Item 8.01. Other Events.

Atlantic Power Corporation (the Company) announced on March 11, 2013 that the Company and certain of its subsidiaries have entered into a purchase and sale agreement (the Agreement) with Duke-American Transmission Company, a joint venture between Duke Energy and American Transmission Co., to sell the Company's interests in the Path 15 transmission line (the Sale), including Atlantic Path 15 Transmission, LLC, Atlantic Holdings Path 15, LLC and Atlantic Path 15, LLC (collectively, Path 15). The Company expects to receive net cash proceeds from the Sale, including working capital adjustments, of approximately \$56 million. All project level debt issued by Path 15, totaling \$137 million as of December 31, 2012, will transfer with the Sale. The Company intends to use the net proceeds from the Sale for general corporate purposes and to invest in future accretive growth opportunities. The Agreement contains representations, warranties and indemnification obligations that are customary in the Company's industry. The Sale is subject to customary closing conditions and approvals, including approval from the Federal Energy Regulatory Commission and certain lender approvals, and is expected to close in the second quarter of 2013.

Cautionary Statements Regarding Forward-Looking Statements

Certain statements in this Current Report on Form 8-K may include forward-looking statements within the meaning of the U.S. federal securities laws and forward-looking information, as such term is used in Canadian securities laws (referred to as forward-looking statements). These forward-looking statements can generally be identified by the use of the words outlook, objective, may, will, should, could, would, potential, estimate, project, continue, believe, intend, anticipate, expect, target or the negatives of these words and phrases or similar terms that are predictions of or indicate future events or trends and which do not relate solely to present or historical matters. In particular, the expectation that the Company will successfully sell Path 15 on the contemplated timetable and at the expected price and that the Company will use net proceeds from the Sale to invest in future accretive growth opportunities as described above constitute forward-looking statements. Forward-looking statements reflect the Company's current expectations regarding future events and operating performance and speak only as of the date of this Current Report on Form 8-K. These forward-looking statements are based on a number of assumptions which may prove to be incorrect. Forward-looking statements involve significant risks and uncertainties, should not be read as guarantees of future performance or results, and will not necessarily be accurate indications of whether or not, or the times at or by which, events will occur. A number of factors could cause actual results to differ materially from the results discussed in the forward-looking statements, including, but not limited to, the factors discussed under Risk Factors in the filings the Company makes from time to time with the U.S. Securities and Exchange Commission and Canadian securities regulators. The Company's business is both competitive and subject to various risks. Although the forward-looking statements contained in this Current Report on Form 8-K are based upon what are believed to be reasonable assumptions, investors cannot be assured that actual results will be consistent with these forward-looking statements, and the differences may be material. Therefore, investors are urged not to place undue reliance on the Company's forward-looking statements. These forward-looking statements are made as of the date of this Current Report on Form 8-K and, except as expressly required by applicable

law, The Company assumes no obligation to update or revise them to reflect new events or circumstances.
