the salary of the individual rendering the services, plus a pro rata allocation of overhead including, but not limited to, employee benefits, rent, materials, fees, taxes and operating expenses incurred by each entity in operating their respective businesses. Computer services were purchased at a contract rate of \$50 per hour. We continue to purchase these services from TIGI affiliates and for the year ended December 31, 2006, these expenses, totaling approximately \$833,000, were included in general and administrative expenses and property operating expenses. Additionally, we lease our corporate office space from an affiliate of TIGI. Payments under this lease for the year ended December 31, 2006 were \$340,000, and were also included in general and administrative expenses. As of the year ended December 31, 2006, TIGI, through affiliates, owns approximately 9.3% of our outstanding common stock. For accounting purposes however, we are not directly affiliated with TIGI, or its affiliates.

On June 30, 2005, we entered into a buy-out and restructuring agreement, which amended the previous LLC agreement with a wholly owned subsidiary of Tri-Land Properties, Inc., dated February 1, 2001. We agreed to lend Tri-Land Properties, Inc. up to \$21,500,000 for the development of the Century Consumer Mall in Merrillville, Indiana. Draws on the loan bear interest at a rate of 8.5% per annum, with 5.5% to be paid currently and the remaining 3% to be accrued, with no additional interest, and paid upon maturity. The loan matures on June 30, 2008. As of December 31, 2006, the balance of this mortgage receivable was \$17,479,000. The loan is secured by the investment property and Tri-Land Properties, Inc. has guaranteed \$1,000,000 of this mortgage receivable. We recorded a deferred gain of \$3,193,000 on the sale of its equity investment related to the previous joint venture agreement, as it did not qualify for gain recognition due to the lack of initial investment and continuing involvement. Such amounts are included in other liabilities on the accompanying consolidated balance sheets. Additionally, we recorded \$1,088,000 of interest income for the year ended December 31, 2006 and have increased the mortgage receivable balance for unpaid interest by \$2,377,000 since inception. Richard Dube, the brother-in-law of Mr. Daniel Goodwin, our chairman, is the president and a principal owner of Tri-Land.

On August 12, 2003, we entered into an agreement with Inland Investment Advisors, Inc., an affiliate of TIGI to manage our investment in securities. We pay a fee equal to 0.75% per annum on the net asset value under management. We paid approximately \$166,000 for these services during the year ended December 31, 2006.

In May 2005, we acquired a 1% interest in The Inland Real Estate Group of Companies, Inc. for a purchase price of \$1,000. The Inland Real Estate Group of Companies, Inc. provides marketing assistance and assists us in efficiently leasing space at various trade shows and conventions.

In June and September 2006, we entered into joint venture agreements with North American Real Estate, Inc (NARE) to acquire and develop vacant land located in North Aurora, Illinois. One of our directors, Joel Simmons, is a minority partner in the entity that NARE formed to be the partner in this venture. Mr. Simmons will receive his pro rata share of NARE s earnings from this venture but is not entitled to preferred distributions.

On September 5, 2006, one of our taxable REIT subsidiaries, Inland Venture Corporation, entered into a limited liability company agreement with Inland Real Estate Exchange Corporation, a wholly-owned subsidiary of TIGI. The resulting joint venture was formed to facilitate Inland Venture Corporation s participation in tax-deferred exchange transactions pursuant to Section 1031 of the Internal Revenue Code using properties made available to the joint venture by Inland Venture Corporation. We executed a joinder to the joint venture agreement, agreeing to perform certain expense reimbursement and indemnification obligations thereunder. We coordinate the joint venture s acquisition, property management and leasing functions, and earn fees for services provided to the joint venture, including management and leasing fees, as well as syndication fees, which are split equally between Inland Venture Corporation and Inland Real Estate Exchange Corporation.

Effective October 1, 2006, we entered into an agreement with a limited liability company formed as an insurance association captive, which is wholly owned by us and three other entities previously sponsored by Inland Real Estate Investment Corporation: Inland Retail Real Estate Trust, Inc., Inland Western Retail Real Estate Trust, Inc. and Inland American Real Estate Trust, Inc. Inland Risk & Insurance Management Services, Inc., an affiliate of TIGI, provides services to the captive. The captive was formed to more efficiently manage the respective insurance coverage of the members and the premiums associated with property casualty coverage. The captive oversees the purchase of one or more insurance policies from a third party insurer that cover properties acceptable to all members. Portions of these insurance policies agreed upon by all members are funded or reimbursed by insurance policies purchased from the captive by the members. The premium associated with the non-catastrophic property and casualty insurance policies purchased from the captive is divided among each of the members based upon a determination by a third-

party, independent actuary of the losses, loss reserves and loss expenses that each member is expected to incur and a proportional allocation of associated operating costs. Each member initially contributed approximately \$188,000 to the captive in the form of a capital contribution. The captive will use this capital to pay a portion of certain property and casualty losses and general liability losses suffered by a member under the policies purchased by the captive subject to deductibles applicable to each occurrence. These losses will be paid by the captive up to and including a certain dollar limit per occurrence, after which the losses are covered by the third party insurer. We are required to remain as a member of the captive for a period of five years.

On October 26, 2006, we purchased a 25%, or \$10,369,000, participation interest in a note receivable held by Inland American Real Estate Trust, Inc., a related party of TIGI. We recorded \$334,000 of interest income related to this participation for the year ended December 31, 2006.

Policies and Procedures with Respect to Related Party Transactions

Other than the provisions contained in our articles described below, we do not currently have written, formal policies and procedures for the review, approval or ratification of transactions with related persons, as defined by Item 404 of the SEC Regulation S-K. Under that definition, transactions with related persons are transactions in which we were or are a participant and the amount involved exceeds \$120,000 and in which any related person had or will have a direct or indirect material interest. Related parties include any executives, officers, directors, director nominees, beneficial owners of more than 5% of our voting securities, immediate family members of any of the foregoing persons, and any firm, corporation or other entity in which any of the foregoing persons is employed and in which such person has 10% or greater beneficial ownership interest.

Our articles, however, contain provisions setting forth our ability to engage in certain transactions. Our board reviews all of these transactions as well as any related party transactions. As a general rule, any related party transactions must be approved by a majority of the directors not otherwise interested in the transaction. In determining whether to approve or authorize a particular related party transaction, these persons will consider whether the transaction between us and the related party is fair and reasonable to us and has terms and conditions no less favorable to us than those available from unaffiliated third parties.

We believe that our general policies and procedures regarding related party transactions are evidenced by the disclosures in our current and prior proxy statements under the caption Certain Relationships and Related Transactions. We may in the future adopt written policies and procedures regarding related party transactions.

PROPOSAL NO. 2 RATIFY APPOINTMENT OF KPMG LLP

The audit committee has selected KPMG LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2007. We traditionally ask our stockholders to ratify the selection even though your approval is not required. Further, even if you do not approve the selection of KPMG LLP, we will not replace them for this fiscal year due to the added expense and delay that would result from replacing them and selecting a new firm. Instead, the audit committee will consider the negative vote as a direction to consider a different firm next year.

Representatives of KPMG LLP will attend the annual meeting. These representatives will have an opportunity to make a statement if they desire to do so, and will be available to respond to appropriate stockholder questions.

RECOMMENDATION OF THE BOARD: The board recommends that you vote **FOR** the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2007.

Approval of Services and Fees

Our audit committee has reviewed and approved all of the fees paid to KPMG, and actively monitors the relationship between audit and non-audit services provided by KPMG. The audit committee must pre-approve all services provided by our independent registered public accounting firm and the fees charged for these services. The audit committee also will consider on a case-by-case basis and, if appropriate, approve specific engagements that are not otherwise pre-approved. Any proposed engagement that does not fit within the definition of a pre-approved service may be presented to the chairperson of the audit committee for approval. The audit committee concluded that all services rendered by KPMG during the years ended December 31, 2005 and 2006, respectively, were consistent with maintaining KPMG's independence. Accordingly, the audit committee has approved all of the services provided by KPMG. As a matter of policy, we will not engage its primary independent registered public accounting firm for non-audit services other than audit related services, as defined by the SEC, certain tax services, and other permissible non-audit services as specifically approved by the chairperson of the audit committee and presented to the full committee at its next regular meeting. The policy also includes limits on hiring partners of, and other professionals employed by, KPMG to ensure that the SEC's auditor independence rules are satisfied.

STOCKHOLDER PROPOSALS

We have not received any stockholder proposals to be included in this year's proxy statement. Article II, Section 14(a) of our Bylaws requires that any stockholder intending to present a proposal for action by the stockholders at an annual meeting must give written notice of the proposal, containing specified information, to our corporate secretary not less than forty-five days prior to the anniversary date of our proxy statement for the previous year's annual meeting. For our annual meeting to be held in 2008, the notice deadline under Article II, Section 14(a) of our Bylaws is March 17, 2008. A copy of the Bylaws may be obtained by written request to our corporate secretary at the address provided below.

The Bylaws do not change the deadline for a stockholder seeking to include a proposal in our proxy statement pursuant to Securities and Exchange Commission Rule 14a-8. This rule requires that notice of a stockholder proposal requested to be included in our proxy materials pursuant to that Rule must generally be furnished to our corporate secretary not later than 120 days prior to the anniversary date of our proxy statement for the previous year's annual meeting. For our annual meeting to be held in 2008, any stockholder proposal to be included in the proxy statement under Rule 14a-8 must be received by our corporate secretary no later than January 2, 2008.

All stockholder proposals should be submitted in writing and addressed to our corporate secretary, at Inland Real Estate Corporation, 2901 Butterfield Road, Oak Brook, Illinois 60523.
