Item 4. Purpose of Transaction

On September 9, 2016 (the Effective Date), the Issuer consummated its Plan (as defined below) and issued shares of its Common Stock and the Warrants (as defined below) to certain of its creditors, including the Purchasers. As previously disclosed by the Issuer, on July 27, 2016, the Issuer and certain of its subsidiaries (the Debtors) filed voluntary petitions for relief under Chapter 11 of title 11 of the United States Code in the United States Bankruptcy Court for the District of Delaware (the Bankruptcy Court), in order to effect the Debtors' pre-packed plan of reorganization (the Plan). The Plan included a restructuring support agreement (the Restructuring Support Agreement) among the Debtors and certain stakeholders of the Debtors, including certain affiliates of the Reporting Persons, pursuant to which the stakeholders would receive shares of Common Stock and warrants to purchase shares of Common Stock of the Issuer, as part of the reorganization pursuant to the Plan.

Prior to the Effective Date, the Purchasers were holders of certain of the Third Lien Notes and certain of the Unsecured Notes (each as defined in the Plan), and as such, on the Effective Date, the Purchasers received (i) 17,981,822 shares of Common Stock in the aggregate, and (ii) warrants to purchase an additional 340,906 shares of Common Stock of the Issuer (the Warrants). The Third Lien Notes and the Unsecured Notes held by the Purchasers were cancelled as of the Effective Date. Additionally, pursuant to the Plan and the Restructuring Support Agreement, the Reporting Persons received the right to appoint three members to the board of directors of the Issuer (the Board), provided that one such appointment was subject to the written consent of Franklin Advisers, Inc., as further described in the Plan. Each of Nathan Walton, Darryll Schall and Ronald Scott were appointed to the Board as of the Effective Date pursuant to the designation of the Reporting Persons. The descriptions of the Plan and the Restructuring Support Agreement are qualified in their entirety by reference to the agreements, copies of which are filed as Exhibit 1 and Exhibit 2 to this Schedule 13D and incorporated by reference.

The Purchasers and Reporting Persons acquired the Warrants and the shares of Common Stock, and currently hold such Warrants and shares of Common Stock, for investment purposes. The Reporting Persons review on a continuing basis their investment in the Issuer. Based on such review, one or more of the Reporting Persons, individually or in the aggregate, from time to time, may acquire, or cause to be acquired, through open market purchases, privately negotiated agreements or otherwise, additional securities or assets of the Issuer or its subsidiaries, dispose of, or cause to be disposed, securities of the Issuer or its subsidiaries, enter into or unwind hedging or other derivative transactions with respect to securities of the Issuer or its subsidiaries, form joint ventures with the Issuer or its subsidiaries, pledge their interest in securities of the Issuer or its subsidiaries as a means of obtaining liquidity or as credit support for loans for any purpose, or formulate other purposes, plans or proposals regarding the Issuer, its subsidiaries or any of their respective securities or assets, in light of the Reporting Persons' investment mandates and the general investment and trading policies of the Reporting Persons, the Issuer's business and prospects, financial condition and operating results, general market and industry conditions or other factors. In addition, the Reporting Persons and their representatives and advisers may communicate with the Board and management of the Issuer or its subsidiaries concerning the types of transactions disclosed in this paragraph, including but not limited to the acquisition of equity securities of, or assets from, the Issuer or its subsidiaries. In addition, the Reporting Persons may exercise any and all of their rights in a manner consistent with their direct and indirect equity interests, contractual rights and restrictions and other duties, if any. If the Reporting Persons were to acquire additional equity of the Issuer, the Reporting Persons' ability to influence the management, the Board or the policies of the Issuer may increase. In addition, from time to time the Reporting Persons and their representatives and advisers may communicate with each other, Board and with other security holders, industry participants and other interested parties concerning the Issuer. These potential actions could involve one or more of the events referred to in paragraphs (a) through (j) of Item 4 of Schedule 13D.
