less than 99% of the equity ownership in each REIT Entity. The remaining equity ownership will be held by that number of persons necessary for such entities to qualify as real estate investment trusts.

The Agreement provides for a maximum term of ten years, subject to extension by the agreement of the limited partners. The Partnership may be terminated at an earlier date upon certain specified events, including the sale of all owned properties.

Beginning in the sixth year of the Partnership, PGGM PRE Fund has a put option, and the Company has a purchase option, in either event to cause the Company to buy PGGM PRE-Fund's interest in the Partnership. Such options allow for the purchase of up to 20% of PGGM PRE-Fund's interest in the Partnership per year for a purchase price determined through an appraisal process. The purchase price is payable in cash or in shares of stock of the Company. The parties may accelerate the exercise of the options upon the dissolution of the Partnership, to the full extent of PGGM PRE-Fund's interest in the Partnership.

The foregoing discussion of the Agreement and its terms does not purport to be complete and is subject to and qualified in its entirety by reference to the Agreement, which is attached to this Current Report on Form 8-K as Exhibit 10.1 and is incorporated in its entirety into this disclosure by reference.
