 - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

Item 8.01 Other Events.

On January 21, 2015, HCP, Inc., a Maryland corporation (the Company), completed its underwritten public offering of \$600,000,000 aggregate principal amount of 3.400% senior unsecured notes due 2025 (the Notes). The net proceeds of the offering, after deducting the underwriting discount and estimated offering expenses payable by the Company, are approximately \$589.4 million, which the Company intends to use (i) to repay the U.S. dollar portion outstanding under its \$2.0 billion revolving line of credit, which was \$105 million as of January 12, 2015, which borrowings were principally used to discharge mortgage indebtedness on certain properties; (ii) to repay its \$200.0 million 6.0% Senior Notes due March 2015; (iii) to repay its \$200.0 million 7.072% Senior Notes due June 2015; and (iv) for general corporate purposes, including future acquisitions, investments or repayment of other indebtedness. Additional details related to this offering may be found in the Prospectus Supplement, dated January 13, 2015 (the Prospectus Supplement), which was filed with the Securities and Exchange Commission (the Commission) on January 15, 2015.

The Notes are governed by the terms of the Indenture, dated November 19, 2012 (the Base Indenture), between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (the Trustee), which was filed as Exhibit 4.1 to the Company's Current Report on Form 8-K filed with the Commission on November 19, 2012, as supplemented by the Fifth Supplemental Indenture, dated January 21, 2015, between the Company and the Trustee (the Supplemental Indenture), which is filed as Exhibit 4.1 to this Current Report on Form 8-K.

The Notes will mature on February 1, 2025 and the Company will pay interest on the Notes semi-annually on February 1 and August 1, beginning on August 1, 2015. The Notes are senior unsecured obligations and rank equally in right of payment with all of the Company's existing and future senior unsecured indebtedness.

The Company may redeem all or part of the Notes at any time at its option at a redemption price equal to the greater of: (i) 100% of the principal amount of the Notes to be redeemed, or (ii) the make-whole amounts applicable to the Notes to be redeemed as set forth in the section titled Description of the Notes Optional Redemption in the Prospectus Supplement. In addition, the Notes are redeemable at a redemption price equal to 100% of the principal amount to be redeemed on or after November 1, 2024.

The Notes have been registered under the Securities Act of 1933, as amended, pursuant to an effective Registration Statement on Form S-3 (333-182824), originally filed with the Commission on July 24, 2012. The description of the Base Indenture, the Supplemental Indenture and the Notes are summaries and are qualified in their entirety by the terms of the Base Indenture, the Supplemental Indenture and the form of the Notes. Copies of the Supplemental Indenture and the form of the Notes are filed as exhibits hereto, and a copy of the Base Indenture has been previously filed, and each is incorporated by reference herein.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits. The following exhibits are being filed herewith:

No.	Description
