In this Current Report on Form 8-K, the terms we, us, and our refer to Five Star Quality Care, Inc.

Item 1.01. Entry into a Material Definitive Agreement.

On February 24, 2017, we entered into an amended and restated credit agreement with Citibank, N.A., as administrative agent and lender, and a syndicate of other lenders, or the credit agreement, pursuant to which we continue to have a \$100.0 million secured revolving credit facility, or the credit facility, that is available for general business purposes, including acquisitions. The credit facility replaced our then existing secured revolving credit facility, or the previous credit facility, which was scheduled to expire in April 2017. We had no borrowings outstanding under the previous credit facility at the time we entered into the credit agreement.

The maturity date of the credit facility is February 24, 2020, and, subject to our payment of extension fees and meeting other conditions, includes options for us to extend the stated maturity date of the credit facility for two, one year periods. Other terms of the credit facility are substantially similar to those of the previous credit facility, including that we are required to pay interest at an annual rate of LIBOR plus a premium of 250 basis points on borrowings under the credit facility; that we are also required to pay a quarterly commitment fee of 0.35% per annum on the unused part of the credit facility; and that we may draw, repay and redraw funds until maturity, and no principal repayment is due until maturity.

We are the borrower under the credit facility, and certain of our subsidiaries guarantee our obligations under the credit facility, which is secured by real estate mortgages on 10 senior living communities with a combined 1,219 living units owned by our guarantor subsidiaries and our guarantor subsidiaries' accounts receivable and certain related collateral. The amount of available borrowings under the credit facility is subject to our having qualified collateral, which is primarily based on the value of the properties securing our obligations under the credit facility. Accordingly, the availability of borrowings under the credit facility at any time may be less than \$100 million.

The credit facility provides for acceleration of payment of all amounts outstanding upon the occurrence and continuation of certain events of default, including a change of control of us, as defined. The credit agreement contains a number of financial and other covenants, including covenants that restrict our ability to incur indebtedness or to pay dividends or make other distributions under certain circumstances and require us to maintain certain financial ratios and a minimum net worth.

Citibank, N.A. and the other lenders party to the credit agreement, as well as their affiliates, have engaged in, and may in the future engage in, investment banking, commercial banking, advisory and other dealings in the ordinary course of business with us. They have received, and may in the future receive, customary fees and commissions for these engagements.

The foregoing description of the credit agreement is not complete and is subject to and qualified in its entirety by reference to the credit agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Edgar Filing: FIVE STAR QUALITY CARE, INC. - Form 8-K

The description of the credit agreement in Item 1.01 of this Current Report on Form 8-K is incorporated into this Item 2.03 by reference.

Item 7.01. Regulation FD Disclosure.

On February 27, 2017, we issued a press release regarding the credit facility, a copy of which is attached hereto as Exhibit 99.1.
