UAL and its directors and executive officers may be deemed to be participants in the solicitation of proxies from UAL's stockholders in connection with the matters to be considered at the 2016 Annual Meeting. Investors may obtain information regarding UAL and its directors and executive officers in UAL's Annual Report on Form 10-K for the year ended December 31, 2015, which was filed with the SEC on February 18, 2016, and UAL's definitive proxy statement for its 2015 annual meeting of stockholders (the **2015 Annual Meeting**), which was filed with the SEC on April 24, 2015. To the extent holdings of UAL securities by UAL's directors or executive officers have changed since the amounts disclosed in the definitive proxy statement for the 2015 Annual Meeting, such changes have been or will be reflected on Initial Statements of Beneficial Ownership on Form 3 and Statements of Change in Beneficial Ownership on Form 4 filed with the SEC. Regulation G Disclosure Statement

UAL evaluates its financial performance utilizing various accounting principles generally accepted in the United States of America (GAAP) and Non-GAAP financial measures, including Adjusted EBITDAR, adjusted pre-tax income, adjusted free cash flow, adjusted total debt outstanding, and non-fuel CASM, among others. CASM is a common metric used in the airline industry to measure an airline's cost structure and efficiency. Pursuant to SEC Regulation G, UAL has included reconciliations of reported Non-GAAP financial measures to comparable financial measures reported on a GAAP basis. The company includes such measures because management believes they permit investors to view UAL's performance using the same tools that management uses and to better evaluate UAL's ongoing performance.
