On November 9, 2017, Onconova Therapeutics, Inc. (the "Company") entered into a placement agency agreement (the "Placement Agency Agreement") with Laidlaw & Company (UK) Ltd. (the "Placement Agent") relating to the Company's registered direct offering, issuance and sale (the "Offering") to select accredited investors of 920,000 shares (the "Shares") of the Company's common stock, \$0.01 par value per share, at a price of \$1.50 per Share on a best efforts basis. The Placement Agency Agreement contains customary representations, warranties and agreements by the Company, customary conditions to closing, indemnification obligations of the Company and the Placement Agent, including for liabilities under the Securities Act of 1933, as amended (the "Securities Act"), other obligations of the parties and termination provisions.

The representations, warranties and covenants contained in the Placement Agency Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties. The foregoing description of the Placement Agency Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Placement Agency Agreement, which is filed as Exhibit 1.1 hereto and is incorporated herein by reference. A copy of the opinion of Morgan, Lewis & Bockius LLP relating to the legality of the issuance and sale of the Shares is attached as Exhibit 5.1 hereto.

The Offering is expected to close on or before November 14, 2017, subject to the satisfaction of customary closing conditions.

The Company expects to use the net proceeds from the Offering to fund the development of its clinical and preclinical programs, for other research and development activities and for general corporate purposes, which may include capital expenditures and funding its working capital needs.
