## Edgar Filing: CYCLE COUNTRY ACCESSORIES CORP - Form DEF 14A

Unless otherwise directed by the giver of the proxy, the persons named in the enclosed form of proxy, that is, Mr. Jeffrey M. Tetzlaff, will vote:

1. For the election of the person named herein as a nominee for Class II Director of the Company, for a term expiring at the 2013 Annual Meeting of Stockholders or until his successor has been duly elected and qualified;
2. For the ratification of the engagement of Boulay, Heutmaker, Zibell & Co. P.L.L.P. as the Company's independent registered public accounting firm; and
3. To approve the conditional equity compensation awards to our Chief Executive Officer, Jeffrey M. Tetzlaff, and our Chief Operating Officer and Chief Financial Officer, Robert Davis;
4. To approve the conditional equity compensation awards to our two independent directors, Paul DeShaw and Daniel Thralow; and
5. According to such person's judgment on the transaction of such other business as may properly come before the meeting or any adjournment thereof.

Should the nominees named herein for election as directors become unavailable for any reason, it is intended that the persons named in the proxy will vote for the election of such other person in his stead as may be designated by the Board of Directors. The Board of Directors is not aware of any reason that might cause a nominee to be unavailable to serve.

### VOTING SECURITIES AND VOTING RIGHTS

On August 6, 2010, there were outstanding 5,929,297 shares of Common Stock, par value \$0.0001 per share, each of which is entitled to one vote on all matters submitted, including the election of directors. There are no cumulative voting rights.

A majority of the outstanding shares present or represented by proxy will constitute a quorum at the meeting. The affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote is required to elect a person nominated for director. Shares present at the meeting but which abstain or are represented by proxies which are marked "WITHHOLD AUTHORITY" with respect to the election of a person to serve on the Board of Directors will be considered in determining whether the requisite number of affirmative votes are cast on such matter. Accordingly, such proxies will have the same effect as a vote against the nominee as to which such abstention or direction applies. Shares not present at the meeting will not affect the election of a director.

The vote required for the approval of Proposal 2 Ratification of the Appointment of Independent Registered Public Accounting Firm; Proposal 3 Conditional Equity Compensation Awards to our Chief Executive Officer, Jeffrey M. Tetzlaff, and our Chief Operating and Chief Financial Officer, Robert Davis; Proposal 4 Conditional Equity Compensation Awards to Board Members; and for any other matter properly brought before the meeting, will be the affirmative vote of the majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal. Shares present at the meeting that abstain (including proxies which deny discretionary authority on any matters properly brought before the meeting) will be counted as shares present and entitled to vote and will have the same effect as a vote against any such matter. Shares not present at the meeting will not affect the outcome as to any such matter.

While counted for quorum purposes, shares represented by a proxy as to which there is a broker non-vote (for example, where a broker does not have discretionary authority to vote the shares) as to one or more matters to be voted on shall not be deemed represented at the meeting as to such matter or matters and, therefore, will have no effect thereon.

Votes will be counted by duly appointed inspectors of election, whose responsibilities are to ascertain the number of shares outstanding and the voting power of each, determine the number of shares represented at the meeting and the validity of proxies and ballots, count all votes and report the results to the Company.

**INFORMATION ABOUT THE NOMINEE AND CURRENT DIRECTORS**

The Company's ByLaws currently specify that the number of directors shall be not less than three, nor more than nine, subject to amendment by the Board of Directors. The number of directors currently serving is four, and the number currently authorized is seven, leaving 3 vacancies. The Company's ByLaws provide that vacancies on the Board of Directors may be filled by the remaining members of the Board of Directors. Proxies solicited by the Company for the election of directors cannot be voted for a greater number of persons than the number of nominees named in the proxy. Such person shall stand for election at the next meeting of stockholders.

The Company's Articles of Incorporation, as amended, and ByLaws provide for a division of the Board of Directors into three classes. One of the classes is elected each year to serve a three-year term. The term of the current Class II Directors expire at the Annual Meeting.

Subsequently, Mr. Paul DeShaw was appointed effective February 24, 2010 by the remaining Members of the Board of Directors to fill the vacancy created by the Hancher resignation, in accordance with the Company's ByLaws, to serve the balance of the term of such directorship.

The full Board of Directors has nominated, as recommended and approved by the independent board members, Mr. DeShaw for election as a Class II director for a term expiring at the 2013 annual meeting of stockholders and until his successor has been qualified, or until his earlier death, resignation or removal. Mr. DeShaw has not served on the Board of Directors prior to his recent appointment in February 2010. The nominee has agreed to serve if elected, and the Board of Directors has no reason to believe he will be unable to serve. If the nominee for director is unable to serve, the persons named in the proxy may vote for a substitute nominee.

## CORPORATE GOVERNANCE

### Determination of Director Independence

Rules of The American Stock Exchange ( Amex ) require that no less than 50% of the Company s Board of Directors be independent, as defined in American Stock Exchange Company Guide Section 121(f). Under the Amex rules, the Board of Directors must make an affirmative determination that a director is independent by determining that the director has no relationships that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board of Directors has reviewed the independence of its directors under the Amex rules. During this review, the Board of Directors considered transactions and relationships between each director or any member of his family and the Company..

The Board of Directors has determined that Messrs. Paul DeShaw and Daniel Thralow are independent under Amex Rule Section 121(f).

### Board Leadership Structure

On March 16, 2010, Jeffrey M. Tetzlaff, the Company s President and Chief Executive Officer was elected by the Directors to the position of Chairman of the Board. Mr. Tetzlaff has served on the Board since 2008. Mr. Tetzlaff replaced L.G. Hancher, Jr., who resigned from the Board January 6, 2010.

The Board has determined that having our Chief Executive Officer also serve as Chairman is in the best interest of our stockholders at this time. This structure makes the best use of the Chief Executive Officer s extensive knowledge of the Company and its industry in setting the strategic direction of the Company, as well as fostering greater communication between our management and the Board.

The Board has not appointed a Lead Independent Director as of this date. Because the Board currently has only two independent Directors, any actions requiring approval of a majority of independent directors requires the unanimous approval of both. If the Company adds any additional independent directors to the Board, a Lead Independent Director will be named at that time.

### Board s Role in Risk Oversight

Our management is principally responsible for defining, identifying and assessing the various risks facing our Company, formulating risk management policies and procedures and managing our risk exposures on a day-to-day basis. Management provides the Board an annual risk assessment with quarterly updates. The Board s responsibility is to oversee our risk management processes by understanding and evaluating management s identification, assessment and management of the Company s critical risks.

## Edgar Filing: CYCLE COUNTRY ACCESSORIES CORP - Form DEF 14A

The Board as a whole has responsibility for this risk oversight. Areas of focus include strategic, operational, liquidity, market, financial, reporting, succession, compensation, compliance and other risks.

### **Board of Directors Committees and Meetings**

The Board of Directors conducts its business through meetings and actions by unanimous written consent of the full board and through an Audit Committee of the board.

During the fiscal year ended September 30, 2009, the Board of Directors held two regular meetings and the Audit Committee held two regular meetings. During the fiscal year ended September 30, 2009, all member of our Board of Directors attended at least 75% of the meetings of the Board of Directors and of the committees on which he or she served that were held during the period for which he or she was a director or committee member.

We have not adopted a formal policy regarding board member attendance at our annual meetings; however, we strongly encourage all board members to attend the annual meeting.

*The Audit Committee.* For fiscal year 2009, the Audit Committee of our Board of Directors was comprised of two directors, L.G. Hancher, Jr. and Daniel Thralow. Each of these individuals was an independent director as defined by the American Stock Exchange rules. Mr. Hancher remained a member of the Board and the Audit Committee until his resignation in January 2010, whereupon he was replaced with Paul DeShaw effective February 24, 2010.

In addition, our Board of Directors has determined that Paul DeShaw, as defined by the SEC rules, is both independent and an audit committee financial expert. Mr. DeShaw has extensive experience reading, analyzing, and preparing GAAP financial statements and SEC reports and filings. Mr. DeShaw is the Chair of the Audit Committee.

Our Audit Committee is made of Mr. Paul DeShaw and Mr. Daniel Thralow. We anticipate adding one or more of the independent directors currently sought by the company and anticipate appointing additional independent directors to the Audit Committee.

The Audit Committee is responsible for, among other things:

- directly appointing our independent registered public accountants;
- discussing with our independent registered public accountants their independence from management;
- reviewing with our independent registered public accountants the scope and results of their audit;
- approving all audit services and pre-approving all permissible non-audit services to be performed by the independent registered public accountants;

- overseeing the financial reporting process and discussing with management and our independent registered public accountants the interim and annual financial statements that we file with the SEC; and
- reviewing and monitoring our accounting principles, policies and financial and accounting controls.

**Selection of Director Nominees**

The Board of Directors does not currently have a standing Nominating Committee or a charter regarding the nominating process. The Board of Directors believes that it is appropriate for it to not have such a committee because it has delegated to the independent members of the Board of Directors the authority to identify, evaluate and recommend qualified nominees for election or appointment to the Company's Board of Directors. The vote of a majority of the independent directors of the Board of Directors is required to approve a nominee for recommendation to the Board of Directors.

*Stockholder Nominations.* Stockholders who wish to recommend nominees for consideration by the independent members of the Board of Directors must submit their nominations in writing to our Corporate Secretary. Submissions must include sufficient biographical information concerning the recommended individual for the committee to consider, including age, five-year employment history with employer names and a description of the employer's business, whether such individual can read and comprehend basic financial statements, and other board memberships (if any) held by the recommended individual. The submission must be accompanied by a written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the stockholders. The independent members of the Board of Directors may consider such stockholder recommendations when it evaluates and recommends nominees to the Board of Directors for submission to the stockholders at each annual meeting. Stockholder nominations made in accordance with these procedures and requirements must be addressed to our Corporate Secretary, at 1701 38th Ave. W., Spencer, Iowa 51301.

In addition, stockholders may nominate directors for election without consideration by the Board of Directors. Any stockholder of record may nominate an individual by following the procedures and deadlines set forth in the "Stockholders' Proposals for 2011 Annual Meeting" section of this proxy statement and by complying with the eligibility, advance notice and other provisions of our bylaws. Under our bylaws, a stockholder is eligible to submit a stockholder proposal if the stockholder is of record and entitled to vote at the annual meeting. The stockholder also must provide timely notice of the proposal to us. To be timely, the stockholder must provide advance notice not less than 120 calendar days before the date of the Company's proxy statement released to stockholders in connection with the previous year's meeting.

The Board of Directors did not receive any recommended nominee from any stockholder or group of stockholders that beneficially owned more than 5% of our common stock for at least one year as of the date of the recommendation.

#### **Compensation Committee**

The Board of Directors does not currently have a standing Compensation Committee. The Board of Directors believes it is appropriate for the Company to not have such a committee because of its status as a "Smaller Reporting Company" and it has delegated to the independent members of the Board of Directors the authority to establish executive officer compensation.

#### **Compensation Committee Report**

The independent members of the Board of Directors are, among other things, responsible for:

- making recommendations to the Board and to the boards of subsidiaries on all matters of policy and procedures relating to executive compensation;
- reviewing and approving corporate goals and objectives relevant to the chief executive officer's compensation, and determining and approving the chief executive officer's compensation level based on the Board's performance evaluation of the chief executive officer;

- determining and approving the compensation of the other executive officers;
- reviewing, recommending, and discussing with management the compensation discussion and analysis section included in the Company's annual proxy statement; and
- evaluating its performance on an annual basis.

The independent members of the Board of Directors seek input from the CEO and CFO on compensation decisions and performance appraisals for all other officers. However, all executive officer compensation matters are approved by the independent members of the Board of Directors. During Fiscal 2009, the independent directors were L.G. Hancher Jr and Daniel Thralow. Currently, the two independent directors are Paul DeShaw and Daniel Thralow.

The independent members of the Board of Directors are given the opportunity to meet in executive session at each meeting of the Board of Directors. When possible, the independent members of the Board of Directors preview and discuss significant compensation decisions at one meeting before giving formal approval at a subsequent meeting.

In making its determination of the appropriate level of the compensation of Mr. Tetzlaff and Mr. Davis, the Board has reviewed and relied upon the compensation analysis report prepared by The Mazzitelli Group LLC, an independent, professional services firm specializing in executive compensation and recruitment, regarding compensation payable to Chief Executive Officers, Chief Operating Officers and Chief Financial Officers for similar organizations of similar size to the Company and headquartered smaller, rural communities in the Upper Midwest.

#### **Code of Business Conduct and Ethics**

The Company has adopted a code of business conduct and ethics applicable to the Company's directors, officers (including the Company's principal executive officer, principal financial officer and principal accounting officer), and employees, known as the Code of Ethics and Standards of Conduct. The Code of Ethics and Standards of Conduct is available on the Company's website. In the event that we amend or waive any of the provisions of the Code of Ethics and Standards of Conduct applicable to our principal executive officer, principal financial officer, or principal accounting officer, we intend to disclose the same on the Company website at [www.cyclecountry.com](http://www.cyclecountry.com).

**Director s Compensation**

For fiscal year 2009, independent directors received \$500 in common shares as compensation for each board meeting that they attend. Pursuant to our 2007 Incentive Compensation Plan, for the fiscal year ended September 30, 2009, the non-management directors were issued a total of 3,609 shares of common stock under such Plan.. Directors who are employees of the Company receive no additional compensation for their service on the Board

**Compensation Policies and Practices as They Relate to Risk Management.**

We believe that the risks arising from our compensation policies and practices are not reasonably likely to have a material adverse effect on the Company. In reaching this conclusion, we considered the following:

- we do not grant equity awards to our employees generally or other persons who provide services to us, which mitigates taking excessive or inappropriate risk for short-term gain that might be rewarded by equity compensation;
- certain of our employees, including our executive officers, are eligible to receive incentive bonus payments determined on a discretionary basis that do not guarantee an employee a particular level of bonus based on the achievement of a specified performance or financial target, which also mitigates taking excessive or inappropriate risk to meet specific bonus formulas, but is intended to incentivize performance of the eligible employees;
- our experience is that our employees are appropriately motivated by our compensation policies and practices to achieve profits and other business objectives in compliance with our oversight of material short and long-term risks;
- the equity compensation awards to our executive officers aligns the interests of the executive officers with the interest of our shareholders and the vesting of such awards over time is intended to encourage long term growth and mitigate the taking of short term risk; and
- compensation of the executive officers is approved by the independent directors , who, as members of the Board also have responsibility for risk oversight for the Company.

Enhancing the effectiveness of our compensation structure, including an evaluation of foreseeable negative consequences, is considered in the establishment of our compensation structure and is reevaluated by management and the Board from time to time.

- *discussed with the Company's independent registered public accounting firm the overall scope and plans for its audit.*

Based on the reviews and discussions referred to above, the Audit Committee has recommended to the Board of Directors that the audited financial statements referred to above be included in the Company's Annual Report on Form 10K for the fiscal year ended September 30, 2009.

AUDIT COMMITTEE OF THE  
BOARD OF DIRECTORS OF  
CYCLE COUNTRY ACCESSORIES CORP.

Paul DeShaw, *Chairman of the Audit Committee*

## **CERTAIN RELATIONSHIPS AND RELATED-PARTY TRANSACTIONS**

From time to time, the Company has engaged in various transactions with certain of its directors, executive officers and other affiliated parties. The following paragraphs summarize certain information concerning certain transactions and relationships that have occurred during the past fiscal year or are currently proposed.

In fiscal 2009, we provided contract manufacturing services to AERO Race Wheels, Inc. which generated approximately \$208,000 in revenue. There was approximately \$8,000 in accounts receivable at September 30, 2009. AERO Race Wheels is owned by Mr. F.L. Miller who was a Director from 2001 through August 10, 2009, as well as the Chairman of our Board of Directors for the fiscal year ended September 30, 2008 and for the period ended August 10, 2009.

### **Review and Approval of Related Person Transactions**

We review relationships and transactions in which the Company and our directors and executive officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. As required under SEC rules, transactions that are determined to be directly or indirectly material to the Company or a related person are disclosed in our proxy statement. In addition, the Audit Committee reviews and approves or ratifies any related person transaction that is required to be disclosed. In the course of its review and approval or ratification of a disclosable related party transaction, the Committee considers:

- the nature of the related person's interest in the transaction;
- the material terms of the transaction, including, without limitation, the amount and type of transaction;
- the importance of the transaction to the related person;
- the importance of the transaction to the Company;
- whether the transaction would impair the judgment of a director or executive officer to act in the best interest of the Company; and
- any other matters the Committee deems appropriate.

Our executive officers are responsible for applying this policy to related parties. No specific procedures are in place, however, that govern the treatment of transactions among us and our related entities, although we and such entities may implement specific procedures as appropriate for particular transactions. With respect to transactions between or involving us and one or more of our related parties, if the transaction, in our opinion, is no less favorable to us than could be obtained from unrelated parties, or the transaction, in the absence of stockholder ratification or approval by our independent directors, is fair to all companies involved, in many instances, are in our best interests. In certain instances, our executive officers may seek the approval or ratification of such transactions by our independent directors, but there is no quantified threshold for seeking this approval.

## **SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers, the Company's directors and persons who own more than 10% of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the SEC. Such individuals are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms furnished to the Company or written representations that no reports were required to be filed, the Company believes that all such persons complied with all Section 16(a) filing requirements applicable to them with respect to transactions during the 2008 fiscal year except as set forth below.

The Company is aware of the following individual directors, officers or beneficial owners of more than ten percent of the Company's Common Stock that, during the fiscal year 2009 or for the fiscal year 2009, failed to file on a timely basis reports required by Section 16(a) of the Securities Exchange Act of 1934:

Mr. Daniel Thralow and Mr. Robert Davis both inadvertently failed to to timely file their respective SEC Form 3, which have since been filed.

**PROPOSAL 2 - RATIFICATION OF APPOINTMENT OF  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors appointed Boulay, Heutmaker, Zibell & Co. P.L.L.P. ( Boulay ), effective May 20, 2009 as the Company's independent accountants to audit the consolidated financial statements of the Company for the fiscal years ending September 30, 2009.

A proposal will be presented at the Annual Meeting to re-ratify the appointment of Boulay, Heutmaker, Zibell, & Co. P.L.L.P. ( Boulay ) as the Company's independent registered public accounting firm. One or more of the representatives of that firm are expected to be present at the Annual Meeting to respond to appropriate questions and to make a statement if they desire to do so. Neither the Company's ByLaws nor its other governing documents or law require stockholders ratification of the selection of Boulay as the Company's independent registered public accounting firm. However, the Audit Committee is submitting the selection of Boulay to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF BOULAY,  
HEUTMAKER, ZIBELL & CO. P.L.L.P. AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

**Audit Committee Pre-Approval Policy**

To ensure the independence of the Company's independent auditor and to comply with applicable securities laws, listing standards, and the Audit Committee charter, the Audit Committee is responsible for reviewing, deliberating and, if appropriate, pre-approving all audit, audit-related, and non-audit services to be performed by the Company's independent auditors. For that purpose, the Audit Committee has established a policy and related procedures regarding the pre-approval of all audit, audit-related, and non-audit services to be performed by the Company's independent auditor (the Policy).

## Edgar Filing: CYCLE COUNTRY ACCESSORIES CORP - Form DEF 14A

The Policy provides that the Company's independent auditor may not perform any audit, audit-related, or non-audit service for the Company, subject to those exceptions that may be permitted by applicable law, unless: (1) the service has been pre-approved by the Audit Committee, or (2) the Company engaged the independent auditor to perform the service pursuant to the pre-approval provisions of the Policy. In addition, the Policy prohibits the Audit Committee from pre-approving certain non-audit services that are prohibited from being performed by the Company's independent auditor by applicable securities laws. The Policy also provides that the Chief Financial Officer will periodically update the Audit Committee as to services provided by the independent auditor. With respect to each such service, the independent auditor provides detailed back-up documentation to the Audit Committee and the Chief Financial Officer.

**PROPOSAL 3 - APPROVAL OF EXECUTIVE OFFICER EXECUTIVE EQUITY COMPENSATION AWARDS**

The Board of Directors, through its independent directors, has approved and the Company has entered into employment agreements with each of Jeffrey M. Tetzlaff, the Company's Chief Executive Officer, and Robert Davis, the Company's Chief Operating Officer and Chief Financial Officer. Pursuant to the terms of the employment agreements, each of Mr. Tetzlaff and Mr. Davis has been granted an equity award, subject to stockholder approval of such award, the terms of which are described below (each, an Equity Award).

For the Equity Awards, each of Mr. Tetzlaff and Mr. Davis will receive an award of shares of common stock of the Company equal to 12.5% on a fully-diluted basis of the common stock outstanding on the date of the 2010 annual meeting, but not less than 988,216 shares.

As of June 30, 2010, the total number of shares on a fully-diluted basis was 5,929,297, which would result in 988,216 shares for each Equity Award or total of 1,993,794 shares issued for both awards. The shares will vest in four installments over the next three years, with the first installment of 40% of the shares vesting October 1, 2010 and three installments of 20% each vesting on July 1, 2011, July 1, 2012 and June 30, 2013. Vesting may be accelerated on the occurrence of certain events, including a change of control.

In the event the Equity Award is not approved by the stockholders, the agreement provides Mr. Davis and Mr. Tetzlaff each will receive an equivalent award of stock units, subject to the same vesting schedule and payable in cash, which awards are not subject to stockholders approval.

In making its determination of the appropriate level of the compensation of Mr. Tetzlaff and Mr. Davis, the Board has reviewed and relied upon the compensation analysis report prepared by The Mazzitelli Group, LLC, an independent, professional services firm specializing in executive compensation and recruitment, regarding compensation payable to Chief Executive Officers, Chief Operating Officers and Chief Financial Officers for similar organizations of similar size to the Company and headquartered in Smaller, Rural Communities in the Upper Midwest.

The following table shows the benefits or amounts that will be received by or allocated to each of Mr. Tetzlaff and Mr. Davis for the Equity Awards being acted upon, to the extent such benefits or amounts are determinable:

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE EQUITY COMPENSATION AWARDS TO JEFFREY M. TETZLAFF AND ROBERT DAVIS.**

**PROPOSAL 4 - APPROVAL OF DIRECTOR EQUITY COMPENSATION AWARDS**

Historically, the Company has paid its non-employee directors through an equity award of \$500 payable in shares of Company Common Stock each for each meeting they attended. The shares have not actually been issued to the new independent directors, Paul DeShaw and Daniel Thralow. In addition, the Company has needed to recruit new, independent Board members to comply with American Stock Exchange listing standards and fill existing vacancies on the Board.

The Company has successfully recruited Mr. Thralow and Mr. DeShaw over the last several months. The Company continues to work to recruit additional independent directors. As the only two independent directors, Mr. Thralow and Mr. DeShaw both serve on the Audit Committee and, although not formally constituted as such, perform the functions of a Compensation Committee as well. Neither has received any compensation to date for their service.

Consequently, the Board has approved an award of 50,000 shares of Restricted Company Common Stock, subject to vesting over the three year terms of their service, and subject to receipt of stockholder approval, to each of Mr. DeShaw and Mr. Thralow, as consideration for their services to date and for continued service for the balance of their respective terms (the 2012 annual meeting for Mr. Thralow and the 2013 annual meeting for Mr. DeShaw). Upon receipt of stockholder approval, Mr. Thralow will be immediately vested in one third of his shares for having already completed one year of service.

With 5,929,297 shares outstanding as of August 6, 2010, each grant represents 0.84% of the outstanding shares of the Company. Based on the closing price of \$0.66 per share as of August 6, 2010, each award has a value of approximately \$33,000.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE DIRECTOR EQUITY COMPENSATION AWARDS.**
