RE.: Report of complaint in the case entitled Task Solutions a/Telecom Argentina S.A. according to ordinary proceeding (Expte. 1216/2016) and Task Solutions a/Telecom Personal S.A. according to ordinary proceeding (Expte. 1215/2016).

Dear Sirs,

I am writing to you in my capacity as Attorney in fact of Telecom Argentina S.A. (Telecom Argentina or the Company), in order to inform that my represented, in its character of surviving company of the merger with Telecom Personal S.A. (Telecom Personal), has been notified of the complaints indicated in the reference, initiated by Task Solutions S.A. (Task), in proceeding before the Lower National Court in Commercial No. 30, Secretariat No. 59

Through the aforementioned complaints, Task claims, in summary, damages that it alleges to have suffered during the validity of the contracts for the provision of contact center services with Telecom Argentina and Telecom Personal, as well as for the failure to renew said contracts at the end of their term. The amount claimed from Telecom Argentina is Ps.81,744,367 and from Telecom Personal is Ps.326,977,468.

The Company answered both complaints rejecting the damages claimed, counterclaimed for labor items already paid by Telecom Argentina and Telecom Personal and with the assistance of its legal counselors will exercise the defense of its interests within the framework of these actions, because it understands that the amounts claimed don't have factual and/or legal support.

Likewise, allowances deemed sufficient to cover the risks derived from these lawsuits will be constituted, taking into account available arguments and jurisprudential precedents.

Sincerely,

Telecom Argentina S.A.

/s/ Andrea V. Cerdán
Attorney in fact
