Item 8.01 Other Events.

On August 27, 2013, Plains All American Pipeline, L.P. (PAA) delivered a proposal to the independent directors of PNGS GP LLC (PNG GP), the general partner of PAA Natural Gas Storage, L.P. (the Partnership), to acquire all of the outstanding common units of the Partnership that are held by unitholders other than PAA for consideration of 0.435 common units of PAA for each outstanding common unit of the Partnership held by such unitholders in a transaction to be structured as a merger of the Partnership with a wholly-owned subsidiary of PAA. The proposal assumes the execution of definitive agreements on or before September 27, 2013 and closing prior to the end of 2013. The proposal also assumes a regular quarterly distribution by the Partnership in November equal to the common unit distribution paid by the Partnership in August 2013. The consummation of the transactions contemplated by PAA s proposal is subject to the approval of Plains All American GP LLC, which is the general partner of Plains AAP, L.P., which is the sole member of PAA GP LLC, the general partner of PAA, approval of a committee of independent directors of PNG GP (the Conflicts Committee), approval of the unitholders of the Partnership, and the negotiation and execution of a definitive agreement.

The Conflicts Committee will evaluate the proposal and respond to PAA in due course. There can be no assurance that a definitive agreement will be executed or that any transaction will be approved or consummated.

PAA owns 100% of PNG GP and owns approximately 46% of the Partnership s outstanding common units and all of the Partnership s incentive distribution rights and outstanding subordinated units.

A copy of PAA s press release dated August 27, 2013 announcing the proposal to the Conflicts Committee is attached to this Current Report on Form 8-K as Exhibit 99.1.
