EXPLANATORY NOTE

Southern Copper Corporation (the Registrant) is filing this Post-Effective Amendment No. 3 to the Registration Statement on Form S-8, File No. 333-150982, filed with the Securities and Exchange Commission (the Commission) on May 16, 2008 (the Original Registration Statement) for the sole purpose of disclosing the five year extension of the Directors Stock Award Plan (Plan) to January 28, 2023 and the increase in the number of shares to be awarded to non-employee directors from 1,200 to 1,600. In accordance with the requirements of Form S-8 under the Securities Act of 1933, as amended (the Securities Act) we registered 128,000 shares of common stock of Southern Copper Corporation (the Company, SCC, we, us or our) to be issued under the Plan, a stockholder approved plan. The Original Registration Statement also covered additional shares of common stock which became issuable under the Plan registered pursuant to the Original Registration Statement by reason of any stock dividend, stock split, recapitalization or any other similar transaction effected without the receipt of consideration which resulted in an increase in the number of the Registrant's outstanding shares of common stock. The Plan previously provided that directors who are not compensated as employees of the Company will be automatically awarded 1,200 shares of common stock upon election and 1,200 additional shares following each annual meeting of stockholders thereafter. At December 31, 2017, 346,800 shares have been awarded under the Plan, leaving 253,200 shares available for use after that date. The Plan expired by its terms on January 30, 2017. On January 28, 2016, the Board of Directors of the Company (Board) approved, subject to stockholder approval, a one-year extension of the Plan. On January 26, 2017 the Board approved another one-year extension of the Plan, subject to stockholder approval. The Plan extensions were approved at the Annual Meetings of Stockholders of 2016 and 2017, respectively. On January 25, 2018 the Board approved a further extension of the Plan for five years and an amendment to the Plan to increase the number of shares to be awarded to non-employee directors from 1,200 to 1,600. At the 2018 Annual Meeting of Stockholders the amendments to increase the award amount from 1,200 to 1,600 and the five-year extension of the Plan until January 28, 2023 were approved.

Item 6. **Indemnification of Directors and Officers.**

Section 102(b)(7) of the Delaware General Corporation Law, or DGCL, enables a corporation in its certificate of incorporation or an amendment thereto, to eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for violation of the director's fiduciary duty, except (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit. Our amended and restated certificate of incorporation, as amended, provides for such limitations on liability for its directors to the fullest extent permitted by Delaware law.

Section 145 of the DGCL provides that a corporation may indemnify any person who is or was a director, officer, employee or agent of a corporation against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or

investigative, by reason of being or having been in any such capacity, if he acted in good faith in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action, or proceeding, had no reasonable cause to believe his conduct was unlawful, except that with respect to an action brought by or in the right of the corporation, such indemnification is limited to expenses (including attorneys fees) and court approval is required before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. Section 145 of the DGCL provides that it is not exclusive of other indemnification that may be granted by a corporation's charter, by-laws, disinterested director vote, stockholder vote, agreement or otherwise. Our amended and restated certificate of incorporation and our by-laws, as amended, provide that the Company must indemnify its directors and officers to the fullest extent permitted by Delaware law and as provided in our by-laws.

Our by-laws provide indemnification rights to any of our officers or directors who, by reason of the fact that he or she is one of our officers or directors, is involved in a legal proceeding of any nature if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. Such indemnification rights will include reimbursement for expenses incurred by such officer or director in advance of the

final disposition of such proceeding in accordance with the applicable provisions of Delaware law. Our by-laws provide that we may arrange for insurance covering such liabilities and expenses arising from actions or omissions of a director or officer in his or her capacity as a corporate agent as is obtainable and is reasonable and appropriate in cost and amount. The Company currently maintains liability insurance for its directors and officers.

Item 9. **Undertakings.**

The Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement;

(i) to include any prospectus required by Section (10)(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; *provided, however*, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the Company pursuant to Section 13 or 15(d) of the Securities Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) For purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(5) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
