This Proxy Statement and accompanying Proxy are furnished to owners of the Company's common stock, par value \$.10 per share (the Common Stock), in connection with the solicitation of proxies by the Board of Directors of Supreme Industries, Inc. (the Company) for use at the Annual Meeting of Stockholders (the Annual Meeting) to be held at the Company's main production facility located behind the corporate office at 2581 E. Kercher Road, Goshen, Indiana, on May 8, 2013 at 10:00 a.m. Eastern Time, or at any adjournment thereof. For directions, please call 574.642.4888, Ext. 446. The expense of proxy solicitation will be borne by the Company. During 2013, the Company hired Eagle Rock Proxy Advisors LLC to solicit votes for a fee of \$5,000. The Company will also reimburse Eagle Rock for related reasonable expenses. Additionally, the Company's officers and/or employees and those of its transfer agent may solicit proxies by telephone or personal contact, but in such event no additional compensation will be paid by the Company for such solicitation efforts, however, the Company will reimburse such persons for all accountable costs so incurred.

A copy of the 2012 Annual Report to Stockholders of the Company for its fiscal year ended December 29, 2012, is being mailed with this Proxy Statement to all such stockholders entitled to vote, but does not form any part of the information for solicitation of proxies.

This Proxy Statement, the accompanying proxy card, and our 2012 Annual Report to Stockholders are available at [www.proxy.supremeind.com](http://www.proxy.supremeind.com).

## **RECORD DATE AND VOTING SECURITIES**

The Board of Directors of the Company has fixed the close of business on March 15, 2013, as the record date for determination of stockholders entitled to notice of and to vote at the Annual Meeting. As of the record date, there were 13,557,749 shares of Class A Common Stock and 1,716,937 shares of Class B Common Stock of the Company issued and outstanding. The presence, in person or by proxy, of the holders of a majority of the issued and outstanding shares of each of the Class A Common Stock and the Class B Common Stock as of the record date is necessary to constitute a quorum at the Annual Meeting with respect to matters upon which both classes of Common Stock are entitled to vote.

## **ACTION TO BE TAKEN AND VOTE REQUIRED**

Action will be taken at the Annual Meeting to elect a Board of Directors, to approve, on an advisory basis, the compensation of the Company's named executive officers, to vote, to determine, on an advisory basis, the frequency of future advisory votes on the compensation of the

## Edgar Filing: SUPREME INDUSTRIES INC - Form DEF 14A

Company's named executive officers, and to ratify the selection of Crowe Horwath LLP as the Company's Independent Registered Public Accounting Firm for the fiscal year ending December 28, 2013. Each proxy will be voted in accordance with the directions specified thereon and otherwise in accordance with the judgment of the persons designated as proxies. Any proxy that is validly executed but on which no directions are specified will be voted for the proposals set forth in this Proxy Statement for consideration at the Annual Meeting. Any person executing the enclosed proxy may nevertheless revoke it at any time prior to the actual voting thereof by filing with the Secretary of the Company either a written instrument expressly revoking it or a duly executed proxy bearing a later date. Furthermore, such person may nevertheless elect to attend the Annual Meeting and vote in person, in which event the proxy will be revoked.

The Company's Certificate of Incorporation authorizes two classes of \$.10 par value Common Stock (designated Class A and Class B) as well as one class of \$1.00 par value preferred stock. No shares of the preferred stock are outstanding. In voting on all matters expected to come before the Annual Meeting, a stockholder of either Class A or Class B Common Stock will be entitled to one vote, in person or by proxy, for each share held in his or her name on the record date. The holders of the Class A Common Stock will be entitled to elect that number (rounded down) of directors equal to the total number of directors to be elected divided by three, i.e., two directors, and the holders of the Class B Common Stock will be entitled to elect the remaining directors. The Class A directors are elected by majority vote of shares held by holders of Class A Common Stock attending in person or represented by proxy. The Class B directors are elected by plurality vote of the holders of Class B Common Stock attending in person or represented by proxy.

In order to approve, on an advisory basis, the compensation of the Company's named executive officers, an affirmative vote of a majority of the combined shares of the Class A Common Stock and the Class B Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting is necessary. Such vote, however, will not be binding on the Company.

Stockholders may vote to approve a frequency for future advisory votes on the compensation of the Company's named executive officers of every one, two, or three years or stockholders may abstain from voting. In order to approve, on an advisory basis, the frequency of future advisory votes on the compensation of the Company's named executive officers (every one, two or three years) a majority of the combined shares of the Class A Common Stock and the Class B Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting is necessary. Such vote will not be binding on the Company, although the Board of Directors intends to hold say-on-pay votes in the future in accordance with the alternative that receives the most stockholder support.

The ratification of the selection of Crowe Horwath LLP as the Company's Independent Registered Public Accounting Firm for the fiscal year ending December 28, 2013, must be approved by majority vote of the combined shares of the Class A Common Stock and Class B Common Stock held by the holders of such Class A Common Stock and Class B Common Stock attending in person or represented by proxy.

The Company's Certificate of Incorporation prohibits cumulative voting. Abstentions are voted as shares present at the Annual Meeting for purposes of determining whether a quorum exists. In the election of the Class B directors, votes withheld will have no effect on the outcome of the vote. In the election of the Class A directors, the advisory vote on compensation of the Company's named executive officers, the advisory vote on frequency of future advisory votes on the compensation of the Company's named executive officers, and the vote on the ratification of the selection of our independent registered public accounting firm, votes withheld, and abstentions will have the effect of a vote against the proposal. Proxies submitted by brokers that do not indicate a vote for some or all of the proposals because the brokers do not have discretionary voting authority and have not received instructions from a stockholder as to how to vote on those proposals (so-called broker non-votes) are considered shares present for purposes of determining whether a quorum exists so long as the brokers have discretionary voting authority for at least one matter to be voted on at the Annual Meeting. However, broker non-votes are not considered to be shares entitled to vote and will not affect the outcome of any vote.

Brokers are not permitted to vote stockholders' shares for the election of directors. Therefore, we urge all stockholders to give voting instructions to their brokers on all voting items.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following tabulation sets forth the names of those persons who are known to management to be the beneficial owners as of March 15, 2013, of more than five percent (5%) of the Company's Class A or Class B Common Stock. Such tabulation also sets forth the number of shares of the Company's Class A or Class B Common Stock beneficially owned as of March 15, 2013 by all of the Company's directors and nominees, named executive officers, and all directors and officers of the Company as a group. Except as set forth below, persons having direct beneficial ownership of the Company's Common Stock possess the sole voting and dispositive power in regard to such stock. Class B Common Stock is freely convertible on a one-for-one basis into an equal number of shares of Class A Common Stock, and ownership of Class B Common Stock is deemed to be beneficial ownership of Class A Common Stock under Rule 13d-3(d)(1) promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). As of March 15, 2013, there were 13,557,749 shares of Class A Common Stock and 1,716,937 shares of Class B Common Stock outstanding.

The following tabulation also includes shares of Class A Common Stock covered by outstanding vested options granted under the Company's 2004, 2001, and 1998 Stock Option Plans, which options are collectively referred to as "Stock Options." The Stock Options have no voting or dividend rights until such time as the options are exercised.

**PROPOSAL NO. 1**

**ELECTION OF DIRECTORS**

## Edgar Filing: SUPREME INDUSTRIES INC - Form DEF 14A

Eight directors are to be elected at the Annual Meeting of Stockholders. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the nominees shown below for the term of one year and until their successors are duly elected and have qualified. The Company's Board of Directors is currently comprised of eight members.

Of the persons named below, Messrs. Flynn and Neilson have been nominated by the independent directors of the Board of Directors for election by the holders of Class A Common Stock, and the remaining persons have been nominated by the independent directors of the Board of Directors for election by the holders of Class B Common Stock.

In addition to serving as directors, Messrs. Barrett and Gardner were executive officers of the Company (or its subsidiary) as of December 29, 2012. Officers are elected annually by the Board of Directors at the Annual Meeting of Directors held immediately following the Annual Meeting of Stockholders.

Although it is not contemplated that any nominee will be unable to serve as a director, in such event the proxies will be voted by the holders thereof for such other person as may be designated by the current Board of Directors. The management of the Company has no reason to believe that any of the nominees will be unable or unwilling to serve if elected to office, and to the knowledge of management, the nominees intend to serve the entire term for which election is sought.

Section 16(a) of the Exchange Act requires the Company’s directors and executive officers, and persons who own more than ten percent (10%) of Common Stock, to file with the Securities and Exchange Commission certain reports of beneficial ownership of Common Stock. **BOARD OF DIRECTORS**

**Board Leadership Structure**

As a holding company, Supreme Industries, Inc. (NYSE MKT: STS), is uniquely structured in that it has very few officers and is designed to have our business operations conducted on a day-to-day basis by management of Supreme Corporation ( Supreme ), our wholly-owned and principal operating subsidiary, which is the source of virtually all of our revenues and business expenses. The primary role of the holding company is to facilitate capital markets financing transactions, mergers and acquisitions, and other long-range strategies.

We have concluded that six independent directors, representing a majority of our nominees for director, is appropriate given the size of our business, but enables the Company to obtain the benefits of diverse expertise, skill sets, and backgrounds for proper governance of the Company. The Company has three committees - the Audit Committee, the Compensation Committee, and the Executive Search Committee. The Company’s former Executive Committee was disbanded in 2012. The Audit Committee and the Compensation Committee are comprised solely of independent directors. Our Audit Committee Charter and our Compensation Committee Charter are available at our website [www.supremeind.com](http://www.supremeind.com). Matters relating to other governance issues including, but not limited to, nominating directors, are managed by the Board of Directors. This structure enables effective communication among the directors by utilizing their participation in all of the critical areas of governance including risk oversight and interaction with management. The Board of Directors adopted a policy which provides for our independent directors to rotate the chairing of the periodic meetings of independent directors so that each of the directors will have an opportunity to set the agenda and chair the meeting. This results in there being no need to designate a lead director at present, but the Board of Directors retains the ability to modify this structure if circumstances warrant.

Our Board of Directors and principal executive officers have significant ownership of the equity securities of the Company. As a result, the Board of Directors believes that management focuses on both the short- and long-term objectives of the Company with neither being disadvantaged by the other. Management bonuses each year are tied to the profitability of Supreme and also to the future values of the Company's equity securities through options and common share ownership. As a result, the Board of Directors has concluded that the incentive promoting structure of the Company does not promote risks that are inappropriate for the operation of the business.

The Board of Directors has assessed the composition of the Board and has concluded that the Board has the appropriate mix of business experience and skills to address effectively the Company's business needs and challenges. In view of the small size of the Board of Directors, there are no membership requirements based on race or gender. However, we believe that our Board of Directors does have a wide range of diversity with regard to professional experience, skills, education, and other attributes that contribute to the Board's ability to operate in the long-range best interests of the Company's stockholders.

### **Independence**

The Board of Directors has determined that the following six directors have no material relationship with the Company that would interfere with the exercise of independent judgment and are independent within the meaning of the NYSE MKT director independence standards: Robert J. Campbell, Edward L. Flynn, Thomas B. Hogan, Jr., Arthur J. Gajarsa, Mark C. Neilson, and Wayne A. Whitener.

### **Committees**

The Audit Committee is comprised of Messrs. Hogan, Neilson, Campbell, and Flynn. The Audit Committee met nine times during 2012. The purpose and functions of the Audit Committee are to: appoint or terminate the independent auditors; evaluate and determine compensation of the independent auditors; review the scope of the audit proposed by the independent auditors; review quarterly condensed consolidated financial statements and the annual audited consolidated financial statements prior to issuance; consult with the independent auditors on matters relating to internal financial controls and procedures; and make appropriate reports and recommendations to the Board of Directors. In carrying out the functions of the Audit Committee, the members of the Audit Committee rely on an Audit Committee Charter.

The Compensation Committee is comprised of Messrs. Neilson, Campbell, Flynn, and Gajarsa. The Compensation Committee was formed on February 14, 2012 and met three times during 2012. The purpose and functions of the Compensation Committee are to: (i) assist the Board in the discharge of its fiduciary responsibilities relating to the determination and execution of the Company's compensation philosophy as it pertains to the fair and competitive compensation of the Company's executive officers; (ii) provide overall guidance with respect to the establishment, maintenance, and administration of the Company's compensation programs, including stock and benefit plans; and (iii) oversee and advise the Board on the adoption of policies that govern the Company's compensation programs. The Compensation Committee will periodically review the levels of compensation, perquisites, and other personal benefits provided by the Company to insure that compensation levels are reasonable, fair, and competitive. In carrying out the functions of the Compensation Committee, the members of the Compensation Committee rely on a Compensation Committee Charter.

In 2011, the Board retained the services of Hay Group, a global management consulting firm, for assistance in setting the 2012 compensation packages for the former CEO, Ms. Kim Korth, and those persons reporting to her, including Mr. Long. The Hay Group examined the applicable positions and provided pay comparisons for similarly situated chief executive officers and chief financial officers, including items such as base salary, incentive pay, and customary perquisites. Those recommendations were provided directly to the Board which used them as a guideline in setting the amount of total compensation for Ms. Korth and Mr. Long and determining how total potential compensation should be allocated across the different elements of compensation. The Board does not follow a definitive policy when determining the mix of, and structure for, total compensation. Rather, it considers factors such as achievement of corporate and individual goals, level of experience, responsibilities, demonstrated performance, time with the Company, retention considerations, and any other consideration the Board deems relevant. The Board does, however, endeavor to ensure that an appropriate amount of compensation is paid in the form of equity so as to ensure that the interests of executives align with the interests shareholders.

The Compensation Committee shall have available to it the resources and authority necessary to properly discharge its duties and responsibilities, including the authority to retain independent compensation consultants and other expert advisors. The Compensation Committee, in performing these duties and responsibilities with respect to director and executive officer compensation, relies on the assistance of professionals within our Human Resources Department. In addition, the Compensation Committee sometimes utilizes survey information provided by compensation consultants in recommending compensation levels.

The Executive Search Committee is a special purpose committee, composed of Messrs. Gajarsa (Chairman), Flynn, Hogan, and Neilson, which is charged with conducting the search for a new Chief Executive Officer for the Company. That committee met once in 2012.

The Company does not have a standing Nominating Committee, and nominations for directors are made by the Company's independent directors. The Board of Directors believes that, considering the size of the Company and the Board of Directors, nominating decisions can be made effectively on a case-by-case basis, and there is no need for the added formality of a Nominating Committee. In carrying out the functions of a Nominating Committee, the independent directors do not rely on a Nominating Committee Charter. The independent directors of the Company utilize the following criteria as guidelines in considering nominations to the Company's Board of Directors. The criteria include:

- personal characteristics, including such matters as integrity, age, education, diversity of skills, opinions, perspectives, professional experiences, education and backgrounds, and absence of potential conflicts of interest with the Company or its operations;
- the availability and willingness to devote sufficient time to the duties of a director of the Company;
- experience in corporate management, such as serving as an officer or former officer of a publicly held company;
- experience in the Company's industry and with relevant social policy concerns;
- experience as a board member of another publicly held company;
- academic expertise in an area of the Company's operations; and
- practical and mature business judgment.

The criteria are not exhaustive, and the independent directors may consider other qualifications and attributes which they believe are appropriate in evaluating the ability of an individual to serve as a member of the Board of Directors. The independent directors' goal is to assemble a Board of Directors that brings to the Company a variety of perspectives and skills derived from high quality business and professional experience. In order to ensure that the Board consists of members with a variety of perspectives and skills, the independent directors have not set any minimum qualifications and also consider candidates with appropriate non-business backgrounds. Other than ensuring that at least one member of the Board is a financial expert and that the overall composition of the Board meets all applicable independence requirements, the independent directors do not have any specific skills that they believe are necessary for any individual director to possess. Instead, the independent directors evaluate potential nominees based on the contribution such nominee's background and skills could have upon the overall functioning of the Board.

Acting in the capacity of a Nominating Committee, the independent directors have not adopted any policy with regard to the consideration of director candidates recommended by security holders for the reason that such a policy is deemed unnecessary since at no time in the history of the Company has any such recommendation ever been received from any of the Company's security holders.

### **Meetings**

During the year ended December 29, 2012, the Board of Directors held ten special meetings in addition to its regular meeting. All of the directors listed herein attended 75% or more of the total meetings of the Board and of the committees on which they serve.

The Company encourages all directors to attend its Annual Meeting of Stockholders. All of the directors attended the Annual Meeting of Stockholders held in May of 2012.

**Code of Ethics**

The Company has adopted a Code of Ethics that applies to the Company's officers and directors, including the Company's principal executive officer and principal financial and accounting officer. The code has been posted in the Shareholder Information section of the Company's website, [www.supremeind.com](http://www.supremeind.com).

## Stockholder Communications

The Company has established a process for stockholders to send their communications to the Board of Directors. Any stockholder who desires to contact an individual director, the entire Board of Directors, or a committee of the Board of Directors may mail a written communication to the Chief Executive Officer of the Company c/o Chief Executive Officer, Supreme Industries, Inc., 2581 East Kercher Road, P.O. Box 237, Goshen, Indiana 46528. The Chief Executive Officer will submit all stockholder communications to the appropriate directors, unless the communication is frivolous or includes advertising, solicitation for business, requests for employment, requests for contributions, or a communication of a similar nature. A stockholder communication relating to the Company's accounting, internal accounting controls, or auditing will be referred to the members of the Audit Committee.

The Chief Executive Officer will send a written acknowledgment to a stockholder upon receipt of his or her communication submitted in accordance with the provisions set forth in this proxy statement unless such stockholder communication is frivolous or includes advertising, solicitation for business, requests for employment, requests for contributions, or a communication of a similar nature. A stockholder wishing to contact the directors may do so anonymously; however, stockholders are encouraged to provide the name in which the Company's shares of stock are held and the number of such shares held.

The following communications to the directors will not be considered a stockholder communication: (i) communication from a Company officer or director; (ii) communication from a Company employee or agent, unless submitted solely in such employee's or agent's capacity as a stockholder; and (iii) any stockholder proposal submitted pursuant to Rule 14a-8 promulgated under the Exchange Act.

## AUDIT COMMITTEE AND AUDIT COMMITTEE REPORT

The responsibilities of the Audit Committee, which are set forth in the Audit Committee Charter adopted by the Board of Directors, include providing oversight to the Company's financial reporting process through periodic meetings with the Company's independent registered public accounting firm ( independent auditors ) and management to review accounting, auditing, internal controls, and financial reporting matters. The Audit Committee Charter is available on the Company's website, [www.supremeind.com](http://www.supremeind.com).

The members of the Audit Committee are independent as defined in Sections 803.A. and 803.B. of the listing standards of the NYSE MKT and Rule 10A-3(b)(1) under the Exchange Act. All members of the Audit Committee are financially literate and are able to read and understand fundamental financial statements, including a balance sheet, income statement, and cash flow statement. The Board of Directors has determined that Messrs. Hogan and Neilson qualify as Audit Committee Financial Experts as defined in the regulations promulgated under the Exchange Act, and their experience and backgrounds are described in the biographical data under Proposal No. 1. The management of the Company is responsible for the preparation and integrity of the financial reporting information and related systems of internal controls. The Audit Committee, in carrying out its role, relies on the Company's senior management, including senior financial management, and its independent auditors. The Audit Committee has the authority and available funding to engage any independent legal counsel and any accounting or other expert advisors as necessary to carry out its duties.

We have reviewed and discussed with senior management the Company's audited financial statements included in the 2012 Annual Report to Stockholders. Management has confirmed to us that such financial statements: (i) have been prepared with integrity and objectivity and are the responsibility of management and; (ii) have been prepared in conformity with accounting principles generally accepted in the United States of America.

We have discussed with Crowe Horwath LLP, the Company's Independent Registered Public Accounting Firm, the matters required to be discussed by Statement of Auditing Standards ( SAS ) No. 61, Communications with Audit Committees, as amended and as adopted by the Public Company Accounting Oversight Board ( PCAOB ). SAS No. 61 requires the Company's independent auditors to provide us with additional information regarding the scope and results of their audit of the Company's financial statements, including with respect to: (i) their responsibility under auditing standards of the PCAOB (United States); (ii) significant accounting policies; (iii) management's judgments and estimates; (iv) any significant audit adjustments; (v) any disagreements with management; and (vi) any difficulties encountered in performing the audit.

We have received from Crowe Horwath LLP a letter providing the disclosures required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, with respect to any relationships between Crowe Horwath LLP and the Company which, in their professional judgment, may reasonably be thought to bear on their independence. Crowe Horwath LLP has discussed its independence with us and has confirmed in such letter that, in its professional judgment, it is independent of the Company within the meaning of the federal securities laws.

Based on the review and discussions described above with respect to the Company's audited financial statements included in the Company's 2012 Annual Report to Stockholders, we have recommended to the Board of Directors that such financial statements be included in the Company's Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

As specified in the Audit Committee Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and in accordance with accounting principles generally accepted in the United States of America. That is the responsibility of management and the Company's independent auditors. In giving our recommendation to the Board of Directors, we have relied on: (i) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles; and (ii) the report of the Company's independent auditors with respect to such financial statements.

In addition, the Audit Committee has adopted pre-approval policies and procedures that are detailed as to each particular service to be provided by the independent auditors, and such policies and procedures do not permit the Audit Committee to delegate its responsibilities under the Exchange Act, as amended, to management. The Audit Committee pre-approved fees for all audit and non-audit services provided by the independent audit firm during the fiscal year ended December 29, 2012, as required by the Sarbanes-Oxley Act of 2002.

The Audit Committee has considered whether the providing of non-audit services has been compatible with maintaining the independent auditor's independence and has advised the Company that, in its opinion, the activities performed by Crowe Horwath on the Company's behalf were compatible with maintaining the independence of such auditors.

## **POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL**

The following summaries describe potential payments payable to our Named Executive Officers upon termination of employment or a change in control. The actual payments to Named Executive Officers are contingent upon many factors as of the time benefits would be paid, including elections by the executive and tax rates as well as the discretion of the Board of Directors or a committee designated by the Board of Directors.

### **The Amended and Restated 2004 Stock Option Plan**

The Company's Amended and Restated 2004 Stock Option Plan provides that upon the effective date of a change in control (as defined in the Amended and Restated 2004 Stock Option Plan), all options will become immediately exercisable. In addition, upon the Named Executive Officer's death or disability, any options that would have become exercisable had the Named Executive Officer remained employed through the vesting date immediately following the date of his death or disability will become immediately exercisable. The Amended and Restated 2004 Stock Option Plan also provides that if vesting is based upon the attainment of one or more performance goals (as defined in the Amended and Restated 2004 Stock Option Plan), the pro-rata portion of the Named Executive Officer's options that would have become exercisable had he or she remained employed through the vesting date immediately following the date of his or her death or disability (or such other date as may be determined by the Compensation Committee in its sole discretion) will become immediately exercisable.

### **The 1998 Stock Option Plan and the 2001 Stock Option Plan**

The terms of the 1998 Stock Option Plan and the 2001 Stock Option Plan are substantially similar. Although these plans do not provide for acceleration of vesting upon termination of a Named Executive Officer, the plans provide for varying time periods for the exercise of options, which time periods are based on the manner in which the Named Executive Officer has been terminated. Under these plans, if a Named Executive Officer voluntarily terminates his or her employment or is terminated for cause (as defined in the 1998 Stock Option Plan and the 2001 Stock Option Plan), then the portion of an option that remains unexercised, including that portion that is not yet exercisable, at the time of the Named Executive Officer's termination of employment, will terminate and cease to be exercisable immediately upon such termination. If the Named Executive Officer is terminated without cause, then he or she will have the right for 30 days following such termination to exercise any options that are exercisable as of the date of such termination, and thereafter any remaining options will terminate and cease to be exercisable. If the Named Executive Officer ceases to be employed due to disability, then he or she will have the right for 90 days after the date of termination to exercise any options that are exercisable on the date of his or her termination of employment, and thereafter any remaining options will terminate and cease to be exercisable. If the Named Executive Officer's employment is terminated due to death, then his or her legal representatives will have six months following the date of the Named Executive Officer's death to exercise any options that are exercisable on the date of his or her death, and thereafter any remaining options will terminate and cease to be exercisable.

### **The 2012 Cash and Equity Bonus Plan**

During 2012, the Company established the 2012 Cash and Equity Bonus Plan (the Bonus Plan), the equity portions of which were established pursuant to the Company's 2012 Long Term Incentive Plan. The Bonus Plan is intended to provide financial incentives to executives and other key employees of the Company through the use of at risk variable pay tied to specific performance goals. Participants in the Bonus Plan, including Mr. Long, had the opportunity to earn a bonus paid out in the form of cash, as well as a bonus paid out in the form of equity, for the attainment of specified goals during the 2012 fiscal year.

With respect to Mr. Long, the Compensation Committee made recommendations to the Company's Board of Directors, which then acted to establish his target award, quantitative performance goals, and qualitative performance goals. Mr. Long's cash target award was 37.8% of his base salary amount. His equity target was also 37.8% of his base salary amount. Quantitative target goals selected for Mr. Long included net income of not less than \$7,945,000, gross margin of not less than 13.5%, and six inventory turns. Quantitative goal achievement was weighted 50% for net income and 25% for each of the other goals. Qualitative goals selected included the successful transition to the new CEO, the establishment of a perpetual inventory system, and the successful completion of his personal goals. Qualitative goal achievement weighted these qualitative goals one third each.

Award achievement was weighted so that quantitative performance goals accounted for two thirds and qualitative performance goals accounted for one third of the total award. Participants could earn from 0 to 125% of his or her target for achievement of quantitative goals and could earn from 0% to 100% of his or her target for achievement of qualitative goals.

In February of 2013, after completion of the Company's fiscal year, the Compensation Committee met to certify performance goal attainment and determined the award payable to each participant. It was determined that Mr. Long's award attainment was 112% of target. Therefore, he received a lump sum cash payment in the amount of \$95,681 and an equity award grant of 26,214 restricted shares of Company stock. These restricted shares will vest in three equal increments in February of 2014, 2015, and 2016. Under the terms of the 2012 Long Term Incentive Plan, should he terminate his employment with the Company, any unvested portion of Mr. Long's restricted stock award will be forfeited. Under the terms of his award agreement, and consistent with the terms of the plan, should any change in control of the Company occur, vesting of his award will immediately accelerate. The plan does have a recoupment feature, meaning that if the Board learns of any intentional misconduct by a participant which directly contributes to the Company having to restate all or a portion of its financial statements, the Board may, in its sole discretion, require the participant to reimburse the Company for the difference between any awards paid to the participant based on achievement of financial results that were subsequently the subject of a restatement and the amount the participant would have earned as awards under the 2012 bonus plan based on the financial results as restated.

No other Named Executive Officer was a participant in the Bonus Plan during 2012.

#### **Ownership Transaction Incentive Plan**

The Company's Ownership Transaction Incentive Plan (the "OTIP") provides that, upon a change of control (as defined in the OTIP), certain employees of the Company are entitled to receive a percentage of the difference between the per share value of the total cash proceeds or the per share fair market value of any other consideration received by the Company or the Company's stockholders in connection with a change of control minus \$2.50 (such amount being the "Value") as described below with such amount then being multiplied by the number of outstanding shares of common stock of the Company immediately prior to the change of control. The aggregate amount of payments to be made under the OTIP is equal to the number of outstanding shares of common stock immediately prior to the change of control multiplied by the sum of (i) 7% multiplied by the Value until the Value reaches \$5.00, plus (ii) 8% multiplied by the amount of any Value above \$5.00 and up to \$7.00, plus (iii) 9% multiplied by the amount of any Value above \$7.00. For example, if a change of control occurs in which the Company's common stock is sold for \$9.00 per share, then the aggregate amount of payments to be made is equal to the number of outstanding shares of common stock immediately prior to the change of control multiplied by \$0.52 (which is the sum of (i) 7% multiplied by \$2.50 (the Value up to \$5.00); (ii) 8% multiplied by \$2.00 (the Value between \$5.00 and \$7.00) and (iii) 9% multiplied by \$2.00 (the Value over \$7.00)). Certain employees are eligible to participate in the OTIP upon a change of control. Mr. Long is the only Named Executive officer who is a current participant and his aggregate share of the OTIP is

17%. If prior to a change of control, any of the current participants in the OTIP resign from the Company or are terminated for cause (as defined in the OTIP), such participant shall immediately forfeit any rights to receive payment under the OTIP. If prior to a change of control, any of the current participants in the OTIP are terminated without cause, such participant's right to receive a percentage of the aggregate amount described above upon a change of control shall be forfeited six months (12 months in the case of the CEO) after the termination without cause. Ms. Korth's interest in the OTIP has expired.

#### **Kim Korth's Employment Agreement and Severance Agreement**

During 2012, Ms. Korth was party to an employment agreement (Korth Employment Agreement) with the Company and its wholly-owned subsidiary, Supreme Indiana Operations, Inc. (collectively with Supreme, the Companies) to serve as their President and Chief Executive Officer. The term of the Korth Employment Agreement was effective from September 1, 2011 and, except with respect to certain provisions that continued in accordance with the terms of her Severance Agreement described below, ended with her resignation on March 30, 2012. Under the Korth Employment Agreement, Ms. Korth would receive: (1) a monthly base salary of \$31,666.66 (the base salary included a \$1,000 per month car allowance); (2) an annual cash bonus of up to fifty percent (50%) of her annual base salary provided that for each year after 2011 any such bonus would be subject to the achievement of applicable performance goals; and (3) beginning in 2012 an equity award of either restricted stock or a stock option (as defined in the Korth Employment Agreement) having a value equal to approximately fifty percent (50%) of her annual base salary.

The agreement provided that, if Ms. Korth was terminated by the Companies other than for cause as was defined in the Korth Employment Agreement or Ms. Korth terminated her employment for good reason as defined in the Korth Employment Agreement, she would receive: (i) base salary and equity awards earned but unpaid through the date of termination, plus (ii) (1) if the termination of employment occurred in 2011 or 2012 (and either prior to a change in control or more than one year following a change in control), severance pay equal to nine (9) months base salary; (2) if the termination of employment occurred in 2013 or 2014 (and either prior to a change in control or more than one year following a change in control), severance pay equal to six (6) months base salary, or (3) if the termination of employment occurred on or within one year of a change in control, severance pay equal to one (1) year base salary, each in accordance with Supreme's regular payroll practices beginning on the first payroll date occurring on or after the sixtieth (60th) day following her separation from service, plus (iii) a pro-rated annual bonus for the year of termination, payable at the same time as bonuses are otherwise paid to other similarly-situated executives of the Company, subject to achievement of applicable performance goals of the Company for the performance period (and of Ms. Korth, based upon pro-rated individual goals for the period prior to termination). Under the Korth Employment Agreement, the Company agreed to use commercially reasonable efforts to adopt an ownership transaction incentive plan that would provide certain executives, including Ms. Korth, with a bonus in the event of a sale of Supreme (or other liquidity event) based upon the excess of the value of the shares received by Supreme's stockholders over the fair market value of Supreme's stock on the date such plan was adopted.

The Korth Employment Agreement contained a covenant not to compete which provides that, during a period of one year following the cessation of Ms. Korth's employment, Ms. Korth shall not, directly or indirectly for herself or on behalf of any other person or business entity, engage in any business venture or other undertaking for a competing business. This covenant not to compete is limited to a territory consisting of all fifty states of the United States.

On May 3, 2012, Supreme Industries, Inc. and its wholly-owned subsidiary Supreme Indiana Operations, Inc. (collectively, the Companies) entered into a Separation Agreement and Release (the Separation Agreement) in connection with Ms. Korth's March 30, 2012 resignation. Pursuant to the Separation Agreement, and conditional upon Ms. Korth complying with the terms of the Separation

Agreement and the portions of the Korth Employment Agreement that remained in effect as set forth in the Separation Agreement, she would receive: (i) nine months salary (\$285,000) over a nine-month period, (ii) an annual bonus for 2011 of \$75,000, paid in 2012 (iii) a pro rata portion of her annual bonus for 2012 based on the annual bonus terms set forth in the Korth Employment Agreement, which totaled \$32,851 and was paid in 2013, and (iv) reimbursement for her legal expenses in the amount of \$23,000. Ms. Korth also retained eligibility for benefits upon a change of control pursuant to the Company's Ownership Transaction Incentive Plan until March 30, 2013, whereupon that eligibility expired. Ms. Korth and the Company provided mutual releases to each other, and Ms. Korth agreed to certain confidentiality obligations.

#### **Matthew W. Long's Employment Agreement**

On December 29, 2011, the Company entered into an employment agreement (the "Long Employment Agreement") with its Chief Financial Officer, Treasurer, and Assistant Secretary, Matthew W. Long. On March 30, 2012, Mr. Long assumed the position of interim Chief Executive Officer. Under the Long Employment Agreement, Mr. Long will receive: (1) a base annual salary of \$225,000, less applicable taxes and other legal withholdings; (2) a potential annual cash bonus of up to \$85,000 for 2011, less applicable taxes and other legal withholdings; (3) a sign-on bonus of 15,000 shares of the Company's Class A Common Stock and (4) an equity award of restricted stock up to \$85,000 provided the Company's stockholders approved a new stock incentive plan in 2012 (such equity award subject to the achievement of applicable performance goals for 2012). Mr. Long's employment is on an at-will basis. However, he must provide the Company with 60 days advance notice of his resignation. In the event that (i) there is a change of control of the Company as defined in the Long Employment Agreement, or change in the Company's President, prior to April 17, 2015 (previously April 17, 2013 but extended by amendment of the agreement in December 2012) that directly results in the involuntary termination of Mr. Long's employment, or Mr. Long is terminated by the Company other than for cause as defined in the Long Employment Agreement, or Mr. Long terminates his employment for good reason as defined in the Long Employment Agreement, he will receive an amount equal to one year's base salary as of the time of termination, less applicable taxes and other legal withholdings ("Severance"). To receive the Severance, Mr. Long must sign a Termination, Severance and Release Agreement ("Severance Agreement") substantially in the form attached as Exhibit A to the Long Employment Agreement and return such Severance Agreement to the Company within 50 days of the Company's provision of the Severance Agreement to him. The Long Employment Agreement expires April 17, 2015.

The Long Employment Agreement contains a covenant not to compete which provides that, during a period of one year following the cessation of Mr. Long's employment with the Company, Mr. Long shall not, directly or indirectly for himself or on behalf of any other person or business entity, engage in any capacity with a competing business. This covenant not to compete is limited to a territory consisting of those counties (or similar political subdivisions) in which Mr. Long performed services during his employment with the Company, in which he received the Company's confidential information, in which an office of the Company is located for which Mr. Long had supervisory or managerial responsibilities, or in which any Company office is located that was Mr. Long's primary office or an office from which he regularly worked during his employment with the Company.

### **Herbert M. Gardner's Employment Contract**

The Board approved an Amended and Restated Employment Contract (the Gardner Employment Contract) between the Company and Mr. Herbert M. Gardner effective January 1, 2005. The Gardner Employment Contract is automatically extended for one additional day so that a constant three-year term is always in effect. In consideration of services to be provided to the Company, the Gardner Employment Contract provides for Mr. Gardner to receive (in addition to certain fringe benefits): (1) annual base compensation of \$108,000 (which monthly payments are to be offset by all other fees paid to Mr. Gardner for serving as a member of the Board of Directors and any committee of the Company and its subsidiaries); and (2) if the pre-tax earnings of the Company exceed \$2,000,000, an incentive bonus of \$36,000, plus an amount equal to 0.6% of the amount by which such pre-tax earnings exceed \$2,000,000.

Under the Gardner Employment Contract, if he dies, suffers a disability, is terminated by the Company without cause, or terminates the Gardner Employment Contract for good reason (as such terms are defined in the Gardner Employment Contract), then Mr. Gardner or his dependents will be paid his base salary for the remainder of the term of the Gardner Employment Contract and the proportionate share of his targeted bonus. The Gardner Employment Contract defines Mr. Gardner's proportionate share as a fraction the numerator of which is the number of days in such calendar year ending with the end of the term of the Gardner Employment Contract and the denominator of which is the total number of days in such calendar year. If Mr. Gardner is terminated (other than for cause), he will also be entitled to maintain his fringe benefits, including his medical benefits, dental benefits, vision benefit, and insurance benefits. In addition to his base salary, proportionate share of his bonus, and fringe benefits discussed above, if Mr. Gardner is terminated (other than for cause), then the Company will either sell or lease to him the automobile that the Company is providing to him. In such case, the Company will, not later than March 15 following the end of the calendar year in which his employment terminates, either sell him the automobile for \$10 along with any insurance coverage (if assignable) or assign to him all of the Company's interest in and to any lease. Upon termination of such lease, the Company will purchase the leased automobile and convey ownership to him. If the Company terminates Mr. Gardner for gross misconduct materially injurious to the Company, then he will not receive any termination payments or benefits.

Under the Gardner Employment Contract, the definition of good reason includes a change in control (as defined in Exhibit A to the Gardner Employment Contract). Notwithstanding the foregoing, in the event payments are being made to Mr. Gardner on account of a change in control based upon a hostile takeover of the Company, the pre-tax incentive bonus discussed above will be determined based upon the highest pre-tax earnings of the Company in the three calendar years immediately preceding the calendar year in which termination occurs.

### **William J. Barrett's Employment Contract**

The Board approved an Amended and Restated Employment Contract (the Barrett Employment Contract) between the Company and Mr. William J. Barrett, Executive Vice President (Long Range and Strategic Planning), Assistant Treasurer, and Secretary of the Company, effective January 1, 2005. The Barrett Employment Contract is automatically extended for one additional day so that a constant three-year term is always in effect. In consideration of services to be provided to the Company, the Barrett Employment Contract provides for Mr. Barrett to receive (in addition to certain fringe benefits): (1) annual base compensation of \$108,000 (which monthly payments are to be offset by all other fees paid to Mr. Barrett for serving as a member of the Board of Directors and any committee of the Company and its subsidiaries); and (2) if the pre-tax earnings of the Company exceed \$2,000,000, an incentive bonus of \$36,000, plus an amount equal to 0.6% of the amount by which such pre-tax earnings exceed \$2,000,000.

The terms of the Barrett Employment Contract are substantially similar to the Gardner Employment Contract. Under the Barrett Employment Contract, if he dies, suffers a disability, is terminated by the Company without cause, or terminates the Barrett Employment Contract for good reason (as such terms are defined in the Barrett Employment Contract), then Mr. Barrett or his dependents will be paid his base salary for the remainder of the term of the Barrett Employment Contract and the proportionate share of his targeted bonus. The Barrett Employment Contract defines Mr. Barrett's proportionate share as a fraction the numerator of which is the number of days in such calendar year ending with the end of the term of the Barrett Employment Contract and the denominator of which is the total number of days in such calendar year. If Mr. Barrett is terminated (other than for cause), Mr. Barrett will also be entitled to maintain his fringe benefits, including his medical benefits, dental benefits, vision benefit, and insurance benefits. In addition to his base salary, proportionate share of his bonus, and fringe benefits discussed above, if Mr. Barrett is terminated (other than for cause), then the Company will either sell or lease to him the automobile that the Company is providing to him. In such case, the Company will, not later than March 15 following the end of the calendar year in which his employment terminates, either sell him the automobile for \$10 along with any insurance coverage (if assignable) or assign to him all of the Company's interest in and to any lease. Upon termination of such lease, the Company will purchase the leased automobile and convey ownership to him. If the Company terminates Mr. Barrett for the willful engagement of gross misconduct materially injurious to the Company, then he will not receive any termination payments or benefits.

Under the Barrett Employment Contract, the definition of good reason includes a change in control (as defined in Exhibit A to his Employment Contract). Notwithstanding the foregoing, in the event payments are being made to Mr. Barrett on account of a change in control based upon a hostile takeover of the Company, the pre-tax incentive bonus discussed above will be determined based upon the highest pre-tax earnings of the Company in the three calendar years immediately preceding the calendar year in which termination occurs.

## **PROPOSAL NO. 2**

### **ADVISORY VOTE ON THE APPROVAL OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS**

As required under the Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14A of the Exchange Act, our Board of Directors is submitting a say-on-pay proposal for stockholder consideration. Stockholders are asked for an advisory stockholder vote approving the compensation of the Company's Named Executive Officers as described above. The Board is asking stockholders to vote FOR the following resolution: RESOLVED, that the compensation of the Named Executive Officers as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission and as disclosed in this proxy statement, is hereby approved.

This advisory vote is non-binding on the Board of Directors. Although non-binding, the Board of Directors and the Compensation Committee value constructive dialogue with our stockholders on executive compensation and other important governance topics and encourages all stockholders to vote their shares on this matter. The Board of Directors and the Compensation Committee will review the voting results and take them into consideration when making future decisions regarding our executive compensation programs.

**The Board of Directors recommends a vote FOR Proposal No. 2.**

**PROPOSAL NO. 3****ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY****VOTES ON THE COMPENSATION OF THE COMPANY S NAMED EXECUTIVE OFFICERS**

In Proposal 2 above, stockholders are being asked to cast a non-binding advisory vote with respect to the compensation of the Company s Named Executive Officers. This advisory vote is commonly referred to as a say-on-pay vote. In this Proposal 3, the Board is also, pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14A of the Exchange Act, asking stockholders to cast a non-binding advisory vote on how frequently say-on-pay votes should be held in the future. Stockholders are entitled to cast their votes on whether we should hold say-on-pay votes every one, two, or three years. Alternatively, stockholders may abstain from casting a vote.

This advisory vote is not binding on the Board of Directors. The Board of Directors believes at this time a triennial say-on-pay voting frequency (every three years) best serves the interests of our stockholders. However, the Board of Directors acknowledges that there are a number of points of view regarding the frequency of say-on-pay votes. Accordingly, the Board of Directors intends to hold say-on-pay votes in the future in accordance with the alternative that receives the most stockholder support.

**The Board of Directors recommends a vote FOR an advisory vote on the compensation of the Company s named executive officers EVERY THREE YEARS.**

### Long-Term Equity-Based Incentives

The Company believes that the best way to align the interests of the named executive officers and its stockholders is for such officers to own a meaningful amount of the Company's Common Stock. In order to reach this objective and to retain its executives, the Company grants equity-based awards to the Named Executive Officers under its 2012 Long Term Incentive Plan and the 2004, 2001, and 1998 Stock Option Plans.

### CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

As part of its original acquisition on January 19, 1984, of the specialized vehicle manufacturing business now being operated by it, Supreme Indiana Operations, Inc. ( "Supreme Indiana" ), the wholly-owned operating subsidiary of Supreme Industries, Inc., acquired an option to purchase certain real estate and improvements at its Goshen, Indiana, and Griffin, Georgia, facilities, leased to it by lessors controlled by the sellers of such business. The option agreement provided that the option would expire on January 8, 1989, and that, prior to that time, it could be assigned to either or both of William J. Barrett and Herbert M. Gardner, members of the Company's Board of Directors.

On July 25, 1988, Supreme Indiana assigned the option (with the consent of the grantors of the option) to a limited partnership (the "Partnership" ). The general partner of the Partnership is Supreme Indiana, owning a 1.0% interest, and the limited partnership interests therein are owned (directly or indirectly) by individuals including Mr. Barrett, Mr. Gardner, and Mr. Campbell, all of whom are members of the Company's Board of Directors, and each of whom owns a 12.375% limited partnership interest in the Partnership.

In a transaction consummated on July 25, 1988, the Partnership exercised the option and purchased all of the subject real estate and improvements. Also on July 25, 1988, the Partnership and Supreme Indiana entered into new leases covering Supreme facilities in Goshen, Indiana, and Griffin, Georgia at initial rental rates equivalent to those paid pursuant to the lease agreements with the prior lessors. The actual amount paid to the Partnership in 2012 for rental was \$658,118. The leases contain options to purchase the properties for an aggregate initial price of \$2,765,000 (subject to increases after the first year based upon increases in the Consumer Price Index). Both of the above leases were extended

for additional five-year terms ending on July 25, 2015 under lease extension agreements which were dated to be effective July 25, 2010. The total rental payments for the first year of the five-year extended terms amounted to \$683,016 with the rent for each year thereafter to be adjusted upward or downward by the amount of the increase or decrease in the Consumer Price Index using July 2010, as the base period and June of each succeeding year thereafter as the comparative period. On December 19, 2012, Supreme Indiana terminated the leases by exercising its options to purchase the properties. The total purchase price of the options was \$5,394,586.

On March 24, 2011, Supreme Indiana entered into an Option Agreement (the "Option Agreement") pursuant to which Supreme Indiana granted Barrett Gardner Associates, Inc. ("Barrett Gardner"), an entity which is owned by Messrs. William J. Barrett and Herbert M. Gardner, each a Director of the Company, the right to purchase the Company's California manufacturing facility (the "California Real Estate"). This transaction was required by the Company's former bank as a condition of the former Credit Agreement. On May 12, 2011, Barrett Gardner assigned the Option Agreement to BFG2011 Limited Liability Company ("a related party") ("Purchaser"). Then, Purchaser exercised its rights under the Option Agreement and purchased the California Real Estate following which it leased such California Real Estate back to Supreme Indiana. As part of the purchase price of the sale segment of the sale/leaseback transaction, Supreme Indiana received a 35.48% ownership interest (4,950 Common Units) in Purchaser, and Messrs. William J. Barrett, Herbert M. Gardner, and Edward L. Flynn (together) contributed \$900,000 in cash for a (combined) 64.52% ownership interest in Purchaser (9,000 Preferred Units).

In accordance with the Option Agreement, Supreme Indiana and Purchaser entered into a Standard Offer, Agreement and Escrow Instructions for Purchase of Real Estate dated May 3, 2011 (as amended by that certain Amendment to Escrow Instructions dated as of the closing date, the "Purchase Agreement") in which Purchaser agreed to purchase the California Real Estate for \$4,100,000 comprised of the following amounts: (a) a \$100,000 deposit made pursuant to the Option Agreement, (b) \$3,000,000 paid in cash at the closing, (c) a grant to Supreme Indiana of the 34% equity interest in Purchaser described above valued at \$495,000 (included in other assets on the October 1, 2011 balance sheet), and (d) a credit in the amount of \$505,000 based on the lack of brokerage commissions and the nature of the transaction. Supreme Indiana paid the closing costs associated with the transaction, including the escrow fees, transfer taxes, title policies and other transaction costs. Supreme Indiana has provided Purchaser with an agreement to indemnify Purchaser from losses, damages and claims arising from the condition of the California Real Estate at closing and a breach by Supreme Indiana of its representations and warranties. Supreme Indiana's indemnity obligations survive the closing of the sale.

Concurrently with the closing of the sale of the California Real Estate to Purchaser, Supreme Indiana leased from Purchaser the California Real Estate (the "Sale Leaseback Transaction") for a term of twenty years pursuant to that certain AIR Commercial Real Estate Association Standard Industrial/Commercial Single-Tenant Lease dated as of the closing date (the "Lease"). The base rent for the first five years of the term is \$24,000 per month. Base rent was to be adjusted after the fifth year of the term to ensure that the base rent equated to fair market value and based on any increases in Purchaser's financing costs. The Lease was a triple net lease, and Supreme Indiana was responsible for payment of all costs relating to the leased premises, including state income taxes on rental income received. Supreme Indiana was granted a purchase option and right of first refusal with respect to the California Real Estate through April 30, 2016. In addition, Supreme Indiana was granted a one-time right of first offer with respect to the California Real Estate that continues until the expiration of the term of the Lease. In connection with the Sale Leaseback Transaction, the Company received a fairness opinion issued by a third party valuation consultant stating that the proposed transactions were fair from a financial point of view to the stockholders of the Company.

On December 19, 2012, Supreme Indiana terminated the Lease by exercising its option to purchase the California Real Estate. The total purchase price was \$4,100,000.
