Item 1.01 Entry into a Material Definitive Agreement

On July 30, 2018, Lannett Company, Inc. (the Company) entered into a license agreement (the License Agreement) with Andor Pharmaceuticals, LLC (Andor), pursuant to which Andor granted the Company an exclusive license (the License) with respect to all rights and interests of Andor in and to the ANDA Application for Methylphenidate Hydrochloride (the Products).

As consideration for the grant of the License, the Company has agreed to pay Andor (a) \$1,500,000 in cash, of which \$500,000 was paid at closing and \$1,000,000 will be paid upon approval by the United States Food and Drug Administration (FDA) of an AB rating with respect to the Products (the AB Rating Approval), and (b) royalties based upon the net profits realized from the sale of the Products by the Company. The License Agreement, as amended by Amendment No. 1 to License Agreement dated August 2, 2018, by and between the Company and Andor (the Amendment), requires the Company to make minimum royalty payments to Andor during the initial four year period following the first commercial sale of the Products by the Company of \$16,000,000 (the Royalty Guaranty). The amount of the Royalty Guaranty will be reduced by \$4,000,000 for each application, if any, by a third party with respect to the Products that both receives regulatory approval from the FDA and is commercially launched after February 2, 2019 and prior to the receipt of the AB Rating Approval.

Each party can terminate the License Agreement for, among other things, the failure of the ANDA Application to be approved by the FDA within specified time periods or the breach by the other party of its obligations under the License Agreement.

The Company expects to file the License Agreement and the Amendment as exhibits to its Quarterly Report on Form 10-Q for the fiscal quarter ending September 30, 2018, and intends to seek confidential treatment for certain terms and provisions of the License Agreement. The foregoing description of the License Agreement and the Amendment contained herein does not purport to be complete and is qualified in its entirety by reference to the full text of the License Agreement and Amendment when filed.
