Tucows Announces Intention to Commence Dutch Auction Tender Offer to Repurchase up to 4 Million Common Shares

TORONTO February 9, 2009 - Tucows Inc. (AMEX:TCX, TSX:TC) a global provider of domain names, email and other Internet services, announced today that it intends to commence a modified Dutch auction tender offer to repurchase up to 4,000,000 shares of its common stock, representing approximately 5.5% of the Tucows outstanding shares. The tender offer is expected to commence on Thursday, February 12, 2009 and to expire, unless extended, at 5:00 P.M., New York City Time, on Friday, March 13, 2009.

We believe our shares to be an attractive investment and their repurchase by the Company to be a prudent use of cash that is consistent with our long-term objective to create shareholder value, said Stanley Stern, Chairman of the Board of Tucows.

Under the tender offer, shareholders will have the opportunity to tender some or all of their shares at a price within an expected range of \$0.32 to \$0.45 per share, which price range may be modified by Tucows prior to the commencement of the offer. Based on the number of shares tendered and the prices specified by the tendering shareholders, Tucows will determine the lowest per share price within the range that will enable it to buy 4,000,000 shares, or such lesser number of shares that are properly tendered. If shareholders of more than 4,000,000 shares properly tender their shares at or below the determined price per share, Tucows will purchase shares tendered by such shareholders, at the determined price per share, on a pro rata basis. Additionally, if more than 4,000,000 shares are properly tendered, the number of shares to be repurchased by Tucows pursuant to the tender offer may, at the discretion of Tucows, be increased by up to 2% of Tucows outstanding shares, or approximately 1,461,500 shares, without amending or extending the tender offer.

Shareholders whose shares are purchased in the offer will be paid the determined purchase price per share net in cash, without interest, after the expiration of the offer period. The offer is not contingent upon any minimum number of shares being tendered. The offer is subject to a number of other terms and conditions specified in the offer to purchase that is being distributed to shareholders.

The information agent for the offer will be StockTrans, Inc. None of Tucows, its board of directors or the information agent is or will be making any recommendation to stockholders as to whether to tender or refrain from tendering their shares into the tender offer. Shareholders must decide how many shares they will tender, if any, and the price within the stated range at which they will offer their shares for purchase by Tucows.

This press release is for informational purposes only and is not an offer to buy or the solicitation of an offer to sell any shares of Tucows common stock. The offer will be made solely by the offer to purchase and the related letter of transmittal. **Stockholders and investors should read carefully the offer to purchase and related materials when they are available because they contain important information. Stockholders and investors may obtain a free copy (when available) of the offer to purchase and other documents that will be filed by Tucows with the SEC at the SEC's web site (www.sec.gov) or from StockTrans, Inc., the information agent for the tender offer, by directing such request to: StockTrans, Inc., Attn: Re-Organization Dept., 44 West Lancaster Avenue, Ardmore, PA 19003, telephone (800) 733-1121. Stockholders are urged to carefully read these materials prior to making any decision with respect to the offer.**

About Tucows

Tucows is a global Internet services company. OpenSRS manages over 8 million domain names and millions of email boxes through a reseller network of over 9,000 web hosts and ISPs. Hover is the easiest way for individuals and small businesses to manage their domain names and email addresses. YummyNames owns premium domain names that generate revenue through advertising or resale. Butterscotch.com is an online video network building on the foundation of Tucows.com.
