Each Indemnification Agreement is intended to provide indemnification rights to the fullest extent permitted under the Delaware General Corporation Law and is in addition to any other rights an Indemnitee may have under the Company's organizational documents or applicable law.

The foregoing description is not complete and is qualified in its entirety by reference to the full text of the Indemnification Agreements, which are filed as Exhibit 10.1, Exhibit 10.2 and Exhibit 10.3 to this Current Report on Form 8-K and incorporated herein by reference.

**(b) Resignation of Member of Audit Committee**

On November 27, 2012, Antonio R. Mr. Sanchez has close to 40 years of experience in the oil and natural gas industry. Mr. Sanchez received his Bachelor of Arts and Doctor of Jurisprudence degrees from St. Mary's University in San Antonio,

## Edgar Filing: Sanchez Energy Corp - Form 8-K

Texas. Mr. Sanchez currently serves as director for the A. R. Tony and Maria J. Sanchez Family Foundation. He is also a director and stockholder of International Bancshares Corporation, a member of the Board of Visitors and Membership/Board Development Task Force at the University of Texas MD Anderson Cancer Center and a member of the Board of Trustees at Baylor College of Medicine.

Mr. Sanchez is the father of Antonio R. Sanchez, III, the Company's President and Chief Executive Officer and member of the Board. There are no arrangements or understandings between Mr. Sanchez and any other person pursuant to which Mr. Sanchez was appointed as the Executive Chairman of the Board.

Mr. Sanchez is a director of SOG, which is the sole member of SEP Management I, LLC ( *SEP Management* ), which is the general partner of Sanchez Energy Partners I, LP ( *SEP I* ) and, together with SOG, SEP Management and their affiliates (other than the Company), the *Sanchez Group* ). Members of the Sanchez Group are affiliates of the Company. The transactions in which Mr. Sanchez had or will have an interest that are required to be disclosed pursuant to Item 404(a) of Regulation S-K ( *Item 404(a)* ) under the Securities Exchange Act of 1934, as amended, are as follows:

In connection with the closing of the Company's initial public offering (the *IPO* ), on December 19, 2011, the Company entered into a Contribution, Conveyance and Assumption Agreement (the *Contribution Agreement* ) with SEP I pursuant to which SEP I contributed 100% of its limited liability company interests in SEP Holdings III, LLC ( *SEP Holdings III* ), its wholly owned subsidiary (which owns interests in unconventional oil and natural gas assets consisting of undeveloped leasehold, proved oil and natural gas reserves and related equipment and other assets), to the Company in exchange for a cash payment of \$50 million and the issuance by the Company of 22,090,909 shares of the Company's common stock, par value \$0.01 per share (the *Common Stock* ). The Contribution Agreement contains covenants, representations and warranties with respect to SEP Holdings III that are customary for acquisitions in the oil and natural gas industry. However, almost all of the representations, warranties and covenants in the agreement terminated at the closing of the IPO (with the exception of certain fundamental representations and warranties) and the substantially concurrent acquisition of 100% of the limited liability company interests of SEP Holdings III.

Subject to certain exceptions, the Contribution Agreement contains a general release under which the Company released SEP I and its affiliates, successors and assigns, and SEP I released the Company and its affiliates, successors and assigns from any liabilities arising from events between the Company and its affiliates, on one hand, and SEP I and its affiliates, on the other, occurring on or before the closing of the IPO. Subject to certain caps and deductibles, the Company is entitled under the Contribution Agreement to indemnification for certain liabilities, and is required to indemnify SEP I for certain liabilities.

Concurrently with the closing of the IPO, the Company entered into a services agreement with SOG pursuant to which specified employees of SOG, including the Company's executive officers, provide certain services to the Company with respect to the Company's business under the direction, supervision and control of SOG. The Company

compensates SOG for the provision of services to the Company, including those provided by our executive officers, at a price equal to SOG's cost of providing such services, including all direct costs and indirect administrative and overhead costs (including the allocable portion of salary, bonus, incentive compensation and other amounts paid to persons that provide the services on SOG's behalf) allocated in accordance with SOG's regular and consistent accounting practices, including for any such costs arising from amounts paid directly by other members of the Sanchez Group on SOG's behalf or borrowed by SOG from other members of the Sanchez Group, in each case in connection with the performance by SOG of services on the Company's behalf. The Company also reimburses SOG for sales, use or other taxes, or other fees or assessments imposed by law in connection with the provision of services to the Company (other than income, franchise or margin taxes measured by SOG's net income or margin and other than any gross receipts or other privilege taxes imposed on SOG) and for any costs and expenses arising from or related to the engagement or retention of third party service providers. Since the Company was formed in August 2011 and the IPO did not close until December 19, 2011, for the fiscal year ended December 31, 2011, the Company reimbursed SOG \$239,717 for the provision of services to the Company. For the twelve months ending December 31, 2012, the Company estimates that the Company will be required to reimburse SOG approximately \$7.5 million for administrative and overhead expenses, including incremental costs and expenses the Company will incur as a result of being a publicly traded corporation.

In connection with the services agreement, the Company entered into a licensing agreement with SOG pursuant to which SOG granted to the Company a license to the unrestricted proprietary seismic, geological and geophysical information related to the Company's properties owned by SOG, and all such information related to the Company's properties not otherwise licensed to the Company is to be interpreted and used by SOG for the Company's benefit under the licensing agreement. In addition, also in connection with the services agreement, SOG entered into a contract operating agreement under which it agreed to develop, manage and operate the Company's properties or engage a responsible unaffiliated industry operator and joint owner for such development, management and operation. No costs, fees or other expenses are payable by the Company under these agreements to the extent that they are included in the fee payable to SOG under the services agreement. The licensing agreement and contract operating agreement terminate concurrently with the termination or expiration of the services agreement.

Under the services agreement, the Company is entitled to indemnification for certain liabilities, and is required to indemnify SOG for certain liabilities. SOG is required to indemnify the Company for third party infringement or misappropriation claims relating to the services performed by SOG or the data or other information provided to the Company or used by SOG in connection with the services, the licensing agreement or the Company's operations based on the services provided by SOG. The Company, on the other hand, is otherwise required to indemnify SOG and its affiliates from liabilities relating to the services or products provided to the Company by SOG or the Company's agreements with SOG, to the extent not directly caused by the gross negligence or willful misconduct of SOG or its affiliates. The initial term of the services agreement is five years. The term automatically extends for additional 12-month periods unless either party provides 180 days written notice

## Edgar Filing: Sanchez Energy Corp - Form 8-K

otherwise prior to the expiration of the applicable 12-month period. Either party may terminate the agreement at any time upon 180 days written notice.

In connection with the Contribution Agreement and the closing of the IPO, the Company entered into a registration rights agreement with SEP I. The shares of Common Stock held at any time by SEP I or, subject to compliance with the assignment provisions of the agreement, any other person that is the beneficial owner of the Common Stock as a result of the sale, assignment or other transfer of such Common Stock originally issued by the Company to SEP I are referred to as Registrable Securities. On June 19, 2012, SEP I distributed 21,839,706 of its shares of Common Stock to its partners and, on September 17, 2012, SEP I distributed 92,953 additional shares of Common Stock to certain of its unaffiliated limited partners (collectively, the *SEP I Distributions*). In connection with the SEP I Distributions, SEP I transferred its rights under the registration rights agreement to distributees, solely to the extent that distributees would have otherwise received Registrable Securities in the SEP I Distributions, including members of the Sanchez Group. As an original party to the agreement, SEP I remains entitled to the benefits of such agreement to the extent it continues to hold Registrable Securities.

Under the registration rights agreement, SEP I and its transferees were granted certain demand, piggyback and Form S-3 registration rights relating to the resale of Registrable Securities pursuant to which the Company is required to use its best efforts to effect the registration of such Registrable Securities on the applicable form or to include such Registrable Securities in such registration or offering on the same terms and conditions as such other securities being registered, as applicable. These registration rights are subject to conditions and limitations, including the total number of demand registrations that the Company is required to effect, the right of the managing underwriter or underwriters to limit the number of shares to be included in a registration and the Company's right to delay or withdraw a registration statement under specified circumstances. The Company is to pay all expenses relating to any demand, piggyback or Form S-3 registration, except for any underwriter or brokers' discounts or commissions. The Company also agreed to indemnify the holders of Registrable Securities with respect to certain liabilities under the securities laws in connection with registrations pursuant to the registration rights agreement.

The foregoing description is a summary and, with respect to each such agreement described above, is qualified by reference to the terms of the agreement, each of which was filed as an exhibit to the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2011 and incorporated herein by reference. These agreements have been negotiated among affiliated parties and, consequently, are not the result of arms-length negotiations. The prices and other terms of these agreements may be less favorable to the Company than those the Company could have obtained in arms-length negotiations with unaffiliated third parties for similar services or under similar agreements.

In addition, Mr. Sanchez is a director of International Bancshares Corporation, the parent of IBC Insurance Agency, Ltd. (*IBC*), and also a beneficial owner of International Bancshares Corporation's common stock. The commissions paid by the Company and its affiliates to IBC are described below under Item 5.02(d).

Mr. DeDominic does not have any family relationships with any director, executive officer, or any person nominated to become a director or executive officer, of the Company, and there are no arrangements or understandings between Mr. DeDominic and, other than an

agreement between SOG and Mr. DeDominic pursuant to which he was appointed as the Chief Operating Officer of SOG, any other person pursuant to which Mr. DeDominic was appointed as the Senior Vice President and Chief Operating Officer of the Company.
