Black Hills Corporation is filing this Current Report on Form 8-K to provide certain pro forma financial information with respect to SourceGas Holdings LLC ( SourceGas ), and the pending acquisition by Black Hills Corporation of SourceGas and related financings related thereto. As previously disclosed in its Current Report on Form 8-K filed on July 14, 2015, Black Hills Corporation has entered into a definitive agreement to acquire SourceGas from investment funds managed by Alinda Capital Partners and GE Energy Financial Services, a unit of General Electric Co. for a purchase price of approximately \$1.89 billion. In connection with entering into the agreement to acquire SourceGas, Black Hills Corporation entered into a bridge term loan agreement with Credit Suisse as the Administrative Agent and 10 additional banks, collectively, for commitments totaling \$1.17 billion.

The agreement for the acquisition of SourceGas is subject to regulatory approvals from public utility regulators in Wyoming, Colorado, Nebraska and Arkansas. Completion of the acquisition is also subject to various provisions including representations, warranties, and covenants with respect to Wyoming, Colorado, Nebraska and Arkansas utility businesses that are subject to customary conditions and limitations. The acquisition received Hart-Scott-Rodino clearance from the Federal Trade Commission on August 18, 2015. On August 10, 2015, Black Hills filed joint applications with the public utility regulators in Wyoming, Colorado, Nebraska and Arkansas. The discovery process with all four state commissions is ongoing and the acquisition is expected to close during the first half of 2016.

Black Hills Corporation is filing the information under this Item 8.01 solely to file historical financial statements of SourceGas and the unaudited pro forma combined condensed financial statements, which give pro forma effect to the SourceGas acquisition described above and related financings as if the acquisition of SourceGas and the related financings occurred on January 1, 2014.

This Item 8.01 contains:

- Historical financial statements of SourceGas in accordance with Rule 3-05 of Regulation S-X, included as exhibits 99.1 and 99.2, which are incorporated herein by reference; and
- Pro forma financial information of Black Hills Corporation and SourceGas on a combined basis in accordance with Article 11 of Regulation S-X giving effect to certain pro forma events relating to Black Hills Corporation's pending acquisition of SourceGas, included as Exhibit 99.3 hereto, which is incorporated by reference.

This Current Report on Form 8-K contains statements reflecting assumptions, expectations, projections, intentions or beliefs about future events that are intended as forward-looking statements. We make these forward-looking statements in reliance on the safe harbor protections provided under the Private Securities Litigation Reform Act of 1995. All statements, other than statements of historical facts, included in this Current Report on Form 8-K that address activities, events or developments that we expect, believe or anticipate will or may occur in the future are forward-looking statements. This includes, without limitations, completion of the acquisition of SourceGas and the related financings. These forward-looking statements are based on assumptions which we believe are reasonable based on current expectations and projections about future events and industry conditions and trends affecting our business. However, whether actual results and developments will conform to our expectations and predictions is subject to a number of risks and uncertainties that, among other things, could cause actual results to differ materially from those contained in the forward-looking statements, including without limitation, the risk factors described in Item 1A of Part I of our 2014 Annual Report on Form 10-K for the year ended December 31, 2014, as amended by Form 10-K/A filed on August 7, 2015, in Item 1A
