Item 1.01 Entry into a Material Definitive Agreement.

Contribution Agreement

On September 17, 2015, Antero Resources Corporation (*Antero*) entered into a Contribution, Conveyance and Assumption Agreement (the *Contribution Agreement*), by and among Antero, Antero Midstream Partners LP (the *Partnership*) and Antero Treatment LLC, a wholly-owned subsidiary of the Partnership (*Antero Treatment*). Pursuant to the terms of the Contribution Agreement, Antero agreed to contribute (i) all of the outstanding limited liability company interests of Antero Water LLC (*Antero Water*), a wholly-owned subsidiary of Antero that owns and operates Antero's fresh water distribution assets, to the Partnership and (ii) all of the assets, contracts, rights, permits and properties owned or leased by Antero and used primarily in connection with the construction, ownership, operation, use or maintenance of Antero's advanced wastewater treatment complex to be constructed in Doddridge County, West Virginia, to Antero Treatment (collectively, (i) and (ii) are referred to herein as the *Contributed Assets*). In consideration for the contribution of the Contributed Assets, the Partnership has agreed to pay Antero aggregate consideration of \$1.05 billion, consisting of (i) a cash distribution equal to \$552.45 million, less any indebtedness assumed by the Partnership in connection with the closing of the Transaction (as defined below), and (ii) 23,886,421 common units representing limited partner interests in the Partnership issued to Antero. In addition, the Partnership has agreed to pay Antero (a) \$125 million in cash if the Partnership's delivered fresh water volumes average 161,000 barrels per day or more between January 1, 2017 and December 31, 2019 and (b) an additional \$125 million in cash if the Partnership's delivered fresh water volumes average 200,183 barrels per day or more between January 1, 2018 and December 31, 2020, all in accordance with the terms of the Contribution Agreement (the *Transaction*). Upon completion of the Partnership's concurrent private placement of common units (described below), an amount of cash equal to the net proceeds will be paid to Antero and the number of common units issuable to Antero will be reduced by an equivalent number to that issued in the private placement. Upon completion of the Transaction, the Partnership will own all of Antero's fresh water distribution and wastewater treatment assets (the *Water Assets*).

On September 18, 2015, the Partnership announced a private placement of 12,898,000 common units (the *Private Placement*) for gross proceeds to the Partnership of approximately \$243 million. The closing of the Private Placement is subject to the closing of the Transaction and certain other customary conditions, and the Private Placement is expected to close concurrently with the Transaction. Upon completion of the Private Placement, the total cash consideration paid by the Partnership to Antero will be \$794 million and 10,988,421 common units, respectively, plus the potential earn-out payments described above.

The Contribution Agreement includes customary representations and warranties regarding the Water Assets and the Transaction, as well as customary covenants and indemnity provisions. The parties have agreed to indemnify each other with regards to breaches of their respective representations, warranties and covenants set forth in the Contribution Agreement. In addition, Antero has agreed to indemnify the Partnership with respect to certain environmental liabilities related to Antero's historical operation or ownership of the Water Assets.

The consummation of the Transaction is subject to the satisfaction of customary closing conditions, including, among other things, the completion of the Private Placement, the absence of legal impediments prohibiting the Transaction, the performance by the parties, in all material respects, of their respective covenants as set forth in the Contribution Agreement and the accuracy of certain of their respective representations and warranties as set forth in the Contribution Agreement. There is no assurance that all of the conditions to the consummation of the Transaction will be satisfied. Antero currently expects the Transaction to close on or about September 23, 2015, although the Contribution Agreement will be effective as of October 1, 2015.

In connection with the closing of the Transaction, Antero will enter into the following commercial agreements with the Partnership, Antero Resources Midstream Management LLC, the general partner of the Partnership (the **General Partner**), Antero Midstream LLC, a wholly-owned subsidiary of the Partnership, Antero Treatment and/or Antero Water, as applicable:

Water Services Agreement Antero Water will agree to provide certain fluid handling services to Antero within an area of dedication in defined service areas in Ohio and West Virginia, and Antero will agree to pay monthly fees to Antero Water for all fluid handling services provided by Antero Water in accordance with the terms of the Water Services Agreement. The initial term of the Water Services Agreement will be twenty years from the date thereof and from year to year thereafter. Under the agreement, Antero will pay a fixed fee of \$3.685 per barrel in West Virginia and \$3.635 per barrel in Ohio for freshwater deliveries by pipeline directly to the well site, subject to annual CPI adjustments. In addition, Antero will commit to pay a fee on a minimum volume of freshwater deliveries in calendar years 2016 through 2019. Minimum volume commitments are 90,000 barrels per day in 2016, 100,000 barrels per day in 2017 and 120,000 barrels per day in 2018 and 2019.

Secondment Agreement Antero will agree to provide seconded employees to perform certain operational services with respect to the Partnership's gathering and compression facilities and the Water Assets, and the Partnership will agree to reimburse Antero for expenditures incurred by Antero in the performance of those operational services. The initial term of the Secondment Agreement will be twenty years from November 10, 2014, and from year to year thereafter.

Amended and Restated Services Agreement Antero, the Partnership and the General Partner will amend and restate their Services Agreement, dated November 10, 2014, to remove provisions relating to operational services in support of the Partnership's gathering and compression business (which will now be covered by the Secondment Agreement) and to provide that Antero will perform certain administrative services for the Partnership and its subsidiaries, and the Partnership will reimburse Antero for expenditures incurred by Antero in the performance of those administrative services.

The terms of the Transaction were unanimously approved by the Board of Directors of Antero after the Special Committee of the Board of Directors of Antero (the *Special Committee*) unanimously recommended that the Board of Directors of Antero approve the Transaction. The Special Committee, composed of independent members of the Board of Directors of Antero, retained legal and financial advisors to assist it in evaluating and negotiating the Transaction. In approving the Transaction, the Special Committee based its decisions in part on an opinion from its independent financial advisor that the consideration to be paid by the Partnership is fair to Antero and its subsidiaries and the unaffiliated stockholders of Antero from a financial point of view.

The Contribution Agreement is filed as Exhibit 2.1 to this Current Report on Form 8-K, and the foregoing description of the Contribution Agreement is qualified in its entirety by reference to such exhibit. The above description of the Contribution Agreement is a summary only and is qualified in its entirety by reference to the complete text of the Contribution Agreement. Moreover, certain representations and warranties in the Contribution Agreement may have been used for the purpose of allocating risk between the parties rather than establishing matters of fact. Accordingly, you should not rely on the representations and warranties in the Contribution Agreement as characterizations of the actual statements of fact about the parties.
