REVIEW OF FINANCIAL RESULTS

Revenues and Cost of Revenues

Revenues for 2013 were KRW 26,257 million (US\$ 24,882 thousand), representing a 34.5% decrease from KRW 40,105 million for 2012.

Royalties and licensing fees revenue for 2013 was KRW 22,060 million (US\$ 20,905 thousand), representing a 27.6% decrease from KRW 30,486 million for 2012. This decrease primarily resulted from decreased revenues from *Ragnarok Online* in Japan and the strengthening of the Korean Won against the Japanese Yen. Such decrease was partially offset by the revenues from *Ragnarok Online II*, which was launched in Singapore, Malaysia, the United States, Canada, Indonesia, Thailand and 53 other countries and markets during 2013, and the revenues from *Ragnarok Online* in China where the game was relaunched in February 2013.

Subscription revenue decreased by 55.0% to KRW 2,446 million (US\$ 2,318 thousand) in 2013 from KRW 5,438 million in 2012. The decrease resulted mainly from the significant decrease in revenues from *Finding Neverland Online*, which the Company ceased offering in July 2013.

Mobile game revenue for 2013 was KRW 544 million (US\$ 516 thousand), representing a 64.0% decrease from KRW 1,512 million for 2012.

Character merchandising and other revenue was KRW 1,207 million (US\$ 1,143 thousand) in 2013, representing a 54.8% decrease from KRW 2,669 million in 2012. The decrease was mostly attributable to decreased revenues from *Ragnarok Odyssey*, a PS Vita game, which was released in 2012.

Cost of revenues was KRW 20,047 million (US\$ 18,997 thousand) in 2013, representing a 1.3% decrease from KRW 20,304 million in 2012. The decrease in cost of revenues was mainly attributable to decreased outsourcing fees related to game development.

As a result of the foregoing factors, gross profit for 2013 was KRW 6,210 million (US\$ 5,885 thousand), representing a 68.6% decrease from KRW 19,801 million for 2012. The gross profit ratio decreased to 23.7% in 2013 from 49.4% in 2012.

Selling, General & Administrative Expenses (SG&A)

The Company's total SG&A decreased 27.7% to KRW 14,163 million (US\$ 13,421 thousand) in 2013 compared with KRW 19,601 million in 2012. This decrease in SG&A was mostly attributable to decrease in advertising expenses mainly due to decreased marketing expenses for *Ragnarok Online*, and for open beta testing and commercial launch of *Finding Neverland Online* and *Ragnarok Online II*, which did not occur in 2013.

Based on the foregoing factors, the Company recorded an operating loss of KRW 7,953 million (US\$ 7,536 thousand) in 2013, compared to an operating income of KRW 200 million in 2012.

Non-operating Income and Non-operating Expenses

Non-operating income for 2013 was KRW 2,243 million (US\$ 2,126 thousand) compared with KRW 4,494 million in 2012 representing a 50.1% decrease, which was primarily due to gain on valuation of equity-method investment in 2012, which did not occur in 2013.

Non-operating expenses for 2013 were KRW 6,466 million (US\$ 6,127 thousand), a 57.4% decrease from KRW 15,171 million in 2012, which was due primarily to decreased impairment loss on equity method investments related to Gravity Games Corporation and loss on valuation of equity-method investment.

Loss before income tax for 2013 was KRW 12,176 million (US\$ 11,537 thousand), compared with loss before income tax of KRW 10,477 million in 2012.

Gravity recorded a net loss of KRW 17,955 million (US\$ 17,015 thousand) in 2013 compared with a net loss of KRW 14,298 million in 2012.

The balance of cash and cash equivalents and short-term financial instruments was KRW 41,402 million (US\$ 39,234 thousand) as of December 31, 2013.

Note: For convenience purposes only, the KRW amounts have been expressed in U.S. dollars at the rate of KRW 1,055.25 to US\$1.00, the noon buying rate in effect on December 31, 2013 as quoted by the Federal Reserve Bank of New York.

REVIEW OF FINANCIAL RESULTS

Revenues and Cost of Revenues

Revenues for 2013 were KRW 42,438 million (US\$ 40,216 thousand), representing an 18.3% decrease from KRW 51,951 million for 2012.

Royalties and licensing fees revenue for 2013 was KRW 22,224 million (US\$ 21,060 thousand), representing a 28.8% decrease from KRW 31,211 million for 2012. This decrease primarily resulted from decreased revenues from *Ragnarok Online* in Japan and the strengthening of the Korean Won against the Japanese Yen. Such decrease was partially offset by the revenues from *Ragnarok Online II*, which was launched in Singapore, Malaysia, the United States, Canada, Indonesia, Thailand and 53 other countries and markets during 2013, and the revenues from *Ragnarok Online* in China where the game was relaunched in February 2013.

Subscription revenue decreased by 55.0% to KRW 2,446 million (US\$ 2,318 thousand) for 2013 from KRW 5,438 million for 2012. The decrease resulted mainly from the significant decrease in revenues from *Finding Neverland Online*, which the Company ceased offering in July 2013.

Mobile game revenue for 2013 was KRW 14,504 million (US\$ 13,745 thousand), representing a 75.6% increase from KRW 8,262 million for 2012. The increase was mostly driven by the revenues from NeoCyon's mobile game operation service for a third party and the revenues from *Ragnarok Online Uprising: Valkyrie*.

Character merchandising and other revenue was KRW 3,264 million (US\$ 3,093 thousand) for the 2013, representing a 53.6% decrease from KRW 7,040 million in 2012. The decrease was mostly attributable to decreased revenues from *Ragnarok Odyssey*, a PS Vita game, which was released in 2012, and the revenues from sales of goods related to mobile phones in 2012, which did not occur in 2013.

Edgar Filing: GRAVITY Co., Ltd. - Form 6-K

Cost of revenues was KRW 30,924 million (US\$ 29,305 thousand) for 2013, representing a 7.9% increase from KRW 28,671 million for 2012. The increase in cost of revenues was mainly attributable to increased commission paid mostly related to our service provided to third parties, and for digital storefronts where our mobile games are offered, as well as increased salaries resulting from commercial launch of some of our mobile games and increased number of mobile game developers of

NeoCyon. Such increase was substantially offset by decreased outsourcing fees, which is mostly related to development of online and mobile games, and cost of goods sold associated with sales of goods related to mobile phones in 2012, which did not occur in 2013.

As a result of the foregoing factors, gross profit for 2013 was KRW 11,514 million (US\$ 10,911 thousand), representing a 50.5% decrease from KRW 23,280 million for 2012. The gross profit ratio decreased to 27.1% in 2013 from 44.8% in 2012.

This decrease in SG&A was mostly attributable to decrease in advertising expenses mainly due to decreased marketing expenses for *Ragnarok Online*, and for open beta testing and commercial launch of *Finding Neverland Online* and *Ragnarok Online II*, which did not occur in 2013.

Based on the foregoing factors, the Company recorded an operating loss of KRW 8,728 million (US\$ 8,271 thousand) in 2013, compared to an operating income of KRW 728 million for 2012.

Non-operating Income and Non-operating Expenses

Non-operating income for 2013 was KRW 2,291 million (US\$ 2,171 thousand) compared with KRW 3,515 million in 2012 representing a 34.8% decrease, which was primarily due to gain on valuation of equity-method investment in 2012, which did not occur in 2013.

Non-operating expenses for 2013 were KRW 6,309 million (US\$ 5,979 thousand), a 59.3% decrease from KRW 15,491 million in 2012, which was due primarily to decreased impairment loss on equity method investments related to Gravity Games Corporation and loss on valuation of equity-method investment.

Loss before income tax for 2013 was KRW 12,746 million (US\$ 12,079 thousand), compared with loss before income tax of KRW 11,248 million in 2012.

Gravity recorded a net loss of KRW 17,984 million (US\$ 17,042 thousand) for 2013 compared with a net loss of KRW 14,229 million for 2012.

The balance of cash and cash equivalents and short-term financial instruments was KRW 47,725 million (US\$ 45,226 thousand) as of December 31, 2013.

Notes:

1) The Company reclassified certain revenue within Mobile games revenue as Character merchandising and other revenue in 2013 as this better represents the nature of the revenue. The same reclassification has been made to 2012 to conform to the presentation of 2013. The reclassification has no effect on the Company's previously reported total net revenue and other line items on the consolidated financial statements.

2) For convenience purposes only, the KRW amounts have been expressed in U.S. dollars at the rate of KRW 1,055.25 to US\$1.00, the noon buying rate in effect on December 31, 2013 as quoted by the Federal Reserve Bank of New York.
