**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On March 30, 2016, the Board of Directors of The Container Store Group, Inc. (the "Company") approved a change in the Company's fiscal year end from the Saturday closest to February 28 to the Saturday closest to March 31 of each year. The fiscal year change is effective beginning with the Company's 2016 fiscal year, which will now begin on April 3, 2016 and end on April 1, 2017 (the "New Fiscal Year"). As a result of the change, the Company will have a March 2016 fiscal month transition period beginning on February 28, 2016 and ending on April 2, 2016. The results of the transition period are expected to be reported in the Company's Form 10-Q to be filed for the first quarter of the New Fiscal Year, which will end on July 2, 2016, and in the Company's Form 10-K to be filed for the New Fiscal Year.

**Item 7.01. Regulation FD.**

The Company has historically realized a higher portion of net sales, operating income, and cash flows from operations in the fourth fiscal quarter, attributable primarily to the timing and impact of Our Annual elfa® Sale, which traditionally starts on December 24 and ends in February. The Company believes the change in fiscal year will assist it with incorporating the results from Our Annual elfa® Sale into the budget for the upcoming fiscal year, as well as planning for future product, merchandising and marketing initiatives. Due to historically strong sales at the beginning of Our Annual elfa® Sale, as well as the fact that the third quarter of the New Fiscal Year will include the month of December, which has historically been a strong sales month due to our holiday campaign, the change is also expected to make the Company less reliant on the fiscal fourth quarter and realize more sales and profitability in the fiscal third quarter.

The Company expects to release its results for the fourth quarter and year ended February 27, 2016 on April 25, 2016. In conjunction with that release, the Company plans to provide recast historical unaudited financial information for the first three quarterly periods of 2015 (which, based on the New Fiscal Year, would have ended on July 4, 2015, October 3, 2015 and January 2, 2016). Results for the March 2016 fiscal month transition period, as well as the recast historical unaudited financial information for the fourth quarter of 2015 (which, based on the New Fiscal Year, would have ended on April 2, 2016) are expected to be reported when the Company releases its results for the first quarter ending July 2, 2016.

All statements contained in this Current Report that do not relate to matters of historical fact should be considered forward-looking statements, including statements regarding our expectations regarding the effects of the change in fiscal year, such as assisting with budgeting and initiatives and making the Company less reliant on the fiscal fourth quarter; and our expectations regarding the timing of release of financial results.
